GRACEFUL AND ATTRACTIVE WOMEN

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of, if your skin is sallow or subject to pimples or blackheads take MI-O-NA stomach tablets for two weeks and notice the change

Nine tenths of the thin people are thin because the stomach is not active; it is not mixing thoroughly with the natural digestive juices the food put into it, and in consequences is not extracting from the food enough nourishing matter for the blood to distribute to every part of the body. If the stomach does not do its work properly the nourishment in the food you eat is passed along without giving to the body any flesh building element.

MI-O-NA stomach tablets quickly build up the stomach so that it extracts from the food all the elements necessary to form good solid flesh.

If you are thin try a two weeks treatments of MI-O-NA stomach tablets; two with each meal will work wonders.

MI-O-NA stomach tablets are guaranteed to cure indigestion, acute or chronic, or money back. Sold by C A. Wright & Son and druggist everywhere at 50 cents a box.

Friends And Neighbors In Tecumseh Will Show You How

Get at the root of the trouble

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it:

Reach the cause: relieve the pain

Read what Tecumseh people say about them.

Mrs Sarah Austin, Pearl Street Tecumseh Mich., says: "About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When some one told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A soft answer often gives us a chance to stand from under.

THE AGONY OF A BABY UNDER A SKIN AFFLICTION

is all the more terrible because it can't tell you how it suffers. But there is relief at hand—not only relief but a permanent cure from prickley heat, rashes, hives, eczema and all other skin affections so prevalent among infants during the summer months. If you want to see your baby rest easy once again—and a look of relief spread over its little face just apply this splendid remedy ZEMO. We believe honestly and sincerely that in ZEMO you will find the cure you have been praying for. We can tell you in all truth that we have made thousands of parents happy with this simple but sure remedy.

And to prove our absolute sincerity we have instructed all druggist selling ZEMO, to refund the purchaser his money if the first bottle does not bring relief. Used presistently thereafter ZRMO is bound to cure.

ZEMO and ZEMO SOAP make the most economical as well as the cleanest most effective treatment for affections of the skin and scalp whether on infant or grown person

Free Sample For Baby's Ills

Something can and must be done for the puny, crying baby, for the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in the emergency of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you ever tried Dr. Caldwell's Syrup Pepsin? It is a liquid tonic that families have been using for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later, when convinced of its merits, you can get it of your druggist at fifty cents and one dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonville, Pa., as well as that of Mr. A. F. Johnson of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sickly child, one given to constipation and indigestion, you should send for a free sample of this remedy.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.[illegible] Caldwell building, Monticello Ill.

J. Leighton Bush, Register in Chancery.

To Whom it may concern:

NOTICE IS HEREBY GIVEN, That the above entitled cause, or suit concerns, involves the title, and is brought to quiet the title to the following described lands; viz:—

Those lands in the township of Macon, in the County of Lenawee and State of Michigan, known and described, is the east half of the northwest quarter of section twenty, and the east half of the southwest quarter of the southwest quarter section seventeen, all in town five south, range five east as in the Bill of Complaint described.

Dated: July 29th A. D. 1911.

COERCION DENIED BY BECKEMEYER

Refutes Detective Keeley's Story—Confession Voluntary.

TELLS ABOUT $1,000 BRIBE

Reviews Circumstances of Payment for Lorimer Vote by Lee O'Neill Browne and of Sharing in Jack-Pot Distribution.

Washington, Aug. 7.—Charges that he made his confession only after being coerced by State's Attorney Wayman and detectives attached to the state's attorney's office were denied absolutely by H. J. C. Beckemeyer, former member of the Illinois legislature, before the Lorimer investigating committee of the senate.

Mr. Beckemeyer told the committee of the circumstances under which he received $1,000 from Representative Lee O'Neill Browne for his vote for Senator Lorimer and $900 from Representative Robert E. Wilson as his share of the jack-pot, and of the later developments in his own case.

Mr. Beckemeyer declared there was not a particle of truth in the story that he was taken by Patrick J. Keeley, a detective formerly attached to the state's attorney's office, on a tour of the "red light district" and made intoxicated and then was browbeaten into confessing. Mr. Keeley told this story in the trial of Lee O'Neill Browne and was later indicted for perjury and acquitted.

The former representative said that he voluntarily made up his mind to make a clean breast of the whole matter and told Mr. Wayman he would do so. He made his confession before the grand jury, he said, on the same day that he came to Chicago in response to a subpoena. Earlier in the day he had been taken before the grand jury and had denied knowing anything about corruption.

HELD FOR KILLING FATHER

Murder Charged Against Joseph Vacek by Coroner's Jury in Chicago.

Chicago, Aug. 7.—A coroner's jury ordered Joseph Vacek, seventeen years old, a graduate of the Lane Technical High School, held to the grand jury for the murder of his father, Joseph Vacek, Sr., whom he shot in the family residence, 2629 South Hamlin avenue, Friday.

Lieutenant Placek introduced the accused boy's confession, in which he stated that he killed his father in self-defense. He said his father had asked him to shoot his mother and attacked him when he refused to kill the woman. The lieutenant also told of finding the revolver, which the boy hid under a sand car on the Chicago, Burlington and Quincy railroad tracks following the crime.

PANAMA OFFICIAL REMOVED

Breach Between President and Acevedo Causes Much Discussion.

Panama, Aug. 7. — The recent removal of Ramon Acevedo as secretary of the interior is producing much discussion in political circles. It is reported that the removal was because of differences between Acevedo and Acting President Arosemena, due to Acevedo's opposition to the re-election of Arosemena. The local press says that the alleged motives were unfounded and that the proceeding was unprecedented. At a mass meeting 400 Liberals voted approval of the methods of Acevedo and protested against his removal. Acevedo spoke and thanked the people for their endorsement. Heliodoro Patino has been appointed in place of Acevedo.

JAP PEACE PACT URGED

Taft Invites Pacific Neighbors to Join Arbitration Alliance.

TOGO DINES IN WHITE HOUSE

Distinguished Oriental Naval Hero Addresses National Press Club of Washington, Expressing His Heartfelt Thanks For Hospitality Shown Him During His Visit.

Washington (Special).—President Taft signalized the visit of Admiral Count Toga, the Japanese naval hero, to this country by practically inviting Japan to enter into a general arbitration treaty with the United States similar to those recently signed with Great Britain and France.

The president extended this important invitation to Japan at a dinner at the White House given in honor of the distinguished visitor from the orient. The president added a toast to the emperor of Japan which heartily testified to his belief in the continued peaceful relations between this country and that of the rising sun.

A brief speech, the first he has made since his stay in this country, was made by Admiral Togo before the National Press Club of Washington at the close of a strenuous day. The admiral spoke in Japanese, expressing his gratitude for kindness shown him on all sides during his visit to this country.

Following a visit to the United States naval academy at Annapolis Monday, the admiral was the guest of Secretary of State Knox at a banquet at the Pan-American Union building.

DENOUNCES MARRIAGE.

Episcopal Preacher Declares Force Astor Alliance "Unholy."

Philadelphia (Special).—The Rev. George Chalmers Richmond, rector of St. John's church, the most outspoken Episcopal rector in Philadelphia, made the engagement of 18-year-old Madeline Talmage Force to Colonel John J. Astor the theme of a sermon.

"We must tackle at first hand the evils about us," he began. "The Episcopal church is opposed to divorce. We scorn unholy alliances both among the poor of our slums and the rich society dwellers of Newport, Bar Harbor and other summer retreats.

"We abhor this Astor alliance. It is a devilish proceeding, unholy in defiance of God's laws and of our holy religion.

"This is a marriage of convenience. Astor wants another beauty. The poor weak girl of 18 wants a rich society fellow, whose autos, yachts and opera boxes will afford her a chance for social exploitation.

"We need a national uniform divorce law, which will put an end to this over-riding of court decree by such social rakes as John Jacob Astor and the social freaks with whom he associates."

LECONTE AT HEAD.

Revolutionary Leader Seizes Reins of Government In Haiti.

Port Au Prince, Haiti (Special).—General Cincinnatus Lecoute, the revolutionary leader, made a triumphal entry into the capital here, being acclaimed by the populace. Arrangements are being made forthwith for a joint session of the senate and chamber of deputies, which meeting as a national assembly is expected to elect Leconte president in succession to the deposed Simon.

JOHN W. GATES, AMERICAN FINANCIER, DEAD IN PARIS

Photo by American Press Association.

Recent Snapshot of John W. Gates.

Paris (Special).—John W. Gates, the American financier, died here in the arms of his wife and his son, Charles G. Gates. The end was peaceful, and it seemed as though he was falling asleep. The usual restoratives failed in the last crisis.

Others present at the bedside besides the members of the family were Doctors Gros and Reeves.

FRYE IS DEAD.

Grim Reaper Takes Maine's Republican Senator After Long Illness.

Lewiston, Me. (Special).—United States Senator William Pierce Frye died at the home of his daughter, Mrs. Helen White. Senator Frye had been ill for a long time and he has been at his home in this city all summer.

Senator Frye's death means that Maine will be represented by two Democrats in the United States senate, as it will devolve upon the present Democratic governor, Plaisted, to name his successor to fill the vacancy until the legislature meets one year from next winter, when his term

MAKES SUGGESTION.

Steel Trust Witness Would Have the Government Run Corporations.

Houghton, Mich., Aug. 8.—"The national government first undertook the supervision of the states; then it undertook the supervision of the banks, then it undertook the supervision of the railroads. Why should it not at least try to undertake the supervision of our big business concerns before smashing them to pieces?"

This was the conclusion of an address by George W. Perkins of New York, before a gathering at the Michigan College of Mines celebration here; an address, at least, written by Mr. Perkins, but read by President McNair because Mr. Perkins had to be in Washington to appear before the Stanley steel investigation committee.

Perkins Faces Imprisonment.

Washington (Special).—George W. Perkins, formerly of J. P. Morgan & Co., is threatened with imprisonment because of his refusal to answer questions put to him by members of the steel investigating committee. The questions were designed to draw from Mr. Perkins information in regard to contributions by himself or the steel trust to the Roosevelt presidential campaign.

WASHINGTON NOTES.

Washington—Next spring there will be concentrated at the Philadelphia navy yard a formidable fleet of battleships, to be known as the Atlantic reserve fleet of battleships, which will be kept ready for action on 24 hours' notice.

Washington—Floyd W. Robison of Detroit has been summoned to appear before the house committee on expenditures in the department of agriculture to testify about his dismissal from Dr. Wiley's bureau of chemistry "for the good of the service."

Washington—Before taking any action, the war department will await a full report from Captain James Watson, U. S. A., recruiting officer at Indianapolis, in regard to charges that Private George Peters is a secret agent of Austria. The recruiting officer will forward all the papers in the case to the department for investigation.

TWO BOYS DROWN IN BAY

Boat Capsized, Sending Lads to Watery Graves.

RESORTERS WITNESS TRAGEDY

Launch Was On Way to Rescue, but Arrived Too Late—Both Bodies Recovered, Their Arms Clasped About Each Other—Parents Prostrated by Loss of Sons.

Traverse City, Mich., Aug. 8.—While sailing along the shore of the bay in a small boat which they had rigged with a sail, Allen Wilson, aged 12, and Edward Rich, aged 13, sons of Traverse City residents, were carried out into the bay by a stiff wind and were drowned when their boat capsized half a mile from shore.

The two lads were enjoying their sail near the beach in a light breeze during the early part of the afternoon, but later a strong wind came up suddenly, and before they could get to safety their little craft got beyond their control and was blown out into the bay by the off-shore gale.

The boys' predicament was observed by some resorters, who gave the alarm, and a launch started to the rescue. Before the rescuers could reach the lads their frail craft was struck by a strong puff and capsized. About an hour later the bodies of the two boys were recovered, their arms clasped about each other.

The Wilson boy was the son of a widowed mother, and the parents of both were prostrated by the shock of the double drowning.

TOTS BURNED TO DEATH.

Brothers, Aged 6 and 4, Perish in Flames That Destroy Barn.

Jackson, Mich., August 6.—One of the saddest tragedies in Jackson county in years happened when Elmer Crispel, aged 6, and Floyd Crispel, aged 4, brothers, were burned to a crisp when fire destroyed the barn of Frank Lyons, a farmer residing about three miles southwest of Munith.

It is thought the children were playing with matches in the barn and started the fire. When the two little bodies were found they were charred beyond recognition.

Crew of Wrecked Car Arrested.

Dearborn, Mich., August 8.—Motorman Forrest Woodin and Conductor Frederick Dresselhouse, the crew of the eastbound Northville local car which pulled out of the Duffield switch near Dearborn ahead of time on Sunday, July 30, and caused a fatal wreck with a westbound Ann Arbor local, have been arrested on a charge of "manslaughter as a result of gross carelessness."

The verdict of the coroner's jury divided the blame between the men and the D. U. R.

A Record Breaker.

Battle Creek, Mich., Aug. 8.—A church, 28x64 feet, was completed, painted, furnished with altar, pews, organ and all the necessary furniture that goes with a church in one week. This remarkable achievement took place at Yorkville, the principal hamlet on Gull lake, a famous Michigan resort near Kalamazoo. Rev. Morrissey of Notre Dame preached the dedication sermon, Sunday, Aug. 6.

End of Strike Is Near.

Grand Rapids, Mich., Aug. 9.—What may be the beginning of the end of the big furniture strike came when the former employes of the Gunn Furniture company returned to work. The move affected about 200 men.

Fireman Blown to Pieces.

Detroit, Mich., August 8.—Frank Fitch, a fireman connected with engine company No. 24, was literally blown to pieces when a fire extinguisher exploded in his hands.

WILSON LEADS.

Democrats In Congress Favor New Jersey Governor For President.

Washington (Special).—A careful poll has been made of the Democratic members of congress as to their choice for the presidential nomination next year. Definite expressions were obtained from 153 of the 267 memers, a slight but not commanding preference for Woodrow Wilson of New Jersey being shown.

The results are:

For Wilson	45
For Gov. Harmon of Ohio	35
For Champ Clark	26
For Rep. Underwood	17
For Gov. Folk	14
For Gov. Marshall	14
For Gov. Foss	2

Geographically, the poll indicates no sectional preference except, perhaps, in the case of Underwood, whose adherents are, almost without exception, from the south. Wilson and Harmon have champions in every section of the country.

M. N. G. IN CAMP AT PORT HURON

Governor and Staff Will Review Troops Aug. 13.

Port Huron, Mich., Aug. 8.—The M. N. G. troops are arriving on every incoming train. It is expected the camp this year will be the largest in the history of the state. More than 3,000 men will be in attendance here from all parts of the state.

Every branch of the military service in the state is represented in camp, including three regiments of infantry, two troops of cavalry, two companies of signal corps, one battery of field artillery and the hospital corps. General Perley Abbey is in command of the troops.

The big day in camp will be Sunday, Aug. 13, when Governor Osborn and his staff will review the troops and inspect the camp.

Laurier Cannot Attend Fair.

Detroit, Mich., Aug. 8.—Sir Wilfrid Laurier, prime minister of Canada, has written President Newton that it will be impossible for him to leave his duties to visit the Michigan state fair on Canada day. He states in his letter that he hopes to secure the attendance of one or more prominent Canadians on that day, however

The readers of this paper will be pleased to learn that there is at least one dreaded disease the science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only postive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THIRTY YEARS TOGETHER

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once its finds entrance in a home you can't pry it out. Many familes have used it forty years. It's the most infallible throat and lung medicine on earth. Unequaled for La Grippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, $1.00. Trial bottle free. Guaranted by C. A. Wright & Son.

The milk of human kindness is often entirely unrelated to the cream of society.

ATTACK LIKE TIGERS

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blooe purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found. "They make rich, red blood, strong nerves and build up your health. Try them, 50 cents at C. A. Wright & Son's.

A man who is on good terms with himself is in a fair way to make a success of life.

Hay Fever, Asthma and Summer Colds

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolfram St. Chicago, writes: "I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's experience. For sale by all druggists.

It isn't hard to learn a thing, but to find out afterward that it isn't so is discouraging.

Loss of Time Means Loss of Pay

Kidney trouble and the ills its breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna St. Streator, Ill. was so bad from kinney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or women who suffers from kidney ills. For sale by all druggists

There is only one thing that is interesting, and that is a thing that you can't find enough of.

Foley Kidney Pills will check the progress of your kidney and bladder trouble and heal by removing the cause. Try them. For sale by al druggists.

WALKING ON THE HEAD

STATE NEWS NOTES.

Michigan Matters of Interest Condensed For Busy Readers.

Charlotte—Walter Edick, 17, was drowned in Pine lake, near Olivet, while bathing.

Marquette—Kalie Hakkella has been arrested, charged with stabbing Walter Olmsted, 32, of Humboldt, to death.

Saginaw—Harlan I. Smith, a former resident of Saginaw, has been made archaeologst of Canada by the governor general.

Dowagiac—The Michigan Central depot was robbed of $117. A hobo was arrested a short time later, and it is claimed the money was found on him.

Adrian—A fire in the St. Charles hotel drove several of the domestics to the street in scant attire. About $2,000 damage was done to the upper story.

Port Huron—Gordon Brown, 16, was rescued with a net when a canoe containing himself and Fred Taylor, a chum, upset. Taylor swam to the shore.

Grand Rapids—Because the commissioners have left unpaid the $645 assessed for improvements, the $400,000 Ryerson Library, the same has been advertised for sale.

Saginaw—James Hickey, a liveryman, has reported to the police that he rented a valuable horse and buggy to a stranger and that the outfit has not returned. Search is being made.

Saginaw—E. J. Demorest, 50, a traveling man, was thrown from a Michigan Central passenger train at Cornwell, and several bones in his right ankle were broken. He as attempting to board the train.

Battle Creek—Prompt medical aid saved the life of Miss Hazel Brakel, a 17-year-old employe of the Kellogg food company, following her attempt at suicide in the boarding house of Mrs. Dowling. Despondency was the cause of the girl's rash act.

Bay City—Andrew Hauer, a cement contractor, asleep with others on the deck of a tug returning from Point Lookout, evidently rolled overboard for his companions found him missing when they awoke. Fishermen are looking for his body.

Grand Rapids—A thief broke into George Gray's locker at Manhattan beach, while he was in bathing, and, taking his check, went to the office, where he secured two diamond rings, a gold watch, o gold ring, and other valuables amounting to about $500.

Kalamazoo—Indications point toward the largest grape crop in the history of the Michigan fruit belt. The weather conditions have been ideal, and this fact, together with the increased acreage, will result in a harvest nearly twice that of any previous year.

Coopersville—A man supposed to be A. J. Burton, about 45, residing at Sodus, was struck by an eastbound passenger train and hurled 40 feet. He died before he could be brought to this place. The only means of identification was a letter in one of his pockets.

Charlotte—Roy Knowles, about 21 yaers old, son of Mr. and Mrs. Fred Knowles, prominent residents of this city, was killed in an automobile accident at the fair grounds here. One wheel broke down, allowing the machine to turn completely over, breaking the young man's neck.

Jackson—"I'll puncture your tire," were the words used by Joseph Yelinski, a Polish youth, 11 years old, when, it is alleged, he stabbed and probably fatally injured Frank Barkowski, 13. Barkowski was rushed to the city hospital, where it is stated he has one lung punctured and cannot live.

Grand Rapids—Charles Orth, houseman at the Hotel Pantlind, while walking in his sleep, stepped out of a window on the fourth floor, landing on his head and shoulders on the skylights of the first floor. The skylights are protected by a wire netting, and this probably saved Orth from being dashed to death on the hard floor below.

Grand Rapids—J. Roland Clark, prominent druggist of this city and member of the school board, was almost instantly killed when his automobile plunged over an embankment. His wife, 17-year-old son, Robert, and two small children, who were in the machine with him, escaped with minor injuries. Mrs. Clark suffered a fractured collar bone.

AUTO ACCIDENT

Willie Jones, the 11 yr. old son of Mr. and Mrs. James Jones living about four miles east of Tecumseh, was struck and seriously hurt by the auto driven by Warren Jones of Ridgeway. No blame is attached to Mr. Jones. The lads father who was working in a field near by saw the accident and exonerates Mr. Jones as he was driving slowly and the boy who was playing with a cart by the roadside evidently, became confused and pushed it in front of the car. Mr. Jones seeing the danger turned the auto quickly to the side of the road to escape him but the lamp on the car struck him causing severe injuries about the head. He was picked up in an unconscience condition and taken to his home (on the Chas. Foote farm.)

Drs. Morden of Macon and Hendershott of Tecumseh were called and rendered him as comfortable as possible. A later examination discovered that his leg was broken and he is in quite a critical condition. About two years ago Willie had a severe attack of scarlet fever and since then has been subject to bad spells and his father thought such might have been the case at the time of the accident

DEATH OF GEORGE KETCHAM

George T. Ketcham a former Tecumseh boy, died at his home in Chicago Tuesday night, aged 68 years. Who does not remember him as a young man in our midst, starting his business career at a small news stand and steadily progressing, until at one time he was head of a Jewelry establishment, then Post Master. He was a firm adherent of the Masonic Order, and held the office of Grand Master of the lodge. 23 years ago he left Tecumseh for the west, and for the past 12 years has resided in Chicago.

He leaves a widow and daughter, Mina Ketchman and a sister, Mrs. O Snell of St. Johnsville, N. Y, and a host of friends to mourn his loss.

His body was brought to the home of his nephew, C. F. Patterson Wednesday afternoon. The funeral being held Thursday afternoon at 2 o'clock, under the Auspices of the Masonic lodge.

MRS AGNES A. MCINTYRE

Agnes A. McIntyre passed away Tuesday afternoon at five o'clock from the effects of an operation, aged 46 years. The body was taken to the old farm home in Scofield where funeral services were held Thursday afternoon.

IN TIME OF SHOWERS

Sixteen young ladies gathered for a picnic on Hayden's Flats Tuesday afternoon in honor of Miss Winnifred Wilson. A most delightful time was spent and a most generous pot luck ing feature of the of the occasion was a general utility shower when the br de-elect received a number of linen gifts, jabots, china etc.

Wednesday evening about 20 young ladies were invited for a hosiery and handkerchief shower in honor of the same young lady. At the home of Miss Bess Spade. An ample supply of hosiery in various sizes and styles and numerous pretty handkerchiefs were showered upon Miss Winnie at this time. The evening was spent in social chat. Light refreshments were served and the time of parting came it was with mingled feelings of pleasure and sadness that the good nights were spoken.

RABIES OR HYDROPHOBIA

The following extracts from a letter from the State Board of Health is of interest at this time of the year when danger from mad dogs is most imminent.

Whenever a person has been bitten by a dog the first thought is and ought to be the possibility of rabies. Because of an old superstition it has become common practice to have the dog put immediately to death. Whenever the annimal is suspected of having rabies, this procedure is highly fallacious and cannot be too strongly condemnep, as it often makes the positive determination of whether or not the dog had the disease impossible. Rabies can only be communicated by by annimals affected with rabies and only a short time before the appearance of symptoms. The dog should be tied or locked up closely and watched. If symptoms do not appear in the suspected animal within a week, the wound has not been inoculated with the virus of rabies. If the dog dies within the period mentioned, the brain, or better, the entire head, should be immediately removed, packed in ice to prevent decomposition, and sent to the Pasteur Institute at Ann Arbor, Michigan, for examination, and if the suspicion is confirmed by laboratory findings and the diagnosis is positive, the individual who was bitten should without further delay be given the Pasteur treatment.

The period between infection and the appearance of the first sysmptoms of rabies varies from a few weeks to several months, and during this period Pasteur's treatment may be given and the disease prevented.

Over 90 per cent of all cases of rabies results from being bitten by dogs. It is therefore of highest importance that the muzzling of dogs be enforced. When animals cannot bite the cannot communicate the disease and the contagion of rabies will die with the dying of the last infected. Many of the contrivances sold as muzzles are not effective are simply attempts to evade the law. In a town where a muzzling order is in force unless a dog wears an efficient muzzle, one that prevents the dog from biting, he should be looked upon in the same light as a dog that does not wear one.

Very truly yours,
Robert L. Dixon, M. D.
Secretary.

IN THE AFTERNOON

When a man grows old all his hinges creak,
His teeth fall out and his eyes get weak,
He has pains in his sides and pains in his back,
And all his inwards get out of whack,
His limbs get wably and his feet get cold,
Oh it is a bitter time when a man grows old.
When a man grows old, he likes to tell
Of the joyous days when the world wagged well,
When he was younger, the sky was fair
And peace and virtue were everywhere,
The maids were lovely, the men were bold,
Such dreams will come, when a man grows old,
When a man grows old he sighs and moans,
Of sweeter zephyers and brighter morns,
Of larger rivers, and broader seas,
Of lovelier sunsets and higher trees,
The past has beauties he delights to unfold,
When a man grows old, when a man grows old
Oh let him go, on his lonely way,
And tell his tales of an ancient day,
It is all that is left when life gets seer
And the wind blows chill and the night is near,
Then the visions and stories so often told
Is all that is left when a man grows old.
When a man grows old he is not wanted around,
He is best in earth, than on top of the ground,
He's a crank and a nusiance he is often told
And that is the way when a man grows old
But cheer up friend, we will soon reach the end
And pass through the gates of bright gold,
To the mansion above where is perfect peace,
And no man shall ever grow old.

P. W. A.

The above poem written by an old time resident of Tecumseh, is printed at the request of his many friends.

WELCOME NEWS

Reports from all over the country are coming in with the welcome news, that the crops are excellent, and the fruit plentiful. The wheat crop it is thought will reach 700,000,000 bushles, the corn crop is some what uncertain, but hopes are entertained that it may be all all right. Taking every thing into consideration, the farmer will come out ahead once more.

TY COBB

HAS SET ANOTHER WORLD'S RECORD

Ty Cobb has set another world's record by scoring 100 runs in ninety four games. What this means is realized when you remember that last year he was the only man in the American league to score 150 times in the entire season of 151 games. He made 106 runs last year and the nearest men to him were Lajoie, of Cleveland, and Speaker, of Boston, with ninety two each. Now Cobb, who has been going like a whirlwind all of his season, has already scored as many runs as he did all of last year and the year is only about two thirds over. Cobb has scored over 100 runs in each of the last three seasons. He did not do so in 1907 and 1908 because he was batting behind Sam Crawford and driving Sam around more often than he scored himself. In 1909 Jennings changed the batting order of the Tigers and placed Cobb in front o Crawford. That year he scored 119 runs.

THE WOODMEN OF THE WORLD

The Woodmen of the World held their preliminary meeting Monday evening Aug. 7th, with a fair attendance.

They decided the name of the camp will be Tecumseh Chief and will organize with about 25 members. Their first regular meeting will be in Arcanum Hall Thursday evening Aug. 17. A committee was appointed, to secure a hall. A social hour was spent, Mr. E. B. Nash the Dist. Manager, passing a box of cigars to those present and otherwise making the occasion a pleasant one.

They expect a rousing meeting the next time, as the people are becoming more and more interested in the organization.

The Woodman Order is a fraternal beneficiary society for woman and man, and has nearly reached the 100,000 mark in its membership. Mr. Nash is quite enthusiastic in his work, and hopes to make this one of the strongest Camps in the organization.

TECUMSEH GUN CLUB

The Tecumseh Gun Club held a blue rock shoot Wednesday afternoon at Sutton. Dinner was served in picnic style and everyone was at his best in both lines of business. Walter Lowery of Detroit won the trophy as best shot. A party of six men came over from Detroit for the occasion. Walter Lowery, Lynn Comfort, Judge Sheldon, Art Somers, Will McDaniels and Gus Zimmer. The occasion was an interesting one to all present.

Angora Goat as Land Cleaner.

The Angora goat is making considerable progress in Queensland. Apart from the value of mohair, the Angora is a splendid cleaner of land. Forty goats will clear as much land as a man with a mattock, and do it much better.

HOT WHEATHER HURTS THE SKIN

Poisonous prespiration causes rashes hives, blotches, pimples and prickly heat, often the being of serious skin troubles.

To wash away the poison entirely, apply a simple solution known as D. D. D. Prescription for eczema. D. D. D. is generally sold in $.100 bottles, but for 25c we can now give you enough to prove that the very first drops soothe and heal the inflamed skin as nothing else can.

We vouch for the wonderful properties of D. D. D., for we know that it brings instant relief for all kinds of skin trouble. B. J. Pulver.

HOW IS THIS FOR A CITY BOY

Henry W. Clark of Ridgeway, a city boy from Detroit has the honor of having the largest yield of wheat to the acre of any so far reported, his yield being 40 bushel. If he seems a little proud over this, no one can blame him.

JAPANESE GARDEN PARTY

Most Successful and Largest Attendance of any yet Given, 400 Tickets Being Sold.

A SCENE FROM JAPAN WITH PRETTY JAPANESE GIRLS

Assisted by Tecumseh Band

The third annual Garden Party given by the Ladies of the Baptist church on the lawn of R. S. Moore was the most successful yet given. The largest attendance, the most artistic effect, and a fine program rendered the evening most enjoyable.

The Tecumseh Band rendered several selections which were very much enjoyed and their first number, "Yankee Hash" was just the music to charm Yankee hearts, even though in Japan.

Of the program we will say it was charmingly and artisticly carried out. Miss Harrison of Jackson who gave the Saxiphone Solo delighted everyone present and kindly responded to an encore. Mrs. Gorman who gave a song "Japanese Maiden" gave it with a true Japanese effect. The Tenor solo "Doubt Not" by Mr. Krone was also given an encore to which he responded. The Ladies Chorus, "I Sing because I love to Sing," closed this part of the program.

Never have the grounds been better fitted for a Garden party, than were these of Mr. R S. Moore's. The effect was of great spaciousness, and the beauty of it can hardly be described in words.

The Japanese laterns hung in foliage overhead, the rushes and Cattails encircled the grounds, the flowers and vines banking the porch and house gave the audience grounds a most charming effect. Then passing through the Arch to the Japanese Garden with its gaily flaunting flowers of many colored phlox, petunias and zinnias bordered by sweet elyssum and candytuft, and the Japanese girls waiting on the tables, the effect was indescribable. The guests here were served to refreshments, of which many partook.

The decorating committee certainly deserve great credit for their wonderful success. As also do our home singers for the pleasure they gave to every one present.

Mr. Samuel Haas of Blissfield, was a Tecumseh caller Thursday.

Miss Katheryn Haas is taking a few days outing, at Wampler's Lake.

NASAL CATARRH

Mrs. E. Karberg Says it is Easy to Get Rid of

"A bad case of catarrh was cured for me by the use of HYOMEI. The trouble effected my head, nose and eyes, and was very annoying and disagreeable, and the cure, from the use of HYOMEI was very gratifying. HYOMEI has from me a strong recommend and endorsement."—Mrs. E. Karberg, 213 Kingsley St., Ann Arbor Mich;, Nov. 16 1908.

HYOMEI (pronounced High-o-me) cures catarrh, because it gets where the germs are, and destroys them. It is made of Australian encalyptus, mixed with other healing antiseptics when breathed over the irritated membrane, it gives relief in two minutes.

Used regularly for a few weeks it will build up and heal the germ infested membrane and drive out catarrh.

If you own a small Hyomei pocket inhaler, you can get a bottle of HYOMEI at druggists everywhere, or at C. A. Wright & Son's for only 50c. If you do not own a Hyomei inhaler, ask for a complete outfit, the price is $1.00 It is guaranteed to cure catarrh, coughs, colds croup or sore throat, or money back.

GO RIGHT AT IT

Friends And Neighbors In Tecumseh Will Show You How

Get at the root of the trouble.

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it:

Reach the cause: relieve the pain

Read what Tecumseh people say about them

Mrs Sarah Austin, Pearl Street Tecumseh Mich., says: "About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When some one told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's' Kidney Pills."

Free Sample For Baby's Ills

Something can and must be done for the puny, crying baby, for the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in the emergency of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you ever tried Dr. Caldwell's Syrup Pepsin? It is a liquid tonic that families have been using for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later, when convinced of its merits, you can get it of your druggist at fifty cents and one dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonville, Pa., as well as that of Mr. A. F. Johnson, of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sickly child, one given to constipation and indigestion, you should send for a free sample of this remedy.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.509 Caldwell building, Monticello Ill.

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments that medical science has devised. For sale by all druggists.

Irving's Modesty.

Fuller Mellish, who was for several years in the company of Sir Henry Irving, first coming to America in his support, told a characteristic story of the great English actor.

"We were discussing Tennyson in the beefsteak room of the Lyceum one night," said Mr. Mellish, "when Sir Henry came over and joined in the conversation. 'Ah, yes,' he said, 'Tennyson. To be sure I know him. Clever chap, yes, but vain. One night Tennyson and I were walking down Piccadilly together, and as we passed a crowd on the street corner several of the men took off their hats and bowed. Ha! Do you know Tennyson thought they were bowing to him! Extraordinary! Yes, clever chap, but vain, you

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

ADJOURNMENT DATE IS CLOSE

Middle of the Month Will See Close of Session.

Washington (Special).—Leaders of both houses of congress are figuring on adjournment of congress between Aug. 15 and 19.

Democratic house leaders hold this view, Vice President Sherman predicted Aug. 10, and Democratic Leader Martin, of the senate, "the middle of the month."

Rumors are current that a deadlock exists between Senator La Follette and Rep. Underwood on the wool and free list tariff revision bills. Apparently they had made little progress, but neither had indicated a desire for a meeting of the full committee of conference.

Neither Mr. La Follette nor M. Underwood made any explanation of the delay. The disposition of other members of the conference is to give them reasonable time, but much pressure for expedition is being brought to bear on them because of the desire of senators and members generally to bring the session to a close as soon as possible.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only postive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. Tre proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Sold by all druggists, 75c.

Take Hall's Family Pills for constipation.

The inevitable always takes care of itself, so don't spend any time on it.

THIRTY YEARS TOGETHER

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once its finds entrance in a home you can't pry it out. Many familes have used it forty years. It's the most infalliable throat and lung medicine on earth. Unequaled for La Grippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c. $1.00. Trial bottle free. Guaranted by C. A. Wright & Son.

Making apologies sometimes ps us from doing anything that we need not opologize for.

A KING WHO LEFT HOME

set the world to talking, but Pau Mathulka, of Buffalo, N. Y. says he always Keep At Home the King of all Laxatives—Dr. King's New Life Pills—and that they're a blessing to all his family. Cure constipation, headache, indigestion, dyspepsia. Only 25c at C. A. Wright & Son's

The milk of human kindness is often entirely unrelated to the cream of society.

ATTACK LIKE TIGERS

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found. "They make rich, red blood, strong nerves and build up your health. Try them, 50 cents at C. A. Wright & Son's.

A man who is on good terms with himself is in a fair way to make a success of life.

Hay Fever, Asthma and Summer Colds

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolfram St. Chicago, writes: "I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's experience. For sale by all druggists.

It isn't hard to learn a thing, but to find out afterward that it isn't so is discouraging.

Loss of Time Means Loss of Pay

Kidney trouble and the ills its breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna St. Streator, Ill., was so bad from kinney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or women who suffers from kidney ills. For sale by all druggists

There is only one thing that is interesting, and that is a thing that you can't find enough of.

Foley Kidney Pills will check the progress of your kidney and bladder trouble and heal by removing the cause. Try them. For sale by all druggists.

CONCERNING TELEPHONES

Lansing, Mich., Aug. 8.—Attention has been called by the railroad commission to a provision in the Giles law making telephone companies common carriers, whereby no telephone company can be organized of secure franchises until it has been granted a certificate by the commission.

This certificate can only be granted by the commission upon a showing that the proposed company is not seeking to establish a system to compete with another company in territory which cannot support two systems.

"ROSALIND AT REDGATE"

If you have never read that highly interesting novel by Meredith Nicholson entitled "Rosalind At Redgate" get the book and read it now. The play of the same name will be the opening attraction at the Bradley Opera House the latter part of this month when the regular theatrical season will open, you will find the story as interesting as "The House of a thousand Candles or "Graustark" and you will find the play equally interesting, you should read the book before seeing the play

The company which will play here is a city company in every sense of the word, playing three nights at the Majestic Theatre, Grand Rapids before playing here and Toledo afterwards. Without a doubt the people of Tecumseh and vicinity will speak as highly of "Rosalind At Redgate" as they have of Graustark so plan to see this excellent attraction.

Among some of the other attractions booked for the coming season are: "The Lion and the Mouse;" "The Chorous Lady;" "The White Squaw;" "Mary Jane's Pa" and several good musical comedies.

The management intends to book nothing but the best attractions possible to get into a town the size of Tecumseh, and with the support of the people of this place and the surrounding country should be able to secure at least two or three A No. 1 attractions a month.

"Rosalind At Redgate" will be the the opening attraction, Saturday Aug. 26.

C. H. Bramble

STATE MANAGER OF THE GRANGE INSURANCE DEPARTMENT.

Addressed Grange Picnic Thursday August 10.

Our townsman C. H. Bramble gave an address at the Jackson County Grange picnic last Thursday to a most appreciative audience. He spoke briefly on the Insurance department of the Grange and declared that they were able to furnish insurance as cheaply and any other fraternal order. He then passed on to an exposition of the work of the grange.

He spoke of the good work accomplished by Farmers' Clubs, but thought that the State and National organization of the Grange was doing more to keep the boys and girls on the farm than any other agency. The social side is also to be commended. The Educational side is for reaching in its results and brings the boys and girls into a study of nature. Not all boys and girls are fitted for the farm but in the cities you will find that in all professions the leaders are products of the farm. Tendencies crop out in early life and should be encouraged.

Mr. Bramble found fault with the public schools because they train for the high schools and universities instead of industrial work of life. He commented the German system of education that makes the boy attend school until he is 14 years old and then has an extensive course in the shop and thus acquires a knowledge that fits him for the duties of life,

He brought out many fine points on Co-operation, the parcel post and Womans Suffrage.

Mr. Bramble practices what he preaches and is doing all he can for the benefit of the farm.

FAUSETT—ETTINGER

Married at the residence of the brides father, William Ettinger on Marion St Waterloo, Ind., Sunday evening at 8:30 o'clock August 6, 1911. Dexter Fausett and Miss Cassie Ettinger, Rev. P. Luis Brown of the Evangilical church officiating.

There were no guests present except the immediate family. On a late train the newly wedded departed for a brief visit in Chicago, thence to Oak Park, Lake Wawasee to enjoy their honeymoon at the various conventions of Evangelical association now in session at that place, both parties being active workers and members of this church.

ACCIDENT

What might have been a serious accident, occurred this morning early. Bert Waring and sons, Lester and Roger were on their way to the farm, when the horse they were driving, shied to one side in bringing him into the road he started to run, and when at the home of R. W. Cole turned a sharp corner into the drive way strewing Mr. Waring and Lester into the wire fence. Mr. Waring was cut about the head and his back badly bruised, the concussion with mother earth knocked the breath out of Lester, which he soon recovered, otherwise he is unhurt.

W. W. Shurtz and wife were in Milan a few days last week, visiting her brother and sister.

EDELWEISS

We are indebted to Mrs Jennie Law Hardy for a very beautiful speciman of Edelweiss which grows on the mountains of Bavaria at a very high altitude. Both in fact and fiction the record is of so many lives being lost in picking it. The blossom is a beautiful creamy white, star shaped and about the size of a quarter of a dollar.

Mrs. Hardy states that at the present time they are stopping in Vienna Austria and the Docter has started work in the Vienna Clinics where he is making a specialty of throat, nose, ear and surgery the combined clinics treats nearly 10,000 patients daily. The Doctor is enjoying his work very much

Robbins' Circus A Fine One

Good all through. Not a weak part. A steady succession of really "feature acts." Such were the performances of the Frank A. Robbins circus, which exhibited on the big "circus lot" at East Bridgeton.

Not so big as the "big ones," but a "straight" circus performance with none of the exrescences which have crept in later years; "old-fashioned" only in respect to this and its one ring, is the Robbins Circus, and one seldom—or never elsewhere—sees a circus of this size with such a list of strong and remarkable acts. It was great.

We must pass by the excellent music by the band, the antics of the funny clowns, the real circus "snap" which attended the performances and and the general courtesy shown by the circus people, headed by Mr Robbins himself and that capital fellow "Doc" James E. Gordon, the "press agent" to speak of the especially notable acts in the performances.

No prettier act was ever seen in a circus than that of Belle Clark and her dancing horse Duke. For five years their act has opened the Barnum & Bailey shows at Madison Square Garden. The four trained fan-tailed pigeons and the little dog, with the dancing horse, make up a combination that is really marvelous in the response to the commands of the lady.

It is a great company of circus performers—both human and animal—which Mr Robbins has gathered together for this season. The result is a great circus and one that is bound to meet with favor wherever it goes.

BIRTHDAY PARTY

Master Lawrence Kerr reached the advanced age of 7 years, on Thursday August 10th, and the occasion was made pleasant by relatives, who came for the birthday dinner, Lawrence was remembered with a number of presents, and numerous birthday cards also were received.

The out of town guests were Chas. Kerr, wife and daughter Josephine, Frank Kerr, wife and two daughters Marjorie and Constance, Mrs. Ed Kerr, Harry, Wade and Anna all of Onsted, Mrs. Nellie Rogers and Miss Rogers of Peoria, Ill., and Mrs. L. A. Porter and daughter Louise of Adrian. A very pleasant day was spent by all present.

Get at the root of the trouble.

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it:

Reach the cause: relieve the pain.

Read what Tecumseh people say about them.

Mrs Sarah Austin, Pearl Street Tecumseh, Mich., says: "About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When some one told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents, Foster Milburn Co., Buffalo, New York, sole agents for the United States.

Fred B. Wood, Solicitor for above named Complainant.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Banville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments that medical science has devised. For sale by all druggists.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

The Smallest Pension.

Great Britain's pension system is as liberal as may be considering the vast number of persons carried on both the military and the civil lists, but in one case the record for smallness of payment has undoubtedly been established. Various factors enter into determining the amount to be paid sailors, and these factors so combined against one old salt that it was found that he could draw a pension of not any more than fourpence—8 cents—a year. Promptly on each quarter day there comes an official communication transmitting the amount due in the form of postage stamps, and he is granted leave of absence in order that he may convert this into money at the postoffice. Then, after the proverbial manner of sailors, he promptly proceeds to "blow" the entire amount.—New York Tribune.

Dr. Holmes' Wit.

One of the best repartees ever credited to a habitual maker of happy phrases was that made by the beloved "Autocrat of the Breakfast Table" on a certain social occasion.

Going to dine with a Boston neighbor, Dr. Holmes was met by her with an apology:

"I could not get another man. We are four women, and you will have to take us all in."

"Forewarned is fourarmed," he said with a bow.

The Optimist.

"You're looking blue, doc. What's the matter?"

"Well, I'll tell you. A patient I began to treat died this morning."

"Ah, cheer up. He might have died even if you hadn't been called."—Toledo Blade.

Washington—Battle practice between aeroplanes and battleships, a mode of warfare which the navies of the world have begun to investigate, will have its first trial in connection with the United States navy off Provincetown, Mass., a week from now, when a series of tests between flying machines and the guns of the great Atlantic fleet battleships will take place.

Washington—In all probability the bill admitting Arizona and New Mexico to statehood will become a law without President Taft's signature, for he is understood to be unalterably opposed to certain features that the house incorporated and which the senate recently concurred. After refusing to eliminate the provision for recall of judges by a vote of 43 to 26 the senate passed the measure by a vote of 53 to 18.

Tea Tremens.

"I used to be a tea taster in Hankow," said a New York tea dealer, "but I got a bad attack of tea tremens and had to give up the job. Tea tremens is a recognized disease among Chinese tea tasters. These men don't swallow a drop of tea from one week's end to another. They simply hold the tea in the mouth, get an idea of its aroma and then eject it, but nevertheless the aroma of the tea causes violent nervous attacks, with sleeplessness and even hallucinations that are known all over China as tea tremens. I have never had delirium tremens, but if it's one-half as bad as the tea sort I pity the poor victim."

When a Soft Drink Is Hard.

"You are arrested on a very serious charge, my good man," began the court, looking at the man severely. "You are accused of getting into a fight and hitting the complainant over the head with a bottle. What have you to say for yourself?"

"Your honor, I didn't mean to hurt him. I never thought that it would hurt him very much, 'cause the bottle contained nothing but a soft drink," returned the prisoner.—Milwaukee Free Press.

The Timid One.

An officer in the army, noted for his bravery, laughed at a timid woman because she was alarmed at the noise of a cannon when a salute was fired. The brave officer subsequently married that timid woman, and six months afterward he took off his boots in the hall when he came in late at night.—London Telegraph.

President Declares Judicial Recall is "Legalized Terrorism."

Washington (Special).—President Taft has sent to the house of representatives his message vetoing the Flood joint resolution admitting New Mexico and Arizona to statehood. The president bases his veto solely on the section in the Arizona constitution which provides for the recall of the judiciary. He denounces this proposition as "legalized terrorism."

Ecuador's President Ousted.

Washington (Special).—A revolution has overturned the government of Ecuador with comparatively few casualties, according to a dispatch received at the state department from Evan R. Young, American minister to Ecuador.

President Alfaro was deposed and took refuge in the Chilean legation. The movement was in behalf of President-elect Estrada.

New York—The election of General Edwin A. McAlpin as national president and chief scout of the American Boy Scouts has been announced at the national headquarters of the organization. He was unanimously chosen at a meeting of the national directors.

Chesterfield, Va.—A true bill charging murder in the first degree has been returned by the grand jury of the Chesterfield circuit court against Henry Clay Beattie, Jr., of Richmond. He will be tried for his life as the alleged murderer of his young wife, the victim of the Midlothian turnpike tragedy of July 18 last.

FOREIGN.

London—In a thrilling fire in the Carlton hotel, one American lost his life and many prominent citizens of the United States participated in thrilling escapes and rescues.

Gibraltar—Ninety-three persons lost their lives in a collision between the French mail steamer Emir and the British steamer Silvertown. The vessels struck in a dense fog.

WASHINGTON NOTES.

Washington—Four appointments are still to be made from Michigan to West Point, the nominees to take entrance examinations in April, 1912.

Washington—Leo B. Scott of Lansing has been appointed scientific assistant in connection with the agricultural department.

Washington—The senate, 38 to 28, has adopted the conference report on the wool tariff revision bill already adopted by the house. The bill will now go to the White House for the expected veto of President Taft.

Washington—By a vote of 56 to 6 the senate adopted a bill ordering the national monetary commission to report to congress by Jan. 8 next. The bill provides also for the dissolution of the commission by that date.

Washington—Government ownership of railways in Alaska, as proposed by former President Roosevelt, and as provided for by a resolution offered by Senator Jones of Washington, may yet become the all-absorbing topic in the desired solution of Alaskan affairs. Senator Jones' proposition has been referred to the committee on territories, of which Senator William Alden Smith of Michigan is chairman.

Washington—L. O. Coddington of Morenci, Mich., who has been dismissed from his post in Manila at the head of the bureau of publications, Philippine department of agriculture, may get reinstated. His trouble is due, it is said, to the hostility of a former chief, who succeeded after his own dismissal was ordered but before he left office, to undermine Coddington's position.

Washington — Restrictions placed upon officials of the bureau of chemistry by Solicitor McCabe on their talking with United States district attorneys have greatly hampered work in district laboratories where attorneys prosecuting pure food cases often seek expert advice, according to Dr. W. D. Bigelow, assistant chief of the bureau, who appeared as a witness before the house committee investigating charges against Dr. Harvey W. Wiley.

UNIFORM DIVORCE LAW.

Senator Curtis is Strong Advocate of Such a Measure.

Washington (Special).—The storm of protest which has been raised over the approaching marriage of Colonel John Jacob Astor and Miss Madeline Force has brought about an agitation among members of the senate and house of representatives looking to a federal law regulating marriage and divorce. Foremost among the advocates of such a measure is Senator Curtis of Kansas.

Representative Sheppard of Texas suggested that if congress cannot act in this matter an organization might influence the various states to join in a plan for uniform divorce laws.

BODY FOUND; MONEY GONE

Man's Corpse Found Dangling From Tree in Woods.

SUICIDE THEORY IS SCOUTED

Wife of Dead Man Declares Husband Was Murdered For His Money—Grim Mystery Awaits Solution by Wayne Authorities—Dead Man Was Very Popular.

Detroit, Mich., Aug. 16.—In the finding of the body of Henry Wetzel lies a grim mystery that the officials of Hamtramck, the sheriff of Wayne county and the county coroner will be called upon to solve. Justice Randolph of Hamtramck has taken the first step toward a solution by impaneling a coroner's jury.

Wetzel was found suspended by the neck by a twisted wire from a tree near Manchester and Oakland avenues. He had been gone from his home just a week. When he left he had $200 or more in his clothes. He was a temperate man, according to his relatives, and could not have spent that sum in one week. Yet, when his body was discovered, he had but three cents and a cheap nickel watch in his clothes.

The body was found in a thickly wooded section, and the body might have been hanging there for days as far as the chances of discovery go.

"I cannot believe he committed suicide. He was murdered for his money, and his body hung up to make people think he killed himself," declared his heart-broken wife. Wetzel was but 30 years old.

"We do not know whether he committed suicide or not. We can not think it possible," declared Alvin, a brother of the dead man. "He had a good deal of money with him, more than he could spend in a week, and he never drank. He was a very popular and well liked man."

Justice Randolph promises the fullest investigation.

67 DROWNINGS IN JULY.

Total Deaths in State Were 3,141 and Births, 5,004.

Lansing, Mich., Aug. 15.—The monthly mortality report issued by Secretary of State Martindale shows that 3,141 deaths occurred in Michigan during July, which corresponds to the annual death rate of 13.0 per 1,000 estimated population. Tuberculosis caused the death of 205. There was reported 67 deaths from drowning, nine from sunstroke and six from tetanus.

There were 5,004 births reported during the month of July. This corresponds to the annual birth rate of 20.7 per 1,000 estimated population. A decrease of 221 is noted in the number of births as compared with the month of June.

INQUIRY PENDING.

Attorney General Kuhn May Investigate Wayne Affairs.

Detroit, Mich., Aug. 15.—While Governor Osborn has made no official statement as to what his exact course of action will be in the Randolph inquiry, the Detroit Journal says it can be stated almost officially that he will order Court Comissioner May to limit the testimony in the inquiry of Justice Randolph of Hamtramck, accused of protecting slot machines, to such evidence as would be admitted under regular court procedure and the rules of evidence, but that immediately after the conclusion of the Randolph case he will order Attorney General Kuhn to conduct a general inquiry into conditions in Wayne county, particularly assertions of the defense made during the investigation affecting Prosecutor Van Zile, County Auditor Oakman and Sheriff Gaston.

SLAYS WIFE AND DAUGHTER

Hastings Man Then Tries to Kill Himself, but Will Live.

Hastings, Mich., Aug. 15.—Enraged by family troubles, Henry Hitmansperger, aged about 60 years, shot and killed his wife, Elizabeth, aged about 45, and his daughter, Christina, aged 18, at the family residence, and then put a bullet into his own head. He was taken to jail after firing three shots at Sheriff Ritchie. He will live.

A short time ago Mrs. Hitmansperger started divorce proceedings.

Hitmansperger is said to have been ill-tempered and morose, and had been jailed several times for ill-treating members of his family.

Badly Hurt in Fall.

Muskegon, Mich., Aug. 15.—While playing on the second-story porch in the rear of his home, the four-year-old son of Chauncey Fisher, lost his balance and fell head foremost onto the cement sidewalk below. His skull was crushed, but he still lives.

Troops Fire on Rioters.

Liverpool (Special).—Troops were compelled to fire on a mob of rioters here. Bayonet charges also were made upon the disorderly element. The rioters were sympathizers of the transportation men who are on strike.

ATTEND ON HOLIDAYS.

Wright Wants Children to Hold Exercises in School Rooms.

Lansing, Mich., Aug. 16.—State Superintendent of Public Instruction Luther L. Wright is planning to have all legal holidays observed within the schools of the state. It is felt that discussions of the various days and appropriate observances of them in the schools will bring their significance closer to the student and make him appreciate them more deeply than by dismissing school as in the past.

In order to aid the teachers to bring about this end, the department has prepared and printed a most attractive book containing a great variety of suitable matter for Labor day, Columbus day, Thanksgiving, Christmas, New Year's, Michigan and Pioneer day, Lincoln day, Washington's birthday, Longfellow day, Memorial day, Arbor and Bird day.

GOVERNOR OSBORN REVIEWED TROOPS

Executive Enthusiastic Over Appearance of Brigade.

Port Huron, Mich., Aug. 15.—Governor Osborn has reviewed the troops and the chief executive was enthusiastic over the appearance of the brigade over which he is commander-in-chief.

More than 10,000 people, Port Huronites and the excursionists who came in on every train, were on hand for the big event and lined the big field in which the review took place.

Camp Osborn has been singularly free from sickness and the hospital corps has been compelled to work entirely on theory. Only two men have been in the hospital. One is suffering from eye trouble, having served in the fire district in relief work, where the smoke affected his eyes. This is Corporal Spinner of Bay City. The other is a private from Port Huron, who contracted tonsilitis.

TAFT'S PLANS ARE UPSET

Senate Committee Decides to Amend Arbitration Treaties.

FEAR ORIENTAL COMPLICATIONS

Both President and Secretary of State Are Agreed That Paragraph Slated For Amendment Is Necessary to the Proper Operation of Agreement—Reopening of Negotiations Likely.

Washington (Special).—Disregarding a telegraphed request from President Taft for a contrary course, the senate committee on foreign relations agreed upon an amendment to the British and French arbitration treaties, eliminating the provision conferring special powers on the proposed joint high commission. In this form the treaties were reported to the senate and the president's wishes that action be postponed until next December were set at naught.

Both President Taft and Secretary of State Knox have taken the position that the paragraph which the committee on foreign relations purposes to amend is necessary to the proper operation of the agreement. The president gave senators to understand that he would not yield without a severe struggle and his friends express doubt whether he would not prefer the failure of the treaties rather than ratification with the paragraph elimination.

In any event the general opinion among senators seems to be that the treaties will receive very little, if any, further consideration at this session of congress.

The senate gave two hours to consideration of the treaties, during which the danger of the old world dominance on any joint high commission was discussed.

Both in committee and in the senate fear also was expressed that the ratification of the treaties would have the effect of throwing open the doors of arbitration to all the questions involved in dealing with such oriental nations as China and Japan and involving immigration and admission to the public schools.

Beverly, Mass. (Special).—President Taft was keenly disappointed to learn that the senate foreign relations committee had decided to put the knife to the British and French general arbitration treaties and to report them to the senate in modified form.

It was admitted here that if the senate insisted upon putting through the treaties in modified form a reopening of negotiations with Great Britain and France probably will be necessary.

500 JAPS DIE IN TIDAL WAVE

Thousands of Homes Destroyed ---Loss Totals Millions.

Victoria, B. C. (Special).—More than 500 lives were lost and great devastation on land and sea resulted from the typhoon and tidal wave which swept upon Japan, July 26, according to advices brought by the steamer Empress of Japan.

A torpedo boat was swept in shore at Tokio and several steamers foundered.

Thousands of houses collapsed, the number in Tokio and vicinity being over 12,000, according to official statistics. The warehouse and factory districts of Tokio suffered severely, eight warehouses, containing goods worth $16,000,000, being demolished. The loss there was more than $4,000,

ST. CROIX JOHNSTONE.

Daring Aviator Who Plunged to His Death In Lake at Chicago.

TWO AIRMEN MEET DEATH.

St. Croix Johnstone Plunges to Watery Grave in Lake Michigan.

Chicago (Special).—William Badger, the son of a Pittsburg millionaire, and St. Croix Johnstone, the Chicago aviator, were killed at the aviation meet here, on the lake front.

St. Croix Johnstone was over Lake Michigan half a mile off shore when his motor blew up. Johnstone fell into the water under his monoplane and was carried down underneath his engine. His body was recovered later.

Badger, a wealthy amateur flyer, fell to his death on the aviation field, when one of his propellor blades broke, upsetting the machine. He was an intimate friend of Louis Strang, the automobile race driver, who died beneath the engine of his auto in Wisconsin a month ago.

Johnstone is the airman who established his reputation last June at Detroit, when he made a remarkable cross-country flight from the City of the Straits to Pontiac and return. At the Detroit meet he several times narrowly escaped death.

Atwood Completes First Leg.

Chicago (Special).—Henry Nelson Atwood drove his Burgess biplane from St. Louis to Chicago, Monday, and landed in front of the judge's stand at Grant park, where the international aviation meet is in progress. This concluded the first day of his St. Louis-Chicago-New York flight by which he hopes to make a new world's record.

As it is, Atwood appears to have broken the American record for a single day flight. The best previous American record was made by Atwood when he flew 148 miles from Atlantic City to Baltimore on July 10, 1911. Atwood landed only twice between St. Louis and Chicago.

He started later on the second leg of his long journey.

QUAKERS LYNCH NEGRO.

Murderer of Policeman is Burned at Stake in Pennsylvania Town.

Coatsville, Pa. (Special).—The fearful work of a frenzied mob here when it dragged a wounded negro from a hospital and burned him to death for the killing of Edgar Rice, a policeman, has aroused the greatest indignation in this community and everything possible will be done to bring to justice the ringleaders of the mob. That such an affair could occur in a Quaker community like that in Chester county was not believed possible.

One arrest has been made.

Every person who is found to have been directly or indirectly connected with the lynching will be arrested and prosecuted to the full extent of the

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only postive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

ANNOUNCEMENT PARTY AUGUST 16

A very pretty three course luncheon was given by Mrs. R A. Heesen on Wednesday afternoon, announcing September 5th as the date of the marriage of Miss Mary Meyer and Leon F. Rosacrans

The young couple are two of our well known and popular society people, Mr. Rosacrans being one of the firm of Fred Rosacrans & Sons, and Miss Meyer having held a responsible position with the Anthony Fence Co. for a number of years.

The luncheon was served at one o'clock to about 24 guests. The place cards were heart shaped decorated with photographs of the young couple The heart shaped design was carried out throughout the luncheon.

The house was beautifully decorated in red and white. A huge basket of flowers decorating the table.

The out of town guests were Mrs Harry Rosacrans of Toledo, Mrs. Lamont Rowland of Chicago, Mrs. Mervell of Minneapolis, and Mrs. Halleck Wilson of Detroit.

The announcement does not come as a surprise to their many friends but nevertheless they all join in best wishes and hearty congratulations.

K OF P. PICNIC

Sand Lake Aug 16 1911

Wednesday was a typical day for a picnic, and the K. of P's of Tecumseh and Tipton were out in full force to enjoy the occasion The crowd was large being augmented by many from Adrian, Clinton and other towns

The forenoon was spent in the Blue Rock Shoot, in which many participated. A picnic at noon was one of the most telling features of the day. Following the dinner hour a short program was given, the Tecumseh band leading and playing through the day. Miss Lottie Simmons of Tipton sang a charming solo, which was heartily encored, She kindly responded with another selection. A recitation by Miss Nellie Minpay in her usual effective style was also given an encore, and her response was delightfully given.

An Address followed by W. D. Clizbee of Detroit, P. G. C. of the order, who spoke in a very pleasing manner. At the time he occupied the Chair of Grand Chancelor, the lodges of Tecumseh and Tipton were organized A game of base ball between the members of the two lodges, resulted in a score of 2 to 1 in favor of Tecumseh.

Robbins' Circus A Fine One

Good all through. Not a weak part. A steady succession of really "feature acts." Such were the performances of the Frank A. Robbins circus, which exhibited on the big "circus lot" at East Bridgeton.

Not so big as the "big ones," but a "straight" circus performance with none of the exrescences which have crept in later years; "old-fashioned" only in respect to this and its one ring, is the Robbins Circus, and one seldom—or never elsewhere—sees a circus of this size with such a list of strong and remarkable acts It was great.

We must pass by the excellent music by the band, the antics of the funny clowns. the real circus "snap" which attended the performances and and the general courtesy shown by the circus people, headed by Mr Robbins himself and that capital fellow "Doc" James E. Gordon the "press agent" to speak of the especially notable acts in the performances.

No prettier act was ever seen in a circus than that of Belle Clark and her dancing horse Duke. For five years their act has opened the Barnum & Bailey shows at Madison Square Garden. The four trained fan tailed pigeons and the little dog, with the dancing horse, make up a combination that is really marvelous in the response to the commands of the lady.

It is a great company of circus performers—both human and animal—which Mr Robbins has gathered together for this season. The result is a great circus and one that is bound to meet with favor wherever it goes.

PIONEER PICNIC THURSDAY AUGUST 17.

About 200 Present

The pioneer picnic held at Military Square on Thursday afternoon was a very pleasant gathering though it is to be regretted that so few were there. After the dinner hour was over about 200 were seated on the grounds to listen to the program. The Quartette consisting of Mesdames Moore, Ruthruff, McAlpine and Miss Metta Mc Kinney lead the singing of America, after which the Rev. B. R. Weld gave the invocation, Dr. North gage a very fine reading of the early history of our country which was listened too with marked attention.

The Quartette then sang "The Last Rose of Summer" after which Rev. W. B. Hartzog gave a fine address, His one request was that the reporters give the one sentence which embodied the path of his remarks: "The struggles and triumphs of the north west with particular reference to the Shawnee Chief Tecumseh." The struggles of the four nations for the the possession of this territory and the final victory of the Americans was forcibly protrayed and while one saw the pitiful side where the Indian was driven out of his happy hunting grounds. Yet these things must needs be in the progress of the times, A noticeable fact that he brought forth that while Columbus who discovered America was an Italian, yet the Italians have done nothing for America. Dr. Hartzog's speech abounded in good things but space will not allow more.

Elmer Slayton gave a very fine solo and then Dr. Hartzog introduced Mr. Geo. W. Kennedy of Jackson an old pioneer being 91 yrs 6 mo. old. He gave a few very interesting memories of the past which were enjoyed by all: Rev, Weld then dismissed the audience with the benediction. After hearty hand shaking and words of good-bye the crowd left for home.

HOW TO TELL A SAFE INVESTMENT

A new and important feature in LIPPINCOTT'S beginning with the August issue, will be a financial Department, to be conducted by Dr. Edward S. Mead. Dr. is a man of exceptional ability, and as Professor of Finance, in the Warton School of Finance and Economy, University of Pennsylvania, he is amply qualified to produce articles that will prove a source of valuable information to prospective investors.

The investments principally to be discussed are stocks and bonds Dr. Mead has specialized on these subjects and will offer suggestions and information that will be helpful to the man of limited means, and enable him to select a secure investment for his funds Dr. Mead is a writer of considerable note on financial works. He is the author of "Trust Finance" and a contributor to various financial journals.

Interesting as well as instructive these talks each month will prove of the utmost assistance to those who desire a thorough working knowledge of investment

Six of these lamps have been installed between Railroad and Jefferson St. being about 50 feet apart, With these on each side of the street it will be as light as day.

CLASS '07 REUNION

At Home of Ruth Daniels, Onsted, Mich., Aug. 16.

The Class of '07, held a most delightful reunion Wednesday the 16th at the pleasant home of Miss Ruth Daniels in Onsted.

A bountiful dinner was served by the hostess at noon after which a four horse rig was in waiting to convey the merry crowd to Prospect Hill, where in a due course of time a picnic spread made the afternoon complete.

The marriage of Miss Lena Ward on Tuesday August 15 made the fifth one of the class to enter the state of matrimony.

Those present at this reunion were: Athol Brainard, Marie Bramble, Vernor Crane, Ruth Daniels, Jennie Harris, Earl Luce, Alice Mills, Beth Satterthwaite, Mary Snedicor, and Florence Titus-Klapplch. Mrs. Chas. Bidwell and Perry, Satterthwaite of Tecumseh and Marshall Reid of Onsted, were the guests from outside the class.

As the evening shadows gathered the happy crowd dispersed to their several homes to resume the various duties of life and to look forward to meeting together again another year.

AMUSEMENTS

Few dramatized novels have proved as popular as "ROSALIND AT REDGATE," the latest story by Meredith Nicholson to be dramatized. The novel has been made into a play by George Middleton, who is responsible for the dramatic version of "The House of a Thousand Candles," and the new play is said to be just as interesting and mysterious as its predecessor.

The production was staged under the personal direction of Edward E. Rose who, next to David Belasco, is considered America's greatest stage director. It is said of Mr. Rose that out of eighteen plays staged last season, not one proved a failure.

"ROSALIND AT REDGATE" is said by the critics to be the best of all dramatized novels, and a credit to Mr Rose's direction. It will be the offering at the BRADLEY OPERA HOUSE on SATURDAY night, August 26.

"ROSALIND AT REDGATE"

If you have never read that highly interesting novel by Meredith Nicholson entitled "Rosalind At Redgate" get the book and read it now. The play of the same name will be the opening attraction at the Bradley Opera House the latter part of this month when the regular theatrical season will open, you will find the story as interesting as "The House of a thousand Candles or "Graustark" and you will find the play equally interesting, you should read the book before seeing the play

The company which will play here is a city company in every sense of the word, playing three nights at the Majestic Theatre, Grand Rapids before playing here and Toledo afterwards. Without a doubt the people of Tecumseh and vicinity will speak as highly of "Rosalind At Redgate" as they have of Graustark so plan to see this excellent attraction.

Among some of the other attractions booked for the coming season are: "The Lion and the Mouse;" "The Chorous Lady;" "The White Squaw;" "Mary Jane's Pa" and several good musical comedies.

The management intends to book nothing but the best attractions possible to get into a town the size of Tecumseh, and with the support of the people of this place and the surrounding country should be able to secure at least two or three A No. 1 attractions a month.

"Rosalind At Redgate" will be the the opening attraction, Saturday Aug. 26.

MIDSUMMER WEDDING

AT THE HOME OF ANDREW WILSON AND WIFE WAS SOLEMNIZED THE MARRIAGE OF THEIR DAUGHTER WINNIFRED TO FRANK BEAUMONT BATES—AUGUST 15, 1911.

A simple but pretty wedding was solemnized at the home of Mr. and Mrs. Andrew Wilson, Tuesday afternoon at 4 o'clock when their daughter Winnifred became the wife of Frank Beaumont Bates. The bride and groom mingled with the guests, receiving them at the door until the appointed hour when they took their places before a bower of yellow daises and golden glow.

Rev. B. F. Weld pastor of the Presbyterian church of which the bride has long been a member, performed the ceremony which was witnessed by seventy guests.

Mrs. Bates wore a pretty gown of white embroidered batiste trimmed with baby Irish banding. Her travelling dress was of dark blue serge. After congratulations, a two course supper was served by Misses Harriett Teachout, Veva Hendershott, Florence Aten, Bonnie Brown and Hazel Tyson, Mrs. Mattis catering.

Mrs. Bates has spent her entire life in and around Tecumseh, graduating from our High School and later the State Normal. The past three years she has held a position in the schools in Harbor Springs and Petoskey.

Mr. Bates, who was also a graduate of the Normal has an excellent position as principal in one of the ward schools in Missoula. Montana, also having charge of the play grounds.

They left Tuesday evening for Detroit going by boat to Duluth, thence by rail to Missoula

The guests from out of town were Mr. and Mrs Warner Bates of Bergland, Mich., Miss Audrey Bates, of Edon, O., Mr. and Mrs. J. Stoneburner and sons, of Horton; Mrs. James Kimball, Miss Mary and Hazel Tyson and Mr. and Mrs. Joseph Platt of Tipton; Mr. and Mrs, J. D. Martin, Miss Julia Gilmore and Mr. and Mrs. Guy Pocklington of Ridgeway; Miss Irene Hume of Corunna; Mr. and Mrs. Frank Camburn of Saline, Mich., Mr. and Mrs. Fred Lawrence, of Hudson; Mrs. F. A. Osborn and Margaret of Columbus, O.. Freeman Reason of London, Ont., Mr. and Mrs. Halleck Wilson of Detroit and Mr. and Mrs. John Ladd of Macon

BIXBY HOSPITAL ADRIAN MICH.

Adrian is rejoicing over the completion of the Bixby Hospital. Carpenters' plumbers and painters have finished their work, and all that remains is to place the furniture, which will be speedily done. It is claimed that the hospital is one of the most complete in every detail, of any in this part of the country. So far as known nothing has been omitted that seemed neccessary for the comfort of patients, doctors or nursee, and the culinary conveniences are all of the very best.

We congratulate Adrian on this achievement, and feel assured that the Bixby Hospital will be a success.

HAAS REUNION

At The Home of Jacob Colson August 16 1911

65 members of the Haas family met in reunion at the home of Jacob Colson 1 1-2 miles north of town on the old Rector farm.

Guests were present from Blissfield, Adrian, Bateman, Clinton and Tecumseh. Autos were waiting at the depot to meet the guests and were kept busy for awhile.

At noon a most bountiful dinner was served on the lawn, where a long table was spread, and 62 were seated together.

A program and business meeting was held in the afternoon.

Officers were elected for the coming year as follows;

President—Frank Stein.
Vice President—Paul Mull.
Secretary—Mrs. Julia Haas.
Treasurer—John Mull.

Games and sports were indulged in and as the evening hours drew near, ice cream and cake were served. At a late hour the guests departed for their homes feeling that they had, had a happy reunion, and looking forward to next year with pleasurable anticipations.

STATISTICS ON THE HOT WEATHER

Statistics for the last 10 years go to prove that this has been the hottest summer on record in the intense heat in the United States, also that the intense heat in Paris and Rome are pretty close to the highest in Europe. Since the first weather investigations there has never been such a large area and protracted period recorded.

During the latter part of June and the first of July, the hottest period of the warm wave that swept over our country. Florida registered only 90 above while Maine had 104. Western Kansas 105, Eastern Kansas 110, and Wisconsin 100 above.

A GREAT PHYSICIAN

What He Said of Germs that Cause Disease

M. Pasteur, sometimes called the Greatest Physician often said "I believe that we shall one day rid the world of all diseases that are caused by germs."

Of all the diseases caused by germs, catarrh is one of the most presistent and loathsome. Catarrh can be cured but only by destroying the germs.

Breathe HYOMEI (pronounce it High-o-me) and cure catarrh by killing the germs. The HYOMEI method is the only sensible method, because you breathe the highly antiseptic and germ killing air directly over the entire membrane infested with catarrh germs.

HYOMEI will cure catarrh. There may be some complicated cases where it will fail, but the chances are ten to one in its favor, and the sufferer from catarrh takes no risk, because HYOMEI is a guaranted remedy, and if it dosen't cure, C. A. Wright & Son will refund the purchase price.

HYOMEI will also give instant relief and cure in bronchitis, coughs, colds and croup A complete outfit, including hard rubber pocket inhaler, costs only $1.00. If you now own a Hyomei inhaler you can get a bottle of HYOMEI for 50 cents at druggists everywhere or at C. A. Wright & Sons.

Get at the root of the trouble.

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it; Reach the cause; relieve the pain.

Read what Tecumseh people say about them.

Mrs Sarah Austin, Pearl Street Tecumseh Mich., says: About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When someone told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

J. Leighton Bush, Register in Chancery.

To Whom it may concern:

NOTICE IS HEREBY GIVEN, That the above entitled cause, or suit concerns, involves the title, and is brought to quiet the title to the following described lands; viz:—

Those lands in the township of Macon, in the County of Lenawee and State of Michigan, known and described, is the east half of the northwest quarter of section twenty, and the ~~east half of the southwest quarter of~~ the southwest quarter section seventeen, all in town five south, range five east as in the Bill of Complaint described.

Dated: July 29th A. D. 1911.

Fred B. Wood, Solicitor for above named Complainant.

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments; that medical science has devised. DeWITT'S CARBOLIZED WITCH HAZEL SALVE For Piles, Burns, Sores.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience —a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

MACON

Mrs. George Rendel and child are here from Island Lake for visit with relatives.

A party of sixteen young people from Macon are enjoying the week at Wampler's Lake.

Mr. and Mrs Will Morgan of Ann Arbor and Mr. and Mrs. Pickett of Mason were here to attend the funeral of Mrs. Elwin Camburn.

Maynard Hatch a former Macon boy who has been in Niles for a number of years was promoted to the position of operator in Battle Creek this spring. Since then he has been sent to Saginaw with the additional good fortune,

Mrs. Myra Smith Camburn was born in Macon, May 28, 1849 died at her home August 9, 1911. The funeral services were held at the house Friday August 11; Rev. G. N. Scarlett officiating.

Amateur Aeroplanes.

Very small boys of the East side have solved unconsciously the principles of the box kite and the aeroplane. They take an ordinary paper bag, cut the end out of it so that it remains merely a cylinder of paper, tie a short bit of string to the end where the bottom used to be for a tail, then attach the end of a spool of thread to the opposite end of the bag. The improvised kite flies easily and steadily as high as the roofs of the tallest tenements.—New York Sun.

COTTON MEASURE FOR TODAY

President Preparing Message Crushing Last Tariff Bill and No Attempt to Override Veto Is Contemplated.

WORK OF EXTRAORDINARY SESSION OF 62d CONGRESS.

Important Measures Enacted.
Canadian reciprocity.
Campaign publicity and corrupt practices act.
Reapportionment.
Statehood for Arizona and New Mexico.
Important Measures Remaining In Conference.
Direct election of United States Senators
Important Feature.
Beginning of investigations into various matters of which the public is thinking much.

Washington, Aug. 21. — The extra session of congress will expire at 2 o'clock on Tuesday. An agreement to that effect has been reached by the leaders of the senate and the house, and their plan has received the approval of the president.

Today the house is expected to accept the amendment made by the senate to the cotton bill which originated in the lower branch of congress. The president is preparing his veto message and will transmit it this afternoon or Tuesday to the house. No attempt will be made to pass the measure over the veto.

At 2 o'clock the vice president and the speaker of the house will announce simultaneously that the extra session is at an end.

The decision of the house leaders to accept the senate amendments to the cotton bill was reached following a meeting of the ways and means committee. At that meeting consideration was given to the measure.

It was found the revision of the chemical and iron and steel schedules, the reduction of duties on cotton machinery and the blanket amendment prescribing that no duty on any of the articles named in the bill should exceed 30 per cent were in harmony with Democratic leaders.

ATWOOD, AT LYONS, N. Y.

Expects to Land at Coney Island on Wednesday Evening.

Buffalo, N. Y., Aug. 21. — With a twelve-mile breeze at his back Harry N. Atwood, the Boston aviator, resumed his St. Louis-New York flight and in actual flying time of two hours and 11 minutes covered 103 miles. He landed at Lyons, N. Y., twenty-eight miles beyond Rochester.

Including this flight Atwood has covered 929 miles, and, with the luck that he has had since the start, should land at Coney Island on Wednesday evening. He has still 336 miles to go and a century a day is an easy jump for the Boston man.

MOTHER-IN-LAW IN BAD

Daughter's Husband Has Her Deported to England.

Philadelphia Man Tells the Officials the Woman Is a Constant Trouble Maker.

Philadelphia, Pa., Aug. 21.—Among the passengers who sailed from here for Liverpool on the steamer Merion was a mother-in-law who has been "turned down" by her son-in-law and was being deported by the national government because she was likely to become a public charge. The mother-in-law is an English woman and her son-in-law is a resident of this city.

When the woman arrived here a week ago on the Merion to make her home with her daughter, the son-in-law protested to the immigration authorities against her being landed.

In his formal protest he declared the mother-in-law, who had visited him before, to be a perpetual trouble-maker, objectionable in many ways, and that it was impossible for him to live under the same roof with her. His wife joined him in the formal objection to her mother.

THREE IN AUTO KILLED

Accident Happens in Wisconsin in Trying to Avoid Train.

Pewaukee, Wis., Aug. 21.—Mr. and Mrs. W. D. Ferguson of Chicago and W. J. Cunningham of Lynchburg, Va., were killed in an automobile accident at a crosing of the St. Paul road two miles east of Pewaukee.

The party was on the way from Waukesha to Milwaukee, and as the machine neared the railroad crossing a freight train came in view. In an effort to avoid a collision with the train the automobile was turned into a fence. It turned turtle throwing all of the occupants under the wheels of the locomotive and cars.

Mrs. Ferguson was instantly killed. Her husband was dragged from the tracks unconscious and expired in fifteen minutes. Mr. Cunningham died after regaining consciousness for a few minutes at a Milwaukee hospital.

BEATTIE TRIAL BEGINS TODAY

Virginia Case Is to Be Most Sensational One.

STAGE SETTING IS PECULIAR

Courthouse Is Nearly 150 Years Old and Lies in Depth of Forest—Young Man on Trial for Cruel Murder of Wife.

Richmond, Va., Aug. 21.—This morning at 10 o'clock the little old bell over the Chesterfield county court house sent a rusty clangor out into the forest, and Henry Clay Beattie, Jr., came into court to answer to the charge of wife murder.

Thus began one of the most sensational trials on a murder charge that has occurred in Virginia in a decade, and the setting of this trial is one of the strangest in the history of American jurisprudence. Henry Clay Beattie will fight for his life in what was known as "the wilderness" during the rebellion. The roof housing the scene of justice is nearly 150 years old.

It lies at a crossing of two county roads buried in the forest. The prisoner, who has been in a cell in the Henrico county jail here in Richmond, rode eighteen miles to face the jury that is to try him.

Walter A. Watson, the presiding judge, had to make fifteen miles through the woods to mount the bench. Sheriff W. C. Gill, court officer, hitched his horse to a democrat wagon and traveled five miles to his post. The nearest town, Centralia—meaning center of nowhere—is five miles away from the court house on the railroad and trains stop there about as often as the rural free delivery postman. All of this plunge into the wilderness is because Beattie's lawyers count on getting a jury of Chesterfield county men who know the father of the prisoner and who might be more favorable in their disposition toward Beattie, Jr., on this account. Though young Beattie's home is just across the James river from Richmond the crime charged against him occurred in the forest shadowed roads of Chesterfield and no change of venue will take the prisoner away from the isolated little old court house, where, in colonial times, "court day" brought out all the grandees of the plantations for miles around.

With the details of the crime for which Beattie is on trial nearly the whole country has been made familiar by many tellings of the tale. At 8 o'clock on the night of July 18, Beattie helped to lift his young wife, who had been Miss Louise Owen, of an old Maryland family, out of a sick bed and into his automobile. She had been the mother of her first child just a week and was still weak. This was her first venture out. They drove from their home in South Richmond out into Midlothian turnpike, which runs through the almost unbroken woods. An hour later Beattie driving the machine with one hand and holding his wife's body with the other drove back to the house. He screamed that they had been held up on the road and shot.

Mrs Beattie had a gunshot wound as big as a half dollar in her forehead. A charge of bird shot had entered there. Beattie's lap was blood drenched.

Before the coroner's jury met, detectives brought to light a sordid tale of the liason which has existed between Beattie and a girl of the village, Beulah Binford, from the time the latter was fourteen years old, down almost to the moment of Beattie's marriage to Miss Owen on Aug. 21, 1910. These relations, the detectives learned, seemed to be on the point of being renewed, if they had not been, in fact, at the time of Mrs. Beattie's murder. Beulah Binford was the mother of a child which she said was Beattie's.

MILLION SEE AIRMEN

Record-Breaking Crowd at Chicago Aviation Field.

Lincoln Beachey, in Curtiss Biplane, Goes Higher Than World Record Mark.

Chicago, Aug. 21.—Lincoln Beachey, flying his Curtiss racing biplane with a sixty-horsepower motor, equalled the world's official altitude record, reaching a height of 11,152 feet. The official record accepted by the aero authorities is 11,150 feet, but according to a rule generally adopted, an aviator must go at least 300 feet higher than the record in order to set a new mark.

Beachey's flight was made in the presence of the greatest crowd that has ever assembled in Chicago. The police estimated that there were 1,000,000 spectators inside the park, along the streets, viaducts and on buildings within sight of Grant park.

FIRE RAZES BARN AT PURDUE

Hard Fighting Prevents Destruction of Valuable Buildings.

Lafayette, Ind., Aug. 21.—Fire threatened to wipe out all the buildings of the animal husbandry department of Purdue university. The blaze started in the big wooden barn where the horses are kept and in a short time the structure was a mass of flames.

Men working on the college campus and the farm, rushed to the burning building, and succeeded in getting the horses to safety. Within twenty minutes after the fire was discovered the building was a smouldering pile of ashes.

Aviator and Pupil Both Dead.

London, Aug. 21.—Pierre Prier, the French aviator who was shot by his pupil, M. Hanot, at the Hendon aerodrome, died at the hospital. Hanot, who shot himself just after shooting his teacher, died about the same time. It is said that Hanot was crazed by the heat.

KERMIT ROOSEVELT SAFE

Arizona Clerk Reports Young Hunter Enjoying Himself in Mexico.

Yuma, Ari., Aug. 21.—Fears for the safety of Kermit Roosevelt and his hunting party in lower California and Sonora because of Mexican political unrest were allayed when C. H. Utting, clerk of the district court, returned with word that the hunters were enjoying themselves.

Utting said young Roosevelt began hunting around the boundary last Saturday and was in the Pinnacle mountains sixty miles southeast.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only postive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THIRTY YEARS TOGETHER

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once its finds entrance in a home you can't pry it out. Many familes have used it forty years. It's the most infalliable throat and lung medicine on earth. Unequaled for La Grippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, $1.00. ATTACK LIKE TIGERS

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blooe purifier," writes C. T. VETERANS MEET AT ROCHESTER

Forty-Fifth Annual Encampment of the G. A. R.

PROGRAM FOR A BUSY WEEK

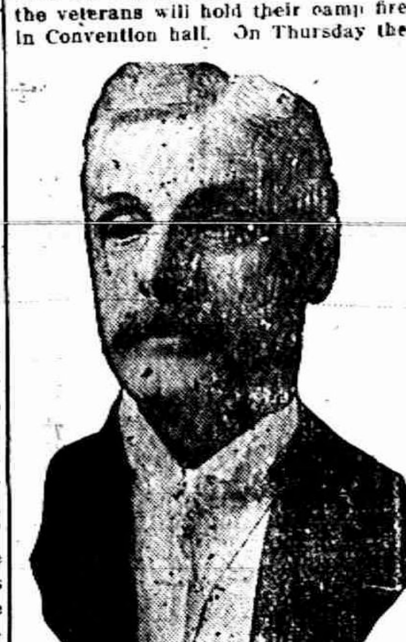
Governor Dix Will Review the Big Parade on Wednesday—President Taft May Attend if Congress Adjourns.

Rochester, N. Y., Aug. 21.—Commander-in-Chief John E. Gilman and staff of Boston have arrived here for the forty-fifth annual encampment, Grand Army of the Republic, and opened headquarters. Mrs. Emma E. Pierce of Springfield, national president of the Ladies' G. A. R., and Evan E. Bolton, Boston, commander-in-chief of the Sons of Veterans, are also here.

Monday will be devoted to the reception of the executive bodies of the various organizations. On Tuesday the various organizations, excepting the Grand Army of the Republic, will hold sessions for the transaction of business during the day, and in the evening all will attend the semi-official opening of the G. A. R. encampment at Convention hall.

The trooping of about 100 old battle flags will furnish the spectacular feature of the gathering. Governor Dix will deliver an address.

President Taft will be present if congress adjourns before Tuesday, and Governor Dix will review the big parade on Wednesday. In the evening the veterans will hold their camp fire in Convention hall. On Thursday the



JOHN E. GILMAN.

business sessions will begin. Among the important matters expected to be taken up will be pension legislation.

The contest for the next commander-in-chief will be a warm one. Colonel John McElroy, editor of the National Tribune of Washington, and Judge Harvey M. Trimble of Bloomington, Ill., are candidates.

Los Angeles is out after the next annual encampment.

ACCEPT TERMS OF SETTLEMENT

Railway Men of Great Britain Return to Work.

TRAIN SERVICE RESTRICTED

Some Men Stand Out for Minimum Wage of $5.50 a Week, with Eight Hours' Work a Day—Credit to Lloyd-George.

London, Aug. 21.—The terms of the settlement of the strike are generally accepted by the railway men throughout Great Britain, and the men claim victory.

Many have resumed work, but numbers of them have not yet returned. The expectations are that everything will be in full swing again not before Tuesday or Wednesday, though it is probable that the majority of those who went out will have returned to work by this evening.

There is train service, but for several days possibly it will be restricted. The men declared that they will not return until it is agreed that the minimum wage shall be $5.50 a week with eight hours' work. At big meetings at Newcastle, York and elsewhere on the Northeastern this sentiment was endorsed. Pickets are being maintained, and there is very little traffic.

Fresh troops to the number of 2,500 have been sent to York. There are 1,000 strikers at Carlisle who refuse the terms of the settlement.

At Manchester the men are divided. The strike organizers say that a victory has been won by the men and urge them to return to work. This proposition was submitted to a mass-meeting at Manchester and the organizers were howled down. The men objecting are chiefly car men and casual workers.

Most of the credit for the ultimate success of their efforts appears to rest upon the shoulders of David Lloyd-George, chancellor of the exchequer, who, in his statements to parliament and in an interview with the managers and the men, worked for conciliation when all others of the interested parties seemed to have given it up.

AMUSEMENTS

The Management of the Bradley Opera House takes pleasure in announcing ROSALIND AT RED GATE as the opening attraction for the coming season.

The company playing here is a City company in every sense of the word. They played Indianapolis, Ind., August 13-16; Grand Rapids, Mich., (at the Majestic Theatre) August 17 18-19. They will play the Lyceum Theatre at Toledo, August 31 and September 1 2 then go to South Bend, Ind (Auditorium) September 3-6 and it is the same company, production and all that plays here. They carry all of their own scenery and effects and the play will be given here exactly as put on in any of the larger cities they play.

It was through the efforts of Mr. Hardy, Manager of the Adrian House, that the local management was able to secure this excellent attraction, as Tecumseh is without doubt, the the smallest city they will play.

Seats for ROSALIND AT RED GATE will be on sale at HAY'S BAKERY, Thursday, August 24th. Phone 99.

"ROSALIND AT REDGATE"

If you have never read that highly interesting novel by Meredith Nicholson entitled "Rosalind At Redgate" get the book and read it now. The play of the same name will be the opening attraction at the Bradley Opera House the latter part of this month when the regular theatrical season will open, you will find the story as interesting as "The House of a thousand Candles" or "Graustark" and you will find the play equally interesting, you should read the book before seeing the play

The company which will play here is a city company in every sense of the word, playing three nights at the Majestic Theatre, Grand Rapids before playing here and Toledo afterwards. Without a doubt the people of Tecumseh and vicinity will speak as highly of "Rosalind At Redgate" as they have of Graustark so plan to see this excellent attraction.

Among some of the other attractions booked for the coming season are: "The Lion and the Mouse;" "The Chorous Lady;" "The White Squaw;" "Mary Jane's Pa" and several good musical comedies.

The management intends to book nothing but the best attractions possible to get into a town the size of Tecumseh, and with the support of the people of this place and the surrounding country should be able to secure at least two or three A No. 1 attractions a month.

"Rosalind At Redgate" will be the the opening attraction, Saturday Aug. 26.

Robbins' Circus A Fine One

Good all through. Not a weak part. A steady succession of really "feature acts." Such were the performances of the Frank A. Robbins circus, which exhibited on the big "circus lot" at East Bridgeton.

Not so big as the "big ones," but a "straight" circus performance with none of the exrescences which have crept in later years; "old-fashioned" only in respect to this and its one ring, is the Robbins Circus, and one seldom—or never, elsewhere—sees a circus of this size with such a list of strong and remarkable acts. It was great.

We must pass by the excellent music by the band, the antics of the funny clowns, the real circus "snap" which attended the performances and and the general courtesy shown by the circus people, headed by Mr. Robbins himself and that capital fellow "Doc" James E. Gordon, the "press agent" to speak of the especially notable acts in the performances.

No prettier act was ever seen in a circus than that of Belle Clark and her dancing horse Duke. For five years their act has opened the Barnum & Bailey shows at Madison Square Garden. The four trained fan-tailed pigeons and the little dog, with the dancing horse, make up a combination that is really marvelous in the response to the commands of the lady.

It is a great company of circus performers—both human and animal—which Mr Robbins has gathered together for this season. The result is a great circus and one that is bound to meet with favor wherever it goes.

COREY TO SUCCEED GATES

Steel Men Declare He Is to Head Republic Iron and Steel Co.

Pittsburg, Aug. 21.—Steel men here declare that William Ellis Corey, former head of the United States Steel corporation, will be the successor of the late John W. Gates as president of the Republic Iron and Steel company. It is pointed out that this move on the part of the Republic Steel company marks the beginning of the much talked of merger of the Republic, the Bethlehem and the Lackawanna company.

Strength is added to the report by the recent announcement of Mr. Corey that he would return actively to the steel business.

ROSE AT TOMB FATAL

Girl Dies of Thorn Injury Received at Her Mother's Grave.

Greenport, N. Y., Aug. 21.—Miss Susan Reichert is dead here of blood poisoning caused by a prick of a thorn on a rosebush on her mother's grave.

The injury, only a slight scratch, was suffered while she was looking after the grave two weeks ago. She was to have been married next month.

Pretty Wedding is Solemnized

MISS LENA ALICE WARD BECOMES BRIDE OF ROYAL RODERICK CAMPBELL OF ST. IGNACE.

One of the prettiest of the late summer weddings in the copper country occurred at 8 o'clock last evening at the home of Rev. and Mrs. W. M. Ward of Laurium, when their daughter, Miss Lena Alice, became the bride of Royal Roderick Campbell of St. Ignace, physical director of the University of Detroit. The ceremony was a very quiet one and was witnessed by only a few of the most intimate friends of the bride and groom. Rev. W. M. Ward, father of the bride, the pastor of the Laurium M. E. church officiated and was assisted by Rev C. L. Adams, pastor of the Calumet M. E. church. The ring service was used.

The bride was attired in a very becoming gown of cream messaline, trimmed with pearls and real lace, and was attended by her sister, Miss Ruth Ward, as maid of honor. The latter was gowned in pink silk. Clayton Campbell, a brother of the groom, was best man. Mendelssohn's wedding march was played by Miss Beatrice Gray, and just before the ceremony, Miss Myrtle Gray rendered, "O Promise Me," beautifully.

The Ward home was beautifully decorated for the occasion, the color scheme being green and white. Asters, smilax and nasturtiums were used in profusion and presented a very pretty appearance.

Mr. and Mrs Campbell left this morning on the steamer Minnesota, for Chicago, where they will spend their honeymoon. They will be at home in Detroit af er September 1.

Among the out of town guests at the wedding was Miss Florence McLean of St. Ignace.—Calumet News.

FARMER'S PICNIC

Devils Lake Aug. 31

The Farmer's picnic will be held at Lake View landing, Devils Lake Thursday, August 31 1911. This is the 39th Annual picnic of the organization. The speaker of the day will be Governor Judson Harmon of Ohio. The band from North Adams will furnish the music.

President, Eugene Turner, Onsted, Mich; Secretary, W. W. Foster, Hudson, Mich.

SIGN BOARDS

The Lenawee County Automobile Association will soon put up sign boards on the Lenawee County route to the Ohio line, at a cost of $175. They are ten foot high set in three feet of concrete. The sign will have upon it the name of the route, and the distance to towns along the way. It is proposed to place a sign at each turn, where it would be possible to be mislead. This route will be from Ypsilanti to the Ohio line.

PRINTERS FINISH BUSINESS

International Typographical Union Meeting Closes at Frisco.

San Francisco, Cal., Aug. 21.—Delegates to the International Typographical union convention completed their labors, finding little to do at the last session. All the important matters were disposed of at the previous day's session, when the delegates gave emphatic evidence of their confidence in the administration. "Insurgents" lost on every attempt to obtain condemnation of decisinos of President Lynch. The Chicago American strike was declared illegal.

Many of the delegates departed for Los Angeles, where a two day program of entertainment has been arranged by the Los Angeles local union.

ALLEGED FORGER ARRESTED

Chicago Detectives Say He Assisted in Frauds Here.

Chicago, Aug. 21.—Clarence D. Held, successful business man and a club man, was arrested charged with forgery. His arrest represented four years' work on the part of the Pinkerton Detective Agency to try to connect the Chicago man with a bogus check passer who operated in Indianapolis and Cincinnati in 1907.

Held, as an advertising solicitor, is accused of having defrauded many banks and merchants through his advertising schemes. Held occupied a suite of rooms at the Grand Pacific hotel. He is a brother to Dr. R. Johnson Held, noted New York specialist, who is a son-in-law of Huyler, the crocolate manufacturer.

FIRST ANNUAL OUTING OF THE EAGLES

Hand's Landing Devils Lake Aug 20

About 87 of the Eagles and their friends left on the 9:25 train Sunday morning, for their first Annual outing which was held at Devils Lake, at Hand's Landing. A special coach was put on the train for the accommodation of the Eagles, and the trip was soon made.

Mr. Hand served a special fish dinner to his guests at 11:30 a. m, which was a feast of good things. At one o'clock p. m. the Tecumseh Eagles and the Devils Lake team engaged in a game of base ball, resulting in a score of 9 to 6 in favor of Devils Lake. The Sunbeam Orchestra was in attendance, and furnished delightful music throughout the day.

At 3:30 p. m. all assembled on the boats, the Truscott and the Damon and a tour of the lake was then made. The orchestra were placed in the rear end of the Truscott, with the Damon following closely, they discoursed sweet muso during the whole trip, giving serenades at each landing. On their return to Hand's Landing, they found a bountiful supper of spring chicken and other good things awaiting them, to which they did full justice. Every one voted this event one of the best ever spent at Devils Lake

6 O'CLOCK DINNER

Mrs. G. N. Stacy entertained Saturday in honor of her mother Mrs. A. J. Bigelow of Flint who has been her guest for several weeks.

Covers were laid for ten and a fine three course dinner was served. The guests were: Mrs L. Barnes, Mrs. M. Beamish, Mrs. E. Coryell, Mrs. M. J. Tremain, Mrs. G. W. Jackson, Mrs. M. Smeltzer, Mrs. A. Waring, Miss Rosira Kingston and Miss Lucy Train. These ladies were all connected with the M. E. Church when Rev. A. J. Bigelow was pastor here.

D. T. & I. R. R.

Auction Sale in October

According to present plans it is expected that the D. T. & I. railroad will be sold at public auction October 5th at the Delray station building.

Those most interested in this sale are the Central Trust Co. of N. Y. first mortgage their claim being about $4,500,000 the N. Y. trust Co second mortgage with a claim of nearly the same amount and the Knickerbocker trust Co. third mortgager with $5,000,000 as their claim. The sale must bring $15,000,000 to meet these claims. Other stock is also to be put up at this time.

Adrian has been considering a contract with the D. T. & I Railroad Co and its receivers for the right-of-way across the track of the company on Center St. by the terms of the contract the city has the right-of-way free of cost but has to furnish the plank and grading material for the crossing and to do the work, the railroad furnishing the gravel.

It is hoped that when the sale is completed the road may soon be in running and up to date order.

Success in Canada.

It must not be thought that capital is everything in starting an orchard or a farm. In fact, it is unwise for anyone, even though he has had experience in the old country, to invest his money and undertake to conduct fruit growing or agricultural operations before having first gained a sufficient knowledge of his new surroundings.—Canadian Gazette.

B. J. RECTOR

The many friends of Mr. Will Rector were saddened by the news that reached them Sunday morning of his death which occurred at 11:30 p. m. Saturday at Grace Hospital Detroit where he had been for the past two weeks for treatment.

For the last three years he has been in delicate health and a year ago went to California in hopes of regaining his strength returning to Tecumseh this spring. For awhile he seemed gaining but for a number of weeks he steadily grew weaker until death came to relieve him of his sufferings. His death was due to improverishment of the blood which nothing seemed to help.

He was was born in Ohio but came to Michigan when about 6 years old. He made a host of friends wherever he went, was of a quiet unassuming disposition but those who knew him loved and appreciated him, especially in his family was this true; he being a devoted husband and loving father.

His cheerful, helpful life; his devotion to his wife and family and his kindness to everybody will long linger as a fragrant memory in the home his presence brightened but which death has now darkened.

He is survived by his wife and four children and two sisters Mrs. Gillespie and Mrs. Macham one brother and two sisters having preceeded him to the beyond. He was 60 years old last February.

The funeral was held at the home this afternoon at 2:30 o'clock. Services being conducted by his pastor the Rev. B. R. Weld burial at Brookside,

PROF. CLAUD VANTYNE

In the Thursday issue of the Detroit Journal we find a fine picture of Prof. Claud VanTyne of the U. of M. who on Tuesday last gave a talk to the summer students on the wedding trip of himself and wife down the Danube in a canoe. He told how he and his wife floated down the stream stopping by night to camp out in a tent they carried with them and cooking by an alcohol lamp.

They had their camera with them and his talk was illustrated by lantern slides from the photographs they had taken themselves.

The trip was romantic as were the young couple who were taking it, the scenery was grand beautiful and awe inspiring.

At Belgrade the VanTynes were arrested for attempting to blow up the palace, it took them nearly a whole day to convince the authorities that their camera was not an infernal machine. However they secured the picture they wished at a shop.

Mr. VanTyne is one of Tecumseh's boys and all feel an interest in all that pertains to him.

GOOD FRUIT CROP

It is claimed that never in our history, has there been a finer prospect for an abundant crop of all varieties of fruits.

It is estimated that 10,000 car loads will be shipped to Chicago from Michigan. The apple crop is unusually large. There is also prospects of a large supply of peaches and pears. The grapes crop at present indicates the largest ever known.

BROADCAST FERTILIZER SOWERS

Sows Lime, Fertilizer or Ashes in a perfectly satisfactory manner from 160 lbs. to 2700 lbs. to the acre. It is 9 ft. wide and holds nearly one-half ton, built very strong, light draft, the top is much lower than a grain drill and sells for $50.00.

A great many farmers desire to use fertilizer having good plain drills. They object to buying new fertilizer drills owing to the weight and expense. Many farmers are believing that fertilizing the whole corn field is better than checking with a fertilizer attachment. Many farmers believe, and it is true, that a heavy coating of lime every few years will sweeten the soil. Many farmers wish to fertilize their alfalfa fields alone. **BROADCAST FERTILIZER SOWERS** will therefore be a big improvement and advantage for any of the illustrations of the above.

To better appreciate it's many advantages, call and see one. It is doubtful if we can procure but a few of them

But it won't cure it

You must reach the root of it the kidneys.

Doan's Kidney Pills go right at it:

Reach the cause: relieve the pain

Read what Tecumseh people say about them.

Mrs Sarah Austin, Pearl Street Tecumseh Mich. says: About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When some one told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Mo., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary reliefs. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments; that medical science has devised. For sale by all druggists.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

LUMBER MILLS SHUT DOWN

Operators Combat Efforts of Men to Unionize Plants.

Orange, Tex., Aug. 21.—More than a score of larger lumber mills in the gulf coast timber territory of Texas and Louisiana have closed down in response to the order of the Southern Lumber Operators' association for the purpose of combatting the efforts of the Brotherhood of Timber Workers to unionize the plants. Ten large mills in this territory were already closed on account of labor troubles. These thirty odd mills employed regularly about 12,000 men and had a daily output of about 4,000,000 feet of lumber. The close-down is for an indefinite period.

PROBES STEEL BLAST

Coroner Investigating Deaths of Four Men in an Explosion.

Joliet, Ill., Aug. 21.—The coroner began an investigation into the death of four men and the serious injury of four others at the plant of the Illinois steel company. The dead are Olaf Erickson, William Koslowski, and two laborers, unidentified.

A ladle containing several tons of molten metal was overturned on the wet floor of the foundry. The explosion which resulted blew off the big building. The smoke, flame and gas blinded the men so that they could not escape.

JUDGE WALTER A. WATSON

Who Will Preside at the Trial of H. C. Beattie, Jr.

© 1911, by American Press Association.

Beattie Arraigned.

Chesterfield, Va. (Special).—Standing beside his gray-haired father, Henry Clay Beattie, Jr., of Richmond, entered a plea of not guilty here when arraigned in the circuit court on an indictment charging him with the murder of his young wife. He did not flinch when the clerk read the indictment, but stood with eyes lowered. He then pleaded not guilty. The father beside him sat with bowed head during the ordeal.

AVIATION MEET ENDS.

Lincoln Beachey Equals World's Altitude Record on Last Day.

Chicago (Special).—Lincoln Beachey, flying his Curtiss racing biplane with a 60-horsepower motor, equaled the world's official altitude record on the last day of the aviation meet here, reaching a hight of 11,152 feet. The official record accepted by the aero authorities is 11,150 feet, but according to a rule generally adopted an aviator must go at least 360 feet higher than the record in order to set a new mark.

SPECIAL SESSION HAS ADJOURNED

Exodus From Capital Began Immediately Afterward.

Washington (Special).—The extraordinary session of congress adjourned Tuesday afternoon.

The exodus of members of both houses began immediately, all being glad to get away from the capitol, where the temperature at the present time is anything but comfortable.

The closing scenes in both the senate and the house were the tamest that have been witnessed in Washington in many years. There was less than a quorum left in both houses, but nobody raised a point of order. All were intent upon escaping from the capital, and the sooner the better.

Congress easily could have adjourned Monday night, but the adjournment understanding was designed especially to accord to the president the courtesy of an opportunity to present his veto of the cotton bill before the curtain was drawn on a session replete with tariff revision activities.

Shortly after congress adjourned President Taft bade good-bye to Washington and departed for Rochester, N. Y., and Beverly with plans already outlined that will keep him away from the capital until Nov. 1. The president will go from here to Rochester, where he will address the national encampment of the G. A. R. President Taft then will go to Beverly, where he will spend at least three weeks along the north shore and then will start on the long western trip that will take him to San Francisco and Seattle.

Plans for Taft's coming trip through the west and to the Pacific coast are practically complete. The journey will be almost as extensive as that taken by the president on his famous "swing around the circle," in 1909, when he traveled more than 13,000 miles and visited 33 states. He will break ground for the Panama canal exposition at San Francisco, make several score of addresses, and attempt to scale the 14,000 feet of Mount Rainier's precipitous slope.

According to the present arrangement the president will be gone six weeks.

Cleveland, O. (Special).—Colonel W. S. Rogers, 68 years old, ex-state fire marshal, former head of the state G. A. R. and at one time a member of the Illinois state legislature, died here, from paralysis.

George W. Cormany.

Cincinnati, O. (Special).—George W. Cormany, aged 75 years, one of Cincinnati's best known attorneys, was found dead in his bed from paralysis of the heart.

Dr. Thomas Hall.

Baltimore (Special).—Dr. Thomas Hall of Boston, former associate professor of English in Harvard university, died at a hospital here, after an operation for a tumor.

EXHAUSTING COPPER SUPPLY

Ore In Michigan Is Rapidly Disappearing, Says Expert.

PLENTY OF IRON, HOWEVER

James R. Finley, New York Mining Expert, Has Been Appraising the Mine Properties of the State at the Instance of Legislature For the Past Three Months.

Lansing, Mich., Aug. 22.—That the end of the copper mining industry in Michigan is in sight and that it will not be many years before the supposedly inexhaustible supply of ore in the upper peninsula will have been reached, is among the startling disclosures made by James R. Finlay, the New York mining expert, who has been appraising the mine properties of the state at the instance of the legislature for the past three months.

His report has been submitted to the state board of equalization.

The board is using this report as a new basis for taxing the mines of the state.

Professor Finley's report increases the valuation of the iron mines 400 per cent.

According to figures given out by the state tax commission, the actual valuations of the copper mining counties are $157,586,027, of the iron mining counties, $184,002,814.

According to Professor Finlay's report, Michigan's copper, iron and coal mines are worth $190,161,745. The copper mines are valued at $69,815,000; the iron mines at $119,485,000 and the coal mines at $861,745.

Mr. Finley found that for the past five years the copper mines earned $50,937,690.27 over expenditures, but considers this abnormal and due to the boom in 1906 and 1907. In the same period the iron mines show a net earning of $57,551,202 without the aid of abnormal prices, and Professor Finley adds that the actual iron ore in sight guarantees a continuance of earnings at the same ratio for the next 16 years. It is conceded that the iron properties in some sections of the state have been grossly undervalued, which accounts for the boost of over 400 per cent in the valuation of Gogebic county.

It is evident that the iron people expected a raise in value, as there is a big delegation here, and they began working on the Finlay report as soon it was given out.

Boat Capsized; Two Drown.

Port Austin, Mich., Aug. 21.—Irwin J. Morgan and William Belden of Bad Axe were drowned here. They were a short distance off Broken Rocks when their boat was capsized in the heavy sea running at the time. Belding's body was recovered shortly afterward, but the lifesavers have not yet found Morgan's.

Morgan and Belden, who were 19 and 20 years old respectively, have been camping near here. Belden was deputy postmaster at Bad Axe.

Two Accused by Young Girls.

Ionia, Mich., Aug. 22.—Deputy Sheriff Cliff of Weidman has arrested Ray Smith, who is in jail on a warrant charging a statutory crime against a 14-year-old girl. A warrant is also cut for another young man charged with a similar crime at the same place and time, and in which another girl is implicated.

Hunt For Missing Boy.

Jackson, Mich., Aug. 23.—Parties are searching the woods of Parma township for 15-year-old Myron Harrington, fears being entertained that the boy accidentally shot himself. The boy went into the woods to shoot a woodchuck and never returned.

Murder Charge Against Lynchers.

Coatesville, Pa. (Special).—Three men alleged to have been members of the mob which took Zack Walkr from a hospital here and burned him to dead are in the county jail in Westchester with the charge of murder entered against them. The men must stand trial.

Two Boys Drown In Straits.

St. Ignace Mich., Aug. 23.—Nelson Staley, aged 18, of Paulding, O., and Paul Kreefer, aged 14, of Pittsburg, Pa., were drowned while bathing in the Straits of Mackinac. The bodies were recovered after being in the water about 20 minutes, but all efforts at resuscitation were unavailing.

PROPERTY VALUED AT THREE BILLION

Tax Commission Submits Report to State.

Lansing, Mich., Aug. 22.—According to the report of the state tax commission, which was submitted to the state board of equalization, the value of Michigan general property for the purposes of taxation is $2,963,553,882. The total assessed valuation for 1911 is $1,925,144,050, which is 62.3 per cent of the actual valuation as found by the commission. Five years ago the cash value of all property was reported by the tax commission to be $1,928,565,000 and the state was equalized at $1,753,000,000.

The results arrived at by the tax commission will be used as a basis by the state board of equalization in arriving at the equalized value of the various countes and these figures will be attacked at the public hearing before the board.

Wayne county is given a terrific dose by the tax commission, which finds that the assessed valuation is but 67.3 per cent of the actual value.

Following the lead of Professor Finlay, who valued the mining properties of the state, the tax commission has jumped the value of Gogebic county over 400 per cent, while the cash value of Houghton county is reduced from $140,000,000, the equalized value five years ago, to $117,000,000.

Representatives from 26 counties were heard Tuesday, and, judging from their stories, Michigan is a poor state, at least for this week. From the progress made the board will be able to finish its labors this week.

Anti-Jewish Outbreaks In London.

London (Special).—Anti-Jewish outbreaks of a violent character have now occurred for three days in succession in Monmouthshire and are giving the authorities the greatest concern.

WAR CLOUD IS LOWERING

Crisis In French-German Trouble Over Morocco at Hand.

NEITHER SIDE WILL RECEDE

Ambassadors Are Summoned Home, and France Is Facing Her Most Momentous Episode Since 1870—Plans For War Both on Land and Sea Are Quietly Being Pushed.

Paris (Special).—That relations between France and Germany are at a very great tension and in danger of breaking at any moment is the confidential gossip of official circles.

Great diplomacy has been displayed and the French people and press are showing the utmost reserve, but it is frankly conceded that the crisis is near at hand and that the question of war trembles in the balance.

The fact appears to be plain that both France and Germany have laid down certain conditions in the Morocco dispute from which neither will recede, and if there is no yielding on either side it is inevitable that war will result.

At no time in recent years has any prime minister held so many consultations of evident importance as Premier Caillaux is holding these days. Daily he confers with the French ambassadors at Berlin, London and Rome, who had been summoned home for that purpose.

Meanwhile, quietly but persistently, plans for war both on land and sea are being pushed.

There is little doubt France is facing her most momentous episode since 1870 and under the surface the nerves of the nation are drawn taut with the trial of waiting and uncertainty.

BRITISH STRIKE ENDED.

Lloyd-George Gets the Credit For Stopping London Disorders.

London (Special).—The great railroad strike has been settled by the agreement of the railroads and strike leaders to submit their differences to a commission, and train traffic is being rapidly restored to normal conditions.

Labor leaders declare the strikers have won a great victory. To Lloyd-George, chancellor of the exchequer, goes the credit of bringing about the agreement.

The local dock troubles were settled at a conference between the ship owners and representatives of the striking dockmen at the Cunard line offices. The carters and coal heavers will return to work with the dockmen.

Many fierce riots in which the police have been forced to use their revolvers has marked the labor disorders in this city during the past week. There was a fierce riot at Lincoln Sunday night. The police were pelted with bottles, stones and pieces of metal. A hundred shop windows were smashed, and the rioters were not dispersed until soldiers with fixed bayonets marched down the street.

Frozen to Death on Pike's Peak.

Colorado Springs, Colo. (Special).—W. F. Skinner and wife of Dallas, Tex., were frozen to death near the summit of Pike's Peak. Their bodies almost covered with snow, were found side by side by a boy walking down the peak. Mr. and Mrs. Skinner attempted to ascend the mountain and were caught in the snow storm.

Madero's Troops Fight Rebels.

Mexico City (Special).—A fight has occurred between federal troops under General Huerta and the followers of Emiliano Zapata in Cuautlixco, six miles from Cuautla, according to dispatches reaching here.

$100 REWARD $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only postive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THIRTY YEARS TOGETHER

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guess work in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once its finds entrance in a home you can't pry it out. Many familes have used it forty years. It's the most infalliable throat and lung medicine on earth. Unequaled for La Grippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c. $1.00. Trial bottle free. Guaranted by C. A. Wright & Son.

ATTACK LIKE TIGERS

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome, Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best bloor purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found. "They make rich, red blood, strong nerves and build up your health. Try them, 50 cents at C. A. Wright & Son's.

Hay Fever, Asthma and Summer Colds

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolfram St. Chicago, writes: "I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's experience. For sale by all druggists.

Loss of Time Means Loss of Pay

Kidney trouble and the ills its breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna St. Streator, Ill., was so bad from kinney and bladder trouble that he could not work, but he says: "I took Foley Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley Kidney Pills are tonic in action, quick in results—a good friend to the working man or women who suffers from kidney ills. For sale by all druggists

TECUMSEH'S NEWEST ENTERPRISE

After a year of careful planing, actual work has begun on the model factory for the Uncle Sam's Macaroni Co. The contract for the construction of this building has been awarded Messrs. H. V. Snyder & Son of Battle Creek, Michigan, and a corps of their workmen have begun laying out the foundations on the splendid site for the new building acquired by the company on the Sutton farm, just south of Wawona Park, near the Anthony Fence Works, and parallel with the Lake Shore Railway.

The L. S. & M. S. R. R. Co. have a construction train and crew already engaged in putting down the side track which will accomodate the Uncle Sam's Co.

Tecumseh is particularly fortunate in the fact that the owners of this enterprise to their home town has prevented their acceptance of flattering inducements from other cities.

When erected, this will be the third factory which Mr. Fitzsimmons has been instrumental in erecting in this section of our Village.

He, together with Mr. Mead and Mr. Dunn, have with the assistance of experts in their various lines, devised a manufacturing plant for the manufacture of this particular product, which will be second to none in the United States if not in the whole world.

The Uncle Sam's brand of Macaroni and spaghetti and other flour paste products, has an enviable reputation wherever it is sold, and the only difficulty encountered hitherto has been the lack of capacity to supply the demands or the trade.

The new factory buildings were designed by Messers Burrows & Wells of Detroit. The main structure is 60 x 435 The offices and main machine room will occupy a two story section at tee north end, while the curing rooms and packing and shipping departments will be in in a one story extension extending to the south.

The building will be erected of cement, brick and steel; the brick being especially burned to a dark cherry red by the Britton Pressed Brick Co.

The new factory will be fire proof, and will otherwise be modern in every respect, and, as befits a food factory will be equipped with every devise which will assist cleanliness and sanitation.

The comfort of the employees is especially consulted and they will enjoy the best of toilte facilities, including shower and tub baths.

All machinary will be operated by electricity and pneumatic suction sweepers will remove the dust which accumlates, while a perfect ventilating humidifying and steam heating system will maintain the temperature within the walls, at practically the same point throughout the entire year.

The power house will be a separate building erected recross the side track to the west of the main building and will contain a high grade equipment of boilers engines, dynamos and pumps.

The unloading of flour will be accomplished by machinery, and the carton sealing and packing machines will be little less interesting than the huge hydraulic presses imported expressly from Germany, which will produce the macaroni and other paste products sold under the Uncle Sam's brand.

This factory has received no municipal aid other than the ordinary conveniences of an extension of water and sewer mains to the northern boundary of the company's site.

A Local labor will be employed as much as possible, and the public generally are invited to visit the scene of operations while the building is being erected, while they will always be welcome at the factory when it is finally in operation.

The old factory will continue the manufacture of the Uncle Sam's goods until about the first of the year and even now day and night shifts are contemplated because of the excess of business now being offered. Recently an order for 200,000 pounds was received from one house alone.

We hope soon to be able to present to our readers an engraving made from a drawing of the building as it will appear when completed, and we expect to keep our readers informed from time to time of the progress of work.

Admiral Toga Leaves United States.

Niagara Falls, Ont. (Special).—As Admiral Toga motored over the upper steel arch bridge, gazing intently at the misty cataract below, he concluded his official tour of the United States. He entered Canada unofficially, being received only by Japanese Consul-General Nokomura of Ottawa. After a rest here he will continue to Vancouver, from which point he will re-enter the United States by rail for a private visit to Seattle, embarking there for Japan.

AMUSEMENTS

Favorable comment is the main part of the talk concerning the attraction at the Croswell last night by the Gaskill-MacVitty-Carpenter company "Rosalind at Red Gate," by George Middleton, entertained a good sized audience. This was the real opening attraction of the season at the Croswell and it may be considered a fair start. The double role of Rosalind and Helen Holbrook was presented by Jean Ward, an actress who is pleasing and possessing real merit. William Marble Jr. played the Irish adventurer to advantage, giving a good portrayal of such a character. In this presentation the Irishman is taken away from the prevailing type on the stage and becomes more of a real live character than a joke.—From Adrian Daily Telegram—Sept. 15 1910

Rosalind at Red Gate will be the attraction at the Bradley Opera House (tomorrow) Saturday Aug. 26. The same production that played at Adrian last September.

"ROSALIND AT REDGATE"

If you have never read that highly interesting novel by Meredith Nicholson entitled "Rosalind At Redgate" get the book and read it now. The play of the same name will be the opening attraction at the Bradley Opera House the latter part of this month when the regular theatrical season will open, you will find the story as interesting as "The House of a thousand Candles or "Graustark" and you will find the play equally interesting, you should read the book before seeing the play

The company which will play here is a city company in every sense of the word, playing three nights at the Majestic Theatre, Grand Rapids before playing here and Toledo afterwards. Without a doubt the people of Tecumseh and vicinity will speak as highly of "Rosalind At Redgate" as they have of Graustark so plan to see this excellent attraction.

Among some of the other attractions booked for the coming season are: "The Lion and the Mouse;" "The Chorous Lady;" "The White Squaw;" "Mary Jane's Pa" and several good musical comedies.

The management intends to book nothing but the best attractions possible to get into a town the size of Tecumseh, and with the support of the people of this place and the surrounding country should be able to secure at least two or three A No. 1 attractions a month.

"Rosalind At Redgate" will be the the opening attraction, Saturday Aug. 26.

SMITH—LISTER

The ninth annual reunion of the Smith—Lister families was held Thursday August 17, 1911, at the farm home of Mr. and Mrs. Alonzo Lidster, near Britton. The guests arrived early and at noon 41 members of the families partook of a fine dinner served on the lawn, under a large tent, to which all did ample justice.

After dinner the meeting was called to order by the Presidedt Alonzo Lidster, and the following program was given:

Song—"The Story that Never Grows Old."
Prayer—Mrs. Albert Smith.
Rec.—"Reunion Day."-Vadah Lidster.
Rec.—"An Engineering Formula"-Elma Elder.
Song—"Will there be any Stars."
Rec.—"The Village Blacksmith"-Forrest Smith.
Rec.—"Almost a Man" Leland Smith
Rec.—"A Ship a Sailing"-George Elder.
Rec.—"Kitty"-Florine Smith.

Then came the business part of the meeting and the following officers were elected:

President—Reuben Tucker
Vice Pres.—Alonzo Lidster
Sec.—Ellen Smith
Treas.—Bert Pocklington
Program Com.—Mrs. Bert Pocklington, Mrs. Charles Lister, Mrs. Reuben Tucker.
Chairman of the Floral Fund—Mrs. Albert Smith.

There has been two deaths and two births the past year.

A letter of thanks was read by the Secretary from George Lister and family for the beautiful flowers given them by the reunion at the time of the death of their wife and mother, Mrs. Lucy Lister.

Song—"God be with you."

The meeting then adjourned and by invitation will meet in one year with Mr. and Mrs. Reuben Tucker, near Deerfield. Ice cream and cake were served, after which, with the shades of evening drawing nigh they all departed for their various homes.

Washington—Without opposition, the resolution of the [illegible] affairs com[illegible] continuing it until March 1, 1912 was passed by the house of representatives just before adjournment.

Washington—After a perfunctory debate of four hours, the house late Monday concurred, 181 to 107, in the senate amendments to the Underwood cotton tariff revision and sent the measure to President Taft, he immediately vetoing the bill.

Washington—Representative James M. Curley of Massachusetts, just before adjournment, introduced a resolution requesting the president to direct the department of state to enter into negotiations with the Argentine republic to secure an agreement looking to the admission free of duty of all food products between the two countries.

Washington—The battleship Michigan is champion of the navy. Her record of excellence in target gunnery, battle practice and engineering competition for a year was 94,563 per cent, and Acting Secretary of the Navy Winthrop has awarded her the red and black silk pennant which proclaims her champion of battle efficiency.

BILLY SUNDAY

Must Use Pure Language In Wheeling W. Virginia

The Police Judge of Wheeling W. Virginia, comes down on Billy Sunday rather heavily. If the Rev. W. A. Sunday, Evangelist uses language that the police judge does not consider proper, he will be fined $100, or sent to prison for a year or both. This ordinance applies to any public speaker, but was intended especially for Billy Sunday, who is to speak at Wheeling.

A petition was presented to the judge signed by several ministers who did not approve of Sunday's language. He has retorted by saying the Council should pass a law, confining him to words of one syllable so that a certain councilman may understand him.

THE LOCOMOTIVE THEN AND NOW

In comparing the largest passenger locomotives built for the Pennsylvania railroad with the oldest one in America one is lost in wonder at the progress that has been made in the past 80 years, The time that has elapsed since the first railroad train was put into service at Bordentown N. J. on the Camden and Amboy railroad. This locomotive "John Bull" is still intact and can be seen at the National Museum at Washington.

The new locomotive and tender when loaded with coal and water weighs about 430,000 pounds, the John Bull in like condition 24,625 pounds.

The new engine has six driving wheels 80 inches in diameter those on the old engine measure 54 inches. The boiler of the new engine 359 tubes each 20.9 inches long or nearly a mile and a half of 2¼ inch tubing through which the flames and heat in the fire box pass on their way to the stack. The tubes in the John Bull or 7½ft. long heating surfaces only 212 square feet.

The wonder grows when one notes these great improvements that are steadily being made in every line of business.

RESOLUTIONS OF RESPECT

Where as in the providence of God we have been called upon to part with our Dear Sister Mary E. Remington.

Therefore, Resolved that in her death it leaves a vacancy and shadow that will be realized by all members of this Auxiliary, and that we have lost a worthy and useful member and firm supporter of the cause and each one who knew her a faithful Christian friend and though she has not been able to be with us very much we realize that her heart was in the work, always ready and willing to aid what she could

Resolved that we hereby extend our heart felt sympathy to the brothers and friends of our deceased sister in this their sad bereavement

Resolved that the secretary be directed to transmit to them a copy of these Resolutions Also a copy of the same to be placed upon record.

LENAWEE COUNTY VALUED IN CASH AT $58,338,381

The State board of equalization by the State tax commission has boosted the cash valuation over a billion dollars of which Lenawee's share is over $17,000,000. Placing the cash valuation of this county at $58,337,881 the commission has raised the amount nearly $20,000,000 over the equalized valuation of 1906 and $17,523,906 above the assessed valuation this year.

According to these figures the county is assessed at only 79 per cent of its assessed value. The figures of the commission show the following condition for Lenawee Co. It was equalized in 1906 at $39,000,000; it was assessed in 1911 at $40,808,975; cash value $58,337,881; per cent 70.

A CHANGE IN SCHOOL LAWS

Enacted At Last Session Of Legislature

Several Amendments to the School laws were made by the Michigan State Legislature, all in the way of improvements. One was to the effect that no district shall receive more primary money until the amount on hand is so reduced that it will provide for teachers wages for only two years, the money going to the districts who are short on their surplus.

The School Census will hereafter be taken 20 days before June 1. The School Commissioner shall appoint the truant officer instead of the sheriff. The Commissioner has the power to appoint a clerk with a salary not more than $300, where there are more than a hundred schools in the county.

On Columbus Day, Memorial Day and Washington's birthday school shall be kept, and patriotic exercises be held none of these shall be holidays. Funds shall be condensed to three heads, Primary, Library and General fund. A special fund shall be provided where building is going on, known as the building fund,

BROADCAST FERTILIZER SOWERS

Sows Lime, Fertilizer or Ashes in a perfectly satisfactory manner from 160 lbs. to 2700 lbs. to the acre. It is 9 ft. wide and holds nearly one-half ton, built very strong, light draft, the top is much lower than a grain drill and sells for $50.00.

A great many farmers desire to use fertilizer having good plain drills. They object to buying new fertilizer drills owing to the weight and expense. Many farmers are believing that fertilizing the whole corn field is better than checking with a fertilizer attachment. Many farmers believe, and it is true, that a heavy coating of lime every few years will sweeten the soil, Many farmers wish to fertilize their alfalfa fields alone. **BROADCAST FERTILIZER SOWERS** will therefore be a big improvement and advantage for any of the illustrations of the above.

To better appreciate it's many advantages, call and see one. It is doubtful if we can procure but a few of them.

The Manchester Enterprise comes out with the following, in one of their late issues. Surely the the business men of the town will be up and doing after reading it. Ebenezer was slow, Even Clotilde, his wife, admitted the fact. Now when a mat [illegible] half goes on record by admitting that her lord and master is slow, it is time to call a meeting of the general assembly and put the matter before the multitudes. It is to be expected that a small per cent of the male line will be slow; some call it a disease, and others just pure laziness. Now we don't want to make a personal charge against any of our citizens but if they don't get a "move on" before long this town will fall behind. You can't say that the ENTERPRISE has been a laggard nor lazy, we have tried to keep the people alive at their duty but some of them have showed no disposition to help, not even by speaking a good word, then they complain that there is nothing doing in this town, The business men should appreciate what we are trying to do for the village and do more newspaper advertising, why, a stranger would think this a "four cornered burg" by the looks of our advertising pages. Wake up men and show some life."

A GREAT PHYSICIAN

What He Said of Germs that Cause Disease

M. Pasteur, sometimes called the Greatest Physician often said "I believe that we shall one day rid the world of all diseases that are caused by germs."

Of all the diseases caused by germs, catarrh is one of the most presistent and loathsome. Catarrh can be cured but only by destroying the germs.

Breathe HYOMEI (pronunce it High-o-me) and cure catarrh by killing the germs. The HYOMEI method is the only sensible method, because you breathe the highly antiseptic and germ killing air directly over the entire membrane infested with catarrh germs.

HYOMEI will cure catarrh. There may be some complicated cases where it will fail, but the chances are ten to one in its favor, and the sufferer from catarrh takes no risk, because HYOMEI is a guaranted remedy, and if it dosen't cure, C. A. Wright & Son will refund the purchase price.

HYOMEI will also give instant relief and cure in bronchitis, coughs, colds and croup. A complete outfit, including hard rubber pocket inhaler, costs only $1.00. If you now own a Hyomei inhaler you can get a bottle of HYOMEI for 50 cents at druggists every where or at C. A. Wright & Sons.

Get at the root of the trouble.

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it;

Reach the cause: relieve the pain.

Read what Tecumseh people say about them

Mrs Sarah Austin, Pearl Street Tecumseh Mich., says: About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When some one told me to try Doan's Kidney Pills, I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

Free Dyspepsia Sample

Sufferers from indigestion are waking up to the fact that peppermint lozenges, charcoal and "dyspepsia cures" are only makeshifts in the cure of so troublesome a complaint as chronic indigestion. What is required is something that will not only relieve but which will tone and train the digestive apparatus to again do its work normally, and this these simple remedies cannot do.

There is something more to the cure of indigestion than sweetening the breath, and yet a remedy that only contains digestive ingredients will not cure permanently, as the basis of indigestion is poor bowel circulation, and that requires a scientific laxative. We know of no remedy that combines these requirements better than Dr. Caldwell's Syrup Pepsin, which has been sold for a quarter of a century.

Dr. Caldwell's Syrup Pepsin is a laxative tonic, a scientific blending of natural ingredients for the cure of constipation, indigestion, liver trouble, sour stomach, sick headache and similar complaints. Its ingredients will so strengthen and tone the stomach and bowel muscles that they will again do their work naturally, and when that has been accomplished your trouble is over. Fannie Stuart, Staunton, Va., was a long-time sufferer, as was O. Tuck, Blackburn, Mo., and they both found their cure with this remedy. They became convinced that pills and tablets, salts, "dyspepsia cures," etc., were at best only temporary reliefs. They first accepted Dr. Caldwell's offer of a free sample bottle, which he willingly sends to anyone who forwards name and address. Later, having convinced themselves through the free sample, they bought Syrup Pepsin of their druggist at fifty cents and one dollar a bottle.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

MICHIGAN NEWS NOTES.

State Matters of Interest Condensed For the Busiest Readers.

Pontiac—Albert Root, six years old, died here from burns received when he, left alone in the kitchen, poured kerosene oil in the stove.

Detroit—This city is in the hands of the Loyal Order of Moose, who are here by the thousands, attending the twenty-third annual convention of their order.

Detroit—The supreme court of the Foresters of America are in this city, attending their biennial convention. Delegates from all corners of the country are in attendance.

Monroe—While attending to the wants of his guests, Benjamin Johnson, manager of Hotel Loftus at Monroe Piers, dropped dead in the dining room of the hotel from an attack of heart disease.

Saginaw—Court Bartsch, 17 years old, moving picture operator, was probably fatally burned at Riverside Park casino when a short circuit in the moving picture booth set his clothing on fire.

Dowagiac—John Curran of South Boston, Mass., was found dead beside the road here. He had been picking fruit near Lawton and had started to walk to Indian Lake. The local police are unable to locate his people.

Monroe—Adam Kronbach, a prominent G. A. R. man and an old German resident of this city, died here after an illness of short duration. He had been for more than 25 years a sexton in one of the local graveyards.

Battle Creek—George C. Sterling, one of Battle Creek's foremost citizens and business men for many years, was instantly killed here near the McCally street crossing of the Michigan Central railroad. He was struck by the Wolverine Flyer and hurled 50 feet.

Flint—Harold Trumbull, 17 years old, whose residence is believed to be in Detroit, died at the Hurley hospital as the result of injuries that he sustained in falling from a Pere Marquette freight train. One leg was torn from the hip and other injuries were sustained.

Pontiac—Pontiac milkmen have completed a formal organization and hereafter the customer who gets milk without paying for it will be listed for the benefit of all members of the association. The association is also planning to replace glass bottles with paper receptacles in the near future.

Flint—As the result of an attack at the hands of six men while he was on his way home, Deputy Sheriff Sherbeaneau appeared in police court and made complaint against David Beach and Lewis Gilbert for assault and battery. Sherbeaneau stated he was walking home with a friend when the six men tried to beat him up. He captured one, he alleges, and a patrolman caught another. The men must appear for trial.

Flint—Frank Walker, 19 years old, a negro, was sentenced to serve from one to five years in Marquette prison by Judge Wisner when he pleaded guilty to the charge of making an assault upon a 10-year-old boy. The assault took place Aug. 10. Walker being captured after he had been chased by a crowd of men and boys from the scene of the crime. The court recommended that one year would be sufficient.

Port Huron—After an official tour of investigation through the fishing district at the St. Clair Flats and Baltimore bay, State Game Warden Oates has announced he will abolish permanently the commercial fishing in those waters. The law prohibiting the practice was passed in 1909, but the last game warden was very lenient and granted several of the largest fishing companies permission to employ seines.

COMMUNITY MAUSOLEUM

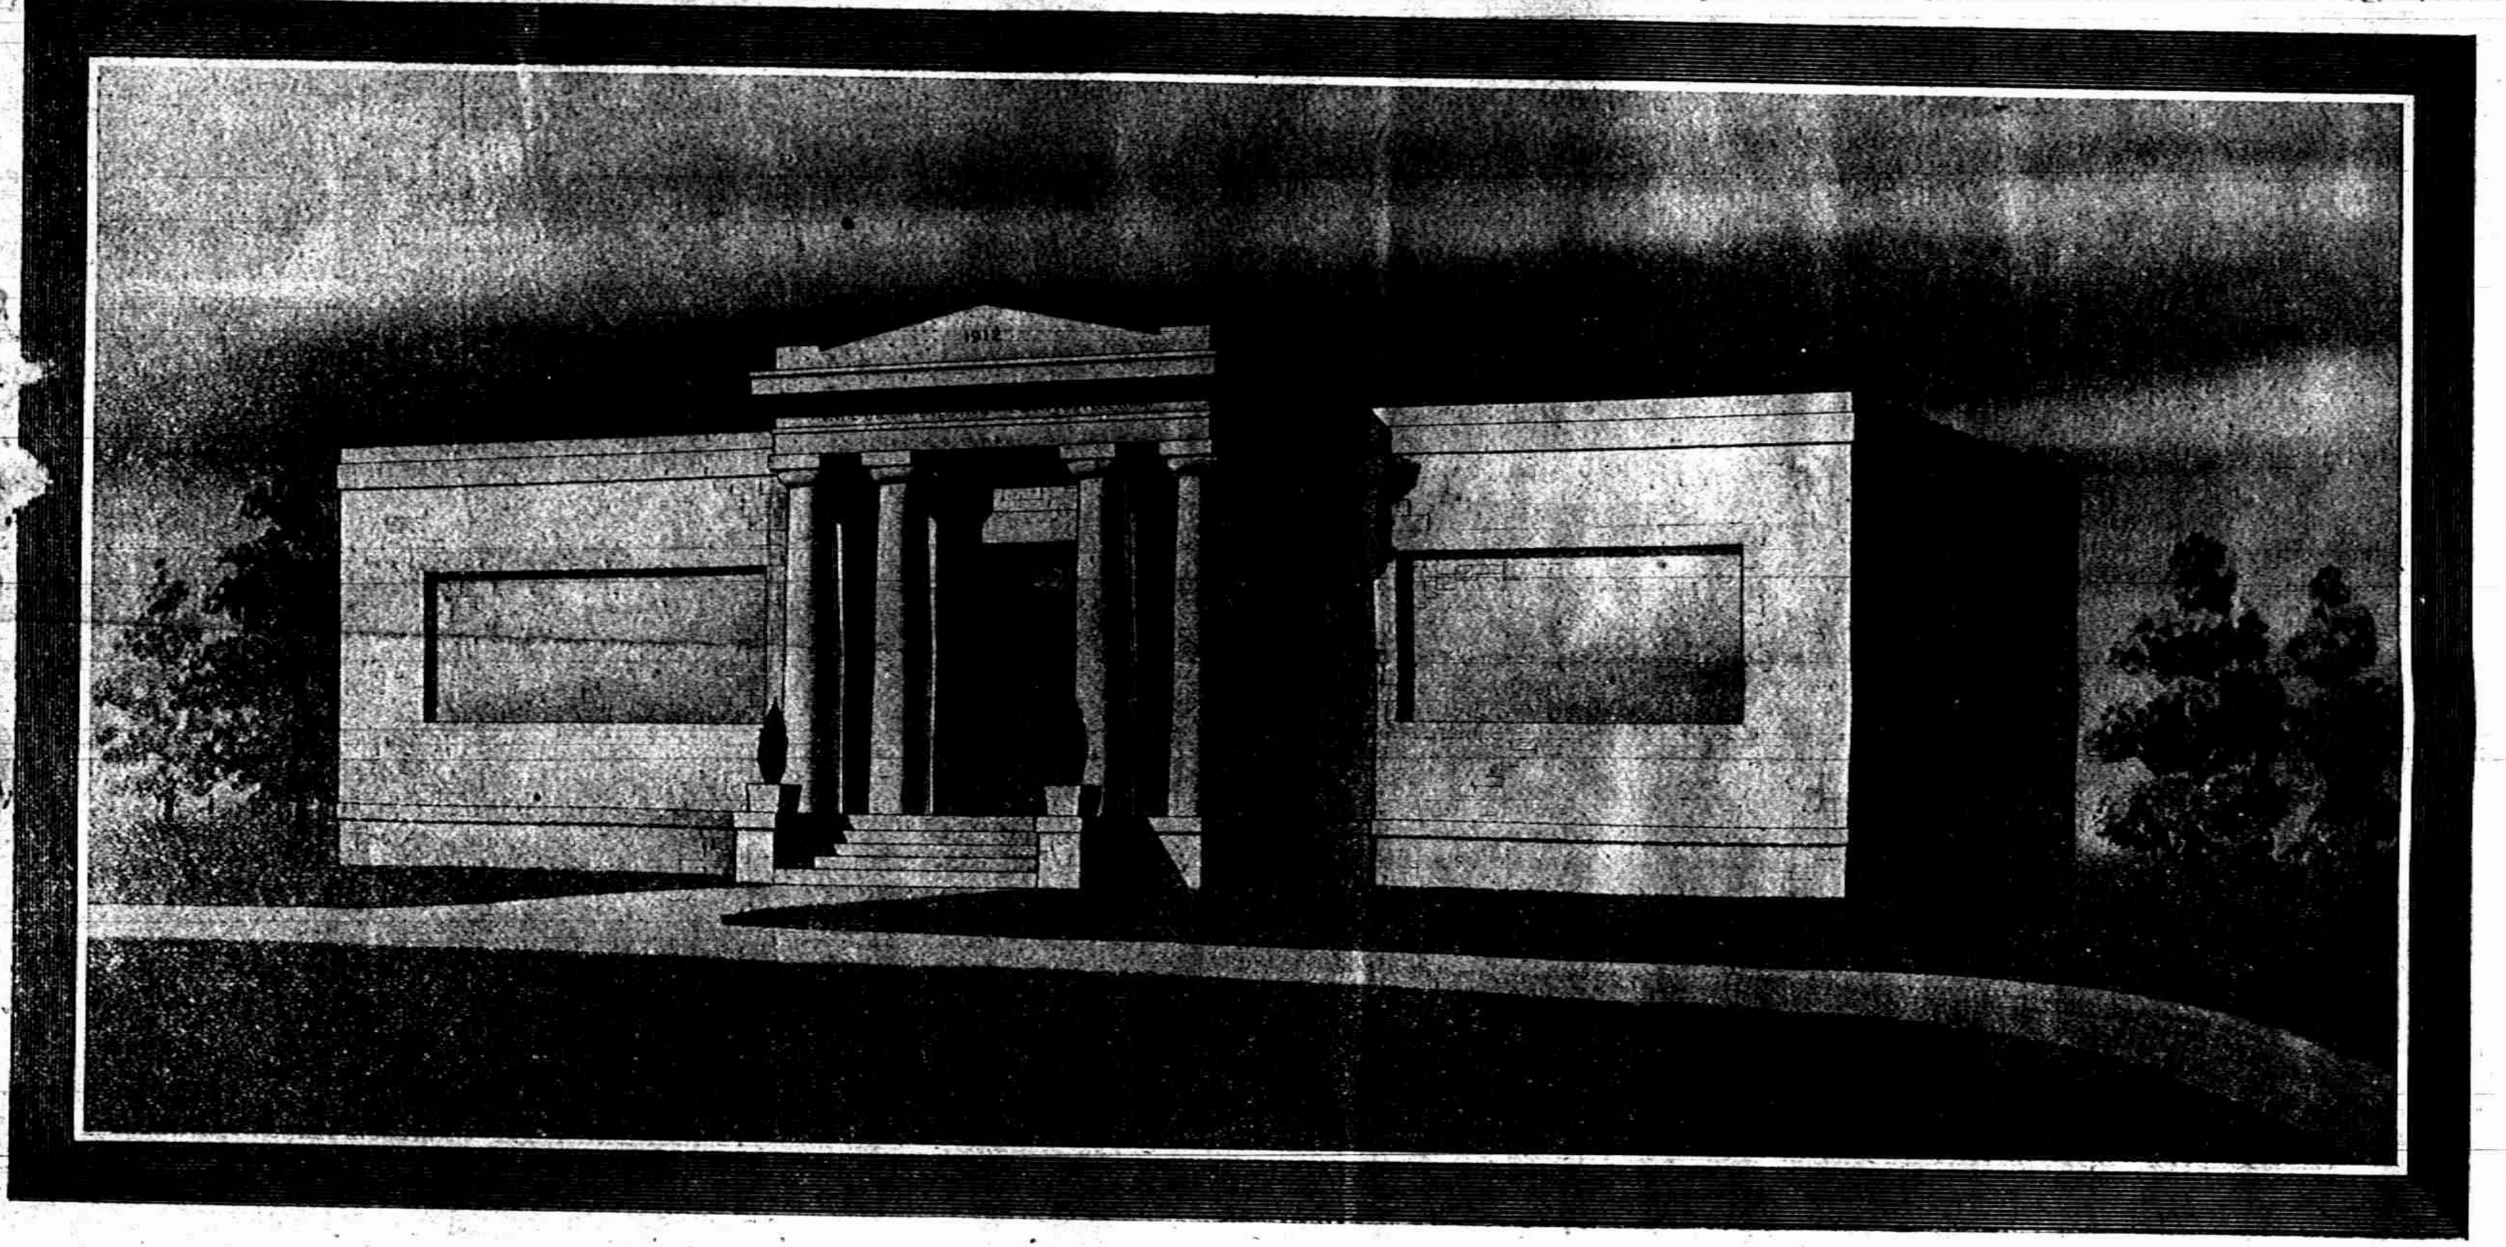
To be Erected in Beautiful Brookside Cemetery

Under the Supervision of the Cemetery Trustees.

Exterior of Granite. Interior of Marble. Metal Work of Bronze.
Windows of Cathedral Glass.

The Sanitary System of Interment

A BETTER BURIAL AT A LOWER COST



A MODERN MAUSOLEUM

In all Michigan there is no more lovely or sacred spot than Tecumseh's own beautiful Brookside Cemetery. Many populous cities cannot boast of a place so park-like and so altogether charming, in which to inter their beloved dead.

Beautiful and costly monuments rear their shapely shafts on every hand, framed in by that symbol of Everlasting Life, the ever verdant arbor vitae, while to the southward, the murmuring brook ripples between banks guarded by stately elms.

As men count time, this always will be a lovely and sacred spot, and, while living members of the families of this generation repair and guard these monuments, erected to the memory of their loved ones, these sculptured stones will add to the beauty and dignity of the place.

But what of the more distant future, when those of us now youthful have joined the majority? The answer is found in the moss bedimmed and tottering stones in the older portion of this very spot.

Originally erected in another location, brought here because of the inroads of a growing community, too frail and of too perishable a material to successfully withstand the ravages of time, and without an endowment to permit of necessary repairs, they are fast crumbling to ruin.

When these pioneers were laid to rest, there was no other course to pursue. The heights of civilization and of sanitation to which our race has attained, were not even dreamed of at that time, and in that early period where the struggle for a mere existence was the paramount issue, the living had little time to consider any improvement in the disposition of the dead.

But now, no matter how shapely the shaft, no matter how green the turf, nor how bright the blossoms, we know that Winter's savage blasts will change all this to a scene of desolation relieved only by the drifting snow and the dark green arbor vitae. It is because of this that a burial in the cold damp earth is abhorrent to all our finer feelings.

Neither can we look upon cremation, admirable as it is in many respects, with aught but horror. Centuries have passed, and the ancients of Egypt, Greece and Rome, taught and builded better than they knew, for aside from some of the refinements of Twentieth Century science and mechanics, it is now agreed that the tombs erected over their monarchs and heroes, which have defied Time, and War and Pillage for thousands of years, whilst guarding their sacred contents, provide us with examples which cannot be bettered today. Constructed as they were, of granite on the exterior, of marble upon the interior, and of bronze where metal was used, except for certain improvements in sanitation, ventilation and desiccation, they stand as an almost perfect construction for the reception of the dead. And such a disposition of the body of one dear to us, within a CLEAN, DRY, WHITE CRYPT in an absolutely PERMANENT STRUCTURE, PERMANENTLY ENDOWED, is conducive to peace of mind in a duty to the dead well done, and intelligently discharged by the living.

The Fuel Supply Needs Attention Only Three Times Each Day

The makers of Cole's Hot Blast Heater guarantee this stove to hold fire with soft coal 36 hours without attention. Your old stove and imitation stoves leak air and waste fuel because they are not air-tight, because they have putty joints.

Cole's Original Hot Blast Heater

—by means of the patented Hot Blast Draft and other patented features which make it tight, doing away with the use of stove putty—requires less attention than any other heater made.

All fuel—Soft Coal, Hard Coal, Lignite, Wood or Corn Cobs—contains a large amount of gas. Fully one-half of the heating power (carbon) in soft coal is gas. This is the part of the fuel this wonderful heater saves, by burning it with the Top Hot Blast Draft. This makes Cole's Hot Blast Heater the most satisfactory, the most economical, the most convenient heater you can buy. Imitations and other styles of stoves allow this gas-half of the coal to pass up the chimney with the smoke, unburned.

INVADE STATE CAPITAL

California Suffragists Hold 14 Meetings at Sacramento.

The Battle for Constitutional Amendment Carried on by Aid of Circus Tent.

Sacramento, Cal., Aug. 28.—With a circus tent, a moving picture machine and full accouterments of red fire and oratory, 600 women suffragists invaded the state capital.

While a few scattering shots have been fired, preliminary to the encounter of Oct. 10, when a proposed constitutional amendment giving suffrage to women will be voted upon, it marked the first unlimbering of the big suffrage batteries in California.

Fourteen massmeeting were held, concluding with a massmeeting at Oak Park, at which President Benjamin Ide Wheeler of the University of California was censured for his opposition to woman suffrage.

$20,000,000 FOR INDIANS

That Amount to Be Realized for Choctaw and Chickasaw Lands.

Muskogee, Okla., Aug. 28.—When, on three different dates between now and Feb. 1, 1912, the United States government sells 2,378,000 acres of land belonging to the Choctaw and Chickasaw nations, the last of the unalotted lands of these tribes, together with over a million acres originally intended as a forest reserve, will have passed from the control of the red man and gone to their white brothers.

Over $20,000,000 will be realized for the members of these tribes as a result of the sale.

[illegible] Locke, principal chief of the Choctaw Nation, and Governor D. H. Johnson of the Chickasaw Nation have been in Muskogee for the last few days conferring with Commissioner J. G. Wright and the negotiations have been completed.

A list of suggestions and regulations has been sent to the secretary of the interior.

GATES LEFT A SECOND WILL

Surprise to His Closest Business and Social Friends.

SECURITIES NOT NOW TIED UP

Latest Testament Executed in March of This Year When Mrs. Charles G. Gates Began Suit for Divorce.

New York, Aug. 28.—Charles G. Gates, the son of John W. Gates, has left here, after authorizing that news of his father's second will be made public.

The news of the second will was a surprise to many, including Mr. Gates' closest business and social friends. Judge Gildersleeve, who is now in New Hampshire, drew up the first will, made in May, 1910, and he knew nothing of the second, drawn in March, 1911, until Saturday. Alvin W. Krech, president of the Equitable Trust company, which was named in the first will as a joint trustee of the estate with Mr. Gates' widow and son, was also surprised to hear of the existence of another will.

In the second will the trust company of which Mr. Krech is president was not named as trustee.

Mr Krech said that the time he talked with Mr. Gates about the trust company being a joint trustee it was understood that the estate would be about $30,000,000. It is the failure to put in the second will the clause tying up the Gates securities for ten years that is arousing the most comment. This clause was emphasized in the first will by Judge Gildersleeve when he made it public.

"Mr. Gates' only comment to me in connection with this clause," said Judge Gildersleeve several days ago, "was that he expected the securities to increase gratly in value in the next ten years, but I believe that he had in mind the protection of his friends and the public against any embarrassment that might be caused by a sudden sale of his securities."

The suggestion is made that probably the new will was caused by the divorce obtained by Charles G. Gates' wife. She was left a large sum of money in the first wil, and the second will was made just about the time she started her suit for divorce.

MAN SHOOTS NEIGHBOR

Attentions Paid to Wife Are Cause of Brownstown Homicide.

Danville, Ind., Aug. 28.—W. A. McCaslin was shot and killed by Charles Miller, a grocer, who is now in jail here. The shooting occurred at Brownstown, where the men live on adjoining properties. Miller says that he stepped from his door and saw McCaslin in his yard. He says McCaslin told him "We might as well finish this now," and made a movement to draw a revolver. Miller says he then shot McCaslin. A revolver was found on McCaslin's person after the shooting.

There had been ill feeling between the men for some time. Attentions paid Mrs. Miller were the cause of the shooting, according to Miller. McCaslin leaves a widow and two children. Miller was arrested and says he was compelled to shot in self-defense.

STRIKE TRUCE NOW ON

Kruttschnitt to Confer with Shop Workers.

President Kline and Other Labor Chiefs to Meet Him in San Francisco.

Chicago, Aug. 28.—A truce has been declared in the controversy between 25,000 shopworkers on the Harriman system of railroads and the management of those lines, which threatened to result in a widespread strike.

Julius Kruttschnitt, vice president of the Union Pacific and Southern Pacific railroads, telegraphed President J. W. Kline of the International Brotherhood of Blacksmiths and Helpers, that he would meet a committee composed of the presidents of the unions involved in San Francisco this week. It is probable that the conference will be held next Thursday.

President Kline departed for the west over the Northwestern line, and will be met in Cheyenne, Wyo., by the other union chieftains, including M. F. Ryan, general president of the Car Men's Union; M. O'Sullivan, president of the International Union of Sheet Metal Workers; Joseph Franklin, president of the International Brotherhood of Boilermakers, and J. D. Buckalew, vice president of the International Association of Machinists.

Immediately after receiving the message from Mr. Kruttschnitt President Kline sent dispatches to union officials all over the Harriman system urging them to maintain peace until the conferences with Mr. Kruttschnitt has been held.

LEE CLEARS UP TRIPLE TRAGEDY

Admits Killing His Father, Mother and Brother.

ANGER MOTIVE FOR THE CRIME

Wrath Aroused by Parents' Opposition to His Intended Marriage and Refusal to Give Him Money to Set Up Housekeeping.

Evansville, Ind., Aug. 28.—William Lee, twenty-two years old, confessed that he murdered his father, Richard Lee, his mother, and younger brother, Clarence at Boonville early Thursday morning and then set fire to the house in the hope of concealing the crime.

He said his motive was anger because his parents would not consent to his marriage with Mina Taylor of Newburg, which he had planned for Thursday evening, and would not give him money with which to set up housekeeping.

He has been taken to the state reformatory at Jeffersonville to prevent possible violence here.

Previously Lee had said he killed his father in self-defense with an ax after the father had murdered his wife and younger son. In his later confession he said:

"I struck for my father with an ax, but hit my mother. Then my father tried to grab me by the throat. I hit him and he fell. My father had threatened my life, and I was angry at what my mother had said."

Lee said he lit a match to see what he had done and then dropped the flaming stick on the bed where his mother's body lay.

Then he ran out to alarm the neighbors. "I would not have done this thing for anything if I had had any sense," he said.

The lives of his father and brother were insured for $700 and this would have come to him on their death and that of his mother.

POSTAL BANK MAKES RECORD

One Silver Dollar Is Deposited in the Libertyville Institution.

Libertyville, Ill., Aug. 28. — Uncle Sam opened a postal savings bank here. The bank broke all records. Charles Taylor, the postmaster, had made preparations for a rush of depositors. He sent out notices that the bank would open at 7 a. m. and that the first in line would be given first honors. Prompt on the hour, he opened the window in the postoffice and saw a line consisting of one youth.

The youth was Harry Meyers, twenty-one years old, a worker on a farm near Libertyville. He was leaning against the wall chewing a straw. "Do you want to make a deposit?" asked Taylor. "Yep," answered Meyers, and he drew a silver dollar from his pocket and passed it through the window. Not another deposit was made all day.

MURDER IN MID-LAKE

Jealous Man Hurls Woman from Deck of Steamer Puritan.

Holland, Mich., Aug. 28.—Insane with jealousy over the remark that she did not care to have anything further to do with or say to him, Walter Hopper, who gives his residence as Philadelphia, seized Grace Lyons of Chicago around the waist, on board the steamer Puritan, in midlake, and hurled the shrieking woman overboard.

The act was done so quickly that the startled passengers did not have time to interfere, and although a life boat was lowered within seven minutes the crew was unable to recover the body, which was drawn under by the suction of the wheel. Hopper made no resistance when placed under arrest on the charge of murder.

FIRE CRY CAUSED STAMPEDE

Should Person Whose Shout Was Responsible for 26 Deaths Be Found Fears for His Safety Are Freely Expressed.

Cannonsburg, Pa., Aug. 28.—Rewards have been offered for the arrest and conviction of the person who cried "fire" in the Morgan opera house here, causing a panic in which twenty-six persons were trampled to death and at least forty others hurt.

The police fear that if he is captured he will be dealt with violently, as threats are heard on all sides. A report was circulated that a suspect had been arrested. In less than five minutes 1,000 people started on a run for the little lockup, but were told that it was all a mistake and that no arrests had been made.

Cannonsburg has not yet recovered from the shock of the holocaust. The little town is alive with people. Street cars and trains brought in crowds of 50,000, many of them made a rush for the opera house to search for souvenirs.

The scenes in Cannonsburg are heart-rending. Frantic parents walk the streets, wringing their hands and tearing their hair. There are thirty-two persons, hurt in the stampede, under the doctors' care. More than ten others are known to be hurt. Most of the dead have been identified and the bodies removed to their homes. A score of funerals will take place today and Tuesday. The coroner's jury arrived in Cannonsburg from Washington, Pa., and began an investigation.

The police declared that they had sufficient evidence to convince them that the cry of fire which caused the panic was emitted by two boys in the gallery.

At the cry of fire the audience jumped to its feet, rushed toward the entrance, piling down on 200 people crowded in the passageway awaiting the end of the performance to take the places of those who had seen the show.

Immediately the narrow stairway was packed and jammed ten feet high with the dead and dying, the shrieking injured and the screaming unhurt, while the crowds of townspeople rushed to the scene and added their maddened yelling to the din of disaster and death.

As the injured persons were carried from the building they were attended on the sidewalk by physicians. Every physician for miles around had been summoned.

Mrs. Minnie Lemon, of Lawrenceville, Ind., who was one of those who escaped the stampede, is a raving maniac in the Cannonsburg hospital as a result of her experience.

Many of the mutilated, all but dismembered, bodies were gathered together at the main entrance of the building and, followed by dazed, grief-stricken crowds, were taken to the morgue.

The catostropeh fell most heavily upon the young. The sight of little boys and girls carried out dead, dying, groaning and calling for their parents was heart-rending. One after another the little bodies were released from the mass of flesh and blood that marked the awful vortex of the mad death charged stampede.

GRANDSTAND COLLAPSES

Many People Injured When Seats Fall at Elgin Automobile Races.

Elgin, Ill., Aug. 28.—Just after the start of the Elgin trophy races here three sections of the grand stand collapsed, carrying 2,000 men, women and children to the ground. Thirty or more persons were injured, but no one was killed.

Many Chicagoans were hurt, among them being Mrs. Ralph R Graham, formerly Ethel Lorimer, daughter of Senator William Lorimer, who sustained a broken left ankle, and Chief Justice Harry Olson of the municipal court, who suffered severe bruises.

The last car had just started on the first lap when spectators were horrified to see these sections begin to sag. There was a noise and the seatholders were carried to the ground at the speed of an express elevator in a high office building.

CORN STALK TIES SUGGESTED

Bloomington Man Offers Novel Substitute for Wood and Steel.

Bloomington, Ill., Aug. 28.—Utilization of corn stalks for railroad ties is the novel idea of Thomas A. Galt. He expects to go to Washington next month to lay his unique plan before James Wilson, secretary of agriculture.

For steel railway ties, composed of steel and blocks of wood, Mr. Galt proposes to substitute blocks made of compressed corn stalks. If it is possible to produce sufficient compression he is confident that a block can be obtained which will be more substantial and more lasting than wood.

AMUSEMENTS

"THE LITTLE GIRL THAT HE FORGOT"

Numbered among the attractions which are to appear at the BRADLEY OPERA HOUSE this season is last year's greatest success, made famous by the author, Miss Beulah Poynter, "THE LITTLE GIRL THAT HE FORGOT." Miss Poynter will be remembered by her beautiful dramatization of "Lena Rivers," which has been witnessed by millions, and 'tis said that "THE LITTLE GIRL THAT HE FORGOT" is a worthy successor to "LENA RIVERS."

The play is centered about little June Holly, an ignorant girl reared among the notorious swamp lands of Southeastern Missouri.

The characters are of a peculiar type and bring about many quaint sayings which furnish much enjoyment for all.

This play was presented in all the large cities last season by Miss Poynter and proved a great artistic as well financial success. As has been said the Press, it is a play for everybody and no more truthful saying was ever heard. There is not a situation that not taken from actual life, and they are not only original, but at the same time perfectly true to the subject it purposes to illustrate No expense has been spared to make it the best attraction you will have in your city this season. The scenery is very striking and elaborate. "THE LITTLE GIRL THAT HE FORGOT," will be at the BRADLEY OPERA HOUSE, THURSDAY NIGHT, AUGUST 31.

ROBBIN'S CIRCUS

Friday August 25

A fair day greeted the circus on Friday and the street parade was given as advertised. The three bands were all that could be desired and furnished good music all along the line.

A good crowd gathered both afternoon and evening to witness the performance and everyone reported as being well pleased.

The performing horses were certainly fine and a credit to their trainer. Especial mention should be made of the single horses in their difficult roles and when the lady rider was performing with her horse and the doves, the effect was beautiful.

The trapeze actors were of the very best and kept one on the lookout for what might come next And the head performer was certainly well ballanced as he could stand on his head equally well as on his feet and his power of endurance w s wonderful.

The performing on the tight wire was watched with intense interest, especially where the little folks took part though the more difficult feats were those of the man who performed alone part of his work being done on the slack wire. As for the clowns, well, they acted just like clowns and what more could you expect of them.

Taking it all in all it was a very satisfactory show and was unaccompanied by the rougher element so often following in the wake of a circus.

The Eleventh Annual reunion of the Patterson family was held August 25, at the home of Albert Kopka near Ridgeway, 63 members were present. After a social time, dinner was announced to which all did ample justice.

The President then called the meeting to order and a short program was given. Three deaths and four births were repored since last meeting. Mrs. Ora Lowery and baby of Manchester, Glenn Stewart and Albert Schreder of Detroit, were among the guests.

The Election of Officers resulted as follows:—

Pres.—Ira Steele.
Vice Pres.—Charles Craig.
Sec. and Treas.—Mrs. Leon Schreder.
Historian—Mildred Linton.

After the closing song the meeting adjourned to meet the last Saturday in August 1912, with Ira Steele and family.

REV. RICHARD HARKNESS

91 Years Old August 24

Our esteemed fellow citizen the Rev. Richard Harkness of the Society of Friends, celebrated his 91st birthday on Thursday of last week. For over half a century he has preached the gospel, and for forty six years has been connected with the Raisin Valley Seminary, an institution of the Quakers which for many years was one of the leading places of learning in this vicinity.

Mr. Harkness was born in 1820 in Peru, Ind., and came to Michigan in 1834. He was married to Deborah R. Crane in 1843, who at the age of 88 is his companion today. For a number of years they have made their home with Vincent Wood and wife, Mrs. Wood being their daughter. Though well along on the journey of life, Mr Harkness is in the full possession of his faculties, and it is a pleasure to visit with him.

OBITUARIES

CHARLES UNDERWOOD

Charles Underwood a prominent farmer of Ridgeway died suddenly of heart trouble Saturday morning while spending the week at the Winchip cottage at Wampler's Lake in company with Mrs. George Winchip and family of Adrian, his daugher, and his son Cyrus Underwood and family of Ridgeway. He had been spending the week at the lake and early Saturday morning after partaking of a hearty breakfast he started out with John Zeluff of Britton on a fishing trip. He was in the act of placing a cushion in the row boat when he dropped over dead.

Mr. Underwood was born in Leicestshire, England February 23, 1833 and come to Lenawee county when about four years of age. They settled in Ridgeway which had since been his home. He was united in marriage April 7, 1857 with Jane A. Exelby and of the four children born to them two survive, Mrs. George Winchip of Adrian and Cyrus Underwood of Ridgeway who with his beloved wife and grandchildren are left to mourn his loss for it is in his home that he will be missed most.

He is also survived by three brothers and one sister Wm. Underwood, G. W. Underwood, James Underwood all of Britton and Mrs. Chas. Pocklington of Ridgeway. The remains were taken to his home in Ridgeway in the ambulance of Guy Belding of Tecumseh on Saturday afternoon.

Mr. Underwood was an active church worker having been a member of the Methodist church in Ridgeway for over fifty years and in his younger days was quite proimnent politically having held the offices of treasurer, highway commissioner, and other offices several times in the township of Ridgeway. He was always greatly interested in all kinds of improvments especially good roads that being his last work.

The funeral was held Monday afternoon Rev. Jones assisted by Rev. Scarlette and Rev. Mann, officiating. The large number attending showed the high esteem in which he was held in the community, friends being there from Deerfield Adrian, Ypsilanti, Detroit.

The pall bearers were nephews of the deceased, John Underwood, Rufus Underwood, Amos Underwood, Clarence Exelby, Everett Exelby, Michael Bachman.

The remains were placed in the family lot in Ridgeway cemetery near the old home just as the sun was going down.

CARD OF THANKS

We wish to thanks the friends and neighbors who so kindly helped us in our late bereavement also those who assisted us at the lake. We also express our gratitude to the singers and for the beautiful floral tributes.

Mrs. Chas. Underwood
Mr. and Mrs. Geo. Winchip
Mr. and Mrs. Cyrus Underwood
and family.

AGNES STEWART MCINTIRE

Agnes Stewart was born in the township of Frenchtown, Monroe county, Michigan, May 27, 1865.

Her mother was Agnes Snedicor, her family being one of the earliest settlers of old Monroe.

Only one of the family, C. H. Snedicor of our town, now remains. Agnes Stewart early in life passed through the waters of deep affliction. When a girl of fifteen years, her mother; two brothers and a sister were taken from her in the short space of sixteen days.

She was married to Arthur E. McIntire, Nov. 5 1890.

Aside from the fact that she was for several years something of an invalid, she was especially happy in her married life.

Her husband was always patient, thoughtful kind and loyal to his family.

Both she and her husband had been long identified with the M. E. church at Scofield, transfering their membership a few months ago to the church at Tecumseh.

During her last illness all that loving hearts could prompt and willing hands could do was done to keep her with us, but—

"She saw a hand we could not see,
That beckoned far away,
She heard a voice we could not hear.
That said she must not stay.

And in the late afternoon of Tuesday Aug. 8 "the wheels of life stood still, the tired and pain racked body was at rest.

Our Aggie had moved out of the old house that was so sadly in need of repair into the "house not built with hand, eternal in the heavens."

Her husband, one son, one sister and a large number of other relatives are left to regret her untimely departure.

We took her back to her own home and to the church where she had worshiped many times in days gone by and then her pastor, Rev G. N. Kennedy spoke words of comfort and cheer to a large audience of neighbors, friends and comrades of other days. To us it seems that her sun has set at noon time but "what we know not now we shall know hereafter."

Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be prepared. Dr. Thomas' Eclectric Oil instantly relieves the pain—quickly cures the wound.

The play of "Rosalind at Redgate" as presented at the Opera House Saturday night was one of best that has been put upon the stage in a long time. Each character was well taken and the scenery made everything most realistic. Mr. Mark deserves much praise for the good things he is giving to the public and he promises many fine plays for the winter months. He has booked the best line of plays ever presented in Tecumseh for the coming season.

"The Little Girl That He Forgot" is the title of the new play which comes to the Bradley Opera House Thursday, August 31. The play is from the pen of Beulah Poynter of "Lena Rivers" fame. It was no easy task to find a successor to that most successful play, yet in "The Little Girl That He Forgot." Miss Poynter has not only written a play as good as "Lena Rivers" but better; containing all the sweetness of character and the heart interest that made Lena so successful. The play is written around broader and stronger lines, making an emotional drama of rare excellence, relieved in its sombre moments by natural and mirthful situations. A capable company and a large scenic production are carried.

A DEAD STOMACH

Of What Use is it to Anyone?

Thousands! yes hundreds of thousands of people throughout America are murdering their own stomach, the best friend they have, and in their subline ignorance they think they are putting aside laws of nature.

This is no sensational statement; it is a startling fact, the truth of which any honorable physician will not deny.

These thousands of people are swallowing daily huge quantities of pepsin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

In other words, they are taking from the stomach the work that nature intended it should do, and are also refusing it the only chance for exercise it has. MI-O-NA stomach tablets, they relieve distressed stomach in five minutes. Taken regularly for a few weeks they build up the stomache and make it strong enough to digest its own food. Then indigestion, belching, sour stomach, headache and stomache misery go.

MI-O-NA stomach tablets are sold by C. A. Wright & Son and leading druggists everywhere at 50 cents a large box, and are guaranteed to cure all stomach distress or money back.

Get at the root of the trouble.

Rubbing an aching back may relieve it.

But it won't cure it.

You must reach the root of it—the kidneys.

Doan's Kidney Pills go right at it;

Reach the cause: relieve the pain.

Read what Tecumseh people say about them

Mrs. Sarah Austin, Pearl Street Tecumseh Mich. says: About three years ago I suffered from kidney trouble. I had several pains in the small of my back and the kidney secretions caused me much annoyance. When someone told me to try Doan's Kidney Pills I got a box and they promptly benefited me. I have taken this remedy whenever my kidneys have bothered me since then and have always received the best of results. I willingly allow my name to be used again in recommending Doan's Kidney Pills."

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Banville, Va. will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments that medical science has devised. For sale by all druggists.

Quarrel at Charleston Results in Death of Visitor.

Charleston, Ill., Aug. 28. — William Springer of Mattoon was shot and killed following a quarrel with two young men from Mattoon, named Morrison. The Morrisons, after the shooting ran north into a cornfield.

Springer and his wife had been attending the Coles county fair. They were waiting for an interurban car when the Morrisons happened along and started a quarrel. Springer told them to get down off the track and he would fight them. They did, with the above result.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose *advice is given free* to all who wish to write him. His great success has come from his wide experience and varied practice.

Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are OF KNOWN COMPOSITION. BEATTIE CASE AT WEEK'S END

Prosecution Makes Situation Serious for Young Man.

DEFENSE TO SUPPORT HIS TALE

All Beattie's Lawyers Have to Cling to, It Seems, Is His Own Story of Tall, Whiskered Hold-Up Man.

Richmond, Va., Aug. 28.—Henry C. Beattie, Jr., sat once more in a cell in the Richmond jail and for long hours his lawyers, Harry M. Smith, Jr., and Hill Carter, went over with the young prisoner the infinite details of the issue which means life or death with him.

The conference was designed more to fortify Beattie against the ordeal of the next few days when the heaviest weight of the prosecution will be hurled against him, than through any pressing necessity on the part of the lawyers.

The result of the first week of this young man's trial has been serious for him, and before the prosecution rests its case there will be much graver concern in his mind. He must know also that all his lawyers have to build on in his defense is the weird story of a tall whiskered man suddenly stepping out of the shadows of the forest on Midlothian pike and without reason, almost without words, as Beattie has told the story, slaying his wife as she sat by his side in an automobile. Such of the prosecution's case is before the court already as to indicate that when Beattie's counsel attempts to defend his story, which is the only line of defense that seems to be indicated now, they will be undertaking the most difficult task in the recent history of Virginia jurisprudence.

As the case stands before the jury at this beginning of the second week of the trial the prosecution has completed its task of pointing out the contradictions and incongruities in Beattie's story of the murder. That was its first undertaking; the second, which will probably come early this week, is the first step in constructive testimony. This will be the introduction of evidence directly fixing the purchase of the shotgun, which is claimed to be the weapon of assault, on Henry Beattie. The third and last step in the prosecution will be to establish the motive for the crime, which the commonwealth seeks to fix upon him.

Through Paul Beattie, the cousin of the accused, the prosecution will first identify the shotgun as that which was in the possession of the prisoner three days before July 18, the time of the murder.

The line of constructive evidence that the prosecution will advance within the next two or three days dealing with the establishment of a motive for the shooting will introduce Beulah Binford, her mother, and the inmate of a disorderly house. This will be the most uncertain feature of the prosecution.

The commonwealth's attorneys will introduce a letter Mrs. Beattie had written a short time before her death in which she told her father, Robert V. Owen, of Dover, Del., of the infidelities of her husband and of her intention to quit him. Mr. Owen had even started for Richmond to assist his daughter in her difficulties when he read in a paper an account of her death.

ALLEGES THREATS TO KILL

Greensboro Man Causes Arrest of Two Neighbors.

Newcastle, Ind., Aug. 28. — Badly frightened, Joseph Jay, a prominent business man of Greensboro, made a hurried trip to this city and sought the protection of the authorities. He alleged that the James boys, Robert and Claude, had said they would kill him before nightfall, and he believed they would keep their word.

Warrants were issued for the two brothers, and they were arrested here, where they had come to attend a circus. Jay had imprisoned some chickens which were owned by the James boys because they damaged his flower beds.

Illinois Girl Kills Herself.

Rockport, Ind., Aug. 28.—Goldie Hiles, a pretty girl about twenty-two years old, whose home was at Jacksonville, Ill., committed suicide in a hotel here by taking poison. It is said she eloped and became despondent after she reached Rockport. It is said her parents at Jacksonville are well to do.

LAKE STEAMER GOES DOWN

City of Genoa Is Struck in Fog on St. Clair River.

Port Huron, Mich., Aug. 28. — The steel steamer W. H. Gilbert of the Pittsburg Steamship company struck the wooden steamer City of Genoa of the Gilchrist Transportation company of Cleveland in the St. Clair river opposite this city in a dense fog.

The Genoa sank with a big hole in her port side. She was anchored at the time of the accident and the Gilbert was bound down with ore. Captain Ingham of the Genoa and his crew escaped on the Gilbert.

THE COMMUNITY MAUSOLEUM.

Judging by the enconiums heard on every hand regarding the desirability of the Community Mausoleum which the American Mausoleum Co. will construct in Brookside Cemetery, no mistake was made by them in estimating the discernment of Tecumseh people involving a matter of good taste and progressiveness.

The Mausoleum will contain 200 crypts and they are being selected so rapidly that an early application will be necessary in order to secure space in this beautiful and imperishable building.

Clergymen, business men, physicians and the press are unanimous in their endorsement of this method of burial, and to allay any fear that the price may be exorbitant, even though the structure will be largely composed of the most expensive and durable materials, granite, marble and bronze, the American Mausoleum Co. (Michigan Division), beg to announce that the prices are only from $150 upward. Families that require more than four crypts should select them at once, as it will be daily more difficult to allot them together.

No Payments of any kind are required until Thirty Days After the Building is Begun.

The choice locations are very naturally being taken first, and you will be consulting your own best interests if you make an appointment with Mr. M. O. Hart, the company's manager, at an early date.

Mr. Hart may be addressed at the local postoffice or may be secured by phone at the Hotel Barrett.

The president will visit, besides Detroit, Bay City, Pontiac, the Soo, Marquette and Kalamazoo.

THREW GIRL OVERBOARD.

Jealousy Caused Man to Commit Murder on Lake Michigan.

Holland, Mich., Aug. 28.—Crazed with jealousy over the remark that she did not want anything more to do with him, Walter Hopper, giving his home as Philadelphia picked up Grace Lyons and threw her overboard from the steamer Puritan in mid lake, about 40 miles from Holland. The boat was outside the Illinois state line, which brings the crime under federal jurisdiction.

Although a lifeboat was lowered within seven minutes, the crew failed to recover the body, which was drawn under by the suction of the wheel. News of the murder was flashed here by wireless and officers were in waiting when the steamer reached Macatawa park. Hopper is in jail at Grand Haven.

Kills Brother to Save Father.

Norway, Mich., Aug. 28.—John Pedrotti of East Vulcan killed his brother to prevent the latter from murdering his father. The dead man had been drinking heavily for the last two or three weeks, and was advised by his father to stop. The advice angered him so that he snatched up a butcher knife and attempted to murder his father, brother and sister-in-law. While the others grappled with the enraged man the brother quickly seized a double-barreled shotgun and shot him in the legs. During the excitement the second barrel was accidentally discharged, and the shots passed through the injured man's stomach, killing him instantly.

MORE POPULATION FIGURES

Michigan's Increase Slightly Lower Than General Gain In U. S.

Washington (Special).—A statement just issued by the census bureau gives additional statistics of general interest about the population of Michigan.

The total population, 2,810,173, as shown by the federal census of 1910, is an increase of 389,191, or 16.1 per cent, over the population of 1900. In the same period the total population of continental United States increased 21 per cent.

Michigan has 106 cities, Detroit, the largest, has 465,766 population; Grand Rapids, the second in size, 112,617, and Saginaw, the third, 50,510.

The population of Michigan's 83 counties ranges from 2,027 in Oscoda, the smallest, to 531,591 in Wayne, the largest, which has 65,825 population outside of Detroit.

Postmasters Meet at Charlevoix.

Charlevoix, Mich., August 30.—Michigan Postmasters' association held its annual session here at the Inn, the big summer resort hotel. About 100 postmasters were in attendance. J. Suter, head of the publicity bureau of the postoffice department, gave an excellent talk on the proposed adjustment of rates on second-class matter.

BAD STORM HIT CHARLESTON

Fifteen Known to Have Been Killed; Many Hurt.

PROPERTY LOSS OVER MILLION

City Is Practically Isolated, and Business Is Paralyzed—Wind Reached a Velocity of 94 Miles an Hour—Many Houses Demolished, and Masses of Wreckage Fill the Streets.

> DISASTROUS STORM HEADING FOR CUBA
>
> Havana (Special).—The national observatory announces a recurrence of the storm which swept over Charleston. It is now headed in the direction of Cuba from Jacksonville.

Charleston, S. C. (Specail).—Fifteen known dead, many injured and property damage of more than $1,000,000, so far as can be ascertained, is the damage wrought by a storm which struck this city, isolating it from the rest of the world for 24 hours.

Telegraph and telephone service are completely demoralized. The electric light and power system is out of commission. Masses of wreckage cover the streets and the business of the city is paralyzed.

The wind reached a velocity of 94 miles an hour and scores of houses were wrecked. Shipping suffered greatly, many large schooners having been blown ashore. The lower section of the city was entirely inundated for 18 hours by the high tide. Train service to and from the city is demoralized. Tracks have been washed away in many places.

Great damage is feared for the rice and the Sea Island cotton industries. The fertilizer mills were also badly damager.

A number of small fishing boats have been lost.

The soldiers from Fort Moultrie did heroic work in rescuing families. The people are being taken to the government reservation for temporary shelter.

The storm seems to have centered over Charleston and vicinity. It is feared that the greatest loss of life has occurred on the coast islands, but it will be days before the details are known.

Torpedo Boats Driven Ashore.

Washington (Special).—The raging storm which swept the South Atlantic Sunday night left its imprint on the navy. Six torpedo boats were wrenched from their moorings at the Charleston navy yard and tossed as toys high upon the beach by the 90-mile gale. It is not believed that any lives were lost at the navy yard.

Will Investigate Wreck.

Rochester, N. Y. (Special).—With federal and state officials present to follow every move of the investigation, the inquest into the Lehigh Valley railway wreck at Manchester, whose death toll has reached 29 and is increasing very day, has opened here. The result of the inquest is expected to lead to a federal investigation of the manner in which steel rails now being used by the railways are made

Kills Three Babes and Self.

South Thomaston, Me. (Special).—Grief over the death of his wife led Edward Bennett, an Englishman and a graduate of Oxford university, who had been a resident of this town for the past six years, to murder his three children and then take his own life.

HENRY C. BEATTIE, JR.

Young Richmond Resident Accused of Killing Wife.

SAYS BEATTIE CONFESSED.

Cousin of Accused Man Gives Sensational Testimony.

Chesterfield, Va. (Special).—Paul Beattie declared on the witness stand that his cousin, Henry Clay Beattie, Jr., told him he had "done it," referring to the murder of his wife, for which he is on trial here. There was a sensation in the courtroom as the relative of the accused man made the statement.

BUILDING IS DECLARED "SAFE"

Opera House In Which 26 Met Death Passes Inspection.

Canonsburg, Pa. (Special).—After carefully examining the Canonsburg opera house, where 26 persons were crushed to death last Saturday night, following a false alarm of fire, Deputy Factory Inspector James R. Patterson announces that the owner of the building and the manager of the theater had not violated the law in any way. Patterson interviewed a number of persons and went over part of the building. The fire escapes were found in perfect condition, and the stairway where the unfortunate victims met their fate was wide enough for all demands of the law, he said.

During the action of a moving picture show an alarm of fire was sounded in the building, and a wild rush for the exit was made. The maddened people became wedged in a solid of struggling humanity in the stairway, and before quiet could be restored, 26 persons had been trampled to death.

FOREIGN.

Newcastle, Eng.—Ten persons were killed, among them six women, when a large motor car carrying 33 passengers ran away on a hill and collided with a tree.

London—The exodus of Americans from Europe has set in in earnest, and this week will see the embarkment of thousands of homegoing Americans.

Winnipeg, Man.—Premier Roblin of Manitoba has made his first speech of his anti-reciprocity campaign in Beausejour. He roundly condemned reciprocity with the United States.

Rome—Pope Pius has almost entirely recovered from his recent illness, and Cardinal Merry del Val, the papal secretary of state, has left for his summer vacation, which he had delayed on account of the pope's illness

Naples—A dispatch from Cosenza, capital of Calabria, reports a serious condition of affairs in Verbicaro in that province. The ignorant inhabitants of the town have become furious against the sanitary work of physicians and Red Cross nurses in trying to prevent the spread of cholera and have started rioting. They have become obsessed with the idea that the sanitary measures are intended to spread the disease. The mob is in complete possession of the town and has erected barricades from which they will try to repulse any attacks.

18th MICHIGAN REUNION

Adrian August 29, 1611

The 18th Michigan Infantry held its 44th reunion in Adrian on Tuesday of this week.

The forenoon was spent in registering and social visiting.

A sumptuous dinner was served at noon by the ladies of the Woodbury W. R. C. Business meeting was called at 1:30 o'clock. Minutes of the last meeting read and various reports offered.

There have been 15 deaths since the last meeting, one by one the comrades are joining the ranks over yonder. A beautiful memorial tribute was read by one of the old comrades and listened to with deep interest.

The election of officers resulted as follows:

Lieut C. E. Rogers—President

The next meeting will be held in Blissfield.

A camp fire was held after the business meeting Gen'l. Geo. Spaulding of Monroe was the first speaker, he paid a great tribute to the old 18th he was followed by a number of others who made many interesting remarks any letters from comrades who could not be present were then read.

91 names were registered. Those we were present from Tecumseh were: J M Ingersoll, Miles Baldwin, Geo. W. Burroughs, Wm. Jordon, H. W. Stevens and Hiram Wescott.

At the close of the day all joined in singing "Tramp, tramp, tramp the boys are marching" and one by one with hearty handshakes and heartfelt words of parting the comrades parted with hopes of meeting an unbroken band another year.

MONEY KING THWARTED BY A WOMAN

Shirley Rossmore Proves More Than a Match for "Ready Money" Ryder

"The Lion and the Mouse" which will be presented by the United Play Co, at the Bradley Opera House in September has scored a pronounced success in all cities in which it has been produced. In New York alone the play ran for two years at the Lyceum Theatre, having made a new record in dramatic annals, by playing through an entire summer without a break.

The author is Charles Klein, who is also responsible for "The Gamblers," "Maggie Pepper," "The Music Master," "The Third Degree," and other well known successes. In "The Lion and the Mouse," Mr. Klein deals with one of the widely discussed topics of the hour—the influence wielded in American politics by money.

The dominant personage in the play is John Burkett Ryder the acknowledged leader in the financial world in which he is known as "Ready Money" Ryder. The cotorie of moneyed magnates of which he is the head, has been halted in its career by an adverse decision rendered by Judge Rossmore. In retaliation they obtain the temporary suspension of the Judge from the bench on the grounds of alleged fraudulent practice. His daughter Shirley summoned home from Europe returns to find her father dishonored, bankrupt and broken in health. Ryder alone is in possession of the proof of her father's innocence and she determines to secure it from him Through a plausible chain of circumstances she becomes a member of the Ryder household winning the affection of the family and becoming almost invaluable as a friend and adviser to Ryder. She has concealed her identity under the name of Sarah Green, her secret is known only to Jefferson Ryder the son of the money king. Jefferson has fallen in love with Shirley whom he met on the voyage from Europe. He is in sympathy with her purpose even though its consumation means the defeat of his father. The struggle between the "Lion" and the "Mouse" is rapidly approaching a climax when the love story of Jefferson and Shirley suddenly become known to Jefferson's father. This leads to a scene strikingly but logically dramatic. Needless to state all ends happily.

"The Lion and the Mouse" is intensely interesting to all classes of theatregoers because it is a protraiture of men and events just now important in national and commercial affairs For the interpretation of the play the United Play Co, has assembled an especially fine cast. The play will be given exactly as presented at the Lyceum Theatre, New York

PAWSON REUNION

The sixth annual reunion of the Pawson family, was held at Pleasant Grove, Devils Lake, August 6, 1911 The day was almost a perfect one, and early in the forenoon a large crowd gathered there, where they spent sometime greeting old friends and meeting new ones.

A base ball game was played between the old and the young men in which the young won; after which about 106 members of the Pawson family sat down to the dinner prepared by the ladies.

In the afternoon they all went to the dance hall for the program and election of officers as follows:

Song—America.

Lords Prayer by all, led by the chaplain.

Music—Eva Raymond.
Recitation—Kenneth Pawson
Recitation—Mabel Slater.
Duet—Leilah and Ruby Cook.
Recitation—Ina Merritt.
Critic—Blanford Pawson.

Resolutions were read on the death of Fidelia A. German, after which all sang, Blest be the tie.

Next came the election of officers:
President—Clarence Cook,
Vice President—C. C. Pawson.
Secretary—Mrs Herman Onsted.
Treasurer—Jewett Whelan.
Champlain—Polly Pawson.
Organist—Vera Anderson.

Chairman of the program committee—Mrs. Florence Cuwer.

Chairman of the refreshment committee—Mrs. A. R. Joseph.

It was voted to hold the next meeting at Putnam's landing Sand Lake, the last Saturday in August, after which a motion was made to adjourn.

After this some of the ladies went to the cemetery, near by to visit the grave of Mrs Selle Raymond a former member of the Pawson family. Lates there was a blue rock shoot, in which Blanford Pawson carried off the honors.

Toward night about half of the people went for a launch ride around the lake in two large launches, returning just in time for supper.

At a late hour the people returned to their homes, or stayed over night with relatives who lived near

Members were present from Tipton, Pentecost, Tecumseh, Clinton, North Rome, Rome Center, Blissfield, Rollin Onsted Cheyenne, Wyoming and Detroit.

Anti-Taft Bureau Opened.

Washington (Special).—A bureau organized to further the so called progressive policies, with W. L. Howser, former secretary of state of Wisconsin and a political lieutenant of Robert M. La Follette, in charge, has been opened in Washington. The organization is admittedly hostile to the renomination of President Taft.

Hailstorm Does Damage.

Mitchell, S. D., Aug. 28.—A rain and hail storm which was visited upon this section of South Dakota did damage to corn and flax estimated at 10 per cent. Hail lay on the ground here two inches deep. Gardens were practically ruined.

THE BAPTIST MESSENGER

We are in receipt of August-September number of this breezy little sheet and find much to interest us in perusal The history of the Baptist church as given from month to month gives great pleasure to many outside of the church who have known and and appreciated these of whom it speaks,

The paper is well patronized by the merchants in advertizing and the social life of the church well defined.

It is a pleasant caller at the Herald office.

ENTERTAINED

Mrs. B. C, Ellis entertained for her mother Mrs. Beamish Wednesday p m. in honor of Mrs. A. J. Bigelow covers were laid for eight. A fine chicken supper was served.

The afternoon and evening was delightfully spent in social chat and the pleasure of meeting old friends. When goodnights were said each one felt that it had been good to be there.

BIXBY HOSPITAL ADRIAN

Formally Opened Tuesday Aug. 29

At the meeting on Tuesday evening as representative of the Building Committee of the City council of Adrian, Mayor Joslin in a brief speech presented the Keys of the Bixby Hospital to A. B. Parks, representing the Local Board of Trustees. Mr. Park responded in a short speech, the remarks of both were right to the point and occupied but a short time. The Imperial Band gave an enjoyable concert in their own pleasing manner. And now Adrian is in possession of one of the best hospitals for a city of its size in the United States.

CONVENTION

Lenawee County Sunday School At The Baptist Church September 13—14

Tuesday evening representatives of the several Sunday School met at the Baptist church, and organized to take care of the Lenawee County Sunday School Convention.

Mr. Hartzog was chosen general chairman and the superintendents of the schools together with the chairman form an executive committee to manage the affair. It is expected that there will be not less than 200 delegates, representing the schools of the county. Prominent speakers will address the convention. Each school in Tecumseh will appoint a committee to secure entertainment, for one night and breakfast. Dinners and suppers will be served at the Presbyterian and M E. church.

There will be a grand parade on Wednesday, September 13. After the parade the convention will be addressed by Dr. Franklin McElpesh of Chicago.

PLEASANT SURPRISE

About 28 of the neighbors and friends of Garland Gillespie and wife gave them a very pleasant surprise Monday evening August 28, it being the 10th anniversary of their marriage.

A very delightful evening was passed and the bountiful baskets of good things that were provided furnished a fine supper.

They also remembered the happy couple with a number of presents suitable for such an occasion.

Mr. Gillespie has been very miserable for some time but enjoyed the evening to the fullest extent. At a late hour the guests departed with hearty good wishes for another meeting in the future and hopes of better health for Garland.

KIND THOUGHTS FOR THE HERALD

From Old Friend and a Former Resident of Tecumseh

Buffalo, N. Y.,
Aug. 27, 1911.

My dear Mrs. Stacy:—

I am still confined to my room here in Buffalo at my daughter's, Mrs. Rowe, consequently not at "Sunny Bank," Silver Lake, as usual.

Mrs. Fanny Stewart from Ocean Springs, Miss, went directly from Tecumseh to the cottage and is spending the summer there with other guests—this is Mrs. Stewart's fourth season at the "Tallman Cottage."

My friends here celebrated my 80th birthday August 1 with flowers, fruit, and loving wishes though I was obliged to receive them in reclining gown.

Of late years it has been the wish of my heart to again visit my dear old home, "The Garden of Eden" as Tecumseh has ever been to me but as this wish will not be realized I wish to say that the weekly news of the "Stacy Herald" will never cease to be of interest and I will look forward to its weekly report as eagerly as I have year after year since our wedding day Feb 13, 1855.

Since that time I note very few of school day memory following me—a larger procession is far in advance—but as I go over the zenith I drop a wish in passing for the progress and prosperity of the "Herald" and my own home town.

Sincerely,
Mary A. Blood Tallman.

GOOD NEWS FOR CATARRH SUFFERERS

So many hundreds of catarrh victims who have taken the HYOMEI treatment, have written us letters thanking us for publishing our method of taking the HYOMEI vapor treatment in connection with the inhaler that we gladly publish it again.

The vapor treatment is especially recommended in stubborn cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This treatment only takes five minutes time before going to bed. Pour a teaspoonful of HYOMEI into a bowl of boiling water, cover head and bowl with towel and breathe for several minutes the vapor that arises.

You will be surprised at the result of this treatment; it makes the head feel fine and clear; you will sleep better and that stuffed up feeling in the head will gradually disappea .

This method will break up the worst cold in the head in one night.

A bottle of HYOMEI costs 50 cents at C A. Wright & Son's who guarantees it. Complete outfit, which includes the little pocket inhaler, costs $1.00

No stomach dosing; just breathe HNOMEI and cure catarrh and all diseases of the breathing organs. Free trial bottle by addressing Booth s Hyomei Co., Buffalo, N. Y.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

J. Leighton Bush, Register in Chancery.

To Whom it may concern:

NOTICE IS HEREBY GIVEN, That the above entitled cause, or suit concerns, involves the title, and is brought to quiet the title to the following described lands; viz:—

Those lands in the township of Macon, in the County of Lenawee and State of Michigan, known and described, is the east half of the northwest quartar of section twenty, and the east half of the southwest quarter of the southwest quarter section seventeen, all in town five south, range five east as in the Bill of Complaint described.

Dated: July 29th A. D. 1911.

MICHIGAN NEWS NOTES.

State Matters of Interest Condensed For the Busiest Readers.

Grand Rapids—A general strike on the Pere Marquette railroad is imminent.

Bay City—The state convention of the Loyal Americans opened here on Monday.

Flint—Flint is being inspected by the Michigan State Fire Prevention association.

Hillsdale—Alfred Bayless, trustee of Hillsdale college, is dead at Macomb, Ill., as the result of injuries inflicted by an unruly horse.

Hancock—Joseph Granck a well known young miner, fell 300 feet to his death in the Superior mine here. Granek fell from the 1,000-foot to the 1,300- foot level.

Kalamazoo—Angered because he was not one of the invited guests at a marriage celebration, John Senonka stole the entire wedding feast and the guests' coats. He is in jail.

Bay City—Congressman Loud's home town having burned down when Oscoda and Au Sable went up in smoke, he has selected Bay City as his residence place in the future.

South Branch—When fire from a threshing engine set fire to a wheat stack on the Vincent Berry farm, Alexander Aeno, during the excitement, fell into a separator and one of his feet was ground off.

Hancock—Cards have been received here announcing the wedding of Miss Willie Fisher Osborn, daughter of Governor and Mrs. Osborn, and Mr. Richard Sanderson of Ridley Park, Pa., to take place at the Soo, Sept. 20.

Petoskey—Lester Knight, only son of Professor L. C. Knight of Wooster university, died in Petoskey hospital from a bullet wound received when he accidentally discharged a small revolver at the Delaware Wooster camp, Manistique lake.

Hastings—Leonard Walters, prominent resident of Carlton township, and John Jettings, Thornapple township, ended their lives and Harry Frans was accidentally drowned Sunday, making three violent deaths for this community for one day.

Owosso—Struck by the automobile of Superintendent of Public Works C. H. Crossitt while riding a bicycle Daniel Burnhans, 70 years old, was thrown violently to the pavement. Because of his advanced age his condition is considered serious.

Flint—Mrs. Alta Newcombe, aged 21, wife of Clarence L. Newcombe, a farmer living three miles south of the city, died here from the effects of arsenic poisoning. She took the poison with suicidal intent, according to her own admission an hour before she died.

Lansing—State Treasurer Sleeper has received $6,526.50 from the estate of ex-State Treasurer Frank P. Glazier, which is the state's portion of the amount recently apportioned to the creditors. The state has unpaid claims against the estate amounting to $138,844.74.

Saginaw—Joseph Costardi, an Italian fruit dealer of this city, was held up and shot in the right shoulder and Police Sergeant Doyle received a bullet through the cap in an encounter with unknown men at the northern city limits late Sunday night. The assault is believed to have been the work of Black Hands.

Monroe—Carl Wendmiller, Tony March and William Salow, arrested by Deputy State Game Warden Otto Rohn, charged with violating the state game laws, pleaded guilty in justice court. The first was fined $56.67 and the latter two $20.40 and $14.60 respectively. Wendtmiller, it is alleged, drew a gun on the officer. All [illegible]

Backache

is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of cures. "No, thank you, I want what I ask for."

VAN SCHAICK OUT OF PRISON

Captain of Ill-fated Steamer Slocum Paroled by Government.

New York (Special).—Captain William H. Van Schaick, who was commender of the excursion steamer General Slocum when it burned in Hell Gate, June 15, 1904, with a loss of a thousand lives, has been paroled by the United States governoment.

Following the historical catastropre the captain of the Slocum was made a federal prisoner on a charge of criminal neglect of duty for the failure to have provided worthy fire protection and life preservers on the steamer. A considerable time later he was convicted in New York and sentenced to 10 years' imprisonment. He has served 2 1-2 years.

Captain Van Schaick, now about 72 years old, says that he is so overcome with his new fortune that he has not decided what he will do in the future except to remain with his wife and family.

Warm Floors Insure the Children's Health

Cole's Hot Blast Draft on top of the fire burns the coal from the top—burns the gas which is wasted with all other stoves.

The force of this down draft forces the heat to the base which is made of steel—cannot burn out—and heats the floor.

Thousands of testimonials have been written regarding the base heating qualities of

Cole's Original Hot Blast Heater

The ideal heating stove is one which radiates all the heat thrown off from the fuel—into the rooms—instead of letting it go up the chimney.

The durable heater is the one which will withstand the severe use, year after year, which a heating stove is necessarily subjected to. Sheet steel is the quickest radiator of heat and is used as radiating surface only in Cole's Hot Blast heater. Wherever the fuel comes in contact with the fittings—only first quality gray cast iron is used.

Cast iron withstands the wear of the heat from active combustion better than any other material, and the large, sensitive, sheet metal body and base radiate all the heat into the rooms.

Burns Soft Coal, Slack, Lignite, Hard Coal, Wood and lighter fuel.

CAREER OF R. Q. MILLS

Famous Texas Statesman Is Dead at Corsicana.

Served in Each House of Congress and Was Author of Mills Tariff Bill.

Corsicana, Tex., Sept. 4. — Former United States Senator Roger Q. Mills of Texas, who died at his home here Saturday, after many terms in the lower house, served in the senate from 1882 to 1899. Then he retired from politics and became interested in the oil business, in which he made a large fortune.

Mr. Mills' congressional career began in 1872 as representative at large from Texas. This was followed by four terms as congressman from the former Fourth district of Texas.

Roger Q. Mills was born in Todd county, Kentucky, and his father was a Virginian. He moved to Texas at seventeen, studied law at Palestine, and was admitted to the bar when he was twenty years of age.

When the Civil War started he entered the service of the Confederate army as lieutenant colonel of the Tenth Texas infantry, later succeeding to command of that regiment. He was captured in January, 1863, and for several months was a prisoner of war at Columbus, O. After his exchange he commanded regiments under Generals Bragg, Johnston and Hood.

Mr. Mills was appointed chairman of the ways and means committee of the house and in the winter of 1888 he reported to the house the tariff bill which bore his name. Although the Democrats were in the majority the bill failed to pass because of the opposition of a few Democrats from New York, Pennsylvania and Ohio.

MICHIGAN AERONAUT DROWNS

Drops with Parachute Into Shallow Artificial Lake.

Charlotte, N. C., Sept. 4.—After making a balloon ascension at Lakewood Park, a pleasure resort here, and making a fireworks display from the car, H. C. Brown, a daring young aeronaut of Michigan, fell with his parachute into a shallow artificial lake and was drowned before assistance could be given him.

Brown, whose home was in Saginaw, Mich., had been giving balloon ascensions here for several weeks.

BABY DROWNS IN PAIL

Child Four Years Old Too Frightened to Save It.

Aurora, Ill., Sept. 4. — A child of seventeen months, left in charge of her sister, a babe of four years, fell into pail of water and drowned. As the younger baby struggled to death, the elder babe, looking on, danced up and down in an agony of fear, too frightened to aid the infant.

The child was the little daughter of Mr. and Mrs. George E. Berhardt, living on a farm four miles south-west of Batavia, in Wayne Township.

EXPECT DEFEAT OF PROHIBITION

Maine Antis Think They May Win the Day.

ELECTION COMES SEPT. 11

Temperance Organizations, Churches and Granges Have Done United Work for Law—Voters Talk More Freely.

Portland, Me., Sept. 4.—The possibility that Maine may repudiate prohibition grows stronger as election day, which comes on the eleventh day of this month, draws nearer.

Two months ago hardly a person at all familiar with public sentiment in the state believed that there was more than a ghost of a chance that the prohibitory amendment would be annulled when the people came to vote upon it. The temperance organizations, the churches and the granges, all of which are united for the law, got in their work so early and with such vigor that they seemed for a time to have driven completely to cover whatever anti-prohibition sentiment there may have been and the only question asked was by what majority would the amendment be retained.

The only thing that caused any uncertainty whatever was the strong disposition manifest on the part of the average voter to keep to himself whatever his sentiments may have been.

But within a few weeks all this has changed. Voters are talking more freely, and with this loosening up on their part, there came at first hope, then courage, and now what seems to be absolute confidence on the part of those who have been conducting the campaign against the amendment. With this increasing confidence of the antis, which seems to be sincere, there is no mistaking the fact that the other side has become correspondingly depressed.

Governor Deneen also appointed Frank P. Robinson of Oregon a member of the board of managers of the state reformatory at Pontiac, vice Fred H. Sterling of Rockford.

Injured by Cigar Lighter.

Springfield, Ill., Sept. 4. — William Gouka, a German meat cutter, who has been in this country two years, was fatally burned when gasoline in a bottle from which he started to fill a patent pocket cigar lighter ignited from a spark thrown out by the lighter as the lid to it opened.

BEATTIE CASE ON LAST WEEK

Prosecutor Thinks Jury Will Have It Friday Night.

DEFENDANT NERVES FOR TEST

Goes on Stand in Trial for Wife Murder Today—Prosecution Not Decided About Calling Beulah Binford.

Chesterfield Court House, Va., Sept. 4.—Henry Clay Beattie, Jr., spent many long hours consulting with one of his two lawyers strengthening himself and being strengthened against the supreme test when he is to take the stand to plead for his life.

Lewis Wendenburg, commonwealth's prosecutor, indulged in prophecy as to the length of time still remaining before the jury will get the case for its ultimate decision. He said he thought the defense might keep Henry on the stand for four hours in direct examination. He did not know how long he would be in cross-examination, but he believed that he would not finish with the prisoner before Tuesday morning. Then, the defense having rested its case, witnesses for rebuttal will be put on by the commonwealth and Wednesday night this phase of the trial will be completed, Wendenburg thinks.

Thursday will be taken up by arguments of counsel upon the instructions of the court, according to Virginia practice. Friday will be occupied by the summing up on each side, so Wendenburg thinks, and the case will go to the jury Friday night.

There is little likelihood that the jury will get the case before Friday night and it is possible that the twelve men will not retire to the little closet in the old court house called by courtesy a juryroom before Saturday.

Wendenburg would not say whether or not he will call Beulah Binford to the stand in rebuttal. He admitted that there was a strong possibility that he would decide to put the girl before the jury after Henry Beattie steps from the stand. Everything would depend on what the prisoner himself states when he is his own witness. There is no mistaking the fact that the prosecution is not at all satisfied what the girl's position would be on the stand. Henry Beattie must testify without having the benefit of knowing how greatly or how little Beulah Binford might harm him by her testimony. He cannot know which of his statements she will be called upon to refute. He does know that from the mouth of Beulah Binford the prosecution has drawn much of the material they have launched against him.

CHICAGO CHAUFFEUR SLAIN

Body Found in River at Cary, Ill., After Four Days.

Chicago, Sept. 4. — Fred Wennerstrom, a Chicago automobile owner and chauffeur, was mysteriously murdered and his body weighted and thrown into Fox river at Cary, Ill., last Wednesday night. The body was discovered beneath the Chicago and NorthWestern railroad bridge.

The murder is parallel with the puzzling crime committed in 1904, when William Bate, a chauffeur, was shot in the machine. The mystery never was solved.

OMAHA VOTES FOR NEW RULE

Adopts Commission Form of Government for the City.

Omaha, Neb., Sept. 4.—At a special election Omaha adopted the commission form of government by a vote of 6,331 to 2,345. Those opposing the plan point out that less than one-third of the registered voters of the city cast their ballots.

New city officials will be elected under the commission plan in May, 1912.

DENEEN'S LEG BROKEN

Falls from Auto at Glenarm, near Springfield.

Illinois Governor Meets Accident While Trying to Warn Others of Danger.

Springfield, Ill., Sept. 4.—While standing on the running board of his automobile, in an attempt to avoid a collision with a surrey, Governor Charles S. Deneen slipped and fell, and broke both bones in his left leg, an inch and a half above the ankle.

The governor was brought to Springfield and taken to the executive mansion, where he received medical attention. He was in great pain, and as the injured member was badly swollen, it was probable the fracture would not be reduced until today. The accident is certain to interfere with the governor's plans for campaigning.

The accident happened near Glenarm, fifteen miles south of Springfield. The executive, with Mrs. Deneen, his daughters, Frances and Bina, and a nurse, left the mansion late in the afternoon for a trip through the rural districts. They passed through Pawnee and returned by way of Glenarm.

When the machine, which was driven by Otto Swanson, the governor's chauffeur, failed to make a steep hill, Swanson attempted to shift the gears and killed the engine.

The car began to roll backward down the hill at a slow rate of speed. The governor was sitting in the front seat, and in looking back saw a surrey approaching. He stepped to the running board to warn the occupants of the vehicle of the danger. He slipped and fell to the ground.

The automobile continued to go backward and struck the surrey. The latter was mashed, its occupants escaping injury. The surrey was owned by Daniel Murphy of Glenarm.

DR. HILL RETIRES AS AMBASSADOR

Presents Letters of Recall at Unveiling Ceremonies.

HONORED BY THE EMPEROR

Dr. David Jayne Hill Makes Public Letter from President Taft Contradicting Sensational Newspaper Reports.

Berlin, Sept. 4. — Dr. David Jayne Hill's term as American ambassador ended after three years and three months of service and he presented his letters of recall to the Kaiser at the conclusion of the ceremonies attendant on the unveiling of the monument to Baron Von Steuben at Potsdam.

Dr. Hill issued the first public statement he has so far made in connection with his resignation last April. The statement will be published in Germany with the direct sanction of the German government because of its references to the Kaiser. The ex-ambassador left for Switzerland today after having lunched with Herr Von Kiderlin-Waechter. The statement is in part as follows:

"I cannot leave Germany without expressing my appreciation of the kindness I experienced here, particularly from his majesty, the emperor, who has generously intimated a wish to confer upon me an honor which the laws of my country forbid me to accept. I have, however, considered it proper to receive from his majesty, as a souvenir of our agreeable relations, a piece of porcelain from the royal potteries and I wish to make public acknowledgement of this mark of friendship.

At the time of my resignation last April there was much speculation regarding the reason for it and a legend concerning my course in the negotiations of my government with that of Germany in the potash controversy was carefully prepared and widely circulated, positively declaring upon alleged authority that my conduct had been displeasing to the department of state. In such circumstances the duty of a loyal diplomatic officer is silence and we faithfully performed that duty. Upon taking leave of the office, six months after my resignation was decided upon, I believe that it will give pleasure to the president if I make public at this time an autograph statement made by him some months ago which should effectually silence and exterminate this legend which certain newspapers have endeavored to keep alive.

"He says: 'I write not to assure you that I never had the slightest reason to criticise your course and service at the most important post of Berlin. You have vindicated your appointment in every way and it has given me pleasure to deny emphaticallyand categorically that your resignation grew out of any disagreement on the part of the administration with your condct of this country's relations with Germany in regard to potash or any other question.'"

KILLED ON EVE OF WEDDING

Railroad Employe Is Run Down on Track Near Lafayette.

Lafayette, Ind., Sept. 4.—Frank Mitchell, twenty-five years old, foreman of the Lake Erie and Western coal chutes, was run over by a Lake Erie switch engine and instantly killed. He was returning from a farmhouse with a bucket of water, when the engine hit him.

The accident occurred at Altamont, near Lafayette. Mitchell and Miss Florence Thoma of this city were to have been married this week and had a home furnished. His bride-to-be was showing her wedding gowns to her friends when she received a telephone message that her intended husband had met with a tragic death.

JEERED TO FATAL FLIGHT

Aviator Frisbie Meets Death When Aeroplane Falls.

Fights in Vain for Life When Ship Drops Down—Witnessed by Wife and Children.

Norton, Kan., Sept. 4.—The taunts of spectators who were disappointed by the announcement that John J. Frisbie, the Curtiss aviator who recently took part in the international meet at Chicago, would be unable to fly because of a broken machine drove the airman to his death.

Frisbie, after ignoring the jeering crowd as long as he could, went up in his damaged biplane. A few minutes later he came crashing to earth and was picked up barely alive. He fell about 100 feet and the engine of his machine fell upon him, crushing his left side and chest. He lingered about an hour before he died.

Frisbie's wife, son and little girl were witnesses of the accident. Mrs. Frisbie is prostrated. She bitterly denounced the spectators for forcing her husband to make the flight with a dismachine.

Frisbie won the bomb throwing contest on the last day of the Chicago aviation meet. He dropped the bomb which hit the bull's-eye and won for him a $1,000 prize.

EARLE CLEARS MYSTERY

Sends Photographs of His Latest Affinity from Italy.

New York, Sept. 4.—The first photographs of the new Mrs. Ferdinad Pinney Earle, wife of the affinity man, have reached New York from Italy, and with them came the glad news over Earle's signature, that the honeymoon trip had been uninterrupted up to the moment of writing, and would go right on.

Earle cleared up his wife's identity, for in a letter to a friend he gave her full name as Dorothea Elbert Stewart. In previous letters the artist had referred to her simply as "Dora."

Although like his other experiments in matrimony, the last one is the result of love at first sight, the glamour seems not to have faded in this instance, even after eight weeks, for he draws a glowing picture of his home life.

A Great Adtantage to Working Men

J. A. Maple, 125 S. 7th St., Steubenville, O., says: "For years I suffered from weak kidneys and a severe bladder trouble, I learned of Foley kidney Pills and their wonderful cures so I began taking them and sure enough I had as good results as any I heard about. My backache left me and to one of my business, expressman, that alone is a great advantage. My kidneys acted free and normal, and that saved me a lot of misery. It is now a pleasure to work where it used to be a misery. Foley Kidney Pills have cured me and have my highest praise." For sale by all druggists.

A man is almost as happy if he feels young as a woman is if she looks young.

THE KING CAN DO NO WRONG.

Neither Can He Ever Die, According to British Law.

It is a curious point of British law that the king never dies, or, to put it in another way, it would be useless for any barrister to argue that the ruler's predecessors have really died, since the utmost the law will admit is that there may be a "demise of the crown," meaning, of course, simply that there has been a transfer of the royal authority from one person to another.

It is a maxim that "the king can do no wrong," and under the law he would not be held personally responsible for any crime or "tort" that he chose to commit at any time. At any rate, we are assured by high constitutional authorities that the law should actually and literally be so construed and that the statutes hold that any injury his majesty might inflict upon a subject must be ascribed to the king's advisers. One thing seems to be certain, and that is that his majesty can under no circumstances whatsoever be arrested. Nor, moreover, could his goods be distrained or taken in execution should he fail to meet his liabilities.

A quaint feature of British law is that in theory the king is present at the law court at every sitting, though he might in point of fact actually be on the continent or elsewhere. It follows, therefore, that it is impossible to nonsuit him as plaintiff should he not put in an appearance when his case is called, since the law specifically states that the king is there. In a similar sense the king is always constructively present in parliament, though he be in fact thousands of miles from his shores.

His majesty is under the law the nominal guardian of all infants, idiots and lunatics, and to him is granted the sole right to print the Bible, the Book of Common Prayer and all acts of parliament in the United Kingdom. It has been stated, furthermore, that should he so desire the king could forbid the printing of any or all of these anywhere within his dominions.

AMUSEMENTS

MONEY KING THWARTED BY A WOMAN

Shirley Rossmore Proves More Than a Match for "Ready Money" Ryder

"The Lion and the Mouse" which will be presented by the United Play Co., at the Bradley Opera House 8th September has scored a pronounced success in all cities in which it has been produced. In New York alone the play ran for two years at the Lyceum Theatre, having made a new record in dramatic annals, by playing through an entire summer without a break.

The author is Charles Klein, who is also responsible for "The Gamblers," "Maggie Pepper," "The Music Master," "The Third Degree," and other well known successes. In "The Lion and the Mouse," Mr. Klein deals with one of the widely discussed topics of the hour—the influence wielded in American politics by money.

The dominant personage in the play is John Burkett Ryder—the acknowledged leader in the financial world in which he is known as "Ready Money" Ryder. The cotorie of moneyed magnates of which he is the head, has been halted in its career by an adverse decision rendered by Judge Rossmore. In retaliation they obtain the temporary suspension of the Judge from the bench on the grounds of alleged fraudulent practice. His daughter Shirley summoned home from Europe returns to find her father dishonored, bankrupt and broken in health. Ryder alone is in possession of the proof of her father's innocence and she determines to secure it from him. Through a plausible chain of circumstances she becomes a member of the Ryder household winning the affection of the family and becoming almost invaluable as a friend and adviser to Ryder. She has concealed her identity under the name of Sarah Green, her secret is known only to Jefferson Ryder the son of the money king. Jefferson has fallen in love with Shirley whom he met on the voyage from Europe. He is in sympathy with her purpose even though its consumation means the defeat of his father. The struggle between the "Lion" and the "Mouse" is rapidly approaching a climax when the love story of Jefferson and Shirley suddenly become known to Jefferson's father. This leads to a scene strikingly but logically dramatic. Needless to state all ends happily.

"The Lion and the Mouse" is intensely interesting to all classes of theatregoers because it is a protraiture of men and events just now important in national and commercial affairs. For the interpretation of the play the United Play Co., has assembled an especially fine cast. The play will be given exactly as presented at the Lyceum Theatre, New York.

Icebergs and Echoes.

Icebergs are always a source of worry to the transatlantic steamship skippers. It isn't pleasant to run along through a fog or a murky night and smash into one of these floating mountains of ice. The liner captains have a way of finding ice that at first strikes the landsman as curious. When it is suspected there are bergs in the neighborhood the whistle is kept going. If there is an echo the navigator slows down and keeps a sharp eye out, for echoes don't grow in the open ocean.

Disraeli's Gorgeous Costume.

When Disraeli was a young man he once went on a vacation trip to Corfu in this extraordinary costume: "A blood red shirt with silver buttons as big as shillings, an immense scarf for girdle, full of pistols and daggers; red cap, red slippers, broad blue striped jacket and trousers. His servant, engaged for the occasion, wore a Mameluke dress of crimson and gold, with a white turban thirty yards long and a saber glittering like a rainbow."—London Spectator.

The Difficulty.

The First Worker—Manner born be blowed! If you mean ter say if me an' you come into a bit o' splosh we couldn't keep our ends up with these 'ere dooks and people?

His Doubting Friend—Oh, we should be orl right, but our missuses 'd give the game away, yer know.—London Sketch.

The Landlubber.

They were enlightening the landlubber as to maritime matters. He was becoming more and more crestfallen as their explanations progressed.

"Why, I always thought," he sadly sighed, "that the port side of a ship was the one nearest port!"—Boston Herald.

MOORE FAMILY REUNION

Another enjoyable occasion was the fifteenth annual reunion of the decendents of John and Mary Moore that was held Thursday August 31st 1911 at the home of Mr. and Mrs. Thomas Hanley, Tecumseh, Mich. For three days previous cousins from a distance came to visit and as usual the day was an ideal one from early morn until noon cousins came by rail, horses and buggies and autos until there were 52 present for the gala day so long looked for.

A call for dinner at 12 M. brought forth a procession headed by Mr. Hanley and sister-in-law who soon arrived at Mr. Andrew Wonder's residence near by, where after each one writing their name and paying 25c were seated at four well filled tables. Justice being done to strengthen the inner man expressed themselves well satisfied also Cousin Harrison Moore made a few remarks and by a rising vote showed their appreciation for the dinner given. The crowd returned to cousin Thomas home and collected around the stoop and yard enjoying a social converse until 3 p. m. The long programs were omitted and a short business meeting was transacted, Officers were elected, place of meeting for next year decided which is at Rev. Howard Moores, who lives in the professor's residence at the Old Raisin Valley School.

Ice cream and cake were served and as the sun was sinking in the west the merry crowd disbanded each one saying this was the most enjoyable event socially. Mrs. Hanley's sister and daughters of Springfield, Ohio came and entertained with Mr. and Mrs. Hanley. Joseph Moore and daughter of Galena, Kansas, Aunt Hannah Moore in her 82nd year with her three sons and one daughter and part of their families of Pontiac, others from Adrian, Raisin Center and Ann Arbor were present with a few invited guests. Aunt Hannah was the oldest and Miss Lucile Hanley the youngest, 8 months old.

THE FIRST MAN TO RAISE A CROP OF WHEAT IN LENAWEE CO. FORMERLY A TECUMSEH MAN.

His Son Now Living at Age of 90.

Jonesville, Mich.—Charles H. Osborn, who has just passed his ninetieth birthday, is the son of the first man who ever raised a crop of wheat in Lenawee county. He was born in New York and came to Michigan with his parents in 1824. They settled in Tecumseh, and later Mr. Osborn lived at Woodstock from 1832 to 1861. Since that time he has lived here and the last thirty one years with his daughter, Mrs. E. H. Eggleston. With the exception of six years, all his life has been spent in Michigan, and today he is hearty and healthy, coming down town every day.

J. H Smith did some ground and lofty trembling Saturday at his home. He is having an addition to his house and while on the scaffolding made a misstep and fell quite a distance striking on his head and shoulder. Luckily no bones were broken but he received some severe bruises.

OFF FOR SCHOOL

This week is an eventful one among those who are leaving home to attend school, Among the many we notice, Faunt Leonardson and Leon Exelby of Britton high school graduates of Tecumseh who leave for Laramie, Wyo. where they enter the Wyoming State University; Justin Hartzog will return to Dennison University, Ohio; Leroy Bramble and Earl McNiel will enter the college at Kalamazoo; Florence Bryan returns to Ypsilanti; Percy Bowen enters the U. of M. at Ann Arbor Allen McNeil, Earl Hanham, Arthur Smith and Ruth Kloffenstein will enter Cleary's business college at Ypsilanti; Miss Clara Waldron returns to the M. A. C. at Lansing; Wade Frost returns to Alma College for his last year; Gladys Theilan goes to Hillsdale again; Roger Anthony will attend the school in Walkerville, Ont. for the coming year and Josephine Hayden will enter the U. of M. A number of others are also leaving but we have not been able to report them at this time.

Were it not for the incoming of pupils to our own schools we should feel quite deserted.

Tribulations of an Editor

A lawyer charges a man $10 for ten minutes' conversation. The man insists on paying it. A doctor charges one dollar for a prescription, and the patient says: "Oh, pshaw! Is that enough?" An undertaker charges $100 for conducting a funeral, and he is just perfectly lovely with everybody inside and outside the family, says the Marion (Ga.) Record. A man buys a gold brick and apologizes for not having bitten before. An editor walks a mile in the hot sun to get facts of a death or a wedding or a social function and spends three hours writing it up and tells lies praising people until he hates himself. Then if he makes an insignificant omission or charges five cents sraight for three extra copies he is a stingy, careless, good-for-nothing old cuss who never gets anything right and charges four times the price of city papers twice as large.

FARMERS PICNIC

Devils Lake, Aug. 21

A large crowd was present at the Farmers Picnic held at Devils Lake last Thursday. The usual number of fake games were in evidence the merry-go-round and other amusements were well patronized by the young folks Those who dispensed eatables were well patronized and the boats were kept busy every moment.

Though the crowd was large it is thought it was not half so large as those of a dozen or more years ago. So many other excursions and reunions throughout the country, drawing crowds in other directions. However it was a good crowd and a jolly one, and all report a delightful day. Tecumseh was well represented as usual.

"SOME" POTATOES

We Clip the Following From the Manatee River Journal, of Bradentown, Fla.

Mr. A. G. Lisle, one of Terra Ceia Island's most successful truckers, has left at the Journal office a mammoth sweet potatoe of his raising. The potatoe weighs 19½ pounds and its largest circumference is 35½ inches. The vine was set in March, making it only a five months growth. In the the same hill was was another potatoe weighing over 10 pounds. Mr. Lisle estimates he can set 15,000 hills to the acre, and if the production equals the above will make 7,500 bushels. They bring on the market $1.50 per bushel or $11.250 per acre. This amount sets a new standard for even the rich acres of Terra Ceia.

FOR THE BEST "HIGH SCHOOL NOTES" WRITTEN FOR THE HERALD DURING THE FOUR MONTHS ENDING JAN. 1 1912

Who Will Be The Winners? 1st Prize $10 2nd Prize $7 3rd $5 4th Prize $3

Our public schools are of deep interest to every citizen of Tecumseh, and anything that pertains to their advancement is sure to meet with their approval.

The Tecumseh Herald wishing to awaken an interest in repretorial work, and to help in teaching brevity and conciseness in recording the happenings in school life, offers to the pupils of the High School, $25 in prizes, to be awarded as follows:

First prize $10.
Second prize $7.
Third prize $5.
Fourth prize $3

These prizes are offered for the best "HIGH SCHOOL NOTES" sent to the Tecumseh Herald one letter to be published each Tuesday for the months of September, October, November and December.

These notes are to be on any subject connected with school life, whether personal or descriptive.

This offer is open to all pupils of the High School.

To the grades we also offer prizes of $2.00 and $1.00 each month, for the four months ending with the year 1911, for the two best stories written by pupils in any of the grades. The story must be of school life, and have not less than 300 or more than 400 words.

Judges to be appointed by Prof. McAlpine will decide who will be the winners.

As it will be of much interest to the parents and friends of the pupils to watch this contest and to read the letters as they appear, we offer the Tecumseh Herald for the next four months for 25 cents.

A DEAD STOMACH

Of What Use it to Anyone?

Thousands! yes hundreds of thousands of people throughout America are murdering their own stomach, the best friend they have, and in their subline ignorance they think they are putting aside laws of nature.

This is no sensational statement: it is a startling fact, the truth of which any honorable physician will not deny.

These thousands of people are swallowing daily huge quantities of pepsin and other strong digesters, made especially to digest the food in the stomach without any aid at all from the digestive membrane of the stomach.

In other words, they are taking from the stomach the work that nature intended it should do, and are also refusing it the only chance for exercise it has. MI-O-NA stomach tablets, they relieve distressed stomach in five minutes. Taken regularly for a few weeks they build up the stomache and make it strong enough to digest its own food. Then indigestion, belching, sour stomach, headache and stomache misery go.

MI-O NA stomach tablets are sold by C. A, Wright & Son and leading druggists everywhere at 50 cents a large box, and are guaranteed to cure all stomach distress or money back

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slighest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C Aylesworth W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago, and my kidneys were disordered. I at length heard of Doan's Kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

A True Copy

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Scottville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

J. Leighton Bush, Register in Chancery.

KILLS DAUGHTER AND SELF

Woman Enacts Double Tragedy When Told Husband Wants Child.

Covington, Ind., Sept. 4.—When told that her husband from whom she had been separated, intended taking her three-year-old daughter from her, Mrs. Opal Moudy took the child to an outbuilding at her home in Covington and after firing a bullet into its brain, sent another crashing through her own head. Both died shortly after being discovered.

Mrs. Moudy and her husband had been separated for some time and Mrs. Moudy had been living alone with her daughter here. She was employed as an operator at the exchange of the Fountain Telephone company.

His Tribute of Respect.

The freckle faced boy who was about to be emancipated from high school thraldom was writing his graduating essay.

"I suppose I ought to wind it up," he reflected, "with something touching and sentimental about the leather headed, snub nosed, squeaky voiced, conceited old snoozer that runs the shebang."

Thereupon he wrote, "And now, our dear and honored principal, we turn to you," etc.—Chicago Tribune.

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of cures. "No, thank you, I want what I ask for."

Dr. Pierce's Pleasant Pellets induce mild natural bowel movement once a day.

TESTING AN OCTOPUS.

The Power of This Repulsive Creature Much Overrated.

There have been made abroad experiments with an octopus, in a specially devised tank of sea water, in order to test the truth of the many stories told of monster cephalopods dragging human victims to the sea bottom, says Harper's Weekly.

In the tank with the octopus there was placed a "dummy" of the same specific gravity as a man, and this was baited with a crab. Attracted by this tempting morsel, the octopus made for the figure, seized it in its powerful arms and tried to drag it under water without success. It then urged its body toward the edge of the tank, and, holding the glass with some of its arms, it dragged its prey beneath the surface and crushed the crab shell with its powerful jaws.

It is believed that these experiments afford proof that the octopus can only drag its victims far below the water near rocks to which it can attach its suckers. There is one spot in the bay of Naples where these creatures attain a large size, and now and then a fisherman is reported missing. It is thought that such disappearances are due to the unfortunate man being caught by the leg by a concealed octopus and dragged under water. In the case of such a repulsive and powerful creature as the octopus it is difficult to separate fact from fiction.

A VACATION IN BED.

Twenty-four Hours' Sleep Versus a Week's Holiday.

If you want to obtain complete rest and recuperation equal to a week's vacation in minimum time sleep the clock around twice is the advice of a physician who holds a high place in medical circles in England.

"To spend twenty-four hours in bed," he said to a friend, "instead of rushing away for a few hours' change of scene when you are run down physically and mentally, is worth a week's holiday. The night before, having gone to a theater to take the mind off worries and having supped wisely and well, instructions should be given that the morning calling shall be omitted.

"Then sleep. On waking turn over and sleep again. On waking again ring for some hot milk. Drink it and sleep again and keep on sleeping. Have nothing in the intervals more substantial than soup. Do not read. Keep the eyes shut constantly. Have a warm bath in the evening and sleep again.

"When you are tired of sleeping sleep again for the night. Nothing calms the nerves more than resting the eyes."—New York Herald.

Remember the Baker.

At the court of assizes in Venice when sentence of death is about to be passed a man clothed in a long black robe enters the court and, advancing to the bench, bows profoundly to the judges, saying, "Remember the baker!" Then he bows again and retires. Here is the explanation of the custom: Three centuries ago a baker was executed at Venice for a crime of which he was not guilty. When his innocence was fully proved the judges who condemned him invested a sum of money, the interest on which serves to keep a lamp perpetually lighted in the palace of the doges, this being called the "lamp of expiation." In addition, their fatal mistake has for 300 years been held up as a warning to their successors on the bench when they are about to inflict the extreme penalty of the law.

The Box Tortoise.

Though the tortoise is slow of foot, it is quick to make the best of all its available modes of defense. The box tortoise possesses a singular defensive apparatus. The plastron or shell covering the under part of the body is so formed that its front segment can be drawn upward to protect the animal's head, the head meanwhile being drawn back under the carapace or shell on the back of the tortoise. The upper and under shells then meet in front, forming a kind of box in which the creature is unassailable. When the danger is passed the reptile relaxes a muscle and the raised part of the plastron falls, allowing the head and fore feet to come forth. This movable plate is fastened to the plastron by a strong hinge of elastic ligament.

Circumstances Alter Cases.

When Israel Zangwill was an obscure youth teaching in a Jewish school in London he sent a short poem to a leading American monthly. It came back by an early post. He kept it, and after he had achieved fame as a writer he sent the same poem to the same magazine. This time he received a cable from the editor offering to buy the "world rights" for a large sum. The poem was the same, word for word.

Different.

"Why, a year ago you told me this place was easily worth $15,000. Now you estimate its value at less than $10,000."

"You must remember that I was trying to sell it to you then. Now you want me to sell it for you."—Chicago Record-Herald.

Found a Way to Help.

A worthy old Quaker who lived in a country town in England was rich and benevolent, and his means were put in frequent requisition for purposes of local charity or usefulness. The townspeople wanted to rebuild their parish church, and a committee was appointed to raise funds. It was agreed that the Quaker could not be asked to subscribe toward an object so contrary to his principles; but then, on the other hand, so true a friend to the town might take it amiss if he was not at least consulted on a matter of such general interest. So one of their number went and explained to him their project; the old church was to be removed and such and such steps taken toward the construction of a new one.

"Thee wast right," the Quaker said, "in supposing that my principles would not allow me to assist in building a church. But didst thee not say something about pulling down a church? Thee may'st put my name down for a hundred pounds."—Merivale's "Historical Studies."

EARLY AUTUMN WEDDING

A MOST CHARMING SOCIAL EVENT MISS MARY E. MEYERS AND LEON F. ROSACRANS UNITED IN MARRIAGE

Tuesday, September 5, 1911

One of the most enjoyable events of the early fall was the marriage of Miss Mary E. Meyers and Leon F. Rosacrans on Tuesday evening Sept 5, at the home of the brides parents, Mr. and Mrs. Will Meyers.

Promptly at the time appointed, the bridal procession entered the parlors to the strains of the wedding march, played by Mrs. Ella Hodges, Rev. M. D. Tremain of Chicago, leading, with Miss Marjorie Rosacrans as flower girl, Miss Kate Krughoff and Marion Rosacrans being the ribbon bearers, Mrs. Bert Meyers was matron of honor, Miss Marie Boysen bridesmaid and Eugene Rosacrans brother of the groom, acted as best man preceeded the bridal couple to a canopy of green and white where in a most impressive manner the Rev. Tremaine pronounced the words that united as one, these two who had plighted their troth together, the beautiful ring service was also used.

When Mr. and Mrs. Rosacrans were presented to the company congratulations were showered upon them with many good wishes for the future. After which a dainty luncheon was served.

The bride was most charming in a robe of duchess satin with real lace and Pearl trimings. She carried a shower boquet of brides roses and lillies of the valley.

Mrs. Meyer, the matron of honor, wore crepe du chene with lace trimings.

Miss Boysen was dainty in a white messaline, hand embroidered, with coral trimings.

Mrs. Meyers, mother of the bride, was dressed in dark blue messaline, with gold embroidery, and Mrs. Rosacrans wore Alice blue silk with panne velvet and baby irish triming.

Lester Heesen deserves great credit for the decorations, which were most beautiful. White asters were used in profusion in the parlors with palms and ferns and other greens.

On the dining table was a huge basket of pink and white carnations, and the candelabra had pink candles, which carried out the pink and white scheme in the dianing room.

The out of town guests were: Rev. M. D. Tremaine and family of Chicago, uncle of the groom; J. H. Combs and wife of Freemont, Ohio; Mrs. Glover of South Bend, Mrs. Stewart of Lincoln, Neb.; Alfred Heesen, wife and son and Mrs. Arthur Hall of Toledo; Miss Kate Krughoff of Nashville, Ill.; Mrs. Sawyer of Equality, Ill., Mrs. Geddes of Chelsea; Mr. and Mrs. Alfred Reason of London, Ont; Mrs. Claude VanTine of Ann Arbor, Harry Rosacrans and family of Toledo and Mrs. John Trann Peoria, Ill.

Abbey's "Coronation of Edward VII"

Abbey was commissioned to paint "The Coronation of Edward VII in Westminister Abb y," in 1902. The painting 15 feet long by 6 feet high hangs in Windsor Castle. (By a remarkable coincidence the companion picture, the Coronation of Queen Victoria, was painted also by a Philadelphian, Charles R. Leslie!) This picture increased Abbey's fame in England—he had been made a member of the Royal Academy in 1898—so that he was ranked among the leading painters of the day.

Abbey's canvasses are entirely lacking in charm of technique. Their attributes, that captivate, are the richness of their coloring, and the voluptuousness of their detail.

The characterization of types is not always convincing, but it is above the commonplace. We are certain that the artist conceived a definite idea of his type, that it is out of the ordinary, and worthy of attention. Even more personal is his costuming of these characters, and the scenery that surrounds them. Take the mammoth headdress and trailing veil of Lady Anne, in "Richard, Duke of Gloucester and the Lady Anne" (shown at the Royal Academy, 1896), the very conception throughout is Abbey's, not another artist in the world ever would have thought out this striking paraphernalia.—From "Edwin Austin Abbey, America's Greatest Illustrator," by Ernest Knaufft, in the American Review of Reviews for September.

THREE KILLED BY INTERURBAN

Car Crashes Into Crowd of Picnickers Near Detroit.

SECOND ACCIDENT AT CROSSING

Two Weeks Ago a Man Was Killed in Much Same Manner at Same Place—Car, Crowded to Its Capacity, Was Running Better Than 30 Miles an Hour at Time of Accident.

Detroit, Mich., Sept. 6.—Three men were killed at St. Cosme road, four miles west of the city limits, when an interurban car, inbound from Monroe, plowed through several members of a picnic party who were attempting to flag the car by standing in the middle of the track.

All the victims were Hungarians.

A. Keeler, conductor, stated that the car was late and that no stop was to be made at St. Cosme. An effort was being made to make up time, and the car was running better than 30 miles an hour at the time of the accident.

The motorman, it is said, when he saw the men did not move from the track, made every possible effort to stop the car, but did not succeed.

Two weeks ago a man was killed in much the same manner at about the same place. He attempted to catch a local car which was coming from Monroe, and was thrown ten feet in the air, dying in a few minutes.

Coroner Rothacher will make a thorough investigation.

P. M. ENGINEER KILLED.

Spreading Rails Cause of Disaster Near Hard.

Benton Harbor, Mich., Sept. 5.—Engineer Charles Lassfolk of this city was killed; Fireman James Slater of St. Joseph was badly scalded and two women passengers, one Mrs. Wakefield of Chicago, were slightly injured when train No. 13, Pere Marquette local, northbound, jumped the track near Hard, 18 miles north of here. Spreading rails is believed to have been the cause of the accident. The engine went over a six-foot embankment and Lassfolk, sticking to his post, was buried beneath the great weight of steel, his body, hardly recognizable, was recovered two hours later. Fireman Slater saved his life by jumping.

All of the coaches left the track, but they remained upright. A wrecking train was made up here and sent to the scene of the accident.

Michigan Aeronaut Killed in South.

Charlotte, N. C. (Special).—After making a balloon ascension at Lakewood park, a pleasure resort here, and making a fireworks display from the car, H. C. Brown of Michigan fell with his parachute into a shallow artificial lake and was killed. In making his descent, Brown's parachute failed to work and he fell rapidly into the lake. Brown, whose home was in Saginaw, had been giving balloon ascensions here for several weeks.

Killed by Lightning.

Bay City, Mich., Sept. 6.—Arnold Lobeeiger, 25, a Fraser township farmer, was killed by lightning while plowing on his farm. The bolt struck the man in the back of the head and traveled through the body, burning the seat of the sulky plow he was riding.

Threshing Engine Crushes a Boy.

Oakley, Mich., Sept. 4.—Riding on the foot-board of a threshing engine with his father, Glen Post, eight years old, fell off. The wide wheel of the heavy machine passed over the boy's back. He lived two hours.

Mrs. Valk Out on Bail.

Muskegon, Mich., Sept. 6.—Mrs. John Valk, daughter of a former mayor, who was in jail accused of slaying her husband, has been released on a bail bond of $10,000.

Paris—Attaining an altitude of 13,776 feet, Roland G. Garros, the French aviator, broke the world records at St. Malo.

Glasgow—Scotland—Fully $1,500,000 damage was done by two fires which raged in Glasgow. The more damaging of the two broke out in the warehouse district, the flames destroying the historic Tontine house and and a number of warehouses.

Mexico City—Jose Pino Suarez, governor of Yucatan, won the nomination for vice-president on the progressive ticket against Francis o Vasquez Gomez by a final vote of 876 to 469. He will run with Francisco Madero, the presidential candidate.

Mexico City—Five dead and 43 injured mark the close of a big riot here. That the situation is serious and a clash may take place between the Maderists and Reyes supporters is frequently predicted. General Reyes was attacked, stoned and robbed on the streets here Sunday.

Toulon, France.—The French battleship Brennus, while speeding toward the rendesvous of the naval maneuvers near here, crashed into the excursion steamer Magali of Marseilles. There were no fatalities, though the Magali was carrying out a large party from Marseilles to witness the maneuvers off the entrance of this port. A dense fog hung over the waters, and when the two ships collided there was a panic among the excursionists.

Nertchinsk, Asiatic Russia—The governor of the Zarantui penal settlement was shot and killed by an unknown man here. The assassin was arrested. The man presented the card of the engineer of the prison and was received by the governor in his private room. Immediately upon crossing the threshold the assassin drew a revolver and fired two shots at the officer. Both bullets took effect, the governor being instantly killed.

MUST COVER FOODS.

Here's News For Michigan Grocers and Butchers.

Lansing, Mich, Sept. 4.—State Dairy and Food Commissioner Dame has issued an order against flies and other unsanitary conditions. Bakers butchers and dispensers of fruit and greens must keep their wares covered to prevent exposure to dust, flies and other unsanitary conditions. Bakers must hereafter distribute bread in covered baskets or trays.

It is the intention of the dairy and food department to enforce this rule as closely as possible, and the inspectors of the department have been instructed to notify dealers.

AVIATION FATALITIES OCCUR ALMOST DAILY

Frenchman Burns to Death in Mid-air—Frisbie Killed.

Troyes, France (Special).—Before the eyes of thousands of horror-stricken spectators, Leiutenant De Grailly, one of the entrants in an aeroplane race among army officers, was burned to death in midair, when his fuel tank exploded. The accident occurred at Rigny-La-Neonneause, 25 miles from Troyes.

Kansas City, Kas. (Special).—John J. Frisbie, the veteran aviator and balloonist, fell to his death in Norton when his machine broke in the heavy wind. He is one of the aviators who gave a successful exhibition at the fair grounds at Detroit last June.

ADRIAN INVESTORS ARE HARD HIT

Small Stockholders' Dividends Suddenly Cut Off.

Adrian, Mich., Sept. 4.—Stockholders and former stockholders in the Peerless Wire Fence company of this city, who had been getting 8 per cent dividend on their holdings—several years ago they got stock dividends on their holding of 20 per cent on the side—are still guessing, says the Detroit News, who it was that bought a controlling interest last spring at 70 cents on the dollar, when not many months before it had been selling away above par.

The capital stock is $500,000. The company was formed and incorporated in 1897. The plant has always, and is now, running full time. The new controllers are building an addition this summer to the plant, costing about $20,000. July 1 was the annual dividend day, but stockholders say not only have they not received this year's dividend, but they have not been informed whether they are going to get it.

There is an impression by stockholders and ex-stockholders that the Jones & Laughlin Steel company of Pittsburg, which is capitalized at $30,000,000, and has besides a bond issue of $15,000,000, is the interest that got control of the Peerless at 70 cents on the dollar. The Jones & Laughlin company is said to have denied that it was the purchaser.

DETAILS OF DISASTER LACKING

Floods Are the Worst That Have Been Experienced In Country In Many Years—It Is Estimated That Over 95 Per Cent of the Crops Have Been Destroyed.

Hankow, China (Special).—The American mission at Wuhu has received a report that 100,000 persons have been drowned by the floods caused by the water flowing over the banks of the Yangtsekiang river.

The floods are the worst that have been experienced in many years.

It is estimated that over 95 per cent of the crops have been destroyed.

The reports on the disaster are very meager, and it will be days before whole truth is known.

Beattie On Stand.

Chesterfield, Va. (Special).—Henry Clay Beattie took the stand Monday to face the prosecution in the crucial fight of his trial to save himself from the death penalty for the killing of his young wife in a roadway here at night. Henry Beattie denied the entire testimony of his cousin, Paul, who declared on the stand that the prisoner had confessed to the murder to him.

The case will probably go to the jury the latter part of this week.

Hill Says He's Victim of Intrigue.

Berlin (Special).—David Jayne Hill, the retiring American ambassador, on the eve of his departure from Berlin, has broken silence with regard to his resignation, which was accepted by President Taft last April. The ambassador has given out a statement in which he intimates that there had been a deliberate intrigue to discredit him and misrepresent the reasons for his resignation.

The Petition presented by several of the citizens requesting that an incondescent light be placed at the corner of Pottawatamie and VanBuren Streets was referred to the Lighting Committee with instructions to report at next regular meeting,

The following resolution was offered:

Resolved, That the Common Council of the Village of Tecumseh does hereby require that a new sidewalk be constructed along that portion of the North line of Pottawatamie street in this village which lies along and adjoining the south line of that parcel of land situate in the village of Tecumseh, Lenawee County and State of Michigan, and described as follows.

House and lot bounded North by Boyce lot, East by Swan lot, South by Pottawatamie Street, and West by VanBuren Street.

Said walk to be 4 feet in width, on the established grade, of Portland cement, sand and gravel,

The trench shall be excavated to a depth of 10 inches at least below the established grade except for driveways and street crossing when the depth shall be at least 12 inches below established grade.

The foundation shall consist of clean cinders or gravel entirely free from clay, thoroughly rammed to a thickness of at least of 6 inches except for driveways and street crossings which shall be at least 8 inches.

On the foundation shall be laid a concrete filling, througnly rammed to a thickness of 3 inches.

The concrete shall consist of not less than one part cement to six parts of clean, sharp sand or gravel.

On the concrete filling shall be laid a finishing layer one inche thick, consisting of one part cement and two parts of very clean sharp sand. The said finishing layer shall be in all cases be finished with a granular surface with a wooden float.

To secure a true line for the edges of the walk 2x4 strips shall be solidly staked down parallel to grade and on the true line of the walk, these strips to be removed when walk is finished for use.

The concrete filling shall be tamped thoroguhly till the water comes to the surface, then the finishing layer shall be immediately spread on in thin coats thoroughly rammed into the concrete, each coat being troweled until the water appears on the surface, the top surface being only troweled sufficiently to leave it smooth. The foundation shall be thoroughly wet while being rammed.

The joints for the blocks shall be made in the concrete and then in the finishing layer directly above those in concrete.

Only Portland cement shall be used in the construction of walks and shall be in every respect the equal of the best grades of German Portland cement. The concrete filling shall be made from the same cement as the finishing layer.

And the owners and occupants of said lots and premises are hereby required to do the necessary grading therefor and to construct said sidewalk according to the provisions of this resolution, under the supervision of the street commissioner, said walk to be completed within 10 days from personal service, upon the owner or occupant of said described land, of a copy of this resolution, and in case of any default in the construction and completion of said walk, as herein directed, the street commissioner is is hereby ordered to have said walk constructed, and payment therefor shall be required of the owner of said above described land, and the expense thereof assessed and levied upon said land in the same manner as other taxes.

G. Arthur Rathbun,

GOOD NEWS FOR CATARRH SUFFERERS

So many hundreds of catarrh victims who have taken the HYOMEI treatment, have written us letters thanking us for publishing our method of taking the HYOMEI vapor treatment in connection with the inhaler that we gladly publish it again.

The vapor treatment is especially recommended in stubborn cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This treatment only takes five minutes time before going to bed. Pour a teaspoonful of HYOMEI into a bowl of boiling water, cover head and bowl with towel and breathe for several minutes the vapor that arises.

You will be surprised at the result of this treatment; it makes the head feel fine and clear; you will sleep better and that stuffed up feeling in the head will gradually disappea .

This method will break up the worst cold in the head in one night.

A bottle of HYOMEI costs 50 cents at C A. Wright & Son's who guarantees it, Complete outfit, which includes the little pocket inhaler, costs $1.00

No stomach dosing: just breathe HNOMEI and cure catarrh and all diseases of the breathing organs. Free trial bottle by addressing Booth's Hyomei Co., Buffalo, N. Y.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slighest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Aylesworth W. Chicago St. Tecumseh, Mich. says: "About four years ago I had an acute attack of lumbago, and my kidneys were disordered. I at length heard of Doan's Kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

J. Leighton Bush, Register in Chancery.

To Whom it may concern:

NOTICE IS HEREBY GIVEN, That the above entitled cause, or suit concerns, involves the title, and is brought to quiet the title to the following described lands, viz:—

Those lands in the township of Macon. in the County of Lenawee and State of Michigan, known and described, is the east half of the northwest quartar of section twenty, and the east half of the southwest quarter of the southwest quarter section seventeen, all in town five south, range five east as in the Bill of Complaint described.

Dated: July 29th A. D. 1911.

The Translation.

Toole, the great English comedian, was once greatly tickled at finding in a French provincial town a poster announcing a translation of "Walker, London," the farce which he himself had made famous. The adapter had translated the title as "Londres qui se promene," or "London which goes out for walks."

A Drop of Blood

Or a little water from the human system when thoroughly tested by the chief chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., tells the story of impoverished blood—nervous exhaustion or some kidney trouble. Such examinations are made without cost and is only a small part of the work of the staff of physicians and surgeons under the direction of Dr. R. V. Pierce giving the best medical advice possible without cost to those who wish to write and make a full statement of symptoms. An imitation of natures method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alterative and glyceric extract of roots, without the use of alcohol, such as

Dr. Pierce's Golden Medical Discovery

Which makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment. Get what you ask for!

Iowa Wrestler Makes Russian Lion Quit in Gig Time.

Chicago (Special).—Howling from agony, George Hackenschmidt, the famous Russian Lion, went down to defeat in his second effort to take the world's championship title from Frank Gotch, the Iowa farmer, in Comiskey's ball park, Labor day.

Twice did the master matman throw the huge giant from across the waters, and he did it in such remarkable time that the great crowd of 30,000 people sat spellbound. Mad demonstrations followed the announcements of victory. The great throng in wild tumult fought to get near the champion and it was necessary for a squadron of police to beat back the thousands who sought to pay homage to the wrestler.

Hackenschmidt, suffering from the pain, at first refused to make a statement. Later he announced that he had wrenched his shoulder two weeks ago and was in no shape to wrestle.

Gotch got his first fall in 14 minutes and 18 seconds. The second fall came in 5 minutes 32 2-5 seconds. He won the first fall with a reverse body hold. The second was a half nelson.

WARSHIP WILL GO TO TRIPOLI

Cruiser Chester Will Protect American Citizens There.

MURDER OF ONE IS CAUSE

Turkey Gave Permission for Archaeological Researches and Promises Men Who Slew DeCou Shall be Punished.

Washington, Sept. 11.—To impress the unruly tribesmen of Tripoli, who already have taken one American life, with the power and willingness of the United States government to protect its citizens on foreign soil, the scout cruiser Chester will be dispatched to Derna or Benghazi, ports on the Mediterranean, early in October.

The warship will afford protection and such countenance as may be appropriate to the American archaeological expedition which, under the auspices of the Archaeological Institute of America, is engaged in the excavation of the ruins of Cyrene.

The expedition began its researches a year ago with the permission of the Turkish government, which controls that part of Africa. The party, under the direction of Professor Richard Norton of Boston, apparently succeeded in winning the confidence and friendship of the native population.

On March 11 last, however, Herbert F. Decou, a member of the expedition, was shot to death by tribesmen from a neighboring district when he was proceeding from the camp to the excavations in advance of other members of the party. Three Arabs were arrested. The state department has been advised that their trial soon will be held. The Ottoman government moved as quickly as possible in apprehending the suspects and has given assurance that an honest effort will be made to punish the guilty persons.

It is not certain by any means, however, that the punishment of those responsible for the outrage will be an object lesson, sufficient to control the anti-foreign fanaticism of barbarians.

The state department is determined that the safety of the expedition, which will resume work early in October, shall be assured as far as this government can act by precautionary measures.

The Chester is now with the Atlantic fleet in Virginia waters. It will be sent to a navy yard for overhauling preparatory for the trip to Tripoli.

CAR SMASHES AUTOMOBILE

One Man Is Killed and Two Injured in Accident at Gary.

Gary, Ind., Sept. 11.—A South Shore interurban limited car, running at a high rate of speed, crashed into an automobile containing three men, killing one of them and injuring the others. The accident occurred at Ambridge avenue. William Hilty, twenty-eight years old, was killed instantly. His skull was crushed.

Captain Samuel Phipps, forty-eight years old, suffered a broken arm and internal injuries. It is said he will die. Dana Avery, twenty-one years old, suffered internal injuries, and was taken to his home in Tolleston. The machine was purchased by Captain Phipps, who is chief of police of the American Bridge company. He was learning to operate the automobile when the accident occurred. Hilty was married six weeks ago to a Pittsburg girl. His bride is in that city.

TROOPS REACH TORREON

Sent by Mexican Government to Preserve Order.

Disturbances Expected on National Holiday, Sept. 16, Cause Secretary Knox to Act.

Washington, Sept. 11.—A force of one thousand Mexican troops has been sent to Torreon, Mex., to preserve order. This action was taken at the request of Secretary of State Knox, who made diplomatic representations to the government through Henry Lane Wilson, American ambassador at Mexico City.

Some time ago George C. Carothers, American consular agent there, reported to the department that many foreigners and even Mexicans were leaving that city because of expected disorder on the national holiday celebration, which will take place on Sept. 16.

Secretary Knox directed Charles M. Freeman, American consul at Durango, to proceed to Torreon to investigate conditions there. Mr. Freeman's report resulted in diplomatic representations to the Mexican government. Consul Freeman advised the department yesterday that the troops had arrived there and there will be no trouble as long as they remain.

FOUR DIE IN EXPLOSION

Dynamite Causes Tragedy in a Stone Quarry.

Chicago, Sept. 11.—Four men were killed and two were seriously injured by a dynamite explosion in the stone quarry of the Elmhurst-Chicago company, fifteen miles west of here. The dead are: Matthew Surgo, Tony Burnetto, Frank Delmont and John Bernio.

Frank Youngblood and M. O. Burnetto, both badly injured it is said, will be blind even if death does not result from their injuries.

Jennison's Body Recovered.

Crawfordsville, Ind., Sept. 11.—According to information received here, the body of Albert C. Jennison, the Crawfordsville youth who was drowned in the Peace river in Canada, Aug. 19, has been recovered. Donald C. Adams of Columbia City, Ind., was drowned with young Jennison, but according to the message received here, only one body was recovered.

AVIATOR TOWLE BECOMES BLIND

Boston Man Stricken in Philadelphia Railway Station.

EYES STRAINED IN LATE FLIGHTS

Physicians Extend Little Hope that He Will Ever See Again—He Claims Strong Electric Light Did Damage.

Philadelphia, Sept. 11.—Stricken with blindness in Broad street station, while on his way to York, Pa., to arrange for a series of exhibition flights in that city, Thomas J. Towle, a Boston aviator, was led to Hahnemann hospital by a baggage master, and placed under the care of physicians.

Doctors told the young man that in their opinion his sight would never return, and he later employed a man to act as his guide back to his Boston home, where he will sek the advico of skilled oculists.

Towle has a hangar in the rear of his home, 12 Princeton street, East Boston, in which he keeps a Bleriot monoplane. Physicians at the Hahnemann hospital gave it as their opinion that the nerves of the young man's eyes have broken down under the strain to which they have been subjected during recent flights.

The young airman, however, declares his eyes were injured while watching blacksmiths at work on his machine a day or two ago. The mechanics, he explained at the hospital, used electrical machines to weld parts of his monoplane together. The machines emitted a light stronger than the most brilliant arc light and he says he watched them for more than an hour with no protecting glasses.

LAFOLLETTE TO BIDE TIME

Will Not Announce Candidacy Until After Congress Meets.

Madison, Wis., Sept. 11.—Upon excellent authority it is said that Senator LaFollette will wait until after congress convenes early in December before announcing his candidacy for president of the United States.

Though progressive leaders throughout the country have been coming out in interviews indorsing him for the presidency, he will avoid precipitous haste to answer their call, preferring to wait and see what President Taft has to say in his annual message.

SUCCESSFUL AIR TRIP

Zeppelin Dirigible Journeys from Baden-Baden to Berlin.

Berlin, Sept. 11.—The Zeppelin dirigible balloon Schwaben, with six passengers on board arrived over Berlin at 11:45 o'clock in the morning, thereby completing its 350-mile journey from Baden-Baden.

The big airship circled the city of Berlin and then proceeded to Potsdam, where it made a successful landing. The Schwaben will remain only one day at Potsdam, as the projected "harbor" for dirigibles has not yet been completed.

COLUMBUS SCHOOL SITE

Cleary Memorial University Will Be Built on Staten Island.

New York, Sept. 11.—An eighty acre site has been selected on Staten Island, overlooking New York harbor, for the university which the papal countess, Annie Cleary, announced a year ago she would found here.

The university is to be a memorial for Christopher Columbus and will have for its special work the fitting of foreigners for the highest American citizenship. Mrs. Hetty Green will devote a part of her fortune to the work and the countess will contribute the

ASKS KASSON ESTATE

Former Stenographer of Lumberman Brings Suit.

Katherine Dalton of Seattle, Wash., Claims That She Was the Common Law Wife of Kasson.

St. Paul, Minn., Sept. 11.—James Kasson, St. Paul lumberman, died last July intestate. His closest heirs are several cousins, who immediately laid claim to the estate, which is listed at $150,000, but is said to be worth [illegible]00,000 at least.

Kaherine Dalton of Seattle, who several years ago was employed as a stenographer by Kasson, brought suit in the local probate court to secure the estate, claiming that she was Kasson's common law wife and that the lumberman had introduced her to his friends as such. This Kasson's relatives and friends here denied.

Miss Dalton, in her suit, alleges that Kasson maintained an establishment for her at Seattle after she had left St. Paul. The court appointed three administrators, who are engaged in making an appraisement of the estate.

FEAR LYNCHING IN OHIO

Posse Looking for Two Men Who Beat and Robbed Woman.

East Liverpool, O., Sept. 11.—Seeking revenge for an imprisonment resulting from the alleged theft of a suit case from her, John Jaasper and an unknown companion suddenly appeared at the home of Mrs. H. K. Rhodes, wife of a farmer near West Point, and, after brutally beating her carried off money and jewelry to the value of $500.

A posse of farmers was organized and it is searching the woods in the vicinity. Officials have gone to the scene, believing they will have difficulty in preventing a lynching if the men are caught.

Germany's Counter Proposals to France Are Carefully Guarded.

Paris, Sept. 11.—The French foreign minister, M. DeSelves, declines to give the slightest indication as to the nature of Germany's counter proposals relative to the Moroccan dispute which were handed by the German foreign minister, Herr von Kiderlen-Waechter, to Ambassador Cambon in Berlin for transmission to the French government.

[illegible] Liberte affirms that notwithstanding all denials and explanations, Germany is gradually concentrating her troops close to the French frontier.

Tight Collars.

Writing in the Hospital, London, Dr. Walford warns everybody against tight collars. He considers it remarkable that no one seems to have noticed or, at any rate, to have laid great stress on the fact that such slight obstacles to the free circulation of the blood through the vessels of the brain may adversely influence the health of those who are in the habit of wearing tightly fitting neckcloths. "The fact appears to be well known to veterinary surgeons, who tell us that neck constriction through badly fitting harness is a causative factor in 'staggers' in horses," says the writer. It seems to be equally well known that dogs suffer a great deal through having to wear tightly fitting collars. Is it too much, then, Dr. Walford asks, to argue that those of us who wear our own collars too tightly buttoned may find in that practice some explanation of symptoms ascribed to other causes?

Tiny Republics.

Klein-Alp is a diminutive republic tucked away between Switzerland and France. Only in summer is the republic inhabited and then by miners and cowgirls. There is one hotel, closed during the winter. Another little republic is in Tyrol, between Austria and Italy, and in long gone years was under the jurisdiction of first a king and then an emperor. But in the adjustment of frontier lines the state of Val di Venfino was in some way overlooked, and it promptly organized itself into a Lilliputian republic. It has now about 2,000 inhabitants living in six villages. Neither Val di Ventino nor Klein-Alp has any taxes. There are no officials or compulsory military services. The only industry of Val di Ventino, aside from the farming of small fields, is charcoal burning.

EMPLOYES STAND FOR RECOGNITION

Advisory Board Winds up San Francisco Conference.

LEADERS LEAVE FOR HOMES

Though Hoping for Peace They Are Ready to Issue Strike Order If Such Course Seems Necessary on Harriman Lines.

San Francisco, Sept. 11.—With final determination to insist upon the railroad recognition of the federation of shop employes of the Harriman system, the advisory board of the shop men wound up its conference in this city after sanctioning in advance any order that may be issued by the heads of the five international unions involved in the controversy.

J. W. Kline, head of the international blacksmiths; J. A. Franklin, of the boilermakers; J. Buckalew, of the machinists; J. D. Crane, of the sheet metal workers; and M. F. Ryan, of the carmen, left here for their homes, after declaring that the shop men's answer to the railroads' refusal to recognize the federation, will be issued within the next fortnight from Chicago.

"And we don't leave San Francisco with the idea that peace in this matter is impossible," said Mr. Kline, spokesman for the party.

"We hope for peace; we will make another effort, perhaps, to win the Harriman system to our way of thinking. The shop men have already voted to walk out unless their federation is recognized."

NO ILLINOIS CENTRAL STRIKE

Executive Board Refuses to Sanction Walkout of Machinists.

Chicago, Sept. 11. — The executive board of the International Association of Machinists, in session in the Briggs house, refused to sanction a strike of the men on the Illinois Central railroad.

The action of the machinists, it was said, has effectually ended the strike agitation, unless the men take matters into their own hands and walk out, which was said to be improbable.

OBJECT TO BOY SCOUTS

St. Louis Unionists Seek to Mar Harmony of Taft's Visit.

St. Louis, Sept. 11.—The St. Louis Central Trades and Labor Union adopted resolutions requesting the musicians to refuse to allow its members to play in any parade in honor of President Taft's visit here this fall if the boy scouts are allowed to participate in the parade. C. Q. Blanke, chairman of the Taft committee, said:

"The committee had received a request from the scout's commander, asking that the boy scouts be assigned the honor of escorting President Taft, and members of the committee seemed to favor the proposition, but if opposition has developed the idea will probably be dropped."

The objection to the boy scouts is that workingmen believe they are being trained for future militiamen to shoot down strikers.

Gautier's Superstition.

Theophile Gautier, the critic, novelist and poet, like many another great man, was superstitious and believed in the evil eye. Offenbach was his aversion, and in this respect a Paris contemporary tells us that one day the son and father were walking together. The son, for wickedness' sake, started a conversation about Offenbach, and his father gave him to understand that the subject was disagreeable. Nothing daunted, the lad led Gautier to a shop window where was exposed a photograph of the composer.

As they resumed their walk the son observed, "Well, you see, father, after all, nothing has happened through looking at the photograph." At that moment they were turning the corner, and the son preceded his father. In full view of the passersby Gautier administered to his tormentor a paternal kick, observing, half in anger and half in humor, "Well, something has happened."

M. E. CHURCH

Close of the Year's Work of Rev. G. N. Kennedy. Annual Conference Will be Held in Flint

The meeting of the Annual Conference of the Detroit District of the M. E. Church will be held in Flint.

This brings the end of the years work near.

The year has been a good one and has a fair increase in membership to its credit. Rev. G. N. Kennedy has done efficient work in all departments especially in the musical, having worked early and late for its advancement and the musical numbers given throughout the year attest to his good work.

We are pleased to hear that Brother Kennedy has been given an unanimous call for another year with us. At the last official meeting at the church it was voted to increase the salary of the pastor $200, and the following tribute was also paid:

"Inasmuch as our District Superintendant Rev. Wm. Dawe D. D. who has served us faithfully during the past six years and has now reached the limit of his term of service, we desire to place on our quarterly conference record our appreciation of his administration and the pleasure we have had in his visits among us.

We would also place on record our appreciation of the services rendered by our much esteemed pastor Rev. Geo. N. Kennedy who was heartily and unaminiously invited to return. We owe him much for his hard and faithful labors.

Under his leadership every department of church work has been greatly advanced there has been considerable harvesting done a goodly number of sheaves gathered in but the greatest work has been thoroughly prepared and good seed sown from which God will produce a rich harvest in due time, unless some enemy come and sow tares

The Junior league led by him is a regular seed bed, raising plants for master's use in the future. He has kept the choir not only in tune but in harmony, new plans have been adopted and every thing is promising for the future."

"I suffered habitually from constipation, Doan's Regulets relieved and strengthened the bowels, so that they have been regular ever since."—A. E. Davis, grocer, Sulphur Springs, Tex.

GOLDEN WEDDING ANNIVERSARY OBSERVED

Fifty Years of Wedded Life Is Occasion of Pleasant Reunion of Old Friends.

The most beautiful event in the social calender of yesterday, both from the standpoint of sentiment and from that of artistic appointments, was the celebration of the golden wedding anniversary of Mr. and Mrs. W. P. Stocking, of 245 Elm avenue, the bride and bridegroom of fifty years ago receiving from 3 o'clock until 9 o'clock the host of friends made by them in their nineteen years of residence in Long Beach and vicinity. During the afternoon there were musical numbers and Mrs. Cook, of Santa Ana and an old friend of the host and hostess, recited a charming original poem entitled: "Fifty Years Ago."

The rooms were aglow with California poppies and golden rod. Many useful and valuable gifts were received by the host and hostess, also a shower of congratulations from friends in other states, who could not attend, many former pupils of Mr. and Mrs. Stocking remembering them on the occasion.

Mr. and Mrs. Stocking were married in Dowagiac, Mich., August 25, 1861. Mr. Stocking is 71 years old and his wife 68, at the present time and were able to enjoy this anniversary to the fullest event. A large number of former Michigan people were present for the occasion. Mr. L. N. Wells of Santa Ana was also present and was distinguished as being a former teacher of both the bride and groom in Dowagiac, Mich. Long Beach, Calif. 8-26-'11

REV. D. B. SHIER

The Rev. Daniel R. Shier well known to the Methodist church here and else where, died suddenly at the home of G. J. Perkins in Hudson, where he had been visiting. Not responding to the morning call, Mr Perkins went to his room and found him peacefully sleeping, the last long sleep of death

His was a brilliant and keen mind, he was popular with all, for his was a sympathizing loving nature, and many are those who will grieve at his sudden passing away. A wife and three daughters survive him. He was 70 years of age.

REUNION

Soldiers and Sailors

A goodly crowd was in attendance at the Annual Reunion of Old Soldier and Sailors, held in Adrian September 6. The meeting was held in Merchants Hall and the dinner served in the dining hall at the fair grounds. About one hundred old veterans were present with their wives and daughters, the program was a fine one,

DANIEL AND NOAH WEBSTER

The meeting of two notable characters in history by representatives names, was that which occurred at Senaca Park, N. Y., Saturday September 2, at the reunion of the Webster family.

"Mr. Daniel Webster permit me to make you acquainted with my particular friend and kinsman, Mr. Noah Webster of Berkeley Calif." In this formal manner two representatives men were introduced by their mutual friend, J. H. Webster of Rochester, N. Y. Daniel Webster lives at Kent, N. Y., and in a way both men trace their ancestory back to the famous Daniel and Noah Webster.

Warm Floors and Healthy Children Make Happy Homes

There is no better way for you to avoid worry and expense than by insuring your children's health.

Warm floors in the home, which is the children's play house in winter, are assured when using Cole's Original Hot Blast Heater.

The steel base and body construction allows the heat to be radiated to the floor keeping it warm during the coldest weather.

Cole's Original Hot Blast Heater

The Cleanest—Easiest to Care For

Burns Soft Coal, Lignite, Hard Coal, Crushed Coke, Wood and Cobs.

Users of coal must remember that the ordinary heater is a big care to operate. That its smoke and ashes entail dusting, curtain washing and carpet sweeping. Think then of the ease of operation and the cleanliness of Cole's Hot Blast.

Cole's Hot Blast has a guaranteed smoke-proof feed door—open the feed door and the current of air draws the smoke directly across the top of stove to the stove pipe—away from the opening. Contrast this simple, cleanly feed with the side door in an ordinary heater. The side door used on other stoves permits escape of dirty smoke, unpleasant gas and accumulated soot drops from it. If you overfill a side door stove, coal falls to the floor. And note this, you cannot make a side door heater air-tight—an everlasting advantage in favor of Cole's Hot Blast which is air-tight and guaranteed to remain so always.

No fires to build—the fire is never out in this remarkable heater from fall until taken down in the spring.

Better select one today—Surely it is the heater you need—

Another of our exchange has fallen into line and the Blissfield Advance is now a strickly home print paper, discarding its "patent inside." We quote from their Editorial a few remarks that apply to our case as well. Their press day is Thursday and so they inform the public, "but hardly a week goes by that does not find one to a dozen or more articles of greater or less length coming to the office Thursday which might just as well have been in Monday or Tuesday, 'But you don't print until Thursday' is always the excuse." Not realizing that the typos have to set up the article before it can be printed. There is work everyday as well as press day even in a printing office.

Miss Sarah Platt was in Toledo Sunday.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Aylesworth, W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's Kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney sufferers will read my statement and be led to give Doan's Kidney Pill a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Post for Dr. David Jayne Hill.

Ithaca, N. Y., Sept. 11.—That the post of head of the department of politics and economics at Cornell university has been offered by Dr. David Jayne Hill, who recently resigned as ambassador to Germany, is the well grounded report in Cornell university circles. President Schurman would not make confirmation.

R. J. DIEGLE MAY ESCAPE PRISON

Execution of Sentence Suspended till September 18.

FULL CONFESSION EXPECTED

Suspension of Sentence Ordered Ostensibly to Afford Opportunity for Preparing Appeal to Circuit Court.

Columbus, O., Sept. 11.—That Rodney J. Diegle, the convicted go-between in the legislative bribery scandal, will escape the three years' imprisonment by making a full confession is the opinion of many here.

This is borne out by the fact that immediately following its imposition, execution of the sentence was suspended until Sept. 18. Judge Edgar D. Kinkald, the presiding official of the court, ordered the suspension of the execution, ostensibly for the purpose of permitting Diegle's attorneys, C. J. Mattern and Connor & Belcher, to file a bill of exceptions supporting an appeal to the circuit court. It is within his power, if the exigencies demand it, to suspend the execution indefinitely. This will give Diegle and his attorneys a week in which to meet the situation. Diegle was sentenced to serve three years in the penitentiary.

Diegle's indictment followed the disclosures of grafting among the state legislators last winter. He was alleged to have been the "go-between" for the assemblymen.

The bribes, it was charged, were offered by detectives in a room of a local hotel, while in an adjoining room other detectives and stenographers were secreted, recording conversations through a telephone instrument.

Diegle, nine other members of the legislature and one attache of the senate were indicted. They were Senators Crawford, Andrews, Huffman, Cetone and Dean, and Representatives Lowrey, Nye, Calvey and Evans, and Stanley Harrison, assistant sergeant-at-arms of the senate.

Representative Evans pleaded guilty and was fined $500, and Representative Nye was acquitted at trial. The others have not yet faced a judge and jury.

FISHER ON COAL LAND

Says Reports of Extent in Alaska Are Exaggerated.

Secretary of the Interior Declares Controller Bay Not the Best Harbor for the Output.

Seattle, Wash., Sept. 11.—Secretary of the Interior Walter L. Fisher, at a dinner given here in his honor, declared Controller bay to be neither the only nor the best harbor for the output of the Behring river coal fields; pronounced the extent and character of those fields "grossly exaggerated," and announced his policy to be the opening and development of the fields, but not under restricted private ownership.

The plan of leasing the coal lands, Mr. Fisher said, "deserves consideration, because it had the approval of the president.

"A great many thoughtful men in the United States are of the opinion that the time will come when it will become necessary for the government to regulate the sources of power-fuel and water falls—upon which industry depends," he said.

"However, the opposition which government ownership and operation would encounter in congress must be considered."

STUDENTS BURN TOBACCO

Successful Crusade Conducted at Mars Hill College by Illinoisan.

Asheville, N. C., Sept. 11.—With students, faculty and citizens praying and singing the last stock of tobacco and cigarettes in Mars Hill, N. C., was burned on the campus of Mars Hill college as the climax of a crusade conducted by the Rev. C. W. Reese of Marion, Ill.

The college students had adopted resolutions calling on the merchants of the city to give up the sale of tobacco and cigarettes and raised money to reimburse them for their sacrificed stocks.

LESTER DEFEATS LANG

American Is Now Heavyweight Boxing Champion of Australia.

Sydney, N. S., Sept. 11.—Jack Lester of Cle Elum, Wash., defeated Bill Lang, for the championship of Australia.

Bailey Not to Leave Texas.

Gainesville, Tex., Sept. 11.—It was stated on good authority here that United States Senator Bailey will not change his residence to New York city after the expiration of his senate term, but will practice law in one of the larger Texas cities.

GREAT STORM AT NOME

Surf Reaches Beach Buildings and Barges Are Driven Ashore.

Nome, Alaska, Sept. 11. — A fierce storm, rapidly increasing in intensity, is raging here, with the surf running under the water front buildings and flooding streets.

Several barges owned by the John J. Sesnon company have been driven ashore. The steamers Luchenbach, Yucatan and Corwin are anchored in the roadstead.

Asks $10,000 for Injuries.

Bloomington, Ind., Sept. 11.—Alleging that he suffered permanent injuries in an accident at the J. Hoadley & Sons company stone mill at Stinesville on Aug. 16, 1911, James P. Merreweather has filed suit against the company demanding $10,000 damages.

Love Refused; Shoots Man.

Spring Valley, Ill., Sept. 11.—Wrought into frenzy by love of her brother-in-law, who refused to return her affections, Mrs. Kate Miller, wife of Leslie Miller, shot and killed Jesse Miller. The dead man was thirty-five years old and unmarried.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

TELEGRAPH BRIEFS.

Terse Chronicle of Happenings of the World During Past Week.

Utica, N. Y.—An Adirondack train leaving Utica at 9 a. m., struck a carriage containing five persons at Stittville, and four were instantly killed.

New York—The smashed bow and torn decks of the Anchor liner Columbia, which reached port from Glasgow, yesterday, bore silent testimony to the collision of the steamer with a huge iceberg in midocean.

Milwaukee—Fire Chief Thomas A. Clacy has been suspended by the board of fire and police commissioners upon charges of incompetence preferred by a fireman connected with the local department.

Austin, Tex.—An unidentified Mexican boy, his hands tied behind him, was laid upon the railroad track and left to his fate, lashed lengthwise of a rail near Elgin. An engine crushed the life out of the lad. Officers are investigating.

Bridgeport, Conn.—Mrs. Mary C. Walker of Washington, D. C., who was injured in the wreck of the Federal express on the N. Y., N. H. & H. railroad, last month, died at St. Vincent's hospital. Her death brings the fatalities up to fifteen.

Petersburg, Va.—Two men were scalded to death and two were seriously injured when a passenger train on the Seaboard Air line plunged through an open switch and struck a freight train on a siding near here.

Philadelphia—Lincoln Beachey won the New York-Philadelphia aeroplane race in easy fashion, passing over the finishing point in this city while Eugene Ely and Hugh A. Robinson, his competitors, were still more than 30 miles away.

Rockland, Me.—The two-masted schooner Eleazer Boynton of Essex, Mass., was struck and sunk in the dense fog by the passenger steamer Camden, bound from Boston for Bangor, Me., while riding at anchor here. The crew of the schooner was saved.

New York—The Jersey City police say that Samuel Brown, cashier of the Long Dock milling company, has confessed that he had employed a Frank Walsh to blow open the safe in his office. He wished to destroy two ledgers, which, he said, would show that he was about $2,500 short in his accounts. Walsh died in the hospital, his eyes having been blown out and his body charred from the effects of overloading the safe.

WILL DISCUSS PURE FOOD

Seth Low Calls Meeting of New Civic Federation Department.

New York, Sept. 11.—A call has been issued by Seth Low, president of the National Civic federation, for the first meeting of the pure food and drug department of the federation on Wednesday, Sept. 27, in the rooms of the New York board of trade and transportation, 203 Broadway.

The meeting, of which there will probably be two sessions, was called to organize the department and map out the work it proposes to do. Among those in attendance will be representatives of the department of agriculture.

A Drop of Blood

Or a little water from the human system when thoroughly tested by the chief chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., tells the story of impoverished blood—nervous exhaustion or some kidney trouble. Such examinations are made without cost and is only a small part of the work of the staff of physicians and surgeons under the direction of Dr. R. V. Pierce giving the best medical advice possible without cost to those who wish to write and make a full statement of symptoms. An imitation of natures method of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alterative and glyceric extract of roots, without the use of alcohol, such as

Dr. Pierce's Golden Medical Discovery

Which makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment. Get what you ask for!

SOUTH SEA FASHIONS.

The Dusky Native Belles Have Queer Ideas About Dress.

It would be hard to find a spot where the subject of dress does not sway the feminine mind. To the world at large its observance causes either a great deal of pleasure or a good store of amusement. In the category of amusement may be placed the proceedings of the dusky belles described by Beatrice Grimshaw in her book, "In the Strange South Seas."

A lace trimmed garment of mine, usually worn at night under the shelter of sheets and quilts, went to a Sunday morning church as a best dress in full daylight on the person of the laundress intrusted with my wash. The funny side was so conspicuous that she never got the reproof she deserved.

A certain flower toque made of poppies, a bloom unknown in the Pacific, first drove the women of the island half distracted with excitement, then led thirty-six native ladies to appear simultaneously at a dance wearing excellent copies of my Paris model done in double scarlet hibiscus from the bush.

A wedding from which unfortunately I was absent furnished the finest display of native dress that took place that year. The bride wore fourteen silk dresses, not all at once, but one after another, changing her dress again and again during the reception until the white spectators were fairly giddy.

JOY IN THE SCHOOL.

How Infant Classes In Some Foreign Countries Are Handled.

"The man in the club had been talking politics with the school inspector until that gentleman declined to discuss the subject any more.

"We'll talk about the youngsters themselves for a change," he said. "Do you know that both in France and Belgium reading, writing and arithmetic are being omitted from the subjects taught in infant schools? The children are simply taught to be happy instead. And when they bring their dinners to school the food has, under the official regulations, to be put into a basket, which must be labeled at the school and set on a special shelf in a clean, airy place. Fancy such regulations in England! Any old newspaper and any cupboard is good enough for our children.

"In Germany toys are provided for play time, and all little children are compelled to bring clean pocket handkerchiefs to school, and they must have a bath once a week.

"In Finland the tiniest children are taught to wash dolls, dust, sweep, look after flowers, and so on, and in some Japanese schools a resting room, with a bed, is provided, so that overtired children may have a nap!"—London Answers.

Bill and His Watch.

"Bill, can you give me the correct time?" says one of Bill's friends.

"Sure," says Bill, dragging out his watch. "My watch was just 'leven seconds slow at twenty minutes of 4 day before yesterday afternoon, and I don't believe it's varied more than a quarter of a second since. It's now twenty-two minutes and seven seconds past 5."

"Thanks, old man," says Bill's friend, who then drops his own watch into his pocket and goes on his way.

Really he wasn't so particular about knowing the time himself as desirous of giving pleasure to Bill, for he knows that Bill is one of the few million men in the world who think each that his watch is a wonder and who feel themselves flattered when their friends ask them for the correct time.—New York Sun.

Caught Her Secret.

Old Podkins lay back in his chair in calm content, and, though his wife was quite near him, he was happy, for she had not broken the silence for nearly five minutes.

He had been married for five and twenty long years, and Mrs. Podkins almost daily during twenty-four of them had disturbed the domestic peace by a too full exercise of her tongue.

"My dear," broke in Mrs. P., thinking it time she said something to interrupt the quiet, "I see by the papers that a petrified jaw two yards long has been found in Cornwall."

"What!" cried Podkins, starting up. "Now I know your secret. But you never told me your ancestors came from that part of the world!"—Dundee Advertiser.

Painted Advice.

There was a traveling man once who found himself short of funds. His first thought, of course, was to wire his firm, which he did. In a night letter he explained the situation and asked:

"How shall I act?"

The next morning he got a day message which was nothing if not illuminative:

"Act as if you were broke."—San Francisco Chronicle.

A Strong Recommendation.

"We are not taking on any new traveling men just now," the safe manufacturer said. "Business is rather dull in our line."

"Well, if you need one let me know," said the applicant for a job. "I'd rather sell your safe than any there is in the market. It's the best."

"Are you an expert?"

"Yes, sir. I know all there is to be known about safes."

"Ever deal in them?"

"No, sir."

"Ever work in a factory?"

"No, sir."

"How do you know ours is the best?"

"Because it takes longest to break into it."

"How do you know that?"

"I'm a reformed burglar."

He got the job.—Chicago Tribune.

BROOKSIDE COMMUNITY MAUSOLEUM.

SOCIETY OF DETROIT CHEMISTS.

Office of the President.
Frank T. F. Stephenson.

Detroit, Michigan, June 1st, 1910.

American Mausoleum Co.,
Clyde, Ohio.

GENTLEMEN,

Have gone over the chemical and bacteriologic points of your system of disposal of the dead, and after fully considering the matter and comparing it with other systems that have been presented to me, I, without hesitation pronounce your method the only one known to me that will stand the test of science.

I have taken the liberty of showing some of your drawings, etc. to our Health Officer, Dr. Guy L. Kiefer, as I know he was interested in such matters, and he was much interested in the system, agreeing with me that you certainly HAVE SOLVED THE PROBLEM in a scientific manner.

I also and a talk with the State Chemist and Bacteriologist, M. L. Holm, and the Engineer for the State Board of Health, (Ludgren), while I was in Lansing a while ago, and they both were very much interested in your plan, and approved of it. I mention these names, that you may see that I have given some time to the consideration of your system before writting you my approval.

Wishing you much success in the matter, I remain,

Very truly yours,
(Signed) Frank T. F. Stephenson.

WON'T ACCEPT GERMANY'S TERMS

French Reply Is Ready, and War Cloud Again Hangs Low.

Paris (Special).—France's reply to Germany's counter proposals in the Moroccan negotiations has been written and will be laid before the French cabinet for approval. The task of drawing up the reply proved simpler than at first expected, doubtless because the German demands were such as could not be accepted by France.

It is understood that the reply, while written in a spirit of conciliation, is absolutely firm with regard to the position France has assumed concerning questions of principle, from which France will not depart a hair's breadth.

The premier's energetic and businesslike manner of proceeding has had a good effect on the people of France, who are united in support of him and his policies.

The broad outlines of Germany's proposals have been communicated to the public. Foreign Minister De Selves has also indicated in a semi-official note that France's reply would be a refusal to accept Germany's conditions. In this French opinion appears to be wholly united and prepared for any contingency.

One point of view in official quarters is that Germany's financial situation, which is expected to reach a climax by the end of September, may tend to moderate Germany's demands.

Russia Will Aid France.

St. Petersburg (Special).—Efforts of Germany and Austria to drive a wedge between France and Russia have utterly failed and if the Moroccan dispute results in war Russia will be found as an active ally of France.

M. Isvolsky, the Russian ambassador at Paris, has been authorized to tell France that her proposals to Germany are accepted by Russia as involving her full full duties as an ally should Germany follow its rejection by a belligerent act.

BAD STORM HIT STATE.

One Killed, Dozens Injured and Houses and Barns Demolished.

Grand Rapids, Mich., Sept. 13.—In the terrific electrical and wind storm that swept over western Michigan Monday many buildings were demolished, dozens were injured, and there was great crop loss

At Hobert the storm reached the proportions of a cyclone. Five persons were injured there

Near Nunca the house of Oscar Dolberg was struck by lightning, the shock rendering Dolberg, his wife and little daughter unconscious. Mrs. Dolberg recovered and rescued the family from the house which was set on fire. Today Mr. Dolberg is paralyzed.

Lansing, Mich., Sept. 13.—Glenn Vance, aged 26 years, grasped a live wire which lay across his pathway after the storm, Monday night, and was instantly killed.

SIR WILFRED LAURIER SPOKE TO DETROITERS

Many Cross River to Hear Canadian Prime Minister.

Detroit, Mich., Sept. 11.—Many residents of this city went across the river to Windsor, Saturday, to hear Premier Sir Wilfred Laurier speak on the subject of reciprocity. It is estimated nearly 10,000 people crowded Ouelette square, in the little Canadian city, to hear the great prime minister.

Sir Wilfrid scouted the idea that the passage of the pact would lead to annexation, and the main points in his speech were:

"Reciprocity and fair play is our motto. We do not want an advantage. I would not have an agreement that was unduly advantageous to Canada.

"There should be absolute peace between Canada and the United States, and how can it be better secured than through trade and commerce?

"It is a measure of gratification in my old age that the concrete proposal of reciprocity which others sought in vain is now near of realization."

One Body Recovered.

Bay City, Mich., Sept. 13.—The body of Gerald Ingersoll, who with his brother, Anthony Elbert V. Ingersoll, was drowned from their sailboat a week ago during a storm, was found by the crew of a fishing tug.

MAINE WILL REMAIN DRY

Early Returns Indicate Majority Will Not Be Large, However.

22 TOWNS' RETURNS MISSING

Votes From These Places, However, Will Not Materially Effect Result, as But 385 Votes Were Cast There at State Election Three Years Ago. Maine Has Been Dry Since 1867.

Portland, Me. (Special).—Unofficial and only partly revised returns from 499 out of 521 cities, towns and plantations in Maine give a majority of 295 against repeal of the prohibitionary law amendment. The missing 22 towns cast less than 385 votes at the state election three years ago.

First returns indicated a victory for the wets, and the present result is a huge surprise.

Although Monday's vote did not equal that of a year ago, when the Democrats swept the state, which for years had been a Republican stronghold, the election was without question one of the most interesting contests the state has ever known. There was not a home in any section of the state which had not been flooded with literature sent out by both sides, while the voters were waited on by personal workers and harangued at public gatherings to cast their ballots for or against repeal as the case might be.

The result was that hundreds of voters who had not visited the polls for years with the possible exception of last year were recorded.

Since 1857 Maine has had a statute prohibiting the sale of intoxicating liquors and since 1881 prohibition has been a part of the constitution. In that year, 1884 the question of placing prohibition in the constitution was put before the people and prohibition won by a majority of 45,958, carrying every county in the state.

MRS. J. J. ASTOR, II.

Eighteen-year-old Bride of the Wealthy Old Colonel.

BUELAH BINFORD.

For Love of Whom, It Is Said, Beattie Murdered His Wife.

BEATTIE GUILTY.

Young Virginian Sentenced to Die In Electric Chair, Nov. 24.

Chesterfield Court, Va. (Special).—The jury sitting in judgment over Henry Clay Beattie, Jr., on trial here for the murder of his wife, returned a verdict of guilty.

Beattie was sentenced to be electrocuted on Nov. 24, next, in the state penitentiary, Oregon Hill, Richmond. His counsel formally served notice of appeal, and Judge Watson granted a stay of 90 days. The appeal will be argued before the supreme court in November.

But the Virginia court stands for no quibbling over misspelled words or infinitesimal procedure during a trial, and the state's lawyers and jurists firmly believe that Beattie will expiate his crime.

Members of the jury that convicted Henry Clay Beattie say that their minds were made up before the closing arguments of the lawyers on both sides were commenced. Beattie himself did the most to bring about his conviction when he took the stand on his own behalf at the end of the trial, according to several of the jurymen.

Few criminals of Henry Beattie's type have shown the remarkable self-possession and mastery of feeling that he has shown. He takes his fate in a matter-of-fact manner, and sings in his cell to pass away the time. His aged father's heart, however, is broken.

Etna Kicking Up Again.

Catania, Sicily (Special).—The eruption of Mount Etna has become intense. The showers of ashes and cinders are heavier than before and the rumbling of earth shocks at short intervals is heard for miles. The shocks are growing in violence, and a panic prevails.

People of the villages on the slopes of Mount Etna have abandoned their homes.

Two Robbers Hold Up Eight.

Cokeville, Wyo. (Special).—The Cokeville National bank was entered by two masked men, and eight men who were in the bank at the time were lined up along the wall and searched. The robbers obtained about $1,500 in money, locked the officers of the bank in the vault and escaped

MASONIC SCHOOL OF INSTRUCTION

Work Done in Manchester Monday.

About 40 members of the local Masonic lodge boarded the 1:30 north bound train last Monday afternoon to attend their annual School of Instruction which was held this year at Manchester.

As the Napoleon lodge, who were to confer first degree were somewhat late in arriving Grand Lecturer Gilbert called on Tecumseh to present the work of the second degree early in the afternoon.

Senior Warden H. S. Temple conferred this degree in a manner highly comendable both to himself and the lodge.

A sumptuous banquet was served at 6 o'clock by the Manchester brethern in their own dining hall. This was followed by the exemplification of the 3rd degree by Manchester lodge.

The Grand Lecturer had but few corrections to make and expressed himself pleased with the work of the attending lodges.

The Tecumseh brethern arrived home about 12:15 on the midnight freight to which a passenger coach had been attached through the kindness of the Lake Shore Ry.

Best Wood for Violins.

Stunted maple trees, grown in mountainous regions, where the winters are long and severe and the snowfall considerable, furnish the best wood for violins, in the opinion of the German makers.

State Fair Visitors Are Invitcd to Include in Their Sight-Seeing

The Crowley-Milner Store

With all its interesting displays of Merchandise, and the many store conveniences which are at your disposal.

Standing in the very heart of the retail district, and covering an area of three-quarters of an entire city block, is this great store—a miniature city in itself, and interesting from so any different angles, that not to see it, is to miss one of the sights of Detroit.

Already it is the most talked-of store in Detroit, because of its aggressive methods and its remarkable progressiveness in advancing the broadest ideas in merchandising.

Just now the entire institution is particularly interesting. The Autumn Exposition of Styles shows the entire fifty-two divisions of the store in full Autumn array.

People living in smaller cities and towns surrounding the metropolis, where the new styles for the season are not shown until later, will have a splendid opportunity to study, at their leisure, just what is to be worn this Fall and Winter.

We welcome all visitors, whether they wish to purchase or come merely to look. Crowley-Milner hospitality is a thing upon which the store prides itself.

Please use the conveniences freely.

On the Main Floor—the checking counter, where grips and packages may be safely checked Also the postoffice where money orders may be sent or cashed, and where all the business of a regular postoffice is transacted.

Upon the balcony is a comfortable resting place, and on the third floor are the women's rest rooms, with telephone service free to all.

The splendid restaurant on the fourth floor and the lunch room in the basement afford excellent facilities for those who would like to have luncheon in the store.

There Will Be a Sale of Furs

Planning our Annual September Fur Sale so that it comes at the same time as the State Fair, means that out-of-town people may share in the advantages of buying furs at a discount.

Here are five groups of furs which show the large savings to be obtained:

Black French Coney Sets, Worth $5, at $3.67

Full shawl collar, lined with Skinner satin and four large tails on ends; large, flat pillow muff, with same lining. Made to give satisfaction.

Brook Mink Sets, Worth $10, at $6.96

Large pillow, two-stripe muff and shawl collar finished with crochet ornament at ends. Satin lined; will give good service.

Handsome Sable Opossum Sets, Worth $15, at $10.96

Very large shawl collar, finished with four large tails and large half barrel muff, lined and faced with very fine seal satin.

Isabella Fox Sets, Worth $22,50, at $15

Very fine half barrel muff and large shawl scarf finished with two large brush tails.

Full Length Brown Coney Coat, Worth $35, at $27.50

Lined with best Skinner lining, trimmed with large fancy buttons large roll shawl collar and cuffs.

Women's New Autumn Suits and Coats

The new stocks are in. And they will be even more interesting to women than the exhibits at the Fair.

We have arranged many special offerings for the week.

For example:

WOMEN'S AND MISSES' COATS

Black Caracul Coats at $7.50

Full length, lined with men's wear lining and trimmed with fancy buttons; has large roll collar and cuffs.

Black Broad Tail Caracul Coat at $12.98

Has large full shawl collar and cuffs, trimmed with fancy buttons and well lined.

Extra Fine Plush Coats at $20

Made of splendid quality sealette plush, lined with fine brown or fancy satin, guaranteed, big shawl collar and cuffs.

Fine Cloth Coats at $10

In blacks, blues and fancy mixtures, trimmed with the new colored buttons, big collars and cuffs.

WOMEN'S AND MISSES' SUITS

Tailored Suits at $12.50

Suits of blue or black cheviot, jackets lined with fine guaranteed lining; skirts with panel back and side pleat effect.

Extra Fine Suits at $16.98

Serge suits of blue, black, gray and brown and gray and brown fancy weaves. The new fall length jackets and finely lined with best of satin. Skirts made for comfort and wear.

Men: Don't Miss This Great Clothing Store

Men for fifty miles around Detroit have heard of the Crowley-Milner Clothing Store for Men.

The rise of this part of our business to the commanding position it now occupies has been accomplished in only one way: BY GIVING MEN THE LARGEST MONEY'S-WORTH OF GOOD CLOTHING IN THE ENTIRE CITY OF DETROIT.

The man living in the smaller town pays just about one-third more for his clothing than he can buy it for here. For instance:

These Men's Autumn Suits at $12.50

Are on a par with the usual $16.50 suits. In this line of suits we have gone to the very limit of value-giving. The woolens used are absolutely pure wool, and the tailoring is exceptionally well done.

Blue serges and novelty fabrics in the newest fall colorings and patterns.

Do not go back home without seeing these suits.

Suits, Overcoats and Raincoats at $16.50

Which are in a class by themselves when compared to the ordinary $16.50 Suits.

If we are not greatly mistaken, we will set a pace in Suits and Overcoats at this price that few stores will have the ability to follow. There are blue and black suits, and scores of smart patterns in fancy weaves and colorings, including browns.

English Slip-On Raincoats at $7.50

The coat for all weathers. Every smartly-dressed man—young or old—will want one this season. Fine for driving, as the rain cannot penetrate them, and just as suitable for a sunshiny day. Exceptionally fine coats for $7.50.

Fine Autumn Millinery, Plumes and Hats

Women from the smaller cities in the state look to the metropolis for ideas concerning modish headgear—for that indefinable something known as "style" which is found in a large city. Realizing this, we have prepared special items of interest for visitors, and at very small prices, when the real value is taken into consideration.

We mention but three features which give but an inkling of the varied assortment of smart millinery in the Crowley-Milner store. Briefly,

$15 Willow Plumes at $9.95

Beautiful Plumes, made of high grade stock, all hand tied and carefully selected, 24 to 25 inches long and 23 to 25 inches wide—for Fair week, $9.95.

Rich Black Velvet Hats, $6.75

Fine Silk Velvet Poke Bonnets, Piret Hats, Brim Hats and copies of imported French models—over 100 styles at $6.75.

Silk, Velvet and Satin Hats, $3.95

Made to sell at $5. A complete assortment of trimmed hats, in the new autumn styles and tints, at $3.95.

GREATEST CONVENTION

LENAWEE COUNTY SUNDAY SCHOOLS ALL REPRESENTED

Big Parade Wednesday Evening

Early Wednesday morning delegates began pouring into Tecumseh from Sunday schools throuout the county. The sessions are being held in the Baptist church, while the ladies of the churches are serving dinner and supper at the Methodist and Presbyterian churches,

The church in which the meetings are held being appropreiately decorated with mottoes and flowers. On entering the church a large motto of "Welcome" greets the arrivals. This was the gift of David Cook Pub. Co, Several inspiring mottos were as follows; "Do not be satisfied with a good school, make it better," "I believe in the boys and the girls, the men and women of to-morrow," "What will become of the country if we neglect the teaching of the Bible?" "The Cradle Roll brings the Home and Sunday School to-gether," and "The End of this Convention is the Beginning of Effort."

Rest rooms were provided and everything possible done for the comfort of the guests. The forenoon session was called promptly at 11 o'clock,

The meeting was opened with a song service conducted by Mr. Butler of Morenci. Prayer was then offered by Mr. Sweet, pastor of the Congregetional church at Hudson.

Dr. Knapp president of Convention and Pastor of Presbyterian church at Adrian then introduced the speaker, Prof. Goodrich of the Michigan Sunday School Association. Mr. Goodrich then emphasized the good and need of Preverence, earnestness, love consecration, liberality and prayer in Christian life. He spoke in a pleasing manner and everyone enjoyed his address exceedingly.

Mr. Hubbel spoke at 2:15 p m and Mr. May at 3:00. The meeting was adjourned after announcing that the nominating committee would meet at 2 o'clock.

The meeting was called to order at 2 o'clock and was opened with a song service conducted by G. R. Swift.

Scripture quotations occupied the next five minutes. Rev. Main of Britton led in prayer after which Mrs. Ruthruff sang a very beautiful solo,

Rev. Krapp, President of the Association introduced Mr. May, County Secretary of the Y. M. C. A., who gave a fine address on "Lenawee's Greatest Asset."

He emphasized the need of securing the boys for Christian work. He spoke of securing the boys for Christian work. He said that there were over 4,100 boys in this county. He spoke of securing the boys trust. Every boy has a hero and these heroes range from Jack Johnson to George Washington, while Ty Cobb, the great baseball man occupied many boys' hearts.

"Cutting down the Death Rate."

Rev. C. H. Hubbell D. D., Supt. of Young People's Work in M. P. church Mr. Hubble began by saying that three Modern Methods of Sanitation and inventions the lease of life is longer than in ancient times. There is an equal need of lessening the spirtual death rate. Just as the physical death rate is greatest in early years the greatest opportunity for lessening the spiritual death rate is between the ages of 10 and 30.

Sunday school thru its spirit and its experience aids church in fight against spiritual death rate.

He expressed his belief in old fashioned salvation of the child thru the Sunday School.

A lively and interesting discussion followed.

Song "Coronation."

Rev. F. L. Currey, State Supt. Home Department.

Rev. Curry changed his topic to "A Valley of Ditches." He drew a comparison between modern church work and the story of an ancient king who in obedience to God made his army dig ditches to catch the much needed rain fall. The theme of his talk was that preparation is necessary for good church work. The Sunday School is one of these necessary preparation.

Music.

The afternoon work was completed by very helpful subjects which were led as follows: Elementary Work, Mrs. H. E. King; Pastors and Superintendents, Prof, Goodrich; Adult classes, Dr Hubbell.

After the grand parade the Baptist Church was filled to overflowing and a seperate meeting was held in the M. E. Church. Devotionals were led by the Rev. Weld, Scripture lesson was found in Luke 2:42:52 and the passage was made clearer by personal experiences of Rev. Weld in Palestine.

Prof. Goodrich at the opening of his address "Give the Boy a Chance" said "I have seen strange things today the finest I've seen for months and months." Marion Lawrence said that all he knew of Sunday School was from going to Sunday School. Come let us keep on going. Our aim should be to have the whole church in Sunday School and vice versa 95 per cent of our church members come from the Sunday School. We must plan 20 years ahead. Let us seek to give the boy and girl a fair chance. They come to us at an age when we can reach them and we loose one-half before the age of 12 years. 75 per cent before the age of 20, and 85 per cent beyond that and they are mostly boys. Why do boys drift out of the Sunday School? They think the teachers don't know the subject. The characteristic of the Great Teacher was that He knew His subject and Jesus Christ was an example of what He wanted to teach. Parents if you want your boys to go right. Say what you want them to say; Be what you want them to be; Go where you want them to go. They are naturally good and it is the business of the church and Sunday School to keep them good. The Forces of Evil are after them and surely it is time to teach them against it. The saloon is making its fight for life.

The following resolutions were unanimously adopted:

Whereas, it is publicly announced that Hon. James Wilson, Secretary of the Department of Agriculture is to act as Honorary President of the Second International Brewers' Congress to be held in Chicago, October 12-24 therefore be it,

Resolved, that the Executive Committee of the Michigan Sunday School Association representing 445,000 Sunday School people does hereby enter a respectful but vigorous protest against such action on the part of any representative of the United States Government and any action which may put the Government into a position apparently or really favorable to the liquor traffic of America.

Resolved, that a copy of this resolution be sent to His Excellency, William H. Taft, President of these United States, to Hon P. C. Knox, Secretary of State, and to Hon. James Wilson, and that a copy be given to the press.

Every boy has a heart of gold. Let us find and win it to a life of gold for the white Christ.

Rev, J. F. Record on the Advance Movement in the Sunday School gave helpful hints about the organized classes and definite teachers. The Cradle Roll binds the home and the Sunday School together. What is the greatest need in the Sunday School? More efficient teachers. You say we can't have training classes because we have too few. Too much emphasis is laid on the number rather than the quality. The best teacher is the one 24 hrs. ahead of his class. God bless them that are saving the boys and girls.

Thursday morning the Devotionals were led by Rev. Geo. Kennedy. Scripture was found in Matt. 5 and he brought out the idea that the supreme need in Christian Work is Vision. Many helpful hints were gathered from Rev. Currey's "Christianity's Program" and Dr. Record's "A Lesson in Method" where emphasis were laid on on the purpose of the lesson and a central theme Never tell a pupil anything that you can get him to tell you. Prof. Goodrich was surprised by the number who had studied the coming Sunday School lesson and gave some fine helps.

Miss Caroline Curtis was received as a wonder in her art of story telling and Mrs. Julia Reed's report of the San Francisco Convention enthused all and the Convention closed with a hearty thanks to the Tecumseh homes and churches all were inspired with the aim of pushing our work.

Therefore the End of this Convention was the Beginning of Effort.

The officers for the coming year were as follows:

Pres.—Rev. Harvey Pierce, Morenci
V, Pres.—Mr. S. A. Gould, Britton
Rec. Sec.—Mrs. W. D. Willett, Adrian
Cor. Sec.—Mrs. Alice Condit, Morenci
Treas.—G. Roscoe Swift Adrian.

TECUMSEH BOY IN BALLON ASCENSION

At "Sports Day" in Manchester Tuesday the aeronaut who was to make the ballon ascension was afraid to ascend on account of having scorched the ballon in inflating it. Ed. Hasting a former Tecumseh boy having heard that he was afraid, offered to make the ascension and went up higher than the aeronaut had ever gone.

TECUMSEH'S POSTAL SAVINGS BANK

There are many inquires as to how our new Postal Savings Bank is prospering and how well patronized The United States Government has established this new Postal Savings System for the purpose of providing facilities for despositing savings at interest with the security of the United States Government for repayment.

The Tecumseh Postal Savings has so far had a very good patronage, a good many children availing themselves of this as well as adults as amounts less than a dollar may be saved by Postal Savings cards and stamps Any child can purchase a 10 cent Savings card and an adhesive 10 cent postal stamp, there being places on the card for 9, 10 cent stamps and when filled is accepted as $1.00 in opening an account. One of the best things is the postal savings bonds, only a depositor is allowed to buy these bonds. The rate of interest being 2½ per annum. The bonds are purchased July 1st and January 1st. These banks are becoming so popular and well patronized that it is now in under consideration to extend it to third class post offices.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Alyesworth, W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's Kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store, I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney sufferers will read my statement and be led to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The surest and most economical treatment for eczema, pimples, dandruff and all diseases of the skin and scalp. Do not neglect this. They will give you prompt relief and put you on the road to a cure. Good for infants as well as grown persons.

Foley Kidney Pills

Will reach your individual case if you have any form of kidney and bladder trouble or urinary irregularities. Try them.

The first baby might be referred to as an heir of authority.

Foley's Kidney Remedy

Is a great medicine of proven value for both acute and chronic kidney and bladder ailments. It is especially recommended to elderly people for its wonderful tonic and reconstructive qualities, and the permanent relief and comfort it gives them. For sale by all druggists.

Common Colds Must be Taken Seriously

For unless cured they sap the vitality and lower the vital resistance to more serious infection. Protect your children and yourself by the prompt use of Foley's Honey and Tar Compound and note its quick and decisive results. For coughs, colds, croup and whooping cough, bronchitis and affections of the throat chest and lungs it is in an ever ready and valuable remedy.

For sale by all druggists.

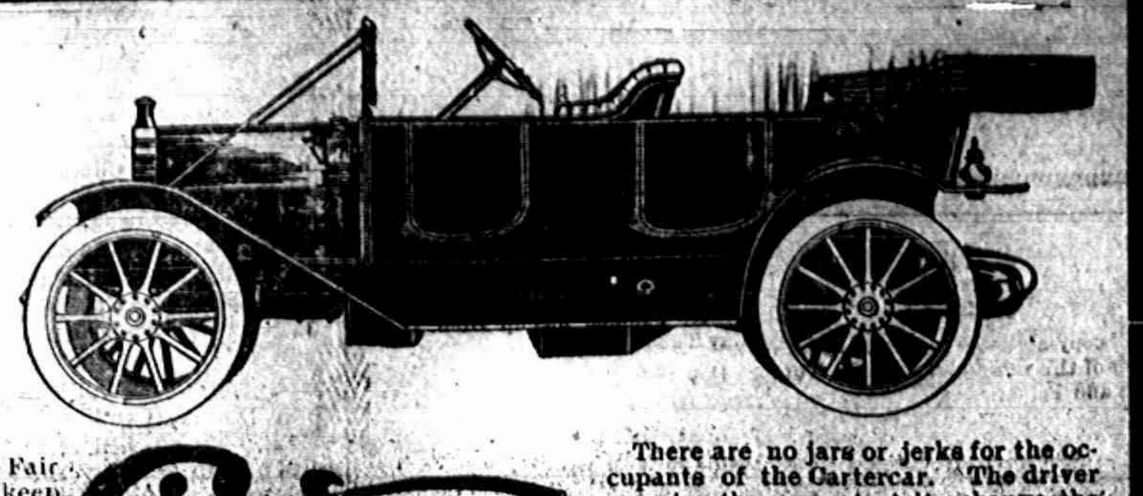
Hickory Corners, Mich., Sept. 11.—Benjamin Bietz, aged 55 years, a well known farmer, was killed here when his horse ran away. His wife was probably fatally injured and their eight-year-old son, Wilbur, was badly injured. Bietz was driving with his family from his farm to Midland park with butter for a resort hotel. His horse became frightened and he pulled up on the lines, and one of them broke off short.

Come Around and say "Hello" to me at the State Fair.



Cartercar

I am going to be out at the State Fair all week and every minute I will keep open house for the business men from the country.

I want you to come around and talk automobile with me.

I will have a complete line of the excellent Cartercars with me and will gladly explain all their good features to you. It will do you good to get acquainted with the Cartercar, and you will then understand how logical is its slogan, "The Car Ahead."

You will clearly see why they are the very best car for farmers and all other people.

Cartercars are designed and constructed for the men who want the highest quality at a fair price. They are not the "cheaper than walking" cars—neither are they for millionaire clubs" only. Cartercars are pratical cars for practicl men—and such men have long appreciated them.

For several years I have made close observation of the construction and the service given by the Cartercar Friction Transmission and I am firmly convinced that it is the only transmission that is suited absolutely to the needs of the farmer.

This transmission makes the Cartercar EXTREMELY EASY TO CONTROL. The driver has any number of speeds always at his command, easily and noiselessly controlled by one lever. This adapts the car especially to hilly and sandy country roads, for there is always a sure steady pull which will take you through.

The friction transmission has no gears the power being transferredby means of a friction disc and wheel. Their relative positions govern the speed of the car either forward or reverse. There is no clutch to slip—no gears to strip—and no bevel gears to howl. I know that you will enjoy these features greatly when you are driving over a quiet country road.

The Cartercar requires but little attention. The driving unit is as nearly perfect as can be. The transmission is so simple and strong that it cannot get out of order and the chain-in-oil drive will run for years without attention except oiling annually. The chain case is oil tight, keeping out all sand and grit, thus eliminating almost all wear on the chain.

There are no jars or jerks for the occupants of the Cartercar. The driver can stop the car—start it—change the speed from the highest to the lowest—or even reverse it without the occupants feeling the change.

In all kinds of tests, the hardest that could be imagined, the Cartercar has proven its worth and ability.

The Cartercar rolls along swiftly and noiselessly, brushing everything on the pike. It will take a 50% grade handily and on account of the strong brakes is perfectly safe coming down the other side.

In additions to the strong hub brakes the driver has at all times the friction reverse. The car can be stopped very quickly, making it extremely safe for anyone to drive. My wife and eight-year-old son drive our Cartercar all around Detroit and out into the country and they enjoy it fully as much as I do.

I know several men who bought some of the first cars we made six or seven years ago and THEY ARE STILL DRIVING THEM.

I am expecting to see you. Come around and shake hands with me whether you are thinking of buying or not. Maybe I can tell you some interesting things about automobiles—anyway it will be worth while to see this powerful, simple automobile.

BRIEF TELEGRAPH NEWS.

Happenings of Interest, at Home and Abroad, During Past Week.

Spring Lake, N. J.—The governors of many states are here attending the third annual governors' conference.

Minneapolis—J. C. Russell, prohibitionist candidate for mayor of Minneapolis in 1902, was fined in municipal court on a charge of drunkenness.

Chicago—Four men were killed and two were seriously injured by a dynamite explosion in the stone quarry of the Elmhurst-Chicago company, 15 miles west of here.

Washington—Viscount Uchida the retiring Japanese minister, went to Beverly Wednesday to say farewell to President Taft. Viscount Uchida will start on his home in Japan Sept. 21.

Delafield, Wis.—Guillermo Belden 14 years old, a nephew of former President Diaz of Mexico, was killed by falling from a tree. He came here from Monterey, Mex., last winter, to attend school with two of his brothers.

Binghamton, N. Y.—Miss Carola Woerishoffer, daughter of the late Charles F. Woerishoffer of New York and heiress to millions, received injuries from which she died here in an automobile accident near Cannonsville.

Madison, Wis.—"Little Annie Lemberger came to her death at the hands of unknown parties." This was the verdict of the coroner's jury which conducted an investigation into the mystery of the abduction and death of the seven-year-old girl whose body was found in Lake Monona, Saturday.

Washington—To impress the unruly tribesmen of Tripoli, who already have taken one American life, with the power and willingness of the United States government to protect its citizens on foreign soil, the scout cruiser Chester will be dispatched to Derna or Benghazi, ports on the Mediterranean, early in October.

Chicago—The strike threatened by the shopmen of the Illinois Central railroad was averted. The above struggle was threatened because of refusal of the railroad to recognize the system federation of the mechanical employes. A reorganization of the federation will be undertaken, when the demand probably will be renewed.

Washington—The federal prison parole board will meet in Leavenworth penitentiary on Sept 15, to hear the application of parole made by John R. Walsh, the convicted Chicago banker, now serving a five-year sentence for his connection with the troubles of three banks.

Washington—All the American naval strength deemed necessary as a precaution is being concentrated as near as possible to the scene of serious disorders in China. Admiral Murdock has cabled to the navy department that he has sailed on his flag ship Saratoga, accompanied by the cruisers New Orleans and Helen, from Shanghai for Nanking.

Washington—The escapade of the two young midshipmen, Gaston L. Holmes of Mississippi and Charles L. Clifford of Massachusetts in quitting the naval practice squad at Bergen, Norway, has cost the young men their places in the navy, for after a careful consideration of all the facts, the secretary of the navy has decided that they shall be dropped from the service.

FOREIGN.

St. Petersburg—A dispatch from Peking says that 40 men were killed and many wounded in defense of the viceroy's Yamen at Chentu, which was attacked by a mob. Revolutionists are said to be taking a prominent part in the disorders. A strike is now in progress at that place and the markets are closed.

Brest, France—A fierce battle occurred here when a large mob of cheaper food manifestants engaged the troops. At least 40 persons were injured. Twenty policemen and soldiers were badly hurt by stones, bottles and missiles thrown at them by the mob. The troops repeatedly charged into the crowd and an equally large number of rioters were injured by being struck by sabres or by being trampled upon by the cavalry horses.

OBITUARY.

Professor F. A. March.

Easton, Pa. (Special).—Francis Andrew March, LL.D., L. H. D., professor emeritus of comparative philology and English literature at Lafayette college, died at his home on the college campus here. He was 86 years old. Dr. March has a world-wide reputation as a philologist.

James R. Soley.

New York (Special).—James Russell Soley, formerly assistant secretary of the navy, a member of the New York bar, and well known as an author, died here at Roosevelt hospital, of pneumonia.

Never make friends with the devil, a monkey or a boy. No man knows what they will do next.—Rudyard Kipling.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No *honest* dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

SEE DENIED NEW TRIAL

"Absolute Life" Chief Is One Step Nearer Penitentiary.

Chicago, Sept. 18.—Evelyn Arthur See, convicted of abducting seventeen-year-old Mildred Bridges into his "absolute life" cult temple, has been brought a step nearer to the Joliet penitentiary. Judge Lockwood Honore overruled a motion of See's counsel for a new trial in the criminal court.

The "apostle" will go to prison to begin an indeterminate sentence unless the supreme court interferes. See will continue to have his freedom pending a decision of the supreme court on a bill of exceptions.

JOHNSON CHANGES HIS PLEA

Man In Prison on Own Confession Says Fear Caused Him to Lie.

Madison, Wis., Sept. 18.—A letter from John A. Johnson, now in the state prison, declaring his innocence of the murder of seven-year-old Annie Lemberger was received by his attorney, Emerson Ela. The letter was written in a scarcely legible hand on prison stationery and covered only one page.

Mr. Ela declined to make public the verbatim contents of the letter, but says that in substance, Johnson wrote that he was not guilty and that the guilty man would be found. He said, furthermore, that he pleaded guilty through fear of mob violence, as he wanted to get to a safe place as soon as possible.

ROUNDING UP SUSPECTS

Police Search for Murderer of Paymaster Steen at Woodville, Pa.

Pittsburg, Sept. 18.—Scores of suspects have been taken in the police dragnet since the murder of Paymaster David Steen, of the Pittsburg Co company, at Woodville Saturday, but so far nothing of a definite nature has been fastened on any of the prisoners. Members of the state constabulary are rounding up suspects everywhere, but it is still believed that pursuit became too hot for the murderers and they are in hiding in some old abandoned coal mine.

It was supposed that the satchel containing $5,000 had been taken by the robbers. The money was found under the younger Steen's body.

Toadstools Kill Ohio Man.

Cleveland, O., Sept. 18.—Charles Chorman is dead and eight others are ill as a result of eating toadstools mistaken for mushrooms. Mrs. Emma Chorman, the dead man's sister, brought a peck of the poisonous fungi from the country and distributed them among her neighbors.

TAFT TALKS TO DETROIT PEOPLE

Makes Important Speech on Subject of Trusts.

SPENDS SUNDAY IN ERIE, PA.

Sends Message of Condolence to President of Cyracuse Chamber of Commerce Upon Hearing of Automobile Accident.

Detroit, Mich., Sept. 18.—The president of the United States was the guest of this city today.

There is an immense crowd, estimated by some to number as many as 600,000, in the city to see and hear the nation's chief executive and also in attendance at the state fair.

One of the president's important set speeches, in which he considered "Trusts," was delivered to a large audience.

Erie, Pa., for the first time enjoyed a president as a guest over Sunday and it did its level best to make it an occasion. Mr. Taft, however, has insisted that every Sunday of his long journey be reserved for rest and he limited his activity to attending church in the morning, lunching with his host, Charles H. Strong, and motoring about the city in the afternoon.

When he appeared on the porch of the Strong residence on his way to church, he found a big crowd assembled to greet him. The church was as packed as at an Easter service.

Mr. Taft learned that the sermon he heard was preached under a heavy burden of sorrow. The pastor of the Unitarian church here, Rev. Thomas P. Byrnes, who delivered the sermon, had lost his son on Friday.

A few hours before his death the boy told his father that he must not allow his dying to prevent his father's preaching when the president was here. Mr. Taft sent the minister a message of condolence.

Mr. Taft also sent the following message to H. M. S. Handy, president of the Syracuse chamber of commerce, after learning of the accident during the auto races at the state fair just a short while after he had left the fair grounds:

"Have just learned of the deplorable accident and los of life and serious injuries in the auto race. I extend to the families of the deceased and to the management of the fair my heartfelt condolence and sympathy. I earnestly hope that the injured are recovering."

At Syracuse on Saturday, on a track which had been sprinkled for the benefit of President Taft, who had expressed a desire to make a circuit of the race course at the state fair grounds, a Knox racing car, driven by Lee Oldfield, slipped a tire during a race and crashed through the fence surrounding the track. The machine, which was traveling at terrific speed, plunged into a throng of onlookers, killing nine persons and injuring fourteen. The president had left the grounds but a short time before the accident.

Six of the nine people were killed outright and three others were so badly injured that they died on the way to the hospital.

GET ALLEGED ABDUCTOR

Teacher's Supposed Assailant Captured in North Dakota.

Bill Miner, Captured in Strawstack, Admits He Escaped from the California Penitentiary in 1902.

Hannah, N. D., Sept. 18.—"Bill" Miner, alleged abductor of Eleanor Grace Price, a school teacher at Snowflake, Manitoba, was led into a trap by farmers and captured near here after he had eluded the vigilance of Canada's mounted police and posses of more than 200 southern Manitoba citizens. He had hidden in a strawstack.

After his arrest he confessed his name is Ed Davis. He told he escaped from the California penitentiary in 1902 with twelve other prisoners, after having served only eighteen months of a thirty-three year sentence for highway robbery. He is willing to return to California without the necessity of extradition rather than be taken to Manitoba. Canadian mounted police officials have been sent for Miss Price to identify the man who she says abducted her.

Pastor Admits His Theft.

Versailles, Ill., Sept. 18.—Rev. W. H. Walstrom, who has been supplying as a pastor of a church here, pleaded guilty in a justice court to a charge of robbing a restaurant. He obtained $30 in old coins and all of them were recovered. After bloodhounds had gone from the restaurant to the Walstrom home three times the Rev. Mr. Walstrom confessed.

Janitor Slain by Burglars.

South Bend, Ind., Sept. 18.—George Foster, aged fifty, janitor of the Varner building, in the heart of this city, is believed to have been murdered by burglars. A bullet wound near the heart revealed the cause of death. It is believed Foster either heard the burglars enter the building or met them as they came in.

JEWS IN FEAR OF MASSACRE

Shooting of Stolypin Part of Plot Against Them.

PREMIER'S ASSAILANT A JEW

Was Chosen to Slay Stolypin in a Plot Designed to Inflame Russians Against the Proscribed Race.

Kiev, Sept. 18.—Outwardly the Russian police are making extraordinary preparations to protect the great number of Jews in the southern part of the empire.

This was one result of Dimitri Bogroff's attempt to murder Premier Stolypin and his admission after the attempt that he had intended to seek the life of a "higher personage," presumably the czar.

Bogroff himself is a Jew. Investigation into the shooting of Stolypin indicates, the police say, that he was chosen to commit the assassination in a plot designed to inflame Russians against the Jews.

It is declared by the police that the shooting was the first attempt at a revival of the terrorism planned by the executive committee of a Jewish band of social revolutionists and Finnish revolutionists, recently federated.

Outbreaks against the Jews are feared as a result of the attempt on the life of the premier. Anti-Semitists are making capital out of the outrage. The Jews themselves do not believe the police theory and are wary of the police plans made for their protection.

While in Kiev university Bogroff joined the socialist revolutionary band, which intrusted to him in 1907 several commissions. He was selected, the police say, for the second attempt on M. Stolypin's life, but did not carry out his orders.

Instead he informed the police and betrayed a large number of his comrades, using the tactics of Eugene Azef, who in 1909 played the double role of leader of the revolutionary socialist party and political spy to gain the confidence of the police chiefs.

Premier Stolypin's life remains hanging in the balance, but it is believed he will recover.

BAD CHANGE IN STOLYPIN

Physicians Report Local Peritonitis and Rising Temperature.

Kiev, Sept. 18.—A bulletin announces that there had been an unfavorable change in the condition of Russian Prime Minister Stolypin, who was shot at the Municipal theater on Thursday night. There have developed symptoms of local peritonitis and an indication of an effusion of blood beneath the diaphragm. The patient's temperature was 96.9 and his pulse 80. Two hours later his temperature had risen to 98.6 and his pulse had risen to 104.

The bandages were removed at 10 a. m. and the mouth of the wound was found to be in a satisfactory condition. The bullet could then be felt under the skin and after the application of a local anaesthetic, the bullet was removed. The patient stood the operation well.

An Immense Flower.

The largest of all the flowers of the world is said to be the rafflesia, a native of Sumatra, so called after Sir Stamford Raffles. This immense flower is composed of five round petals of a brickish color, each measuring a foot across. These are covered with numerous irregular yellowish white swellings. The petals surround a cup nearly a foot wide, the margin of which bears the stamens. The cup of the rafflesia is filled with a fleshy disk, the upper surface of which is covered with projections like miniature cows' horns. The cup when free from its contents will hold about twelve pints. The flower weighs about fifteen pounds and is very thick, the petals being three quarters of an inch.—Scientific American.

Rhinoceros Horns.

The horns of the African rhinoceros sometimes grow to the length of four feet. In olden times rhinoceros horns were employed for drinking cups by royal personages, the notion being that poison put into them would show itself by bubbling. There may have been some truth in the idea, inasmuch as many of the ancient poisons were acids, and these acids would decompose the horny material very quickly.—London Telegraph.

DAIRYMENS' ASSOCIATION

On Saturday September 16 about 50 representative farmers met in session at the court room in Adrian for the formation of an association for the mutual benefit of the dairymen of Lenawee Co

C. H. Bramble was called upon to preside as Chairman and in turn called upon Frank Schiebel to act as Secretary,

Mr. Bramble then explained the purpose of the meeting, This in no wise affected the VanCamps Condensery as many thought it might. One point made by Mr. Bramble was that heretofore that the State Commission investigated the complaints of the factories which were never investigated at the instigation of farmers.

A committee was appointed to draft articles of Association and by-laws for the proposed organization, this committee was composed of C. H. Bramble, Fred Knox, Chas. Ward, H. W. Porter and Peter Short.

At the afternoon session the committee presented a draft of their constitution and by-laws which were accepted. There were 91 whose names enrolled on the book.

FATAL ACCIDENT

Mrs. Philip Kehoe, Died From the Effect of Burns Received From the Explosion of Her Gasoline Stove

About 12 o'clock Sunday Mrs. Philip Kehoe attempted to light her gasoline stove prepartory to preparing her midday meal. From some defect in the stove the gas exploded and she was so badly burned that death resulted at 5 o'clock Monday morning. She was conscious until nearly ten o'clock in the evening and her sufferings were intense. She finally became unconscious and passed quietly away.

Her body was frightfully burned and her clothing was completely destroyed the few remnants that were left being swept up in a dust pan.

Mrs. Kehoe was but 52 years of age and seemed in the best of health and her sudden taking away is a shock to her many friends who express their deep feeling.

She is survived by her husband, and little daughter, Irene, and a son by a former marriage, James Wilder of South Bend, a traveleing salesman for the Woolsen Spice Co. of Toledo, He was in Chicago at the time of the accident and arrived Monday morning to be met by the sad tidings of his mothers death

The funeral will be held on Wednesday at 9:30 at the Catholic church in Clinton where she was a faithful member. Rev. Father Krebbs officiating.

A large family of step-children mourn the loss of a faithful friend and mother.

Mrs, Francis Cash who is practicing law in Detroit, Sister Clemantine and Sister Christine members of the Immaculate Heart of Mary in Monroe now teaching at St. Vincents in Detroit, Mrs. Rose of Saginaw, Miss Agnes Kehoe of Petoskey, Miss Maggie, Andrew and Louis at home.

A SHOWER

Mrs. A. D. Fancett of Waterloo, Ind., and Mrs. Walter Eberly of Freemont, O, were spending last evening with Miss Lavi Snedicor in Brownville, and were surprised by a number of friends, who came bringing a supper for a crowd of 26, and giving Mrs. Faucett a bride of a few weeks a shower. Mrs. F. J. Temple made a pretty little speech, presenting several pieces of China. An umbrella was spread shedding a number of packages of linen and various rememberances, which caused much merriment and which will be happily remembered by all who were there.

OPENING OF THE BARGAIN BASEMENT SALE OF THE WEBSTER ANDERSON & CO.

Cry For Dish-pans.

The opening of the Bargain Basement Sale of the Webster Anderson & Co., Saturday was a grand success. At 7 o'clock in the morning people were lined up for the dish-pan sale, within ten minutes there were 216 dish-pans sold. Evidently every women in Tecumseh had made a firm resolve to wash her dishes in the future though it is presumed there were few dish-pans owned before this in town. Customers all through the day were anxiously inquiring for dish-pans.

The Webster Anderson & Co., will have another dish-pan sale in the near future.

About the center of the store there are broad easy stairs leading to the basement, which is brilliantly lighted and presents an attractive appearance. The room is 24x50, lined with shelving and the tables are of weathered oak, the ceiling and sides covered with cream colored beaver board, paneled with stripes of weathered oak.

The room contains all kinds of dishes, cut glass tumblers, sherbert glasses, fancy fruit dishes the Opalesant ware, everything for the kitchen, even the mouse was not forgotten as there were traps for him, the school child was not forgotten as there were pads, pencils ect. and many other things of interest to the buyer. This new departure adds much to the Webster Anderson & Co. store and will surely prove a success,

AUTOMOBILE ACCIDENT

Roger Anthony of Walkerville, Ont met his cousin, Raynor Bowen, in Detroit Saturday with his auto, and together they came home to Tecumseh for an over Sunday visit. Saturday night Roger went to the garage for gasoline, and while the tank was being filled it ignited from a lamp that was left burning.

For a few moment there was some lively work, and the fire department was called out After the flames had been extinguished it was found that the auto was quite badly damaged. It being estimated that $150 would no more than put it in order.

Mr. Chas. Anthony came from Walkerville Sunday and returned with the machine Monday morning.

That no damage was done to the garage, and that except for some severe burns on the feet and hands of Mr. Marsh, no one was seriously hurt, seems marvelous.

TRIBUTE TO CHARLES UNDERWOOD

The Church and especially the Official Board during the last Quarter has been called to mourn the departure of our brother Charles Underwood who while enjoying an outing at Wampler' lake, was suddenly called home to his eternal reward. We shall miss him as a brother and earmest worker. Therefore be it resolved that we express our deep sympathy and love to our Sister Underwood and our gratitude to God for his Christian life and character and his devotion to the church and his interest in all things good.

His kindly disposition manifested when in contact with the people will not soon be forgotten. We trust and pray that Christ will bless and comfort our Sister in this her hour of sorrow and bereavement.

IRENE L PANGLE

Died Saturday September 16 1911, Irene L. Pangle, infant daughter of Ed and Gertrude Pangle, aged 8 months and 18 days.

Only a little baby,
But oh the void in our heart
When we feel we have lost our dear one,
How the blinding tear drops start
And we wonder, how life can ever
Be bright as in days agone,
When we fondled our darling baby,
And thought her our very own,
But God in his wisdom has taken
The baby we held so dear,
And safe in the arms of the Savior,
She rests from all danger and fear,
And we, with our empty arms folded,
Are waiting the hour to come
When safe with our own precious darlings
We rest in our heavenly home.

MRS. JOHN J. HUBBARD

Mrs. Laura L. Hubbard, wife of John J. Hubbard, passed away at 9:55 p. m. Thursday, after an illness extending over a year, and for the last nine months upable to lie in bed, had she lived until Saturday the 16th, they would have been married 62 years. 45 years of this time has been spent in Tecumseh. She was 77 years, 10 months and 10 days old at the time of her death.

Her funeral was held Sunday after noon at the home, conducted by the Free Methodist minister, who spoke words of comfort and cheer to those who were left to mourn. She is survived by her husband, three sons and one daughter, two children having preceded her into the home above.

Her many friends have the consolation of knowing that Mrs. Hubbard was prepared to go and welcomed death as a release from suffering, and the the entrance into rest and peace.

Women and Banking.

The cashier of a bank which has many women depositors, in speaking of these customers, said that the stock stories about overdrawn accounts and ignorance as to bank methods had become pointless. Whatever may have been the case before, women give banks no more trouble now than men. "The woman who insists on drawing money when her balance has been exhausted because there are still blank checks in her book has disappeared, and in her place we have a woman who wants interest on her money and who knows what 'call money' means," said the cashier. Referring to the 'old kind,' be added: "One day we did have a real case. A woman rushed in, said she had, just figured up her account and found she was $500 short. Husband away—no other money—what could she do? She had brought jewels to leave as collateral security till he returned, and then we looked up the matter and found she had over $800 to her credit."—New York Tribune.

A Dance Without a Smile.

They have a singular kind of dance conducted on the greens of country villages in Russia. The dancers stand apart, a knot of young men here, a knot of maidens there, each sex by itself and silent as a crowd of mutes. A piper breaks into a tune. A youth pulls off his cap and challenges his girl with a wave and a bow. If the girl is willing she waves her handkerchief in token of assent. The youth advances, takes a corner of the handkerchief in his hand and leads his lassie round and round. No word is spoken, and no laugh is heard. Stiff with cords and rich with braids, the girl moves heavily by herself, going round and round and never allowing her partner to touch her hand. The pipe goes droning on for hours in the same sad key and measure, and the prize of merit in this "circling," as the dance is called, is given by spectators to the lassie who in all that summer revelry has never spoken and never smiled.

Wanted More Converts.

Southey in his life of Wesley relates the following whimsical incident. He states that some of the opponents of these religionists in the excess of zeal against enthusiasm took up a whole wagon load of Methodists and carried them before a justice. When they were asked what these persons had done there was an awkward silence. At last one of the accusers said, "Why, they pretend to be better than other people, and, besides, they pray from morning till night."

The magistrate asked if they had done nothing else.

"Yes, sir," an old man said. "An't please your worship, they have converted my wife. Till she went among them she had such a tongue, and now she is as quiet as a lamb."

"Carry them back; carry them back," the magistrate said, "and let them convert all the scolds in the town!"

Though some of us are poor, let us all be genteel.—Stevenson.

Hitches His Wife to a Plow.

Lisbon, O., Sept. 11.—Arraigned in probate court on a charge of hitching his wife to a plow and beating her because she failed to pull it, Jacob Zimmerman of near Wellsville, pleaded guilty and sought the mercy of the court. He was sentenced to ninety days in the workhouse.

Rev. G. N. Kennedy Speaks of His First Year Spent in Tecumseh

The Rev. G. N. Kennedy at the close of his sermon Sunday morning in a few but appropriate remarks reviewed his year in Tecumseh, not only in the Church but in the village. He spoke of the kindness, thoughtfulness and courtesy he had received not only from his own church members but of everyone with whom he had come in contact remarking that as far as he knew there had never been any but the kindest feelings.

He thought it unusal that in a years work there hadnot been anything to mar his work. Not only had this courtesy been extended to him but also to his family.

As far as he was concerned he expected to continue his work another year but would have to abide by the decision of the Conference. His remarks touched the hearts of all present for he has endeared himself to all since his pastorate here.

SOPHMORE'S ELECTED OFFICERS

Not An Experiment

Over a million of Cole's Original Hot Blast Heating Stoves used in America today. They have been proven superior to all other heating stoves by years of use by hundreds of thousands of users. They are in use in every state in the Union; in the homes of capitalists and wage earners, and the most enthusiastic testimonials are received at the factory of the Cole Manufacturing Co. at Chicago every day. Cole's Hot Blast is guaranteed to reduce the fuel bill a third over any lower draft stove of the same size. Guaranteed to hold fire from Saturday night until Monday morning. Guaranteed to give uniform heat day and night with soft coal, hard coal or lignite. Let us show you these stoves and demonstrate their marvelous points of superiority. (R-15)

Cole's Hot Blast Heater

It is without question the most economical heater made. The most "stay satisfactory" heater built. The heater you can depend upon to save fuel and give you steady, even heat, (comfort), for less money than any other—sold on a guarantee to save one-third or more fuel over any under-draft stove made—to hold fire from Saturday night until Monday morning with common soft coal—that the rooms can be heated for two hours in the morning with the fuel put in the night before.

Remember—over 60,000 of these heaters are sold every year and the trade is increasing.

Come in and see this best of all heaters. All sizes—price $12.00 and up.

Even, steady fire day and night with Cole's Hot Blast.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slighest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Alyesworth W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Otsego, Mich., Sept. 11.—William Allen, 16 years old, was shot and probably fatally wounded by his brother, Charles, aged 26. Whether the shooting was intentional officers have not been able to determine, but the older boy has been taken in charge by Marshal Wilson and will be held pending an investigation

Gun Explodes in Hands.

Mt. Clemens, Mich., Sept. 13.—William Welsch, a Sterling township farmer was seriously injured when a shotgun exploded in his hands.

Come Around and say "Hello" to me at the State Fair.

Cartercar

I am going to be out at the State Fair all week and every minute I will keep open house for the business men from the country.

I want you to come around and talk automobile with me.

I will have a complete line of the excellent Cartercars with me and will gladly explain all their good features to you. It will do you good to get acquainted with the Cartercar, and you will then understand how logical is its slogan, "The Car Ahead."

You will clearly see why they are the very best car for farmers and all other people.

Cartercars are designed and constructed for the men who want the highest quality at a fair price. They are not the "cheaper than walking" cars—neither are they for millionaire clubs" only. Cartercars are pratical cars for practicl men—and such men have long appreciated them.

For several years I have made close observation of the construction and the service given by the Cartercar Friction Transmission and I am firmly convinced that it is the only transmission that is suited absolutely to the needs of the farmer.

This transmission makes the Cartercar EXTREMELY EASY TO CONTROL. The driver has any number of speeds always at his command, easily and noiselessly controlled by one lever. This adapts the car especially to hilly and sandy country roads, for there is always a sure steady pull which will take you through.

The friction transmission has no gears the power being transferred by means of a friction disc and wheel. Their relative positions govern the speed of the car either forward or reverse. There is no clutch to slip—no gears to strip—and no bevel gears to howl. I know that you will enjoy these features greatly when you are driving over a quiet country road.

The Cartercar requires but little attention. The driving unit is as nearly perfect as can be. The transmission is so simple and strong that it cannot get out of order and the chain-in-oil drive will run for years without attention except oiling annually. The chain case is oil tight, keeping out all sand and grit, thus eliminating almost all wear on the chain.

There are no jars or jerks for the occupants of the Cartercar. The driver can stop the car—start it—change the speed from the highest to the lowest—or even reverse it without the occupants feeling the change.

In all kinds of tests, the hardest that could be imagined, the Cartercar has proven its worth and ability.

The Cartercar rolls along swiftly and noiselessly, brushing everything on the pike. It will take a 50% grade handily and on account of the strong brakes is perfectly safe coming down the other side.

In additions to the strong hub brakes the driver has at all times the friction reverse. The car can be stopped very quickly, making it extremely safe for anyone to drive. My wife and eight-year-old son drive our Cartercar all around Detroit and out into the country and they enjoy it fully as much as I do.

I know several men who bought some of the first cars we made six or seven years ago and THEY ARE STILL DRIVING THEM.

I am expecting to see you. Come around and shake hands with me whether you are thinking of buying or not. Maybe I can tell you some interesting things about automobiles—anyway it will be worth while to see this powerful, simple automobile.

Motorman Killed When Car Hit Wagon Near Pontiac.

FLINT BOY CRUSHED BY AUTO

Bride-Groom-to-Be Struck by Train Near St. Joseph, and His Bride-to-Be Is Prostrated—Hickory Corner Farmer Killed When His Horse Ran Away.

Pontiac, Mich., Sept. 11.—Herbert Lowe of Northville, motorman on a northbound Northwestern car, was killed at the David Dickie farm, just south of Orchard lake, when his car struck a farm wagon driven by John Deconick, son of Ed. Deconick, a well known farmer residing near there.

When the car struck the wagon, Lowe set the brakes and jumped, falling under the car.

Deconick was badly cut and bruised, but no bones were broken.

Lowe was a single man and boarded at Farmington.

Flint, Mich., Sept. 11—McClellan Berston, 19 years old, son of Neil J. Berston, local real estate dealer, met instant death in an automobile near Bay Port, on Long lake. The car turned over twice and Berston was pinned under the steering gear, the weight of the car crushing his life out.

In the car with him was Judd Copeland, son of the proprietor of the Bayport hotel. Copeland was thrown clear of the wreckage and escaped with minor injuries.

It is said Berston turned the corner of the main highway at a high rate of speed and the rear wheels went into the air, overturning the machine.

St. Joseph, Mich., Sept. 11.—The body of a bridegroom-to-have been lies in the local morgue here, terribly mangled and crushed beyond recognition. It is the body of Charles Polfus, a Dowagiac boy, who came here in anticipation of his wedding.

Polfus' body was found on the Pere Marquette tracks, less than a block from the home of his fiancee, Miss Emma Koch.

The couple were to have been married Saturday night, but the bridegroom-to-be went out for a stroll and never returned.

Miss Koch is prostrated.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R.V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No *honest* dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

OBITUARY

Lavan A. Bacock was born in Clinton, Lenawee County on Aug. 13 1851.

On July 4th 1885 he was united in marriage to Miss Addie Underwood and to this union two children were born, namely Earl H. now of Freemont, Mich., and Myrtle M. Babcock, of Britton.

For a long period of years the subject of our sketch was a resident of Britton, and held various offices, among them was postmaster under the appointment of Grover Cleveland for a term of eight years. Then for several years he has been the Ridgeway township clerk, and the office of township treasurer was held by him. The various offices held by him gave him a large acquaintance and his genial disposition unconsciously drew around him a large circle of friends.

Mr. Babcock had a great admiration for his home, and the advent of the children seemed to give added excellance to the home ties. The one great purpose of his life seemed to be to develope the highest type of manhood and womanhood in his children and to see them established in their life work before he died.

Mr. Babcock departed this life on Sept. 14, 1911 at the age of 60 yrs. 1 mo. and one day.

The funeral was conducted from his late home Sunday afternoon by the Rev. S. S. Main, and was one of the largest funerals conducted in the village in late years.

The floral pieces were most beautiful, among them was a floral tribute by the F. & A. M. of Tecumseh, one by the K. O. T. M., one by the L. O. T. M. M., one by the Business Men of Britton, one by the teachers of the Freemont, Mich., one by the Senior class of the same school), one by Mrs. H. Babcock of Tecumseh and one by the Underwood family. Burial at the Ridgeway Cemetary.

MADELINE FORCE IS NOW MRS. ASTOR

Couple Were Married By Providence, R. I., Preacher.

Newport, R. I. (Special).—Colonel John Jacob Astor, divorced multi-millionaire and head of the Astor family of America, was married Saturday to Miss Madeline Force, the 18-year-old daughter of Mr. and Mrs. Wm. H. Force of New York, at Beechwood, his Newport home. The officiating clergyman was Rev. Joseph Lambert of the Elmwood Temple Congregational church of Providence, R. I. The bride was given away by her father, Wm. Force

The officiating clergyman is reported to have received a $1,000 fee.

The nuptials were brief and simple. The girl-bride was the coolest member of the party. She went through her part of the ceremony with an air that seemed to some of the bystanders to be slightly bored.

According to the marriage contract, Miss Force received $5,000,000 as soon as the ceremony was performed.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. F. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

Starts on Cross-Continent Flight.

San Francisco (Special).—Robert G. Fowler, pathfinder of the first transcontinental airline in the world's history, started from the stadium in Golden Gate park Monday on the first lap of the long flight that will end on the edge of the Atlantic.

His first day's flight was from San Francisco to Auburn, 126 miles, and he arrived there without mishap.

There does not seem a chance that this human falcon will not sweep on triumphantly to New York to claim a prize of $50,000, to be awarded to the first airman to cross the United States.

THOS. H. CARTER PASSES BEYOND

Former Montana Senator Dies in Washington Home.

Prominent and Picturesque Figure in National Politics Is Gone—Widow and Two Sons Survive Him.

Washington, Sept. 18.—Thomas H. Carter, twice a senator from Montana and a prominent and picturesque figure in national politics, died suddenly at his residence, No. 1628 Sixteenth street, N.W.

Ex-Senator Carter had been seriously ill for a week before his death from impaired heart action.

Thomas Henry Carter represented Montana in the senate for twelve years. He first sat in the senate in 1895 and stayed there until 1901. He came back in 1905. He first came into national politics in 1892, when he was made chairman of President Harrison's Republican national committee.

Carter was of Irish ancestry. He was born in Junior Branch, Scioto county, Ohio, in 1854. His people were farmers, and young Carter worked with his father in the fields. In 1875 he went to Burlington, Ia., and studied law. From there he went to Helena, Mont., with his law books and the politicians first recognized him when he was made a delegate to congress from Montana, which was then a territory. When Montana was made a state, Carter represented it in congress, but was defeated when he ran for re-election. In congress he was known as a supporter of Speaker Reed, for whom he voted as speaker. Carter supported the silver bill of 1890 and was a stout advocate of the free coinage of silver.

At the close of the long session of 1890 Carter accepted the secretaryship of the Republican congressional committee. On March 20, 1890, Mr. Carter was appointed commissioner of the general land office.

Two years later when President Harrison was to run for re-election he was hard set for men to lead his forces and most especially did the chairmanship of the national committee prove hard to fill. The president's backers had the mortification of seeing eighteen men refuse the responsibility of that office. Things looked bad when such men as Henry C. Payne of Wisconsin, Joseph H. Manley of Maine, Samuel Fessenden, Garrett Hobart and Cornelius N. Bliss said that they did not see anything in being chairman, but finally some one found Secretary Carter and he said he could take the job and be pleased.

He was chairman of that committee for four years. In 1895 he went to the senate.

In those latter days in the senate, Carter was one of the Republican stand-patters and of great influence. It was his speech made at Helena a year ago July when he sought re-election that showed the warmth of his regularity. He boldly denounced the insurgents, praised the administration and said that Taft was one of the "broadest, kindliest and one of the ablest men" that the White House has ever known. He was the first western senator to come out so flatly against insurgency and his speech made a sensation, even though Montana had insurgent leanings at the time.

Senator Carter is survived by his widow, Ellen Galen Carter of Helena, whom he married in 1886, and two sons, John G. and Hugh Thompson Carter, both students in the art school of Georgetown university. The mother and sons were at the bedside of the senator when he died.

FILMS AID TO DETECTIVES

Said to Corroborate Statement That McManigal Photographed "Jobs."

Indianapolis, Sept. 18.—Employes of the detective agency which caused the arrest of John J. McNamara found a photographer's shop here where it was said O. E. McManigal had had a number of films developed.

The films, it is said, corroborated McManigal's confession, that he took pictures of the buildings and structures which he says he dynamited.

WOMAN STRUCK BY BOLT

Lightning Tears Her Clothing and Makes Big Hole in Ground.

Knightsville, Ind., Sept. 18. — Mrs. Peter Miller, aged thirty, formed a part of a circuit in the freaky course of a bolt of lightning during a thunderstorm. The bolt struck her home, tearing off the shingles, leaping to the porch and from there to a wire clothes line. Mrs. Miller was in the yard hanging out her washing.

The bolt tore the clothing from her body, riddling her shoes and entering the ground. A large hole was torn in the earth. Mrs. Miller was made unconscious, but soon rallied and was only slightly injured.

SEES PURE FOOD GAIN

Dr. H. H. Rusby Pleased Over Decision of President Taft.

New York, Sept. 18.—Dr. H. H. Rusby, the expert whose empolyment by the department of agriculture was the bone of contention in the Wiley case, is highly gratified at the president's decision clearing Dr. Wiley.

"I believe that we shall now see real progress in getting better enforcement of the food and drugs act," he said. "This better enforcement will come through co-operation of all interests concerned. We must have careful interstate inspection and the states themselves must co-operate with the federal government."

LUMBER MILLS SHUT DOWN

Owners Wage Fight in Louisiana and Eastern Texas.

Orange, Tex., Sept. 18.—By the end of this week more than forty lumber mills in eastern Texas and western Louisiana will have suspended operations for an indefinite period as a result of the contest that is being waged between their owners and the timber workers' brotherhood. Already thirty-seven mills are shut down, the number of laborers thrown out of employment being about 11,000.

The fight which the members of the lumber workers' brotherhood are directing is said to be due to the practice of the mill owners requiring them to patronize the mill stores.

WILSON MAY RESIGN

Effect of Taft's Exoneration of Dr. H. W. Wiley.

Fireworks Will Begin to Splutter When the Secretary Gets the Letter from the President.

Washington, Sept. 18.—A shakeup in President Taft's cabinet and a wholesale expurgation of the department of agriculture are promised as a climax to the executive exoneration of Dr. H. W. Wiley, pure food expert and chief of the bureau of chemistry.

When Mr. Wilson, who is at his home in Iowa, gets the letter Mr. Taft wrote him, the fireworks will begin to splutter. There are many who predict the veteran in charge of the farmers' branch of the government will resign.

Attorney General Wickersham is embarrassed by the Wiley decision, since he urged that the doctor be allowed to resign as the "condign punishment" which his conduct merited. However, the president left his chief law officer something to retreat to when he said that the attorney general had given an opinion in the case without having all the testimony before him.

That the days of McCabe, the solicitor, and of Dr. Dunlap, the assistant to Wiley, who preferred the charges against him, are numbered, is not doubted. The president will attend to them, it is believed, when he returns from his western trip.

ON THE EVE OF GREAT ELECTION

Canadian Politicians Finishing Strenuous Campaign.

SEEMS RECIPROCITY WILL WIN

Gains for Taft's Favorite Policy Are Expected in West, Where Agricultural Vote Is Greatest—Laurier Makes Vigorous Fight.

Ottawa, Ont., Sept. 18.—With the exception of the big Laurier meetings here today and in Montreal on Tuesday the reciprocity campaign is ended.

Laurier's majority in the last parliament was reduced from 45 to 43 at two by-elections at which Nationalists were returned, and so far as reciprocity is concerned was further reduced by the defections of Hon. Clifford Sifton, William German and Lloyd Harris, who announced their opposition to reciprocity.

It is conceded generally that reciprocity will make gains in the west. It looks as if the Liberals might gain one seat in British Columbia, at least one and probably two in Alberta and at least three and probably four in Manitoba. Very likely they will get the other seat in Saskatchewan. Careful considerations of the claims of both sides lead to the conclusion that reciprocity will win in thirty-six Ontario constituencies, a Liberal gain of one seat. Many Liberals make greater claims, but they do not appear to be justified.

Ontario, however, may be a big surprise to the opposition. The silent farmer, who has long looked with envy at the United States market, may be able to break away from his party for once.

Quebec, where Borden has left the campaign pretty much in the hands of his Nationalist allies, is relied upon by the Conservatives to return them to power and to destroy reciprocity and Laurier. Their claims of getting gains in Quebec do not appear to be sound. They lost one of the Quebec seats they relied upon by the fluke in the Two Mountains constituency. The Conservatives have a good chance of winning the St. Lawrence division seat in Montreal held in the last parliament by Robert Bickerdike.

The combined Conservatives and Nationalists in Quebec do not appear likely to win in more than eighteen of the sixty-five constituencies. This gives them a gain of five seats. In New Brunswick there is a chance for the government winning one of the two seats held by the Conservatives, but New Brunswick will probably return the same as before.

In Nova Scotia the parties will probably stand as before. Latest advices from there are that both Fielding, minister of finance, and Borden, opposition leader, may lose their seats. No change is likely in Prince Edward Island.

It looks like victory for Laurier and reciprocity, with 131 seats for the Liberals to ninety for the Conservatives and Nationalists, a reciprocity majority of forty-one. Fred Cook, ex-mayor of Ottawa, for many years correspondent of the London Times, estimates a Conservative and Nationalist victory with a majority of thirteen, based upon gains of nine seats in Ontario, one in British Columbia, one in Saskatchewan, five in Manitoba, twelve in Quebec, two in New Brunswick, two in Prince Edward Island and two in Nova Scotia.

AMUSEMENTS

B C. Whitney's famous Broadway success, "The Show Girl", laden with humor and wearing the mystic cap which R. A Barnett designed for her when the Boston Cadets brought her out, will smile upon the amusement seekers at the Bradley Opera House, Wednesday Sept. 27.

The Venetian Troubadours and "The Show Girl" have received careful attention, and money has been expended without stint on the costumes and scenery. A typical Whitney chorus, dazzling as to beauty and daintily arrayed, has been provided and a cast of principals said to be better then ever. The cast is heeded by the following well known metropoliten favorites:—Donna Marya, Harry Lorder, Jack Florence Ingersoll and those funny comedians Vernon and Clark.

SOUTHERN MICHIGAN LEAGUE

Bay City, Flint, Lansing, Kalamazoo and Saginaw were the moneymakers in the league this year, with Adrian just on the fence, but realizing something on the sale of Gilhooley Battle Creek and Jackson are the heavy losers There has been more money made this season than last despite the increase in salary limit. The Champs played to increasing crowds at their home town and Saginaw, last year a loser by $4,000, makes more money this season than any other club in the circuit. It would not be a bit surprising if Burkart came out close to $4,500 ahead The Kutina sale helped him, too. Flint was behind $3,000 in back salaries in July, but pulled out ahead, which makes Dr, A. J. Wildanger feel good.

Conan Doyle at His Best

The story-reading world seems to be unanimous in the verdict that Sir Arthur Conan Doyle is at his best in his Sherlock Holmes stories. THE CHICAGO RECORD-HERALD is now in the act of breaking another record by printing in its columns all the Sherlock Holmes stories ever written both short aud long, Some it has published in the past, but many of the best are still to come. It is the only paper in Chicago now running Sherlock Holmes stories.

THE RECORD-HERALD has only recently begun on the "Memoirs of Sherlock Holmes," a series of thirteen of these famous dective tales. The stories, which have been appearing only on Sundays, are now to run right along through every day of the week until completed. This series is to be followed by two long Sherlock Holmes serials—"A Study in Scarlet" and "The Sign of the Four." Many persons are taking advantage of this chance to read the world's best detective stories.

Sherlock Holmes has the honor of being the most widely known character in fiction. The fascination of his adventures and of his marvelous detective powers is felt by all classes of readers, You can always find some of the best popular fiction of the day in THE RECORD-HERALD, but this Conan Doyle series is something out of that enterprising paper.

China as a Bluffer.

Professor Ian C. Hannah in his book, "Eastern Asia—A History," says that taxicabs, or, rather, automatic registers attached to horse cabs, were invented about 630 A. D., during the Tang dynasty in China. In his opinion the Chinese empire is "the greatest bluff in the world," and it suggests to him a very ancient Chinese fable, which he relates.

A monkey was captured by a tiger. He whined that he was thin and his flesh of poor taste, but he knew of a fine fat donkey for the tiger. The tiger consented to be led to where the donkey was tied. When the donkey saw them coming he was frightened, but recovered his composure and bawled in his masterful donkey voice:

"Monkey, you used to bring me two tigers. Why only one today?"

The tiger did a record hustle back to the jungle.

China, says Professor Hannah, has shown much of that donkey's resourcefulness in its history.

A Steady Watch.

"Henry," said Mrs. Gloonip at dinner, looking down at her watch, but speaking to Mr. Gloonip on the other side of the table, "my watch hasn't varied a second in a week"

"Remarkable!" said Mr. Gloonip "How did you get it to vary so little?"

"I broke the mainspring."

ALFRED JAMES ONE OF TECUMSEH'S OLDEST CITIZENS

A very fine cut of our fellow-townsman, Alfred James, appeared in a late issue of the Adrian Telegram, with a short history which was interesting to us all

Mr. James has been a resident of Tecumseh for 65 yrs. coming here when it was little more than a hamlet. He has been honored with everything in the way of public offices and has been on our streets in a business capacity up to the presect time, and though 80 yrs. of age, he is as busy as any man on the street.

ACCIDENT

Monday afternoon what might have been a very serious accident, occurred at the home of Jonah Waldron. The men were engaged in filling a Silo, and the engine frightened a span of horses that were hitched at the gate. When they started to run Harry Waldron seized them by the heads, and was unable to let go, when danger most threatened him. The horses ran into a telephone pole breaking it twice, into wire fencing where they separated, one horse returning later with the wagon. Harry was thrown some distance, and was picked up in an unconscius state, he received a bad scalp wound that required several stitches. The last report was to the effect that he was quite comfortable considering his shaking up.

JOLLY 16

The Jolly 16 met with Mrs. Wm. Powell and Mrs. Oscar Lidke on Thursday evening. There were 5 tables and 10 games were played. Mrs. Chas. Deery won 1st prize and Mrs. Wm. Barrett 2nd. At the close of the games refreshments were served, and a social visit enjoyed by all, Mrs. Minnie Boland of Adrian, was the out of town guest. The Club will meet in about two weeks with Mrs. Fred Aldrich.

Curious Justice.

A Paris contemporary gives us a glimpse of the administration of justice among the natives in the Lower Niger territory, which for its efficacy might be compared with Swift's account of the means adopted by judicial authorities in Laputa, we believe, to discover conspirators. If a native is accused of theft the heads of the village make a decoction of herbs and put into the essence about a grain of ground pepper. The liquid is then lightly applied to the eyelid. If the suspect weeps he is considered guilty. But the murder test is an improvement upon that of theft. The "wise man" of the district draws a vessel of water, into which he puts some poison. Then he takes a cow's tail and "asperges" the eyes of the supposed assassin. If the man becomes blind he is pronounced a murderer.

For Testing Gold.

The acid used by jewelers for testing gold is extremely powerful and has to be very carefully handled. To prevent any considerable quantity of the acid being spilled a specially constructed bottle is employed. The stopper of this is made of glass and contains a long pointed glass rod which passes down the center of the bottle. When an article of jewelry is to be tested the stopper is simply removed, and the article is touched with the point of the glass rod to which a very slight quantity of acid has adhered. Gold is not affected by the acid, but imitation metal turns green.

One Way to Arbitrate.

Commodore Vanderbilt used often to arbitrate his tenants' disputes, and one day two farmers called on him in his function of arbitrator. The commodore before consenting to act put to the first tenant the necessary question:

"Now, Henry, if I consent to arbitrate will you abide by my decision?"

The farmer, a hard headed old fellow, answered thoughtfully:

"Well, commodore, I'd like to know what it is first."

A Cruel Apologist

"Mr. Higgins takes himself very seriously," said the critical young woman.

"Well," replied Miss Cayenne, "you can't blame him. To be thrown into a cruel world with no more brains than he possesses would be a serious matter for anybody."—Washington Star.

He is best known as the Father of the Prohibition Party

Jewish Newyear

Saturday September 23 is the Jewish New Year or Rosh Hashanah with the exception of Yom Kepper this feast is the most solemn of the year. Like all Jewish feasts and holidays it begins at Sundown.

The principal ceremonies are observed the first day of the year though by the Orthodorx Jew it is preceded by several days of prayer and are continued until the Day of Atonment, ten days after the New Year. According to the Jewish Callender this is the year 5672, An ancient custom which is generally observed is the blowing of the shofar at sunset Friday eve as a call to awaken the the conscience if those who have grown listless.

"Generally debilitated for years Had sick headaches, lacked ambition, was worn-out and all run-down. Burdock Blood Bitters made me a well woman."—Mrs. Chas. Freitoy, Moosup, Conn.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Alyesworth W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States,

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. F. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

MICHIGAN NEWS NOTES.

State Matters of Interest Condensed For the Busiest Readers.

Port Huron—The special session of the Great Camp, Knights of the Modern Maccabees, began in this city on Tuesday.

Port Huron—Jack Beebe was seriously injured about the head in an explosion of a boiler on a steam yacht on which he was working.

Hastings—Earl Fuller of this city has been sentenced by Justice Kidder of Nashville to the Detroit work house for violating the local option law.

Port Huron—The fall session of the Detroit Presbytery, which embraces all the United Presbyterian churches in Michigan, opened in Port Huron Tuesday.

Pontiac—Harry Bushnell, charged with the shooting of William Tate, was arraigned in circuit court here. He pleaded not guilty. Bail was fixed at $10,000. His case will be taken up this week.

Niles—Residents of Paw Paw, who asked for an injunction to put a stop to Saturday night dances at the lake will have their requested granted. Judge Collidge will issue the injunction.

Petoskey—Gordon French, 60, a well known resident, ended his life here by running a butcher knife completel through his throat, dying before a physician arrived. His mind was temporarily affected.

Saginaw—After Judge Gage in circuit court had sentenced him to serve a year in Jackson prison for burglary, Albert Fisher said he was glad of it and that he might just as well be there as any place else.

Lansing—Secretary A. C. Carton of the public domain commission has received an invitation to attend the national conservation congress to be held in Kansas City, the last of this month and to appoint five other delegates from Michigan.

Saginaw—The Cook Development Co., which is harnessing the Au Sable river for power, announces that work will be commenced immediately on the second dam in the river. It will be 10 miles above the first and will produce 10,000 horsepower.

Pontiac—Arrested on complaint of his sister-in-law, Mrs. George Quick who informed the officers that he was selling liquor without a license, Charles Quick pleaded guilty in the circuit court here Monday and was fined $250 by Judge Smith.

Pontiac—As the result of a conference between the members of the Young Men's Bible societies of the different churches of the city a general meeting will be held in the court house this week to decide on whether or not to start a local option fight in this country.

Saginaw—A heavy rain and wind storm swept over this section of the state Monday. Telephone and telegraph wires were blown down. The storm started in the vicinity of Ludington, and moved east, Ionia and Port Huron both reported heavy rain and wind.

Lapeer,—Pearl Haskins was badly injured in a runaway accident here. She was out driving with Mrs. Geo. Scrimger and Edwin and Edna Scrimger. He had been last seen on his way to a large vat in the Imperial Oil refinery, where he worked. After a long search, his body was found, floating perpendicularly in the tank. He was subject to fainting spells.

Croswell—Hawkins Moore, 73 years old, and Purl Hall, aged 42, were badly burned in a fire in a garage here. Hall was repairing a car when his son Frank put a lighted match near the transmission. Oil in the machinery instantly took fire. A large can of gasoline standing on the seat of the car was snatched by Hall. It took fire and he ran out doors with it and into Moore. The burning gasoline was spilled on the aged man's head and shoulders. His clothing took fire and he would have burned to death but for timely assistance. Both men are expected to recover.

THE HEART

If the blood is poor and filled with the poisons from diseased kidneys or inactive liver, the heart is not only starved but poisoned as well. There are many conditions due to impure blood—such as dropsy, fainting spells, nervous debility or the many scrofulous conditions, ulcers, "fever-sores," white swellings, etc All can be overcome and cured by

Dr. Pierce's Golden Medical Discovery

This supplies pure blood—by aiding digestion, increasing assimilation and imparting tone to the whole circulatory system. Its a heart tonic and a great deal more, having an alterative action on the liver and kidneys, it helps to eliminate the poisons from the blood.

To enrich the blood and increase the red blood corpuscles, thereby feeding the nerves on rich red blood and doing away with nervous irritability, take Dr. Pierce's Golden Medical Discovery and do not permit a dishonest dealer to insult your intelligence with the "just as good kind." The "Discovery" has *40 years of cures* behind it and contains no alcohol or narcotics. Ingredients plainly printed on wrapper.

Dr. Pierce's Common Sense Medical Adviser, is sent *free* on receipt of stamps to pay expense of wrapping and mailing *only*. Send 31 one-cent stamps for the French cloth-bound book. Address: Dr. R. V. Pierce, Buffalo, N. Y.

WASHING AWAY THE LAND.

Erosion of the Drainage Basins of the United States.

Investigations by the United States geological survey of the erosion of numerous drainage basins of the United States show that the surface of the country is being removed at the average rate of about an inch in 760 years. Though this amount seems trivial when spread over the surface of the country, it becomes stupendous when considered as a total or even in separate drainage basins. The Mississippi river, for instance, carries annually to the sea 136,400,000 tons of dissolved matter and 340,500,000 tons of suspended matter, and of this total the Ohio river carries [illegible] tons and the Missouri river contributes more than twice as much. The Colorado river, which has built up for itself a vast delta, brings down more suspended matter than any other river in the United States, delivering annually 387 tons for each square mile of its drainage basin or a total of 100,740,000 tons.

The rivers of the United States carry to tidewater every year 270,000,000 tons of dissolved matter and 513,000,000 tons of suspended matter. This total of 783,000,000 tons represents more than 350,000,000 cubic yards of rock or 610,000,000 cubic yards of surface soil. If this erosive action had been concentrated on the isthmus of Panama at the time of American occupation it would have excavated the prism for an eighty-five foot level canal in about seventy-three days.

A FAMOUS DWARF.

Borulwaski, the Pole, Was Handsome, Scholarly and Witty.

A notable dwarf, who had a long lease of life over parts of two centuries—he was born in 1739 and died in 1837—was Borulwaski, the Pole, of whose debut an interesting tale is told. As a boy of fifteen, when he was just one inch higher than a two foot rule, Borulwaski was presented to the Empress Maria Theresa, who was so charmed by his good looks and grace that she seated him on her lap and gave him a hearty kiss. To the queen's question as to what he considered the most interesting sight in Vienna the dwarf replied, "What I now behold, so little a man on the lap of so great a lady." This speech rendered the little fellow a great favorite.

He became a special favorite of Stanislaus II., who took him to England and introduced him to George III., and for more than half a century Borulwaski made his home at the English court.

This dwarf, who at his tallest was a yard and three inches, had a sister whose head just reached her big brother's shoulders. Borulwaski was not only a handsome and courtly man, but a scholar of repute. He lived in five reigns, and when he died, lacking only two years of reaching the century mark, he was laid to rest in Dunham, side by side with the Falstaffian Stephen Kemble.

A Dark Smoke.

Funny thing about smoking! If a man were compelled to puff a good cigar with his eyes shut the operation would lose its zest. A man who had undergone a slight operation upon one of his eyes had to stay in a darkened room for a week with his optics bandaged. After a few days his doctor told him he could take a gentle smoke if he liked. He jumped at the chance and to his amazement found it afforded not the slightest pleasure. To be sure, men often smoke in the dark, but there's always the rosy glow of the lighted end to be seen and the faint outline of the cloud of smoke in the air. There's no more fun in a sightless smoke than a saltless egg or a kiss implanted upon your own hand. What's the psychology of it.—New York Press.

The Catastrophe.

"Did you hear about the catastrophe down at the Browns' last night?"

"No. What happened?"

"Why, Mrs. Brown gave the baby a bottle to play with, and while she was in the kitchen it fell out of the crib and broke its neck."

"What, the baby?"

"No; the bottle."

DOWNING STREET, LONDON.

It Bears the Name of a Clever Man From Massachusetts.

Downing street, London, where are the British colonial and foreign offices and the official residence of the first lord of the treasury and where cabinet councils are held, perpetuates the name of a clever man from Massachusetts. Those were the days before the Fourth of July had any significance in American annals, and George Downing, the first scholar in the first public school in Massachusetts and the first graduate sent out by Harvard college, came to England and became a chaplain in Cromwell's army.

By a remarkable stroke of fortune he was sent to represent England at The Hague when Europe was trembling before Oliver, and during three distinct eras in England's history he held the office of British ambassador at the Dutch court. He was as popular or as clever under the Merry Monarch as under the protector and the commonwealth, and it came to pass in the reign of Charles II. that the man from Massachusetts was granted a great tract of land at Westminster, where he built huge mansions and laid out Downing street.

To this day Downing's street is Downing street still, and, though George Downing is forgotten, there is no name in the British empire which is more familiar to us than his.—St. James' Gazette.

GREEN TURTLES.

The Youngsters Have a Perilous Time After Being Hatched.

Concerning the great turtles of the southwest Indian ocean a traveler says: "The chelonian, or green turtle (Chelone mydas), is an animal of considerable economic importance to the atoll, for it still occurs in the vast hordes which are so often described by early voyagers in the tropics. There appear to be two distinct groups—one resident and small in numbers, the other migratory and visiting the atoll to breed in numbers impossible to estimate.

"The latter arrives in December, and from then to April the sea seems alive with turtles. The females seek the small sand beaches and then ascend them with the rising tide, pushing themselves laboriously above high tide mark. Holes are then dug in the sand by means of the fore flippers until a satisfactory one is obtained, and the eggs, 200 in number, are buried, the turtle returning to sea immediately.

"After forty days the eggs hatch almost simultaneously, and the young turtles dig their way up out of the sand and go down to the sea in a long procession, in the course of which they offer an easy prey to their enemies, the frigate birds and herons. Once in the sea, sharks and other large fish eat them, and only 10 per cent reach maturity."—Chicago News.

Royal Oak—Dolly Hill, 18, charges Harry Kyroskie, 50, a farmer residing on an adjoining farm, with assault with intent to murder. She says Kyroskie came to her home and fired 10 shots at the house, one of which came through a window into the room were she was sitting. There has been trouble between the two families, she says.

Niles—Niles private hospital, owned and conducted by Dr. Z. L. Baldwin, has been ordered by Judge Coolidge to close its doors permanently on or before Aug. 31. The hospital makes a specialty of tuberculosis patients. It is in a residence district and for three years residents of the locality have been trying to close the hospital as a nuisance and menace to public health.

Saginaw—John Stingel, head of the firm of Stingel Bros., meat packers and dealers, killed himself in his meat market by cutting his throat with a knife. Stingel sharpened a big butcher knife and went into the huge icebox. His absence was noted when an employe entered the cooler and found him dead. The firm recently filed a petition in bankruptcy in the United States court in Bay City.

Hastings—While Levi Cross, 70, prominent resident of Prairieville, was stopping with his brother-in-law, O. England, at Gun Lake, he and England took drinks from a bottle they though contained whiskey. One swallow was enough for England, who drank last. An hour afterward Cross fell over. A doctor discovered the man had drank chloroform. Cross died three hours later.

She Needed Them All.

There are over 200,000 words in the English language, and most of them were used last Sunday by a lady who discovered after coming out of church that her stunning new hat was adorned with a price tag on which was written, "Reduced to $2.75."—Norborne (Mo.) Leader.

What's the Matter With Thomas?

There are some names which seem peculiarly suited to royalty; Louis, for instance, has a kingly sound. Francis, George, Henry in both spellings, Charles, William, Edward and James all have served their turn. Johns there have been, and Stephens. I remember a Robert in Sicily and a Peter in Russia and Servia. Frederick has often worn the crown, and royal honors are even now paid to Ferdinand in Bulgaria. But was there ever, anywhere, a king named Thomas? Oscars and even Haakens ascend the dais, but ever through all the centuries Thomas remains the subject, sometimes struggling up to a bishopric or an earldom, but never attaining the crown. Nicholases wear the imperial purple; Godfreys lord it over Jerusalem; Alexis struts in ermine; Alexanders fare forth to conquest; Julius and Leo don the triple crown, but Thomas, poor plebeian Thomas, has never a crown to his name. Now tell me, you who are wise in the occult influence of names, what is the matter with Tom?—London Idler.

MINED THE ROAD.

The Volunteers Wiped Out the Foe, but It Was a Sad Story.

"I can tell you the saddest thing that happened during the whole war," said an old negro to a group of listeners. The story was this. One night it was reported that the town was in peril of attack from the enemy, and the fighting forces were quickly mustered. One of the volunteers conceived the idea of mining the road and touching the fuse in time to annihilate the foe. There was plenty of powder, and the scheme was adopted. The rest of the defenders stood some on one side of the road, some on the other, ready to discharge their rifles into what might be left of the assailants.

The day passed without incident, but as the night wore on the strain of the situation began to tell on the nerves of the defenders. Presently, however, there was the sound of hoofs on the highway, approaching rapidly. Such was the state of mind of the defenders that the sounds appeared to indicate the coming of a mighty cavalry force. It was a terrifying moment. A vivid flash lighting up the scene as the first horseman reached the spot told that the mine had been exploded and it had done its work. There was not a vestige of an army to be seen when the smoke cleared away excepting the scattered fragments of a big black mule.

The party laughed as the old man concluded his tale. "That's a good enough story," said one of them, "but what was there so sad about it?"

"It was my mule, sah!" was the old negro's pathetic reply.

A Battle of Languages.

Three or four languages strove for mastery in ancient Gaul, which is now France. German was spoken by the 12,000 Frank invaders. Popular Latin was spoken by 6,000,000 Gallo-Romans. Literary Latin was the language of the church and of literature. Low Latin was afterward the language of the administration. German was the first to succumb. In four centuries it ceased to be understood by the soldiers, and in seventy years more it had become an object of ridicule. But it survives in more than 900 words, expressing the things of government, law and war, and thus forms no insignificant part of the French language.

THIRTEEN KILLED IN RAIL WRECK

Fast Train Strikes Hayrack Load of Merrymakers.

DISASTER AT NEENAH, WIS.

Young People Are Singing as They Distance of Train Makes Distance of Train Made Them Safe.

Neenah, Wis., Sept. 25. — Thirteen persons were killed—ten instantly—and nine others seriously injured at 3:15 a. m. when a Northwestern passenger train struck a hay rack filled with Menasha merrymakers at a grade crossing on the southern outskirts of this city.

Of those not killed instantly, two died on the way to the hospital and one fifteen minutes after reaching the hospital. The casualties follow, all but three being from Menasha:

The dead: James Drill, Chicago.
Gustave Finn, Oshkosh.
Mrs. Gustave Finn, Oshkosh.
Frank Siegert.
John Hardt, died on way to the hospital.
Agnes Zabatchsky.
Joseph Shedgck, died in fire department hose wagon on way to the hospital.
John Shedgck.
Stephen Fox.
Celia Rentz.
John Domnickomnachinski, died shortly after reaching the hospital.
Joseph Sodolsky.
Anna Sodolsky.

The injured: Herman Syring, Amanda Syring, Edward Goronski, Felix Nix, Joseph Orymiel, Benjamin Dombrowski, Benjamin Ramnek, Anton Brezinski, Mrs. Anton Brezinski. Of the injured two will die and others are probably fatally injured.

The thirty young people were returning from a dance at the home of Peter Hanson, who lives on the road to Oshkosh, and they were singing as the big hayrack was pulled up the slight incline to the Northwestern crossing, a mile south of the station, in this city. The next instant the speeding passenger train, bound for the north, had ploughed through the rear end of the big farm wagon, and twenty-two of the thirty occupants were scattered for 200 feet along the railroad right-of-way, dead, dying or dangerously hurt. Those who were seated in the front of the wagon escaped almost without bruises.

"I thought I had plenty of time to cross the track ahead of the train," groaned Peter Hanson, who was returning with his guests of the evening, "and when I started to go down the hill on the far side of the track I was so sure the train was still a considerable distance away that I even checked the horses to go down the incline slow. Then the train tore off the wagon, just back of the driver's seat."

While the fast passenger train was being brought to a stop a couple of hundred yards from the scene of the crash one of the survivors had rushed to a fire alarm box near the grade crossing and pulled the alarm. The fire department responded with all the apparatus in the city and the injured were soon being hurried to Clark hospital. Automobiles were summoned when the fire department hose wagon passed the business district.

The dead were frightfully mangled. Six corpses were taken from the pilot of the locomotive.

The members of the party were nearly all young people employed in the mills about Neenah. The oldest, except the driver, were two young married couples. One young bride and bridegroom died together. A brother and sister are at the Clark hospital dangerously injured. Two brothers were killed, one instantly, the other not living long enough to reach the hospital. Another young man and his wife are at the hospital together, neither one informed of the condition of the other.

BRIDEGROOM FOUND DEAD

Hangs Himself After One Day's Experience as Married Man.

Connorsville, Ind., Sept. 25. — Emmett Jobe, aged thirty-one, a bridegroom of one day, hanged himself in his barn, half a mile south of Alquina. He was a well-to-do farmer, was married to Miss Charlotte Murphy and they went to the farm to begin housekeeping.

On being missed search was made and Jobe was found hanging in the haymow. He left no note in explanation of the act, and the cause is a mystery.

Struck by Automobile.

Lafayette, Ind., Sept. 25.—Gus Bonner, a meat dealer, was struck by an automobile here and so badly hurt he will probably die. Mr. Bonner is sixty-five years old, and has conducted meat markets in Lafayette for nearly half a century. He was crossing the street when a touring car struck him, throwing him to the pavement and producing concussion of the brain.

OPERATION FOR KIMMEL

Knife May Help Clear Case of Man of Mystery.

Cousin, Mrs. Minnie Hess of Berrien Springs, Convinced He Is No Impostor.

Niles, Mich., Sept. 25. — George A. Kimmel, the Niles "man of mystery," will go to Chicago this week and be examined by a specialist. Former friends, who are convinced the man is Kimmel, have subscribed $500, which will be used to defray the expense of an operation on the man's head if it is necessary.

Kimmel has undergone a severe strain during the last few days and is near a nervous collapse.

Mrs. Edna Bonslett, the real Kimmel's sister, who resides in Chicago, and in whose favor the $25,000 insurance policy is made, has not attempted to identify the man who claims to be her brother, although she has been asked many times to come here for that purpose, it is said.

A government agent endeavored to submit Kimmel to a physical examination. He was denied the privilege by Harry L. Fox, at whose home the man is stopping. The government is working on the theory that the unidentified person is one Rhodes, an army deserter, who disappeared from the barracks at Macon, Ga., in 1898.

Evidence of the identity of "Kimmel" was furnished by Mrs. Minnie Hess of Berrien Center, Mich., who is a cousin of the real Kimmel, and who was closeted with the man for an hour.

"After a personal interview, I am thoroughly convinced he is the man he claims to be," said Mrs. Hess.

Correspondent of This Paper Views Bottom of Vessel as It Stands in Cofferdam, So Information Is First-Hand.

Havana, Sept. 25. — The cofferdam about the wreck of the United States battleship Maine, sunk in this harbor the night of Feb. 15, 1898, has been pumped out more than ever before and the cutting away of the wreckage reveals the double bottom of the ship with part of the keel standing in a perpendicular position some twenty-eight feet higher than the natural position.

This perfectly confirms the report and testimony which Commander Powellson gave before the investigating board. The report made by Powellson was based upon the reports made to him by divers just after the explosion.

Your correspondent saw the bottom of the vessel as it stands supported in a perpendicular position by stanchions. The lowest, or platform deck, is in the position described, in an upheaved mass above the submerged bow. The position of this part of the bottom indicates that what is now the highest point naturally occupied a position at about frame 18, suggesting that there was an explosion of a mine under the part of the ship, say about midway between the stem and the midship section.

The explosion there broke the ship into two parts, throwing part of the ship, including the conning tower, toward the stern, the conning tower falling on the superstructure on the starboard side whence, in cutting away the wreckage, it has been allowed to settle to the main deck, slightly forward of the after turret, which is on the port side or opposite to the side on which the explosion took place. Other portions of the superstructure were thrown forward, falling upon the forward deck.

The double bottom, as stated, is standing in a perpendicular position above frame 10. It is a confirmed belief that such a tearing of a ship's bottom could not have been produced by an interior explosion. It is further said that no regulation military mine could have wrought such terrific havoc. It must have been a huge mine as Captain Sigsbee and others suggested at the time, perhaps a sugar mill boiler or a large cask loaded with explosives.

Members of the Maine board, including Rear Admiral Capps, are reticent in regard to the discovery and will not confess that it is an important one, but any one with eyes can see the upheaved bottom and guess its meaning. It destroys all reasonable doubt as to the blowing up of the Maine by a mine.

Will Kill All Rich People.

Monterey, Mex., Sept. 25. — The bandit, Zapata, has issued a manifesto in which he says that it is his purpose to kill all of the rich people in the country, particularly the Spaniards. He is in the vicinity of Chetla, state of Puebla, and has a large force of armed men under him.

FATAL CIRCUS FIGHT

Shooting Affray in Crowded Tent in Oklahoma.

One Man Objects to the Authority Exhibited by a Special Officer and Trouble Starts.

Madill, Okla., Sept. 25.—Tom Rorie, liveryman, and L. L. Reed, carpenter, dead; T. O. Thomas of Kingston, Okla., and a youth wounded are the net results of a shooting affray in a crowded circus tent here.

Rorie, it is stated, objected to Reed's show of authority—Reed had been deputized as a special officer for the day—and a dispute culminated in both men drawing weapons. A fusillade of shots followed, Rorie and Reed falling mortally wounded and others of the bullets hitting Thomas and the youth, bystanders. Thomas is dangerously wounded.

Reed earlier in the day was arrested charged with boisterous conduct. When the shooting began the spectators made a wild scramble to leave the inclosure. Beyond minor bruises, however, none was hurt.

ZBYSZKO IS COMING

Polish Wrestler Expects to Secure Match with Frank Gotch.

New York, Sept. 25.—Zbyszko, Polish wrestling champion, will come to the United States next month on his third visit to America. His manager declares the Pole has every expectation of securing a match with Frank Gotch and returning to Europe with the world's title.

"On his behalf I challenged Gotch in Chicago on Labor day," said the manager. "And as Zbyszko is the logical candidate for a match, it is difficult to see how the champion can ignore him."

TAG DAYS

During three days of the County Fair at Adrian Sept. 27-28-29 Tags will be sold for the benefit of the blind and crippled children, now in the care of the Michigan Children's Home Society, Recieving Home and Hospital located at St. Joseph, Michigan.

What this Society has done for the normal child—about 1200 having been cared for and placed in good homes in Michigan, was extended to a class more unfortunate, about six years ago namely, the blind and cripple, whose only shelter provided by the state was a County Poor House,

This Society gives the unfortunate child medical and surgical care, in many cases restoring them this means a good home for the child, will you help this great work by buying and wearing a tag?

Ladies, girls and boys will offer these tags for sale, meet them with a smile and be be as generous as possible, helping in the greatest philanthropy in Michigan.

BRITTON SORGHUM MILL

A Sorghum mill is an interesting place just now when the present price of sugar is considered And a representative of the Herald, while in Britton had the pleasure of being shown through the plant at that place. A force of ten men were busily engaged in the work of feeding the sugar cane through a large press which extracted the juice the liquid being of a peculiar green color this is placed in large vats and boiled by means of coiled steam pipes and is then run off into five gallon cans, and is then ready for the market, retailing at 70c per gallon,

The sugar cane season lasts about six weeks, the out put of this mill being from 7000 to 9000 gallons,

This mill has been been run by C. D. Zeluff for the past five years. It was formerly known as the Gripton mill.

Sorghum is used extensively in the south not only to give class to the festive flacp jack but also to sweeten liquids, and no doubt will become popular in this locality if sugar continues to soar in price.

OBITUARIES

ELLA PAULINE SNYDER

Ella Pauline Snyder, daughter of Mr. and Mrs Ben Snyder passed away Monday morning at 12:45 after a long illness.

For many months she kept at her work in Detroit hoping again'st hope that she might be better soon, but in the spring she came home, and has gradually grown weaker, until tired nature gave way, and death came as a welcome guest. Pauline was 26 yrs. old and is survived by her parents and three sisters and three brothers, who mourn her early death.

MRS. F. M. WILLIS

Mrs. Fannie M. Willis, formerly of Tecumseh, died at the home of her daughter, Mrs. Sarah Stettler at Los Angeles, Calif., Thursday morning, Sept. 21.

Mrs. Willis will be best remembered as Mrs. Ebenzer Thorp, and by her girlhood name of Fannie Bayliss a daughter of Thomas Bayliss and wife who were for many years residents of Tecumseh, and were laid to rest in Brookside many years ago.

Mrs. Willis' daughter, Mrs. Annie Thorp-Cilley of Dundee, who has been with her mother for several months, accompanied the body here for burial. The funeral being held today, with burial in Brookside.

MRS. L. MONTGOMERY

Olive Chatterdon was born in Tecumseh Sept 19, 1835 and died Sept. 18, 1911 one day previous to her 86th birthday Her life was spent on the farm where she was born until her marriage May 1859 to Lyman E. Montgomery, then a clerk in the employ of Ward & Tribou. Two years later they purchased the home in which she died, after a continuous residence of over 50 years. She was the last member of a pioneer family.

An invalid for over 20 years, the last five of which she was entirely help less. Only those who saw her in her own home knew her strength of character and the patience and sweetness with which she bore the intense suffering of years. Her children and the friends of the home will cherish the memory for long years to come.

Two children are left Mrs. Harriett Britton, who has been the mother's companion and Charles W. Montgomery of Union City.

The funeral was held Wednesday from the home. The attendance of friends and wealth of floral gifts were strong testimonials of esteem. She was laid to rest in Brookside beside the husband and father, who died in 1888.

CARD OF THANKS

To the neighbors and friends who showed us so much kindness and sympathy and sent such beautiful floral offerings, we wish to express our thanks and appreciation.

Mr. and Mrs. Ed. Pangle
and family.

AUTO ACCIDENT

Auto Turns Turtle With Load of Young Folks

Sunday about 4 o'clock as Howard Evans with a load of young friends were out for an auto ride coming from Tipton to Tecumseh on the top of Waldron's hill the machine skidded the tire coming off one wheel which was smashed and the auto turned once and a half over. The occupants were thrown out, Paul Schaderwald was the most seriously injured having one leg broken and it is feared was injured internally. Miss Tillie Coller had her right wrist broken and her left wrist badly sprained. Mr. Evans was plunged through the wind shield and his face and head were badly cut. The rest of the crowd were severely shaken up and some what bruised but nothing serious. The machine was badly demoralized.

DEATH OF MISS MARIE BACHMAN IN AN AUTO ACCIDENT NEAR OWOSSO

Miss Marie Bachman who for three seasons was with Miss Pierce in her Millinery Store was instantly killed in an auto accident near Owosso where the auto was struck by a Grand Trunk passenger train.

The many friends of Miss Bachman in Tecumseh were much shocked to hear of this sad accident as she had endeared herself to all with whom she met while here and tender their deep sympathy to her bereaved friends,

SURPRISE PARTIES

Mrs. Wm. Cupples recently celebrated her 79th birthday about ten of her lady friends dropped in upon her and gave her a surprise. A pot luck supper was served and a most pleasant time was spent in talking over the good old times when they were young.

About 20 of the young friends of Miss Geraldine Orr made her a genuine surprise Friday night. A very jolly time was enjoyed, games and music with light refreshments composed the entertainment.

AMUSEMENTS

B. C. Whitney's famous Broadway success, "The Show Girl," which will be seen at the Bradley Opera House, Wednesday Sept. 27, is a musical extravaganza, prime factor of which is the merry making. "The Show Girl" was orignally a Boston Cadet production by R. A. Barnett, when staged professionally by Mr. E. E. Rice, it enjoyed three months successful run at Wallack's Theatre, New York City and a supplementary season at Manhattan Beach. It was so successful that the management felt warranted in ordering an entirely new set of scenery and costumes, so that it will practically be a new production. The piece is called a "jolly bit of tomfoolery" and is built on the possession of a wishing cap, which is in the hands of Dionysius Fly, for the introduction of a host of specialties, all of which are clever, refined and up-to-date. The company includes Donnr Marya & Co. Harry Lorder, Rodney Bartelle, and a beauty bunch of singing and dancing girls who move about the stage in a graceful and captivating manner.

STORY CONTEST

For the Grades, Tecumseh Schools.

The Herald has decided to divide the grade contest into two parts. The 1st, 2nd, 3rd, and 4th grades in the one and the 5th, 6th, 7th and 8th in the other. As it would be to much to require of the lower grades to write a story of 300 words.

For the first four grades prizes of 75 and 50c will be given each month. For the last four prizes of $1 and $2 will be given each month. The stories must be in the Herald Office the last Saturday of the month. The stories winning the prizes will be published the first of the following month.

The High School notes to be handed in Monday mornings as we hope to be able to publish some of them soon.

Tecumseh Herald.

THE VOTE IN MAINE

What are considered complete official returns from the special election in Maine on Monday September 11, on the repeal of the Constitutional Prohibitory amendment is to the effect that these were a majority of 20 votes in favor of repeal. Various descrepancies were found in the official returns as compared by those compiled by Secretary of State's office.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn out feeling, or if the urine is dark, foul smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Alyesworth, W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Foley Kidney Pills

Will reach your individual case if you have any form of kidney and bladder trouble or urinary irregularities. Try them.

The first baby might be referred to as an heir of authority.

Foley's Kidney Remedy

Is a great medicine of proven value for both acute and chronic kidney and bladder ailments. It is especially recommended to elderly people for its wonderful tonic and reconstructive qualities, and the permanent relief and comfort it gives them. For sale by all druggists.

Common Colds Must be Taken Seriously

For unless cured they sap the vitality and lower the vital resistance to more serious infection. Protect your children and yourself by the prompt use of Foley's Honey and Tar Compound and note its quick and decisive results. For coughs, colds, croup and whooping cough, bronchitis and affections of the throat chest and lungs it is in an ever ready and valuable remedy. For sale by all druggists.

English Firm Long in Business.

The makers of the new bell at Southwark (Eng.) cathedral, Messrs. Mears and Stainbank, church clock and musical bell founders, can claim an ancient lineage. The firm has the remarkable record of commencing business in 1570, and continuing to this day uninteruptedly in supplying not only Great Britain, but distant countries with bells. Eleven generations from father to son have occupied the position without interruption for 315 years.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. VENUE CHANGE PLEA HEARD

Special Judge Vernon H. Van Fleet Will Decide Next Saturday.

Chicago, Sept. 25.—Mayor Knotts' plea for a change of venue in the Gary graft charges was heard with those of C. A. Williston, city engineer, and J. J. Nihoff by Judge Vernon H. Van Fleet, sitting as special judge.

Four accused aldermen signified through counsel that they were willing to go to trial in Lake county, but demanded to be heard by some other than Judge W. C. Mahan, to whom the cases were assigned. Judge Van Fleet said he would rule on the motions next Saturday. T. B. Dean, whose affidavits caused the prosecutions, was in court.

Shawnee, Okla., Sept. 25.—Because George Crump and Thomas Wright were thirty minutes late in reaching court bonds totaling $10,000, which had been given for the men's appearances, were declared forfeited.

The men were charged with forgery of deeds of Pottawatomie county land and although latter they appeared for trial and were convicted and sentenced to seven years in the penitentiary, Acting Judge W. T. Williams denied a motion to set aside the forfeitures made by the attorney for the bonds-

WRECK ON PENNSYLVANIA

One Man is Killed Through Mistake of Towerman.

Pittsburg, Sept. 25.—For the third time in the last six months the Pennsylvania Special No. 28 on the Pennsylvania road between New York and Pittsburg was wrecked—this time at Larimer, twenty miles east of Pittsburg. The accident, which resulted in the death of one man and the injury of five others, occurred at 1:20 a. m. and was due to a westbound freight train, switched on to the wrong track, running into the special, which had been stopped by the interlocking signals.

The wreck is said to have been due to a mistake on the part of a telegraph operator at "C. P." tower, a plant of interlocking switches just east of Larimer station. It is said that the special was forgotten and the tracks set for the freight train to pass over to another track. As the freight pulled over on to the other track the operator saw the passenger train stopped by reason of the signal being set against it. He sprang to his levers, but it was too late and when the crash came he sank to the floor unconscious.

Disqualified.

One west side woman who thought herself an ardent suffragist was surprised to learn that other members of the sisterhood did not share her opinion.

"Why do you doubt my devotion to the cause?" she asked. "What have I done to make you think me less earnest than the rest of you women?"

Their answer was a letter which she had written to headquarters the day before.

"You wrote on your husband's stationery," they said. "No suffragist who is worth her salt will write a personal letter under her husband's letterheads."—Philadelphia Ledger.

THE HEART

If the blood is poor and filled with the poisons from diseased kidneys or inactive liver, the heart is not only starved but poisoned as well. There are many conditions due to impure blood—such as dropsy, fainting spells, nervous debility or the many scrofulous conditions, ulcers, "fever-sores," white swellings, etc All can be overcome and cured by

Dr. Pierce's Golden Medical Discovery

This supplies pure blood—by aiding digestion, increasing assimilation and imparting tone to the whole circulatory system. It's a heart tonic and a great deal more, having an alterative action on the liver and kidneys, it helps to eliminate the poisons from the blood.

To enrich the blood and increase the red blood corpuscles, thereby feeding the nerves on rich red blood and doing away with nervous irritability, take Dr. Pierce's Golden Medical Discovery and do not permit a dishonest dealer to insult your intelligence with the "just as good kind." The "Discovery" has *40 years of cures* behind it and contains no alcohol or narcotics. Ingredients plainly printed on wrapper.

SWIFT JUSTICE FOR ASSASSIN

Slayer of Premier Stolypin To Be Hanged In Secret.

HE PLEADS GUILTY TO CRIME

M. Kokovtseff Definitely Assumes the Premiership of Russia and Fills Kiev with Troops to Protect the Jews.

Kiev, Sept. 25.—Russian judicial authorities are making plans for swift execution of the decree of hanging against Dimitri Bogroff, who assassinated Premier Stolypin. The man will be hanged in secret.

Bogroff was found guilty of murder and sentenced to death by court-martial. He pleaded guilty, so no witness against him was called. He described how he deceived the police in getting the opportunity to assassinate the premier, but did not betray any of his accomplices.

The death sentence must be confirmed by the commander of the military district before Bogroff can be hanged. This will be obtained quickly, however, for the authorities believe that only by means of the swift administration of justice can the popular hostility toward the Jews be allayed.

M. Kokovtseff, the Russian minister of finance, has definitely assumed the premiership made vacant by the death of M. Stolypin, and has filled Kiev with troops to prevent an uprising against the Jews.

The funeral of Premier Stolypin was held in the Pechersky monastery. At the same time subscriptions were received for the erection of a national monument to Stolypin. On it will be inscribed the words he uttered in the douma:

"You want a great upheaval. We want a great Russia."

B. F. HAMILTON DEAD

Was First Merchant In U. S. to Employ Girls As Saleswomen.

Saco, Me., Sept. 25.—Benjamin F. Hamilton, the first merchant in this country to employ girls as saleswomen in a store, is dead at the age of ninety-two years. Hamilton's store in 1855 was one of the largest drygoods houses in the east. He caused a tremendous sensation in that year by employing comely young women as clerks and the women of Saco showed their disapproval by boycotting the store.

The idea eventually "took," however, and Hamilton opened similar stores in Biddeford and Portland where the novelty of woman clerks made the enterprises great successes.

HOPES TO SETTLE STRIKE

Lord Lieutenant of Ireland Probably Will Have an Easy Task.

Dublin, Ireland, Sept. 25.—The earl of Aberdeen, lord lieutenant of Ireland, will attempt to settle the railway strike, and the lack of enthusiasm on the part of the men in obeying the general strike order promises to make his task easier.

Though some of the porters on the Great Northern struck during the day, the passenger service was little affected. Special trains carrying 20,000 delegates from Ulster to the anti-home rule demonstration at Belfast were operated without trouble. In other directions the service continued greatly restricted.

ACCUSED AS ARSON LEADER

Man Held Thought to Be One of Large Gang of Incendiaries.

Springfield, Ill., Sept. 25.—H. A. Six, who some time ago was arrested in connection with the Blue Mound Bank robbery, was taken into custody here by State Fire Marshal Doyle on bench warrants, charged with conspiracy to burn the Adeline hotel at Peoria last spring, and upon which $18,000 in insurance was collected.

The fire mashal claims that before the investigation ends it will disclose the existence of an organized gang of firebugs in Illinois which has collected hundreds of thousands of insurance within the last few years.

FALLS FROM TRACTION CAR

Fairland Man Injured So Seriously He Will Probably Die.

Shelbyville, Ind., Sept. 25.—Albert Ray, a tinner living at Fairland, was returning home on the west-bound Indianapolis and Cincinnati traction car when he fell from the platform on which he was standing and struck on his head.

He was picked up unconscious and blood was oozing from his nose, mouth and ears. He almost carried Gary Updike, of Rushville, the conductor, with him from the car. There is little chance for his recovery.

Double Tragedy at Decatur, Ill.

Decatur, Ill., Sept. 25.—Jealous of his wife, Campbell H. Alexander, a miller, aged forty, shot and killed her here and then killed himself. Mrs. Campbell was twenty-five years old. She had separated from her husband.

Politeness.

TAFT IS AMONG THE INSURGENTS

Kindly Greeted by Governer Stubbs at Lawrence.

CONDEMNS CRANE'S INQUIRY

President Dines with Peculiar Company and Goes from Table to Talk on Peace, Arbitration and Like Pacific Virtues.

Baldwin, Kan., Sept. 25.—President Taft received his first welcome into insurgent Kansas. It was official, and given by Governor Stubbs, the fighting insurgent executive of the Sunflower state, who met the president at Lawrence, Kan., where Mr. Taft addressed the students of the University of Kansas.

Here is the governor's welcome:

"I hope that Kansas, without regard to church, party or faction, will give President Taft the most royal welcome that a president ever received."

Governor Stubbs accompanied the Taft special to this town and spent the day with the president. Senator Bristow was at the station here to meet the president. This is the first time that Mr. Bristow has gone to see the president since January. He stopped his calls at the White House when reciprocity became an issue. Senator Curtis accompanied the president and will stick with him through his stay in the state.

Mr. Taft was in Baldwin to attend the ceremonies at Baker University in the installation of Dr. W. N. Mason as president of the institute. The university is sectarian and the religious atmosphere was dominant throughout the day. Politics were watched for closely, but they did not crop out except in the appearance of Senator Bristow and the introduction of the president by Governor Stubbs.

The president made three speeches. In the first, at Lawrence, to the students of the University of Kansas, he spoke on the work of the Y. M. C. A. in universities, and took occasion to condemn the work of Mr. Crane, who used a detective to determine the moral weaknesses of Harvard students. He said that he had no patience with such an investigation, and that information like that which had to be dug up with a spade had a great deal better be left beneath the sod.

When Mr. Taft arrived at Baldwin, automobiles were waiting to take him to the Methodist church, where the inaugural service for Dr. Mason was held.

He listened to an excellent sermon by President McConnell of DePauw university, who told the congregation that in the long run in this life the step was more important than the stride. That common heroism was harder to find than uncommon heroism; and that it was not the spectacular flight, but the steady march that counted most. This is the line of thought that President Taft presented to his Peoria audience in outlining his efforts as president.

The president dined with peculiar company. He was the guest of W. C. Markham, a prominent local politician, and at the table sat the president, Senator Bristow, Governor Stubbs, and Senator Curtis and greater extremes than these would be hard to find.

The principal speech of the day was delivered by the president at the academy exercises in the afternoon. He spoke on peace, and arbitration. It was unbearably hot in the hall, and outside of the students and faculty most of the audience sat in their shirt sleeves. They were a typical Kansas audience, and followed the president's argument closely.

PREDICTS SUGAR PRICE CUT

Director of American Refining Company Says Reduction Will be Made.

Boston, Sept. 25.—That sugar will be cheaper within a fortnight is the prediction of Edward F. Atkins, vice president and managing director of the American Sugar Refining company. In a statement issued here Mr. Atkins says:

"The domestic beet sugar crop of the west is beginning and in two weeks deliveries will be made. This crop is estimated at 530,000 tons. The Louisiana crop, estimated at 325,000 tons, will come on the market the first of November. These two sources will furnish a supply sufficient to provide for all requirements until the new arrivals from Cuba Jan. 1."

The Way of a Woman.

"She passed me on the street yesterday without speaking."

"She did?"

"Yes, the stuck up thing."

"I wouldn't say that. Perhaps she didn't mean to snub you."

"Of course she meant to snub me. You see, I had on my old hat."

"That wouldn't make any difference to her."

"Oh, wouldn't it? Once before when I happened to have on an old dress she didn't speak to me, either. Now I'm through with her. If she doesn't care enough for me to speak when I'm in my old clothes she needn't speak at all. I won't speak to her when I'm dressed up. That's all there is to it."

"Did you speak to her?"

"I should say not. It's her place to speak first. Do you suppose I'm going to attract attention by yelling my lungs out for the like of her? I guess not."

"Perhaps she didn't see you."

"See me? Of course she did. I saw her, didn't I? Then why didn't she see me?"—Detroit Free Press.

To The Public

We, the Brookside Cemetery Trustees, have carefully examined all the plans and specifications of the Granite and Marble Community Mausoleum, to be erected by the American Mausoleum Company, (Michigan Division), in Brookside Cemetery, and heartily endorse this modern disposition of the dead. We assure the public, that in our estimation the structure will permanently defy the ravages of time and of the elements and that the perpetual endowment is ample to liberally maintain the building in perpetuity.

MILLION DOLLAR PLANT.

Iron Company to Harness Upper Peninsula River.

Republic, Mich., Sept. 26.—At an expenditure which will exceed one million dollars there is being installed by the Cleveland Cliffs Iron company a hydro-electric power system which will serve all of that corporation's mines on the Marquette range, a district in which this big independent concern is the largest operator. The work is in progress in the vicinity of the city of Marquette. The Carp river is being harnessed. Eight thousand horsepower will be developed, it is estimated by the engineers.

Th Carp river project is the most important of its kind ever undertaken in upper Michigan.

KIMMEL RECOGNIZED BY GRANDMOTHER

Man of Mystery Is Repudiated by His Mother, However.

Berrien Springs, Mich., Sept. 26.—Mrs. Hattie Stevens, George Kimmel's grandmother, who lives here, unhesitatingly declares that "Kimmel-White" is her grandson. He visited her and told her of things which had happened long ago.

Niles, Mich., Sept. 26.—Nothing new has developed in the mystery which has had this city by the ears all week. Mrs. Kimmel reiterates her inability to recognize in Kimmel her own offspring.

"Kimmel" came to Niles from the Auburn prison, where he has been serving time under the name of White, last week and declared himself to be George A. Kimmel, who has been missing from this city for more than 20 years. Many of his old acquaintances about town have recognized in him the missing man.

"Kimmel" laughed as he asked what the papers had to say about the "mystery" in which he occupies the center of the stage as the man who is puzzling the world because he has not been immediately accepted by all his old friends and his relatives in Niles as the long-lost George A. Kimmel.

"I don't care whot they say about me," he said. "They can abuse me just as much as they wish, but I don't want them to reflect on mother and aunt. If, after all this is over, my people are not able to acknowledge me, I shall still regard them as my relatives, and they will be just as dear to me as ever."

Strychnine Found in Pie.

Ionia, Mich., Sept. 26.—Prosecuting Attorney Locke of this city has received word from Lansing that strychnine had been found in the piece of pie that Henry Jones took two bites out of and then threw away because it didn't taste right. His wife, Amelia, gave him the pie as he was passing the house. A divorce case was pending. Mrs. Jones has been arrested and is in jail here.

Brakeman Killed by Train.

Hastings, Mich., Sept. 26.—Jumping from the pilot of a freight locomotive, Stephen Van Arman of Jackson, Michigan Central brakeman, was struck by a passenger train and hurled 40 feet in the freight yards here. He died later.

Young Co-Ed Fatally Burned.

Big Rapids, Mich., Sept. 26.—Miss Vera Thayer, 20, of Jackson, a student at the Ferris institute, was probably fatally burned when her clothes caught fire from the explosion of a gasoline stove at her rooming house.

TRAIN CRASHES INTO MOTOR CAR

Three of the Four Passengers In Auto Are Dead.

OTHER IS BADLY INJURED

Car Was Completely Wrecked by Impact, and Inmates Were Hurled In All Directions—Engineer Claims He Did Not See Auto Until Second Before Crash Came

Owosso, Mich., Sept. 26.—As the result of a collision between a Grand Trunk eastbound passenger train and an automobile driven by Frank Almendinger, Flint, Mr. Almendinger and Marie Baughman, 21 years old, whose home is in Lansing, a trimmer in a local millinery store, were killed, and Mrs. Almendinger so badly injured she died in a hospital a short time later. The fourth occupant of the car, Burr J. Warner, 31 years old, also of Flint, was badly hurt, but will recover.

Warner sustained a scalp wound, the dislocation of his left shoulder and many bruises. He is being cared for at a local hospital, and the bodies of the dead were taken to a farm house near the scene of the accident.

The train, which is known as the Grand Rapids limited, was running at the rate of 60 miles an hour, as the crossing is midway of a long down grade.

The car was completely wrecked by the impact, and the inmates were hurled in every direction by the shock. The train was stopped as soon as possible and the injured brought to this city aboard of it. The engine crew declares that the crossing, which is on one of the main roads between here and Ovid, was signaled for by the usual whistle. The road parallels the track within a few yards for a considerable distance, and the crossing comes after an abrupt turn. The engineer did not see the machine until a second or two before the collision.

Emil Rohl to Get 5 to 10 Years.

Mt. Clemens, Mich., Sept. 26.—Emil Rohl will go to prison to serve from 5 to 10 years. The verdict of the jury was a compromise. The charge was assault with intent to kill. He was found guilty of assault to do great bodily harm. Rohl, June 27, 1910, invaded the home of his wife, from whom he was separated, and beat her on the head with a hammer while she lay in bed early in the morning. For days she hung between life and death, finally recovering. The man was a bath house employe. He was tried once before, the jury disagreeing.

Jaw Broken; Is Arrested.

Ionia, Mich., Sept. 26.—A Grand Rapids officer was here and arrested Lehman Lynch on a warrant charging him with carrying concealed weapons. Lynch has been employed on the new postoffice here, and according to the officer went to Grand Rapids last week to "clean up" on his relatives. His 14-year-old brother interfered, and in the scuffle Lehman received a broken jaw.

Young Man Electrocuted.

Kalamazoo, Mich., Sept. 27.—Morris Pearce, aged 39 years, was electrocuted here when he attempted to hang a metallic lamp on a live wire running through the basement of the New Burdick hotel.

R. L. BORDEN.

Canadian Leader of the Fight Against American Reciprocity.

PREMIER LAURIER IS UNDISMAYED

"Shall Come Again to Fight," Said Canada's Grand Old Man.

Ottawa (Special).—"We have fallen in a high and honorable cause, but we shall come again to the fight," is Sir Wilfrid Laurier's reply to the defeat of his party and the reciprocity pact in the Canadian elections last week.

Mr. Borden, the victorious Conservative party leader, will be Canada's next premier. There has been much speculation regarding the make-up of the new administration, but Mr. Borden is not prepared to make a statement on the subject.

English Pleased Over Result.

London (Special).—The overwhelming defeat of Premier Laurier and the Liberal government's policy of reciprocity with the United States at the polls in Canada came as a surprise to England. It had been expected that the Liberal majority would be decreased, but even the strongest opponents of reciprocity had not so much as suggested such a majority as the Conservatives obtained. The result generally is welcomed here, as Englishmen had felt that the trade arrangement presaged closer political relations between the neighbors and a consequent loosening of the imperial ties

Assassin of Stolypin al Hanged.

Kieff (Special).—Dimitry Bogrov, the assassin of Premier Stolypin, has been hanged in the court yard of the citadel. He was found guilty by court-martial last Friday and was condemned to death.

London (Special).—A dispatch to the Times from St. Petersburg says that M. Kokovsoff, the Russian minister of finance, has definitely assumed the premiership made vacant by the death of M. Stolypin.

235 FRENCH TARS BLOWN TO BITS

Ammunition Hold on Battleship Liberte Ignited by Short Circuit.

MANY DIE AT THEIR POSTS

Three Other Battleships, Moored Near Ill-Fated Boat, Were Badly Damaged by Masses of Twisted Iron and Armor Plate Hurled on Their Decks—France In Mourning.

Toulon, France (Special).—The battleship Liberte was torn apart and totally destroyed by an explosion of her magazines in the harbor here. Between 235 and 300 officers and men were killed. The battleship Republique was badly damaged and the battleships Democratie and Verite also suffered severely from the masses of twisted iron and armor plate that were hurled on their decks.

This is the greatest disaster that has ever fallen on the French navy and in magnitude is almost without precedent in the annals of the world's fighting ships. The grief which prostrates the fleet and nation is made more intense by the memory of the recent review here, a notably display of France's naval greatness, in which the doomed ship was one of the finest figures.

Fire, originating from a short circuit, ignited the ammunition compartment, causing three heavy and two lesser explosions. On the first explosion the men rushed to their quarters, and were hurled high in the air or into the water as the culminating explosions tore the ship into fragments.

The French battleship Liberte, which was completed in 1097, was one of the best of the ships of the predreadnought era and at the time of her launching was one of the most powerful in the world. She carried a crew of 793 men and cost about $8,000,000. She was 14,635 tons displacement, had a speed of nearly 2[illegible] knots and was armed with four 12-inch guns, 10 1.6-inch, 26 1.8-inch and two 1.4-inch guns.

ITALY AND TURKEY AT SWORDS' POINTS

All Europe Looking For Declaration of War.

Vienna (Special).—It is reported here that three Italian warships have arrived at Tripoli and are cruising before the harbor. Six thousand troops have assembled at Palermo ready for embarkation.

Paris (Special).—With Italy mobilizing an army of 112,000 men to back up her African demands, and with Turkey rushing reinforcements into Tripoli to strengthen Turkish garrisons and threatening to expel 50,000 Turkish residents of Tripoli at the point of the bayonet at the first open move on the part of Italy, it is believed in continental Europe that war between the two powers is inevitable and that the opening gun in the conflict is likely to be fired at any hour

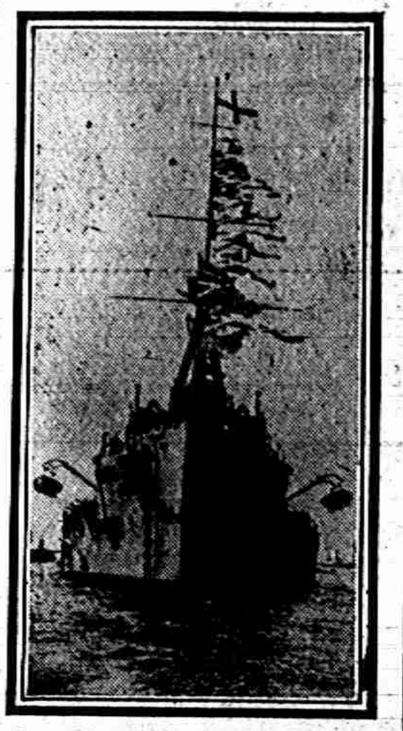
HOWE BRINGS OFFICIAL SCENES OF CORONATION

People here will be interested in the review of Otis Colburn, correspondent of the Dramatic Mirror at Chicago, where Lyman H. Howe put on the official moving picture records of the Coronation for the first time

By Otis Colburn.

"The first showing of moving pictures of the Coronation of King George was made last week at the Garrick Theatre by Lyman H. Howe. There was a houseful the opening night and the deepest interest was shown, with plenty of applause for approval at the finish, and some especial applause for Uncle Sam as the good Delaware, making the other men-of-war look harmless, sailed by in the naval review. The dramatic critics were present and had nothing but praise in their reviews. Excellent pictures of the King and Queen were shown in the scene at Temple Bar, and a remarkably complete view of the famous ceremony was given. The lords going to Westminster by boat to avoid the crowds was a capital series, with the robed peer fumbling at the gangplank for his ticket. The precedent and excellent standard set by Mr. Howe has fully deserved the success."



BATTLESHIP "DRESSED" FOR THE CORONATION NAVAL REVIEW
HOWE'S TRAVEL FESTIVAL

A ride on an aeroplane with Linclon Leachey; another on a diligence through the mountain passes of New Zeland, and a ride on the Rio Grande railroad through the Royal Gorge of Colorado will also be reproduced by Mr. Howe at the BRADLEY OPERA HOUSE on WEDNESDAY OCTOBER 4th. Another subject, "the birth of flowers" reveals the mysteries of natuae; "Surf-riding in Hawaii" shows the dexterity and skill of the natives in utilizing the forces of nature; a pictorial excursion through Japan takes the audience through the sacred deer park at Nara, to Nikko, and to the rapids of the river Magdapis. The training of the children of the Samurai will also be witnessed. A new drill by the Reedham Orphans, London, and the latest winter sports in Switzerland are still other features of a program which is heralded everywhere as the most elaborate Mr. Howe has ever presented.

STORY CONTEST

For the Grades, Tecumseh Schools

The Herald has decided to divide the grade contest into two parts. The 1st, 2nd, 3rd, and 4th grades in the one and the 5th, 6th, 7th and 8th in the other. As it would be to much to require of the lower grades to write a story of 300 words

For the first four grades prizes of 75 and 50c will be given each month. For the last four prizes of $1 and $2 will be given each month. The stories must be in the Herald Office the last Saturday of the month. The stories winning the prizes will be published the first of the following month.

The High School notes to be handed in Mondays mornings as we hope to be able to publish some of them soon.

POTATOES

The late potato crop is said to be an exceedingly large one, and buyers are looking for a drop in the wholesale prices before the approach of cold weather. The prices have been higher than for several years and the supply small. To the consumer the fact of plenty and a reduction in price comes as a welcome boon.

The cry of "small potatoes and few in the hill" was rather discouraging.

Regulates the bowels, promotes easy natural movements, cures constipation—Doan's Regulets. Ask your druggist for them. 25 cents a box.

The October Woman's Home Companion

The October WOMAN'S HOME COMPANION contains the first chapter of a new serial, "The Poor Lady," by Mary E. Wilkins Freeman. It is a story of modern American life, and is chiefly concerned with two women—one an ambitious and unscrupulous wife; the other, fine, high-minded and womanly.

In the same number a well-known financial authority writes an article of interest and importance to every woman. He describes the snares set by dishonest business concerns to catch women investors, and tells many stories of real life illustrating his point

Other notable articles are; "Experiments in Spending," "The Girlhood of Madame Schumann-Heink," "The Moving-Picture Show," "Money-Making at Home" and "Women Painters of America."

Splendid fiction is furnished by Juliet Wilbor Tompkins, Julia Truitt Bishop, Ernest Poole and Barr Moses.

On the practical side the October COMPANION is of special value. Its great fashion and household departments are unusually full of useful suggestions and entertaining reading.

"Doan's Ointment cured me of eczema that had annoyed me a long time The cure was permanent."—Hon. S. W. Matthews, Commissioner Labor Statistics, Augusta, Me.

AN OPEN LETTER

THE ATTENTION OF HERALD READERS IS CALLED TO THE FOLLOWING LETTER MAILED TO ITS SUBSCRIBERS BY THE AMERICAN MAUSOLEUM CO., MICHIGAN DIVISION.

You certainly are not selfish enough to refuse your loved ones an ideal form of interment.

Can you take any of this world's wealth with you into the great beyond?

Will a few dollars spent in protecting the finer feelings of yourself and your family bankrupt or send you to the poorhouse?

Many of your friends and neighbors have provided for their loved ones in our beautiful building.

Do THEY care more for their families than you do for yours?

If you should die tonight, wouldn't your family feel relieved to know that the greatest sorrow arising from death is omitted, the sorrow of standing by an open grave and seeing the dearly beloved ones lowered into the cold damp earth and doomed to the slow stages of putrefaction?

Aren't our ideas worth considering? We have sold enough space to assure the construction of this dignified and beautiful structure, and on November 1, we shall advance our prices.

Use your own pleasure, but don't delay your decision longer delays are dangerous Promptly phone Mr. M, C. H. at No. 38 and forever settle this important question.

We have only a limited number of spaces to offer.

Very respectfully yours,
American Mausoleum Company.
Michigan Division.

Miss Josephine Hayden left for Ann Arbor Thursday, where she will enter the U. of M. the coming year.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slighest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Tecumseh citizen.

A. C. Alyesworth, W. Chicago St., Tecumseh, Mich., says: "About four years ago I had an acute attack of lumbago and my kidneys were disordered. I at length heard of Doan's kidney Pills and procuring a supply at C. A. Wright & Son's Drug Store I began their use. In a short time I was relieved and I have had no return attack of the trouble. I hope other kidney suffers will read my statement and be led to give Doan's Kidney Pill a trial."

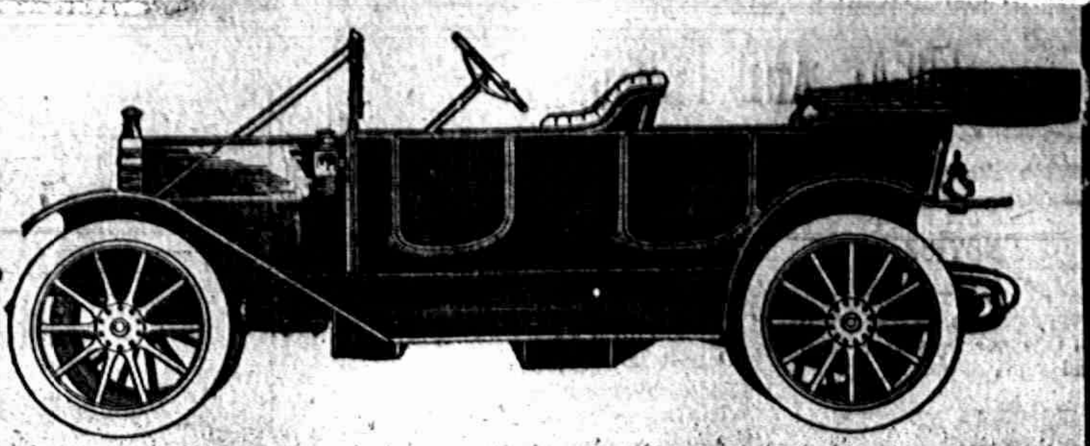
Experience Boy Will Remember.

While exploring one of the big disused Martello towers, near Waterford harbor, Ireland, which was formerly used for military purposes, a boy named Charles Cummins had a terrible experience a few days ago. When he pushed open one heavy iron door it suddenly banged and shut on his fingers. In agony, he shouted for help, but he was kept a helpless prisoner all night, and till late next morning, when he was rescued by a passer by.



Cartercar

Why So Many Farmers Are Buying the Cartercar

There are many good reasons why the Cartercar is being universally accepted by farmers as the ideal car for their purposes.

It is simplicity itself—even a boy can operate and care for the Cartercar without injuring it in the least

This wonderful simplicity combined with extra strong working parts insure absolute reliability. The Cartercar is ready all the time-day or night-for the signal to go.

The Cartercar is powerful—by that is meant that it will climb almost any hill even a 50% grade. and will go through very bad, muddy or sandy roads The farmer can drive his Cartercar out in stubble fields or pastures, across brooks and he knows that his car will always go right along.

The remarkable pulling power of the Cartercar is because of the efficient friction transmission. This is merely a friction disc which runs against a fibre-faced wheel—the relative position regulating the speed of the car. There is no crashing of gears–the speed changed easily and noiselessly. The Cartercar driver has any number of speeds and THEY ARE ALL CONTROLLED BY ONE LEVER.

The Cartercar will speed along brushing everything on the road—or will creep along behind a flock of sheep or drove of cattle, never crowding or rushing them,

This wonderfully easy control makes the Cartercar ideal for the ladies to drive. The few parts make it very easy for them to learn to operate it–and prevents them getting frightened.

The easy control is supplemented by very strong brakes. In addition to these regular brakes the driver also has the friction reverse, which makes it the safest car on the market today. The friction reverse is only available on friction driven cars.

Another excellent feature of the Cartercar is the Chain-in Oil Drive. The chain runs continually in a heavy oil—and the chain case being grit and sand tight, practically all wear on the chain is prevented.

The elegance and remarkably attractive appearance of the Cartercar also make a very strong appeal to the farmer. A glance at the above cut will convince you of its beauty. The extra heavy upholstering on the seats makes it almost an impossibility for a person to tire while riding in the Cartercar

Think over these facts we have given and see if they answer the requirements you would make of an automobile We know that when you understand the Cartercar you will be as enthusiastic as we are.

Let us send you complete information regarding this ideal car for the country man

A Personal Invitation to You, Mr. Farmer.

I want to personally invite every reader of this advertisement to visit me here at the Detroit Branch of the Cartercar Co., and I will be very glad to explain carefully evey detail of the Cartercar construction,

I met thousands of farmers at the State Fair and after I had shown them the Cartercar, an astonishingly large number of them went home with cars.

Write me when you will arrive and I will meet you at the Interurban or railway station with a Cartercar, and show you over the city, giving you an opportunity to study the qualities of the car in the most practical manner.

When you write, tell me the style of car you are interested in and I will try to have that car at the station for you.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you [illegible] when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

Saginaw—Harriet, the six-year-old daughter of Mr. and Mrs. Herbert S. Brush, died here from burns received when her clothing caught fire from a bonfire in front of her home.

Jackson—James Parott, 75, is dead as the result of injuries received when the horse he was driving became frightened at an automobile and jumped over a stone wall in Hanover township.

Saginaw—Harriet Brush, six years old, was perhaps fatally burned when her clothes caught fire from a bonfire she was watching near her home. She was removed to St. Mary's hospital.

Cadillac—Thrown ovr a windshield and landing in another auto, the five year-old son of George McDonald sustained severe injuries. The child was the only one hurt when two loaded machines collided.

Port Huron—Floyd VanCamp, 14, son of Fred VanCamp, clambered out of a rowboat while hunting on Black river. His 22-caliber rifle was discharged, the bullet passing through the boy's right leg above the knee

Kalamazoo—Two horses belonging to farmers were stolen off the streets here last Saturday night. About 20 horses have been stolen during the past year by a band of thieves believed to be operating in Indiana

Kansas City—Plain words were used by speakers at the opening session of the third annual national conservation congress in pointing out that the continuation of present-day farming methods will result calamitously for the country. Not only a change in treatment of the soil but of the country people as well was urged. Only by bettering social conditions on the farm, it was declared, could the young people be kept there. About 3,500 delegates attended the opening session.

RUIN SPREAD BY LOOSENED FLOOD

Hurls Battering Broadside of Water against Austin.

BUILDINGS WITHER BEFORE IT

Men, Women and Children Are Missing and Hundreds of Bodies Are Thought to Be Beneath Wreckage Scattered for Miles.

Austin, Pa., Oct. 2. — The pillar of water that jammed its battering ram of cordwood through the valley where the town of Austin lay Saturday afternoon swept itself a clean path for an even mile.

There it smashed a broadside against the full length of the principal street, gathering up as it went the boards that a minute before were houses, and heaved the splintered fragments against the more substantial line of brick stores.

Brick and steel gave way almost as completely as had the less solid construction. But the wave was hindered long enough to pile up to the height of a three-story building the mass of torn debris. Then the flood ripped ahead, swirling over the few small buildings that lay below until it came to railroad shops where cars and locomotives were flipped onto their sides and stripped of their wheels and roofs, and where the natural gas pipes in the engine rooms were scraped off. Then came the fire that finished the job in the yards and in the nearby shops. After that the water kept on through the valley until it had brought down all but four of the houses in Costello, the village that lies three miles below.

Estimates of the loss of life lies between 250 and 300. Enumerators of the last census have begun the task of going through the houses upon the hillsides where the homeless ones have been taken. It is only by elimination, the authorities believe, that anything like an accarate count can be made. The work of clearage has begun, but it will be a long task and even the census takers' work cannot be completed for many days. Only sixty are positively known to be dead, but scores are missing.

It is a curious fact that the list of the injured is practically negligible. The state physicians and nurses, who came supplied with bandages and medicines, have found nothing to do. They have turned their efforts in feeding and clothing the population that had every grocery store and meat market wiped away. The break in the dam that brushed off the one business street and crumpled up four churches did not injure or maim. It stamped out life or left these men and women untouched

The manner in which the people of Austin lost their lives is typified in the case of the family of State Senator Frank E. Baldwin. His sister, Mrs. M. C. Collins, had a few seconds more warning then many. Her father and mother, Mr. and Mrs. John Baldwin, were in their home on Turner street, which lay between the dam and the chief thoroughfare. Mrs. Collins thought immediately of the fact that her father was crippled and that her mother was very infirm and almost blind. She ran to their house, roused them and started along the sidewalk that led to one of the cross streets to the hill. Their way was past the Presbyterian church and as they passed this building the approaching column of water reached them. A man who stood upon one of the safe hillsides saw the church topple and fall upon the three as the daughter urged her parents along the street. There is not the slightest doubt that Mrs. Collins could have saved herself. But she died with her father and mother.

As the quiet men and women trampled hours later over the flat plain where the water had rushed thirty feet deep the question that came to many minds was, where are the children? Here and there was a boy who scrambled over the wreckage or a girl who stood silently looking on, but there was nothing like the curious lot of youngsters that the authorities expect at the place of a disaster. All these milling towns of this state are plentifully supplied with children. The only answer seemed to be that when those heaps are cleared away a great number of small bodies will be brought out. The great disaster occurred on Saturday, and of course school was not in session and the children were scattered over town.

The dam that split into eight pieces just as a row of dominoes will bulge apart was not an old structure. It was placed below an antique wooden crib, a trifle over two years ago. But there have been murmuring against the heavy bulk of water that it restrained, even in spite of its newness. The women of the town especially have worried about the dam when it might break. The men were disposed to laugh at these fears.

Last spring there was an alarm when it was thought that the brink was ready to give away. The water poured over it so freely and with such violence that men galloped on horseback down the valley [illegible] few years [illegible] another rider once gave [illegible] flood in this state. At that time the people ran to overhanging hills, but there was no need for their fears. The flood did not come.

But when the alarm was over and the townspeople went out to look at the barriers it was found that the concrete had slipped down something like eighteen inches. After that notches were cut in the upper surface to lessen the pressure by permitting a larger volume of water to trickle over the edge.

But when the state officials came to examine the broken fragments it was found that one of the notches had been filled up completely with concrete and that work was in progress on the other. Four feet of new concrete was found in this gap and the forms were up for more. Work had been done upon it Saturday.

The examination of Farley Gannett, engineer for the state water supply commission, showed that one chunk of concrete, weighing perhaps a ton and a half, had been projected down stream for 100 feet. Another much longer section lay sixty feet out of the plumb line of the dam. Mr. Gannett found a man who from the hillside saw the bursting of the wall.

"John Newman, a politician of Coudersport," said the state engineer, "told me that he was driving along the hillside away from the dam. His companion turned back to look at the flood of water.

"'It seems to me that there's an awful lot of water coming over today,' said Newman.

"'That's right,' agreed his driver, and then as they looked Freeman shouted: 'By God, there it goes.'"

The big lump popped out of place and catapulted down the stream. Then like the cracking of a whip the othera snapped out. In another second the great mass of wood pulp was being flicked into the air like matches. It went up like a cloud. The smoke stacks of the paper mills were hidden behind the spray and cracking logs.

The chunk that popped so far down was the first to give away. It was the top half of a section, ripped off as cleanly as if it had been sawed. The exposed surface of the base that remained in places showed that it had not been roughened. It apparently marked the end of a day's work in the construction and the only way in which the next day's section had been welded to it was by four twisted iron bars which were pressed downward today.

Mr. Gannett was not willing to say what he thought had caused the break. He will make a close inspection of the designs before he makes his report to the water supply commission.

The dam was owned by the Bayliss Pulp Paper company, which has its headquarters in Binghamton, N. Y. The vast amount of water confined above the dam was used in the processes of washing pulp after its chemical treatments before it is turned into paper.

All of Austin That Was on Low Ground Is Leveled.

FIVE CHURCHES SWEPT AWAY

Ruins Still Burning—Schoolhouse Is Converted Into Morgue and There Are Not Coffins Enough to Go Around.

Austin, Pa., Oct. 2.—The state contabulary arrived here at 11 o'clock in the morning and they are patrolling the town and surrounding country. Fifty men have been sworn in as deputy police and are aiding in the search for bodies.

But fifty buildings remain in what was Austin and they are perched along the hillside. All five churches were destroyed and the Austin National bank is the only building that still stands in the town below.

The loss of life is estimated between 400 and 500.

Over 100 bodies have been recovered and there is a great dearth of coffins.

The school house on the hill has been converted into a morgue, and it is crammed with bodies. Bodies are said to have been seen as far as ten miles south of Austin, and a great many of them will never be recovered, as they will be swept down to the Susquehanna river. The flood has mass of bodies and bits of wreckage and not even a foundation or cellar remains. Except for the bank building the site of Austin is a levelled mas of bodies and bits of wreckage. Fires are still burning among the piles of drift and many bodies are being burned. The Renova fire department is on the ground and are gradually overcoming the flames. They brought 200 men with them on a special train. At the Buffalo and Susquehanna car shops a great pile of bodies is believed to be beneath the wreckage. The fire companies are trying to extinguish the flames here in order to recover the bodies.

Relief trains have been sent from Williamsport, Port Allegany, St. Marys, Olean, Corning, Galleton and Coudersport. Three car loads of provisions and clothing were sent from Williamsport and the citizens have raised over a thousand dollars as a relief fund. All the cities in the state are sending in contributions in Austin.

The tents sent by the state department proved a god-send. It rained all day and the injured men, women and children have been sheltered by the tents. The state department also sent a relief train with fifteen physicians and twenty nurses.

Rainy Month Breaks Record.

Chicago, Oct. 2.—A new record in weather was established during the month just ended, there having been fifteen rainy days. The highest number of rainy days in September any preceding year since weather bureau was established here was in 1871, when rain fell on fourteen days.

TO REDUCE CORN LOSS

Conference Will Be Held in National Capital.

Object Is to Discuss Measures to Prevent Loss of Corn Through Spoiling in Holds of Ships.

Washington, Oct. 2.—Reduction of the loss to corn producers and shippers of corn sent abroad from Atlantic and gulf ports will be the purpose of an informal conference to be held at the department of agriculture between representatives of corn exchanges and exporting firms and government experts.

The greatest loss in corn has come through its spoiling in the holds of ships. Government experts have traced this to an excess of moisture. Experts have traveled to Europe with cargoes from different American ports and have carefully examined the corn when unloaded there. Much important information has been secured, which is expected to be of benefit to corn shippers in the United States.

The government will not be ready to publish this data until next year but the corn trade will be given an opportunity to examine it and profit by it the present season.

ITALIANS HAVE TAKEN TRIPOLI

Turks Retire into Interior to Await Reinforcements.

ITALIAN REPORTS EXAGGERATED

Cable Being in Their Hands Sensational Reports of Victories Are Being Sent Over, but Are Not to Be Depended Upon.

Rome, Oct. 2.—Patriotism perhaps is responsible for the prevarication of the Roman press, which has announced a long series of naval victories which surprise even the yellowest of pressdom.

The Italians, however, accepted the "news" as a matter of fact and with true Italian price.

Since the Tripoli and Malta cable is in the hands of the Italians, reliable information is lacking. The only positive facts are that the Turks have changed tactics, abandoned Tripoli and departed into the interior, where they intend to remain pending the arrival of reinforcements, and that the Italians are now occupying Tripoli.

The Italians are already showing anxiety lest the Turks swoop down on them.

It is reported from Constantinople that the crew of the Turkish torpedo boat destroyer sunk in the first engagement escaped. The official version of the battle says an Italian cruiser accompanied by torpedo boats attacked two Turkish torpedo boat destroyers as the latter were leaving Prevesa. One of the Turkish vessels found refuge in Prevesa harbor, while the other was struck by several shells and ran ashore.

Shively of South Bend will act as toastmaster.

Russia Acts Against Turkey.

Constantinople, Oct. 2.—Simultaneously with the declaration of war by Italy because of Turkey's refusal to evacuate Tripoli comes the report that Russia has declared her intention of occupying Trebizond until Turkey shall have completed the payment of the indemnity for the last war.

Auto Goes Over Wall.

Romeo, Ill., Oct. 2.—Plunging over a stone wall down twelve feet into the Desplaines river, turning completely around and falling on its side, a five-passenger automobile was wrecked. The driver was injured, but the three other occupants of the car escaped with a drenching.

Takes Charge of Stray Horse.

Nashville, Ill., Oct. 2.—Deputy Sheriff J. K. May took charge of a six-year-old horse, with saddle and bridle, that had been tied to a hedge on the Kin Carson farm for two days. It is supposed it was either a horse thief who decamped, or that the rider killed himself.

Record-Breaking Drivers at Fair.

Detroit, Mich., Sept. 26.—Wild Bob Burman, in his Blitzen Benz, broke the record for five miles for circular tracks in an exhibition of dare-devil riding at the state fair track here. He covered the distance in 4 minutes and 31 seconds, beating the previous mark by a full 10 sconds.

Frank Kulick established a track record for the mile at the fair grounds when he covered the distance in 50 seconds flat.

MRS. H. RAYNOR BREWER

Passed Into The Beyond At The Age of 28 Years Saturday at 5 a. m., Sept. 30, 1911.

The death of Mrs. Raynor Brewer Saturday at 5 o'clock a. m. was the termination of a battle for life which has lasted for a month. All that science and skill could do was done for her, and a wonderful sweetness, courage and grit was displayed by Mrs. Brewer that would almost seem to compel a victory, but God's ways are past finding out, and it was with a feeling of sadness that the whole community gave up hope.

The sympathy of everyone goes out to the husband and little daughter Esther to the sorrowing father and mother, the brothers and sister and all to whom she was dear. The funeral was held at the home Monday afternoon, the Rev. Weld officiating assisted by Rev. Kennedy, with burial at Brookside.

Flowers were in profusion and their beauty and perfume will always bring a sweet remembrance of Luella for she was unusually fond of them.

MRS M. A. DINSMORE

Mrs. Mary Ann Dinsmore died at the home of her daughter, Mrs. Edwin Niles Tuesday morning at 4 o'clock. Their will be a prayer service at the house at 8:15 a. m. Thursday with funeral services later at her old home in Hanover where she will be buried.

ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man and Woman

The newspapers and medical journals recently have had much to say relative to a famous millionaire, s offer of a millon dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable

His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juicies or by lack of tone in the walls of the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomach indigestion, and dyspepsia.

We want you to try them and will return money if you are not more than satisfied with the result.

Three sizes, 25cent, 50 cents, and $1.00 Remember, you can obtain Rexall Remedies in this this community only at our store—The Rexall Store B J. Pulver, Tecumseh, Mich.

POWER OF AN AUDIENCE.

Influence It Exerts Over an Actor or a Speaker.

No orator living was ever great enough to give out the same power and force and magnetism to an empty hall, to empty seats, that he could give to an audience capable of being fired by his theme.

In the presence of the audience lies a fascination, an indefinable magnetism, that stimulates all the mental faculties and acts as a tonic and vitalizer. An orator can say before an audience what he could not possibly have said previous to going on the platform, just as we can often say to a friend in animated conversation things which we could not possibly say when alone. As when two chemicals are united a new substance is formed from the combination which did not exist in either alone, the speaker feels surging through his brain the combined force of his audience, which he calls inspiration, a mighty power which did not exist in his own personality before he rose to his feet. No public speaker ever forgets that first surprising feeling of confidence.

Actors tell us that there is an indescribable inspiration which comes from the orchestra, the footlights, the audience, which it is impossible to feel at a cold mechanical rehearsal. There is something in a great sea of expectant faces which awakens the ambition and arouses the reserve of power which can never be felt except before an audience. The power was there just the same before, but it was not aroused.—Success Magazine.

A SOLEMN MOMENT.

When the Great Mail Steamer Was Stopped In Midocean.

The great steamship wavered; the screw revolved more slowly and gradually ceased to turn. There is something uncannily disquieting about an unmoving ship in the middle of the ocean, and for a few moments there were fearsome rumors among the second and third cabin passengers. The steerage, being nearer to the heart of things, understood what was going on.

The deck stewards went about explaining, and as they explained the passengers moved to points of vantage. Then all was very quiet—quiet even for the sea.

A man whom the first cabin passengers knew to be a famous bishop stepped down from among them. A heavy, clumsy, grewsome bundle was brought up. Over it the bishop, with bared and reverent head, intoned the service for those who are buried at sea. As the bishop spoke the words of committal, "We therefore commit his body to the deep, to be turned into corruption, looking for the resurrection of the body, when the sea shall give up its dead," a door in the bulwarks was lifted for the bundle and let down again, the ship began to move, sluggishly at first, then smoothly as was its wont, and the passengers went back to their games, their books and their lovemaking.

The greatest event in the dead stoker's career was over. He had stopped his majesty's mail.—Exchange.

The Eskimos and the Bible.

Frank Cross, a missionary among the Eskimos, has found considerable difficulty in using the illustration of the Bible in arctic regions. He gives two amusing anecdotes to bear out his statements. First, how his Eskimo interpreter translated a well known text into the following: "Every log that bringeth not up good 'appik' is cut up and used for firewood," "appik" being the Eskimo for dried apples and the nearest thing to fruit that they know. Again, of law, justice and government they have not the remotest notion. Mr. Cross' nearest neighbor had hundreds of dollars' worth of furs deposited in a cache. Wishing to preach on "Where Thieves Break Through and Steal," the interpreter gave up his attempt at translation, for he said such a thing was impossible among them.—T. P.'s London Weekly.

AMUSEMENTS

Lyman H. Howe's Travel Festival at the Opera House tomorrow (Wedneday Oct 4) is the same attraction that played at the Garrick theatre, Detroit, last Sunday night to the usual capacity business Mr. Howe always does there. They play Adrian the next night after playing here. A great many people accustomed to paying five cents to see a picture show think that they are being overcharged at the prices Mr. Howe charges (25, 35 and 50c) but that is the prices that he has always played at and the same prices everywhere whether it is Detroit, Adrian or our own town as you will see by looking the papers up and his pictures are well worth it.

His picture of the Coronation alone is worth his price of admission and that is only one of the many features he shows. The ride on an aeroplane is another feature that is well worth ones time and money, another feature picture giving a birds eye view of the country as taken from an airship.

Mr. Howe's entertainment should in no way be compared to the average picture show as his subjects aer all original and his pictures of the Royal Gorge in Colorado, the scenic pictures of Japan. and other foreign countries can only be seen at his entertainment

Lenawee County Fair

Despite the stormy weather Adrian has been well patronized for the past week. The fair was well attended each day and the exhibits were very good indeed.

The great event of the week scheduled for Wednesday, "The Industrial Parade" was postponed until Friday when the Fates were kind and the sun came out for awhile for the occasion. The parade was one of the finest ever seen in Adrian and was pronounced a success in every particular. The numerous business houses that were represented by floats deserve much credit, displaying great taste and skill. Nearly every line of business was represented. The Imperial Band furnished fine music for the occasion.

The races were not so good as they would have been had it not rained the night before. The Woman's Congress was a most enjoyable feature of the Fair and was well attended.

Considering the weather the Fair was more of a success than was thought possible.

"I have been somewhat costive, but Doan's Regulets gave just the results desired. They act mildly and regulate the bowels *perfectly*."—George B, Krause, 306 Walnut Ave., Altoona, Pa.

ADRIAN AND TEMSOUEH AT CITRONELLE "COUNTY FAIR" ALABAMA.

According to the Citronelle Call, published at Citronelle, Ala., E. J. Stebbins, a former Adrianite, who latterly has taken up fruit and truck gardening and poultry raising, has already become a "prize winner" at the county fair. He received first premium on largest and best display of chickens, first for cock and two hens and cockerel and two pullets in exhibition of Rhode Island Reds, while in the household and dairy department Mrs. Stebbins won first for canned pears and second on canned tomatoes. Mrs. Stebbins was Miss Minnie Corey before her marriage, and spent most of her former years in Tecumseh.

Her many friends here will be pleased to hear of her success in this line and would be glad to taste some of her choice viands,

OPENING MEETING OF THE MONDAY CLUB

The Monday Club held their first meeting of the year on Monday afternoon, at the home of Mrs. John F. Hicks. This was a reception given by the President, other officers of the club, and the program committee to discuss the years work and enjoy a social afternoon.

"Spain and Portugal," being the subject of study for the winter, the rooms were decorated with the national colors yellow and red, and the flags of the two countries were draped over all the door ways and porches, while the mantles were covered with yellow and red flowers, and vases of salvia and marigold were everywhere.

The President gave an interesting outline of the Club's work and responsibilities for the year insuing, briefly their record in the past and their expectations for the future. A recitation was given by Mrs. Weld also Miss Mingay.

Some light refreshments were served following a Spanish menu, and a social hour closed the first club afternoon. Mrs. Hicks was assisted in entertaining by an efficient committee and the club looks forward to another pleasant and profitable year with the following set of officers:

Tecumseh Has to Bow to the Inevitable Scores of Citizens Prove it

After reading the public statement of this representative citizen of Tecumseh given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidney in good health since, can be relied upon to preform the same work in other cases. Read this.

W. C. Witherell, W. Potawatamie St., Tecumseh, Mich., says: "I have had no reason to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago and I willingly confirm all I have previously said in their praise. I had acute pains across the small of my back and in my hips and often after stooping; a sharp twinge darted through my loins, obliging me to lie down. I was laid up in bed for several days and I believe that my trouble was caused by excessive stooping. When I Read of Doans Kidney Pills I obtained a supply at Wright & Son's Drug Store and the contents of a few boxes restored me to good health. Since then, whenever I have felt in need of a kidney medicine, I have taken this preparation and the results have been pleasing."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

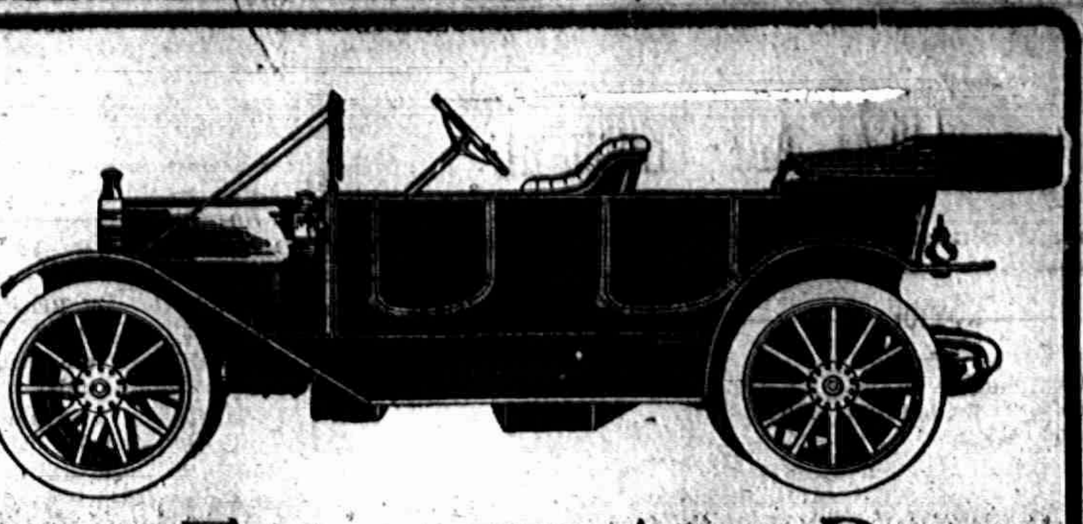
Big Weather Cock of London.

Which is the largest weather cock in London? The honor is held by the vane which crowns the little leaden cupola over the city church of St. Peter-upon-Cornhill, and is now being repaired. It is a big key, the symbol of St. Peter, and measures more than nine feet, being a few inches longer than the dragon that surmounts Bow church, Cheapside.—London Chronicle.

Cartercar



Why So Many Farmers Are Buying the Cartercar

There are many good reasons why the Cartercar is being universally accepted by farmers as the ideal car for their purposes.

It is simplicity itself—even a boy can operate and care for the Cartercar without injuring it in the least

This wonderful simplicity combined with extra strong working parts insure absolute reliability. The Cartercar is ready all the time-day or night-for the signal to go.

The Cartercar is powerful—by that is meant that it will climb almost any hill even a 50% grade. and will go through very bad, muddy or sandy roads. The farmer can drive his Cartercar out in stubble fields or pastures, across brooks and he knows that his car will always go right along.

The remarkable pulling power of the Cartercar is because of the efficient friction transmission. This is merely a friction disc which runs against a fibre-faced wheel—the relative position regulating the speed of the car. There is no crashing of gears-the speed changed easily and noiselessly. The Cartercar driver has any number of speeds and THEY ARE ALL CONTROLLED BY ONE LEVER.

The Cartercar will speed along brushing everything on the road—or will creep along behind a flock of sheep or drove of cattle, never crowding or rushing them,

This wonderfully easy control makes the Cartercar ideal for the ladies to drive. The few parts make it very easy for them to learn to operate it-and prevents them getting frightened.

The easy control is supplemented by very strong brakes. In addition to these regular brakes the driver also has the friction reverse, which makes it the safest car on the market today. The frictioe reverse is only available on friction driven cars.

Another excellent feature of the Cartercar is the Chain-in Oil Drive. The chain runs continually in a heavy oil—and the chain case being grit and sand tight, practically all wear on the chain is prevented.

The elegance and remarkably attractive appearance of the Cartercar also make a very strong appeal to the farmer. A glance at the above cut will convince you of its beauty. The extra heavy upholstering on the seats makes it almost an impossibility for a person to tire while riding in the Cartercar

Think over these facts we have given and see if they answer the requirements you would make of an automobile We know that when you understand the Cartercar you will be as enthusiastic as we are.

Let us send you complete information regarding this ideal car for the country man

A Personal Invitation to You, Mr. Farmer.

I want to personally invite every reader of this advertisement to visit me here at the Detroit Branch of the Cartercar Co., and I will be very glad to explain carefully evey detail of the Cartercar construction,

I met thousands of farmers at the State Fair and after I had shown them the Cartercar, an astonishingly large number of them went home with cars.

Write me when you will arrive and I will meet you at the Interurban or railway station with a Cartercar, and show you over the city, giving you an opportunity to study the qualities of the car in the most practical manner.

When you write, tell me the style of car you are interested in and I will try to have that car at the station for you.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

SEIZE BAD MONEY IN RAID

Detectives Find Big Counterfeiting Plot; One Arrest.

Chicago, Oct. 2.—After two weeks' investigation of a big counterfeit passing plot, United States secret service operatives and deputy marshals raided a south side dwelling. They seized one inmate, and returned to the federal building carrying several thousand dollars worth of spurious paper money. The government agents have been at work on the case since the arrest of Rudolph Swanson. He was captured when he tried to pass a $10 counterfeit note, which was a duplicate of bad money passed in Salt Lake City. Denver and several cities along the coast in the last few months.

Half a dozen bad "buffalo head" bills, all strikingly similar, have been reported by Chicago merchants in the last few days. There is reason to believe at least two other members of the gang are at work here, and for this reason Captain Porter refused to discuss the raid at all. He refused to give the name of the man arrested or the address at which he was found. The prisoner was hurried out of sight, and Commissioner Foote said he had not been arraigned. The leader of the gang is not under arrest, Swanson is still at the county jail, held for the grand jury.

CHILD'S PLAY PROVES FATAL

Lured by Playmates, Boy, Picks Up Charged Monkey Wrench.

Sullivan, Ind., Oct. 2. — Homer Duprist, eleven years old, was electrocuted at Farmersburg, twelve miles north of this city. A number of playmates had attached a monkey wrench to an incandescent wire and had been asking other playmates to pick up the wrench, the victim a receiving a shock. Duprist was barefooted, permitting a perfect circuit through the wet ground.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong,
Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent *free* on receipt of 21 one-cent stamps to cover cost of mailing *only;* or, in cloth binding for 31 stamps.

TAFT MAROONED BY CLOUDBURST

Special Creeps over Tracks Almost Undermined.

NEBRASKA PRAIRIES AWASH

Missouri Pacific Experiences Great Difficulty in Getting Nation's Head Into Omaha and Now He Is Hours Behind Schedule.

Omaha, Neb., Oct. 2. — The deluge that flooded four states and halted traffic from Omaha to Kansas City marooned the Taft special for nine hours on the Missouri prairies and brought the president into this city twelve hours behind his schedule time.

Only the precaution of the Missouri Pacific in anticipating the hundredth chance saved the president's train from derailment in a washout nine miles north of Atchison, Kan.

For most of the day the president's train was the only one running between Omaha and Kansas City. Trestles were built to hold the tracks above the surging mass of water that buried the Nebraska meadows and trains were made up to test the track before the Taft special was allowed to continue its journey. For miles at a stretch the water ran up to the tracks and flooded over them. No rock bedding could have lasted a minute before the rush of water. Houses with the water half up to their windows were passed and entire cornfields, fences and roads were submerged. Families with wagons full of household furniture rescued from the flood stood stranded in the mud on the highest points of the roads as the president's train passed by.

At every dangerous point the president's consent was asked before the trip was continued. Despite the precautions of the railroad officials and their assurances that there was no danger it was the most thrilling ride that the president has been given in all the hundred miles of his traveling about the country since he has been in the White House.

The cloudburst was at Achison, Kan. He was routed to Omaha via the Missouri Pacific along the west bank of the Missouri river.

DROWNED FORDING CREEK

Buggy and Dead Horse Are Found but No Man.

Bloomington, Ind., Oct. 2.—It is believed that F. C. Clark, aged twenty-two, a traveling salesman for the McCowan Lumber company of Salem, perished in the high waters of Bean Blossom creek, about ten miles northeast of this city. A horse and buggy, which the young man was driving, were found in the creek west of Martin's Ford. The animal was dead and the buggy tipped over. No trace of Clark has been found.

He evidently was attempting to ford the creek and the high waters caused by the rains of the last few days swept the buggy down stream.

Train Kills Little Boy.

Bedford, Ind., Oct. 2.—David Owen, seven years old, poked a broom handle under the wheels of a passing freight train and was jerked between the wheels and arch bars of a box car, receiving injuries which caused his death. After the train stopped it took the crew twenty minutes to get the boy's body out.

MICHIGAN NEWS NOTES.

State Matters of Interest Condensed For the Busiest Readers.

Ann Arbor—Alek Stemowski was painfully injured when he was hit by an Ann Arbor freight train here.

Grand Rapids—General Lewis W. Health, 74 years old, civil war veteran, is dead, after several weeks' illness.

Flint—Stepping back on the track, where they were at work, two men were run down by a Pere Marquette switch engine.

Saginaw—The fourth industrial exposition, which closed Saturday night, was the most successful in the history. Thirty-five thousand people attended.

Baldwin—Thomas Connors, 85 years old, was struck by a Pere Marquette freight train. He was found on the track in a dying condition, and cannot live.

Marshall—Charles A. Gardanier, 72 years old, veteran hack line and baggage transfer owner of this place, is dead, after a lingering illness. He was prominent in city life.

Menominee—The body of a woman about 50 years of age, dressed in two complete suits of clothing, has been found floating in the bay, about four miles from here. There is no clue to her identity.

Bad Axe—Charles Rowebottom, 70 years old, was struck and killed by a Pere Marquette engine, two cars also going over him. He was picking up coal along the tracks at the time of the accident.

Vassar—David A. Smith, 77 years old, and for 63 years a resident of Vassar, died here of apoplexy. He was a sharpshooter in the civil war and a skillful hunter and trapper in his later days.

Gilchrist—Frank Degray is dead of wounds he received in a fight with two Polish men on his way to the lumber camp, after leaving a saloon at Garnet. The men have been placed under arrest.

Cadillac—The roundhouse of the Cobbs & Mitchell company burned down here, catching fire from a stove which was left without guard during the noon hour. The company will rebuild.

Albion—Edward Lowey, charged with deceiving Miss Ella Bismingham of Albion into a false marriage, received a sentence of from one to five years. He is a railroad switchman with two wives living.

Marshall—Judge North granted Joseph Sturgis a divorce on his cross-bill. Sturgis, a well-to-do farmer, has been married four times. His first wife died, and the other three came through the aid of a matrimonial agency.

Monroe—In circuit court here Judge Golden upheld the constitutionality of the revision of he game laws by the last legislature. The case in which the decision was rendered was a test one, and will be taken at once to the supreme court.

Big Rapids—James Anderson, fullback on the Ferris Institute football team, suffered a broken collarbone in a game with Grand Haven. Anderson was tackled and thrown with such force that the bone snapped.

Battle Creek—A combine of thresher manufacturers is being formed and two constituent companies are to be the Advance and the Nichols & Shepard concerns of this city. News of the formation of the trust is confirmed by an officer of the Advance Tresher Co.

Kalkaska—"Kids, wait a minute! I've been run over," groaned 10-year-old Burnett Gregg to his schoolmates, after falling off a wagon. He got to his feet and started to run for the wagon, but fell to the ground unconscious. His playmates hurried him to his home, two miles distant, but he died a short time later.

Jackson—George Sweet, the former Munith and Whitemore Lake banker, who was arrested on a charge of larceny, has been released on $500 bail. His bond was signed by George Mayer, John Bacon and J. S. Leece, the three heaviest creditors in the defunct Munith bank, and residents of that village. Sweet's examination was adjourned until Oct. 20.

Saginaw—Following the appeal made by E. C. Warriner, superintendent of the schools, Miss Luella Burton and H. R. Young, deputy labor inspectors, have arrived to make an investigation, regarding school children being employed in local factories. Superintendent Warriner states that the situation is beyond the control of the local truant officers.

Lansing—Florence M. Daniels, an employe of the secretary of state's office for the past seven years, will resign her position Oct. 15 and accept one at Ketchikan, Alaska. The new position that Miss Daniels will take unto herself will be a life job, for she has given her promise to join and wed Clarence Sidney Blake, superintendent of schools at Ketchikan.

TAX HEARING AT BESSEMER

Commission Looking Into Local Assessed Valuations.

Bessemer, Mich., Oct. 3.—State Tax Commissioner Shields was here to review the local assessment, and there was a lively session. All the mines of Bessemer, Bessemer township and Wakefield were represented by their attorneys or superintendents. All of them attacked the figures given in the recent report of Professor Finley, asserting that they were worthless, and claiming also that all other property in the county is undervalued.

K. S. Markstrum, who appeared for the resident taxpayers, tendered a cash forfeit that he could produce purchasers for any mine in Bessemer at twice the amount of Professor Finley's estimates. He showed the fallacy in the mines' contention as to their value by proving that under their figures Bessemer mines, at the present rate of production, would be exhausted in five years, making all city and business property entirely worthless at that time. He openly charged that statements as to the quantity of ore were pure fabrications and not made in good faith.

The commissioner will review the Ironwood mines on Friday.

The general sentiment here, outside of the mine attorneys and superintendents, is that th Finley report is O. K. and should stand locally as well as for the state.

State Has Half Million in Treasury.

Lansing, Mich., Oct. 3.—There was a balance of $478,000 in cash in the general fund when the state treasurer closed his books for the end of September, and when that amount is gone the cupboard will be bare until the state taxes begin to flow into the treasury next January. It is estimated that the money will provide for state expenses until about Nov. 1.

First Sentence Under Law.

Grand Rapids, Mich., Oct. 4.—Lehman Lynch, arrested for trying to shoot his family with a shotgun, and who was overpowered by his younger brother after his jaw had been broken in two places, was sentenced by Judge Perkins, in circuit court, to serve two years in Ionia He is the first Kent county man to be sentenced for carrying weapons in violation of the new state law.

Honor Hooker's Memory.

Lansing, Mich., Oct. 4.—Tribute was paid to the memory of the late Justice Frank A. Hooker of the supreme court when the court, state officials and members of the bar gathered in session to tender their expressions of regard for the man and the jurist. Governor Osborn was present and paid a fine tribute as a layman and the representative of the people of the state.

Judge Session Assumes Office.

Grand Rapids, Mich., Oct. 3.—Judge Clarence W. Sessions has assumed the duties of United States district judge here. Judge Arthur C. Denison, whose appointment to the circuit judgeship makes room for Judge Sessions, has gone to Cincinnati. He took his oath of office there Tuesday.

DAM BREAKS: 150 PERISH

Austin, Pa Wiped Off Map by Raging Flood.

TENER ORDERS BLAME PLACED

Governor of Pennsylvania Called the State Commission Into Session to Consider the State's Power In Connection With Criminal Responsibility for Awful Disaster.

Harrisburg, Pa., (Special).—Governor Tener has called the state commission into session to consider the state's power in connection with criminal responsibility for the Austin dam disaster, and to plan proceedings against the guilty parties, if any.

Austin, Pa. (Special).—One Hundred and fifty men, women and children were drowned and a still greater number were injured when the big dam of the Bayless Pulp Paper company burst and poured more than half a billion gallons of water down on the town.

Located in a valley between two high hills that extend east and west for miles, Austin was at the mercy of the flood which swept nearly every building away, piling them up at the mouth of a narrow gulley.

Everywhere, fire quickly added it's terror, and the flames raged unchecked, roasting alive many victims who were caught in the debris.

The property loss will exceed $6,000,000, and it is the general opinion that the town never will be rebuilt.

Investigations of the calamity are barely begun, and are kept to the rear by the more important work of digging out and identifying the dead bodies, combing the ruins for living and caring for the homeless.

Contributions for the thousands who are left destitute are pouring in from all sides.

Will All Be In Line, Says Taft.

Denver, Colo. (Special).—President Taft told of his hopes for the success of the Republican party here. Speaking to the members of the Colorado Republican state committee and other members of the Republican organization here, he said he was very hopeful that when the voters of the country should realise the sincerity of the party's promise to revise the tariff along scientific lines, that those Republicans who withheld their votes in the last congressional election would return to their places and continue the party in power.

Madro Elected.

Mexico City (Special).—Francisco I. Madero has been elected president of Mexico by a 95 per cent vote of the ballots cast, making his election practically unanimous. Madero claims that Pino Suarez has been elected vice president over De La Barra by 80 per cent.

Big Year Ahead For U. of M.

ITALIANS SINK TURK BOATS.

London (Special)—A dispatch from Corfu to Lloyds states that an Italian flotilla sank two Turkish torpedo boat destroyers and captured a third in an engagement off Gomen Zetza.

Constantinople (Special).—Germany is reported to be endeavoring to persuade the Turkish governmnt to end the war with Italy by surrendering to the latter's demands. The sultan and his cabinet are reported to have taken these proposals under consideration.

Malta (Special).—The entire Turkish army of defense in Tripoli has evacuated the city, following the bombardment and occupation by Italian forces, but it is concentrating with wild tribesmen in the hills beyond. Following the bombardment, in which a portion of the city was destroyed and the palace of the Turkish governor-general demolished, the Italian land force took possession of Tripoli and have begun to strengthen the defenses in preparation for a sortie from the Turk and Arab forces.

Corfu reports that the Duke of the Abruzzi, in command of a torpedo flotilla off Prevesa, threatens a bombardment of that place

Agosta, Sicily (Special).—The Italian torpedo boat destroyer Coatit has arrived here with refugees from Tripoli. The passengers state that the Italian squadron began to bombard the forts of Tripoli on Saturday. They say that when the firing began there was a general exodus from the city.

Albanians In Revolt.

Berlin (Special).—Revolt against Turkish rule has broken out in Albania, the natives taking opportunity of the present Turko Italian war

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its curative powers that they offer One Hundred Dollars for any case that it fails to cure. GOLDEN WEDDING

Mr. And Mrs. T. B, Halliday Celebrate Monday Oct. 2 At Cottage Home Farm

A happy company of over one hundred relatives and friends met Monday at the pleasant home of T. F. Halliday and wife to help celebrate the 50th return of their wedding day.

After congratulations and good wishes for many happy returns the next important event was something good to eat, and this was served in abundance. Miss Gaita Waters, a granddaughter, sang a song suitable to the occasion and responded to an encore, with "The Old Gray Bonnet" a favorite of her grandfather's. Mr. Halliday is 77 years old and Mrs. Halliday just 70, and both are in good health.

Miscellaneous Showers

In spite of the shower of rain that prevailed Tuesday evening about 60 of the friends of Leon Sallows and wife met at the home of Chas Richardson and wife in Clinton township and gave them a fine miscellaneous shower. The presents were useful and beautiful and were much appreciated by the young couple.

A pleasant social time was enjoyed by all and refreshments of ice cream and cake were served.

Mrs. Edna Staulter was surprised Wednesday afternoon with a Miscellaneous shower, She expects to go to housekeeping as soon as her house is vacant

There were about 30 friends present and everything concievable for a young housekeeper was presented to her Refreshments were served and a most enjoyable time was passed by all present. The event was doubly pleasant, as it was such a complete surprise to the recipient.

BRIEF TELEGRAPH NEWS.

Happenings of Interest, at Home and Abroad, During Past Week.

Toledo—Rt. Rev. Joseph Schrembs has been installed as the bishop of Toledo here.

Indiana, Pa.—Nine children of Mr. and Mrs. William Dias, near Hesbon, this county, lost their lives in a fire which destroyed the Dias home early Sunday.

Albany, N. Y.—Governor Dix has signed a pardon for Captain Peter C. Hains, Jr., who killed William E. Annis at the Bayside, L. I., yacht club house in August, 1908.

Emigrant Gap, Cal.—Robert Fowler has announced his withdrawal from the transcontinental flight for the $50,000 aviation prize. He has failed several times in his attempts to fly over the Sierras.

Washington—The cotton crop of the growing season of 1911, which early in the year gave indications that it would be one of the largest in the history of the industry, will be approximately 13,868,837 bales of 500 pounds, or about 200,000 bales more than the record year of 1904.

Chicago—The strike of the shopmen on the Harriman lines to enforce recognition of their newly organized federation is on. The number of men who are out in the 15 states affected has been estimated at between 20,000 and 30,000 by the union men, although representatives of the lines affected declare the number is barely 4,000.

Milwaukee—On the witness stand before the senatorial investigation committee for three hours to answer charges that bribery and corrupt use of money had contributed to his election, United States Senator Isaac Stephenson testified that, although he spent $107,793 in his campaign he had little knowledge as to just how it was spent except that it was not used in violation of the law.

Chicago—Dr. Harry Elgin Webster, a Rush Medical college graduate student and interne at the Polyclinic hospital, in a remarkable confession to the police admitted he slew one of his two young wives, Bessie Kent Webster of Chicago, in the woods 10 miles from Dixon, Ill., Sept. 16. The police say the motive of the crime was Webster's desire to hid from his first wife, Zoe Varney Webster of Cedar Rapids, Ia., the fact he was a bigamist.

IN CLUB CIRCLES

OPENING MEETING

The Research Circle Oct. 4 1911 At the Home Of Mrs C. B. Mize.

Mrs. C. B. Mize was hostess at the opening meeting of the Research Circle Wednesday afternoon.

The new president, Mrs. Milburn Keyser presided and greeted the circle in a short talk on the work for the coming year. She urged promptness and regularity in attendance as in that way only can the interest be maintained. A paper on "The Meaning and Value of Literature" was read by Mrs. Andrew Wilson, Reading Selected, Mrs. Andrew Taylor.

Six new names were added to the membership and after Roll call, a social time was enjoyed followed by a delightful picnic supper. The next meeting will be Oct. 10th in the rooms over Hay's bakery where the regular meetings will be held.

Osborn will in person touch the button that will start this exposition of Michigan products, resources and possibilities. Senator William Alden Smith, Congressman Edwin F. Sweet Congressman James C. McLaughlin and other honored guests will be present and make short addresses

This meeting is to call the attention of the world to a period of new development in the State and this subject will furnish the keynote to the various speeches.

HOW THEY DO IT IN HUDSON

Rev Father Hallissey of Hudson has been absent for a month from Hudson, seeking rest and recreation in New Orleans, New York and else where, and arrived home last Friday evening after a strenuous trip, having been delayed by the wrecking of the train near Rochester N. Y.

Father Hallissey was not at all injured, but rather shaken up by being thrown from his berth A large crowd of his people met him and accompanied him home, where were gathered another throng and the house was brilliant with lights. After greeting his friends he was surprised to see Father Hayes of Coldwater and Father Grace of Hillsdale drive up in an auto. Father Hallissey was then escorted to the front porch and Father Hayes began to talk, he told many good things of the Hudson pastor and in behalf of the members of his parish presented him with the elegant 1912 E. M. F. touring car, that stood at the curb. The Father had not words to express himself, but no one doubted his deep feeling. After a short ride a reception was given by the sodality in C. M. B. A. Hall.

THE FAVORITE LAXATIVE

One at Night Makes the Next Day Bright; No Charge if it Doesn't

Because of its extremely gentle and effective action, Rexall Orderlies have become the most popular Remedy for Constipation.

We are so positive that Rexall Orderlies will do all that is claimed for them that we positively guarantee to hand back the money you paid us for them upon your mere request, if you are not entirely satisfied.

Rexall Orderlies are eaten like candy, are very pleasant to the taste, do not gripe, cause nausea, or any other annoyance usually experienced when ordinary cathartics are used.

Rexall Orderlies have a positive regulative effect upon the bowels and tend to provide permanent relief from Constipation and the myriad of associate ailments Besides, they help to overcome the necessity of the constant use of laxatives to keep the bowels in normal condition

We honestly believe there is no simular medicine so good as Rexall Orderlies, especially for children, aged, or delicate people, They are prepared in convenient tablet form in three sizes of packages, Prices, 10c., 25c., 50c. Why not try them at our risk on our guarantee?

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store. B. J. Pulver, Tecumseh, Mich.

SCHOOL NOTES

First of Series Competing for the $25 Prizes

The exhibit of art and manual work at the Fair, was the best Tecumseh has had for some time. The intrest in drawing and manual training in the high school is increasing and gives promise for an even better exhibit for next year. We wish, however, that our fathers and mothers would take more pains to go to see our work.

There is not much prospect for a football team this fall. Some of the boys are out practicing, but there is a lack of heavy material. It is probable that two or more local teams will be organized, and a series of games played between them.

Supt. D. P. McAlpine has been appointed sub. district chairman of the State Oratorical League, and Tecumseh will be in the contests this year. These contests are for oratory and declamation and finally lead up to a contest for the State championship. This is a good move and pupils and parents ought to support it.

Girls don't like the courses in Science at least one would think so, if he observed the classification. There are no girls taking Chemistry, and Mr. McAlpine says that half of the Junior girls asked if they could not take something in place of Physics.

Report cards are to be given out this week, and new system of marking used. E will mean excellent, G, good, F, fair, and X failed. It looks as if it may be hard to explain an X. It doesn't look like anything else on the card.

SCHOOL TEACHERS

To Meet At State Convention In Detroit November 2-3 1911

It is estimated that there will be about 8000 teachers at the Teachers State Convention in Detroit, in November. It is thought the crowd will be so large that there will have to be two places of meeting, and the Wayne pavilion and the Armory have been engaged Similar programs will be given in both places. The general program has been given out and includes some fine musical talent.

CROP CONDITIONS

Each month as the reports come in of the conditions of the crops, the people take courage for despite the drouth that has affected portions of the north, central and middle states Crops have not been damaged as seriously as was predicted, wheat averages 18 bushels to the acre, the bean crop promises well. The crop of the winter variety of apples is estimated as twice that of last year. The peach crop in the State will be about 75 per cent of normal

ANNUAL MEETING

First Presbyterian Church Oct. 4 1911 at 7:30 p. m. Good Attendance

The annual meeting of the First Presbyterian church and society was held at church on Tuesday evening at 7:30 o'clock and a very good attendance were present. The reports from the several different societies of church were given showing a steady growth in interests and results. The Treasurer's report shows a pleasing increase in the amount pledged by the envelope system over last year's collections. Mr R. M. Molles was reelected as Treasurer of Benevolences for the new year, and Mr. Earl Rector was elected for a term of three years on Board of Trustees. The present board of Trustees are: R. B. Gillespie, chairman, J. H. Smith, Treas., H. S. Waring, Secretary, R. A. Heesen and Earl Rector.

Barrel Gong.

As a change from the Oriental gong and the one composed of pipes there is the barrel gong. This is made of brass in the form of a small barrel, and when struck with the felt hammer emits a deep, rich sound, much like a bell. Each end is tuned to a different pitch, while a round disk of brass set in the top sends forth still another sound.

FOURTH ECUMENICAL

Convention of the Methodists of the World, Toronto, Canada

Once in every ten years representatives of the various branches of the Methodist family, meet in convention and this year they meet in Toronto.

Delegates began to arrive in great numbers Tuesday for the opening meeting on Wednesday. The object of the meeting is for fraternal consultation, and to discuss questions of common interest and importance.

Methodism in every phase of its activity will be discussed at this conference, which will be a most notable gathering, as eminent men from the ends of the earth will be assembled together.

It is estimated that there will be 500 official delegates present, 200 from the eastern section including those who cross the ocean, and 300 from the western section, which takes in the whole American Continent.

Wednesday the conference opened with a sermon by Rev. Henry Haigh, President of the Britian Wesleyan conference, addresses of welcome and responses. Until October 17 there will be services morning and evening.

A reception will be held Thursday afternoon at the City Hall, and a garden party Saturday by the Lieutenant Governor on the grounds of the Government house.

Women in Pitched Battle.

Pontiac, Mich., Oct. 3.—Following a battle over the possession of household goods, Mrs. Ella Losee of Perry street was arrested at the instance of Mrs. Della P. See, who came here from Minden City and purchased the rooming house outfit of Mrs. Losee for $700. Mrs. Losee reserved some articles and when she moved two loads Mrs. See claimed she was taking stuff that did not belong to her. There was a pitched battle while Mrs. See's father attempted to prevent the removal of the goods in which Mrs. Losee was victor. Both women have retained attorneys.

ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man and Woman

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable. His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juices or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomach, indigestion, and dyspepsia.

We want you to try them and will return money if you are not more than satisfied with the result. Three sizes, 25cents, 50 cents, and $1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store B. J. Pulver, Tecumseh, Mich.

Tecumseh Has to Bow to the Inevitable Scores of Citizens Prove it

After reading the public statement of this representative citizen of Tecumseh given below, you must come to this conclusion. A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to preform the same work in other cases. Read this.

W. C. Vitterell, W. Pottawatamie St., Tecumseh, Mich., says: "I have had no reason to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago and I willingly confirm all I have previously said in their praise. I had acute pains across the small of my back and in my hips and often after stooping; a sharp twinge darted through my loins, obliging me to lie down. I was laid up in bed for several days and I believe that my trouble was caused by excessive stooping. When I Read of Doans Kidney Pills, I obtained a supply at Wright & Son's Drug Store and the contents of a few boxes restored me to good health. Since then, whenever I have felt in need of a kidney medicine, I have taken this preparation and the results have been pleasing."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Rember the name Doan's and take no other.

Corpse Rings.

The sailor of the old fashioned, shellback class always wears a corpse ring. This is a plain band of silver or gold, inscribed within with the sailor's name and port. Corpse rings are worn for the purpose of identification in case of death by drowning through shipwreck, etc. The shellback sailor can never swim, and he looks forward calmly to dying suddenly beneath the sea. Indeed, he usually prefers such a death to a lingering one in hospital.—Buffalo Express.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong, Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent *free* on receipt of 21 one-cent stamps to cover cost of mailing *only*; or, in cloth binding for 31 stamps.

When the Shoe Pinches.

"My own common sense and the shoe clerk permitting, I shall never wear another pair of tight shoes," said a woman, "but if I should be inveigled into making myself uncomfortable I know what I shall do to allay the pain. The ministrations to the aching feet of a man who called on my Italian cobbler for relief showed me a remedy. The man's shoes pinched in three different places. Having located the painful spots Rafael dipped a long strip of canton flannel into boiling water and held the cloth stretched tightly across the man's shoes. When the water began to evaporate he dampened the cloth again and repeated the process several times.

"'Now,' said he at last, 'your shoes are set to your feet. No more hurt.'

"The man gave him a quarter, which I thought a small price to pay for relief from a pinching shoe."—New York Sun.

A Witty Reply.

On one occasion an important dress rehearsal at His Majesty's theater was prolonged until the small hours of the morning. The company grew very weary, particularly a gentleman who had been with Sir Herbert Beerbohm Tree in a good many productions, but who had never attained to more than a very tiny part. When the time came to rehearse his few lines he was so tired that his voice was anything but distinct.

"What's the matter, Mr. Z.?" asked Sir Herbert in his most sarcastic tones "Are you saving your voice for the rehearsal?"

"No, Sir Herbert," was the retort. "I've never been able to save anything under your management."

Sir Herbert, an exceedingly witty man himself, was so pleased with the retort that the salary of the small part man was raised.—London M. A. P.

An English King's Death.

William Rufus was killed by an arrow, either accidental or with murderous intent. He died in the New forest. His body was stripped by tramps and the next day was found by a charcoal burner, who placed the naked corpse on his cart, hoping to receive a reward. On the way to Winchester the cart was upset, and the king's body fell in the mire. Covered with filth and black with charcoal, it arrived in Winchester, where it was buried in the cathedral. A few years later the tower fell and crushed the tomb, and 600 years after the Puritans rifled the grave and played football with the king's skull.

Lansing—Attorney General Kuhn handed down a number of opinions pertaining to game laws Saturday, and hunters who are interested should read with care these opinions, else they may find themselves in trouble. Particularly should hunters outside the state read the opinion, which declares that the Michigan law does not allow a non-resident hunter to ship a deer out of the state.

Grand Rapids—Following a dispute over a dollar tip, Conductor Hawkins of the G. R. & I. was attacked by Charles Stafford, a negro waiter, with a razor, and, although badly injured, will recover. The conductor was badly cut about the head and will be disfigured for life. He was taken to a hospital. Stafford was arrested a short time later.

PHILLIPS DRAWS FIRST BLOOD

Supreme Court Acts In Prison Board Fight.

KUHN MUST SHOW CAUSE

Mandamus May Now Be Issued Compelling the Attorney General to File Quo Warranto In the Court of Last Resort, as Demanded by Fenton Man's Attorneys.

Lansing, Mich., Oct. 3.—Edward A. Phillips of Fenton, who was deposed by Governor Osborn, July 6, as a member of the board of control of Ionia prison, won the opening round of the battle with the chief executive when the supreme court granted an order compelling Attorney General Kuhn to show cause why a mandamus should not be issued compelling the attorney general to file an information in the nature of a quo warranto in the court of last resort, as demanded by the attorneys representing the Fenton man.

Claiming that he was supported in this action by an opinion rendered by Attorney General Kuhn, Governor Osborn placed Colonel James Parker of Flint on the Ionia prison board a few months ago, and only recently took similar action against John S. Haggerty of Detroit, who was appointed to the Jackson board during the closing days of the Warner administration. Both men were recess appointees, and were confirmed by the senate. Heretofore it has always been customary for such appointees to fill out the unexpired term to which they were appointed, but the action of the governor in overthrowing all precedent has brought the case to the supreme court.

When Phillips' attorneys requested Attorney General Kuhn to file the information with the supreme court, the head of the state's legal department refused and the order to show cause why a mandamus should not follow compelling him to take such action was delivered by the court.

Will Revise City Charter.

Kalamazoo, Mich., Oct. 4.—To decide whether Kalamazoo wants a revision of its charter for the purpose of establishing a commission form of government, an election will be held Nov. 6. Eight commissioners will be elected to revise the charter, which will again be submitted to a vote.

Candidates for the charter commission will be nominated by political parties, although it has been desired to eliminate politics entirely. The new state law provides no way for the nomination of a charter commission except through political parties.

Rain May Ruin Sugar Beet Crop.

Saginaw, Mich., Oct. 3.—Favored by excellent growing weather all summer and with thousands of tons of beets in the fields and sheds ready for the machinery to commence slicing operations the sugar beet industry has suffered in the last three days one of the most severe setbacks that it has ever encountered because of the excessive rains on beets in the field and near the weighing stations.

Niles Residents Calming Down.

Niles, Mich., Oct. 3.—The Kimmel excitement has subsided rapidly since the repudiation by Mrs Estella Kimmel of the Auburn man's claims to being her son. Kimmel is still here and walks the streets now daily without being followed by the gaping crowds that stretched their necks to get a glimpse of the man the first few days of his arrival in the city from Auburn prison.

NUDE BODY IDENTIFIED

Woman Found Murdered Near Dixon, Ill., Is Mrs. H. E. Webster.

Chicago, Oct. 2. — Dr. Henry Elgin Webster, charged with the murder of his wife, Bessie Kent Webster, made a complete confession of the murder in the office of Captain Baer at the Chicago avenue police station just before being taken to the train for Polo, Ill.

Dixon, Ill., Oct. 2.—The body of the murdered woman found near Dixon, Ill., was identified as that of Mrs. Bessie Kent Webster, wife of Dr. Homer E. Webster of the Policlinic hospital, Chicago.

Soon after it was learned that the body was that of Mrs. Webster, a telegram was sent to Chicago from Polo requesting the arrest of Dr. Webster on a charge of murder. Miss Mabel Sextit, a trained nurse, also is sought as an accessory to the crime. Dr. Webster was arrested.

Miss Sextit, the nurse sought, figured as the principal witness in an unsuccessful attempt at divorce made by Webster in February. Miss Sextit is supposed to have attacked the character of the doctor's wife. Mrs. Webster disappeared from Chicago on Sept. 15, following a quarrel with her husband because of his inability to provide funds for her vacation, the doctor says.

ADMIRAL SCHLEY DEAD.

Naval Hero of Santiago Is Stricken on Gotham Street.

New York (Special).—Rear-Admiral Winfield Scott Schley dropped dead near the corner of Forty-fourth street and Fifth avenue, while on his way down town. The admiral died before medical aid could reach him.

Admiral Schley had been staying at the New York Yacht club, on West Forty-fourth street. The admiral left the club house and started to walk along Forty-fourth street towards Fifth avenue, when he was taken suddenly ill. A hurry call was sent for physicians, and an ambulance, but before aid could reach him the admiral was dead.

FISHER UNDIPLOMATIC.

Secretary of Interior Brings Wrath of Kansas Insurgents Upon His Head.

Hutchinson, Kas. (Special).—Walter L. Fisher, the secretary of the interior, "mixed it up" verbally with Senator Bristow, the insurgent Kansan, while President Taft sat before an audience of 10,000 people at the Kansas semi-centennial celebration. The fight came without a word of warning.

Governor Stubbs called upon him for a speech, and before the executive knew what was happening, Fisher had put his heel on the neck of "hypocritical and demagogical progressives," and had his audience in an uproar. Governor Stubbs, an avowed insurgent, was on his feet before Fisher had ceased talking and crowded into the first pause to introduce to the audience, "their great senator whom every Kansan knows."

Then Senator Bristow went after Mr. Fisher, and he had the audience with him in a few moments.

The rumpus came on the end of a wearisome, uneventful day for President Taft, who had just completed the reading of an address to 10,000 people who had gathered at the fair grounds to hear him.

Unpalatable.

The Rev. Charles H Spurgeon was fond of a joke, and his keen wit was, moreover, based on sterling common sense. One day he remarked to one of his sons:

"Can you tell me the reason why the lions didn't eat Daniel?"

"No, sir. Why was it?"

"Because the most of him was backbone and the rest was grit."—Youth's Companion.

GERICKE WINS BALLOON RACE

Lands at Holcomb, Wis., after Covering 490 Miles.

Alan R. Hawley Admits that Berlin II Has Beaten His Record of Last Year—Lahm Lands at Milestone, Wis.

New York, Oct. 9.—They got a telegram at the Aero Club of America which said that Lieutenant Hans Gericke, with his German balloon, the Berlin II, had landed at Holcomb, in Chippewa county, Wisconsin, on Saturday, after covering a distance of 750 kilometers in his race for the international cup.

Every one in the club house got out pencils and there was a crowd around the map in a moment. After a lot of figuring and peering, Alan R. Hawley, who won last year's balloon race, after many exciting adventures up north with Augustus Post, straightened up and announced that we would have to hand the victory to the Germans.

According to the map, they figured that the German balloonist was too modest in his figuring. Seven hundred and fifty kilometers is 464 miles and three-quarters, but the measurements done by the club folk on the map gave the lieutenant nearer 490 miles.

But he won the race even at his own figures, for his nearest competitor was Lieutenant F. P. Lahm, who dropped down in his Buckeye at Milstone, Wis., 395 miles from Kansas City.

Everybody who had ever had anything to do with the balloons felt the keenest sort of interest in the international race this year, for if the Americans had won the Aero Club of America would have kept the trophy. This is the second victory for the Germans as against three for the Americans since Lieutenant Lahm won in Paris in 1906. But they took it good naturedly at the club and sent a telegram of congratulation to Gericke at Holcomb.

DOLL CRUSHED; MEN EXCITED

"Horrible Accident" on Street Car Track Proved to Be Joke.

Anderson, Ind., Oct. 9.—Mischievous boys cast a large doll under a street car here and the car wheels crushed a sawdust limb from the doll. A man thinking the doll was a baby, called for an ambulance. Calls brought two ambulances to the scene, but the man discovered the hoax and dropped the crushed doll to the pavement.

The first ambulance men to arrive promptly gathered up the doll and hauled it away although they discovered they also had been the victim of a prank by the boys. The street was filled with people when the ambulances dashed to the scene of the supposed accident.

TRIPOLI CABLE AGAIN WORKING

Italian cruiser Marco Polo captures Turkish transport with many soldiers aboard.

Four Turkish torpedo boats sunk by Italians off Albanian coast.

London, Oct. 9.—The restoration of the cable between Tripoli and Malta, which has been out since Oct. 1, has enabled correspondents to get through their accounts of the bombardment, but there is little fresh news.

One says that on Oct. 3 news reached the fleet that four officers who arrived upon the steamer Tafna, which was stopped with the French consul general aboard, demanded to be put ashore. The admiral replied that it was impossible to let them land, as the bombardment was about to commence.

This information, in conjunction with the Paris dispatch telling of the intentions of Fethi Bey, indicates that that officer did not reach Tripoli to take command, though the plan of campaign as outlined by him to the Temps correspondent apparently is being followed.

One corresondent says the Italian gunners' aim was admirable. A few shots fired by the Turks ashore splashed into the water half way to the ships and there was no reply from the shore batteries for fifty minutes after the first shot.

Two officers who landed Oct 4 found two great stores of ammunition at the Hamidie fort. On the morning of Oct. 5 an officer from the Verosa went ashore and blew up the ammunition. There was a terrific noise and a vast cloud of smoke spread over the town. On Oct. 5 over 2,000 sailors and marines landed. The Turks had vamoosed.

LORIMER PROBE OPENS TUESDAY

Senate Committee Will Sit In Chicago for a While.

200 WITNESSES SUBPOENAED

As Many Members of Illinois Legislature Are to Be Examined It Is Not Unlikely Sittings May Be Held in Springfield.

Chicago, Oct. 9.—More than 200 witnesses will be summoned before the Lorimer investigation committee of the United State senate at hearings which will open here this week.

The committee will convene in Judge Grosscup's courtroom in the federal building at 10 o'clock Tuesday morning, after two months' recess.

Hearings so far held by the committee in Washington occupied a total of six weeks. The program mapped out by the committee for the future is so comprehensive that it seems probable that hearings will last for a mouth or six weeks more.

For a week a special officer of the senate has been engaged in serving subpoenas in Illinois. More than 100 persons in one way or another connected with the election of Senator Lorimer in 1909 already have been served. Subpoenas have been prepared for scores of others and will be served from time to time.

John J. Healy and John H. Marble, attorneys for the committee, have been at work on the case for a month in Chicago. They have prepared a tentative program for the hearings, which will be submitted to members of the committee for approval on their arrival in the city.

Senator William P. Dillingham, Vermont, chairman of the committee, reached Chicago Sunday. All the other members of the committee will be here by tonight.

In addition to Senator Dillingham, other members of the committee are Senator Robert J. Gamble, South Dakota; Senator Wesley L. Jones, Washington; Senator William S. Kenyon, Iowa; Senator Joseph F. Johnston, Alabama; Senator Duncan U. Fletcher, Florida; Senator Luke Lea, Tennessee

Senators Dillingham, Gamble, Jones and Kenyon are Republicans, while Senators Johnston, Fletcher, Kern and Lea are Democrats.

Forty-seven witnesses were heard by the senate committee in Washington. A few of them may be recalled at the Chicago hearings.

The list of prospective witnesses includes the names of practically all members of the 1909 legislature which elected Senator Lorimer.

In view of the fact that the legislature will be in session during the next few weeks it is possible that sessions may be held in Springfield for a short time. Many of the members of the legislature, however, will testify in Chicago.

MUNICIPAL DAM FOUND TO BLAME

Its Construction Caused Loss at Black River Falls.

Loss In This One Town Placed at $1,200,000—Grocery Stores All Washed Away Makes Feeding of People a Problem.

LaCrosse, Wis., Oct. 9.—Fifteen families are homeless, property loss of $1,200,000 has been wrought, and the City of Black River Falls is laboring under the handicap of the loss of its business district as the result of the flood.

This, in brief, summarizes the situation in Black River Falls disclosed at the end of an exhaustive canvass of the city.

The defective construction of the municipal power plant at Black River Falls—not the Hatfield dam—is held by engineers to be partly responsible for the disaster. The concrete dike of the city dam, just completed, was laid diagonally to the course of the river instead of at right angles, throwing the flood waters toward the business section when the torrent was released. Had the protection dike been built straight across to the side bank the eddy through which the flood got its first opening into the bank where the business section was located would not have existed.

Further danger at Black River Falls is over and the waters are receding. Whatever trouble the flood causes now will be at LaCrosse and the villages on the lowlands to the north. The Black and Mississippi rivers are both rising rapidly.

Citizens declare they are able to cope with the situation without outside assistance, although they are accepting gratefully all proffers of help.

A serious problem is the lack of stores and loss of stock and provisions. Only one grocery remains in the city, but another has been located in a tent and others will be temporarily housed in a day or two. Meats and groceries will have to be shipped in from outside points for the present to supply the population.

HEIRS CLAIM $180,000,000

Two Hundred of Them Organize to Obtain Estate In Holland.

Rock Island, Ill., Oct. 9.—Claiming title to a $180,000,000 estate left by the famous Dutch general, Paul Wertz, who died in Amsterdam in 1873, 200 descendants of the general residing in the United States met here to devise a plan of presenting their case to the government of the Netherlands in an effort to collect the fortune. Mrs Estelle Ryan Snyder of Chicago is presiding over the convention.

The meeting, which will continue three days, opened with an address of welcome by City Commissioner Jonas Bear, representing the mayor. Mrs. Snyder read a paper entitled "The Werts family—their history as far as known."

The Bible owned by Jacob Werts, son of the general who settled and died in Pennsylvania, was on the table in the Hotel auditorium, where the heirs are assembled. Mrs. Snyder stated that every state in the Union is represented at the meeting in this city.

W. C. T. U. CONVENTION

At Adrian October 4-5

The annual county convention of the W. C. T. U. was held in the M. E. Church at Adrian Wednesday and Thursday.

The opening service was conducted by Mrs Leona Field of Ann Arbor. There were but few present at that hour, but there were about 60 present during the morning, delegates coming on the morning trains. At the afternoon session Mrs E. S. Ferguson county president gave an address of greeting to all. Mrs. Field then followed with a talk on the report of the State Convention. She spoke in a very interesting and instructive manner and was listened to with deep interest. Mrs. Julia Reed was not present and her talk on the Sunday School convention in San Fransisco was postponed.

Reports from the various Unions throughout the County were read and were very gratifying.

A question box provided an interesting feature of the day. The meetings during Thursday were well attended and the addresses were fine.

The election of officers resulted as follows:

President—Mrs. Emma Cheney, Jasper.

Cor Sec.—Miss Mamie Scott, Raisin.

Rec. Sec.—Mrs. Mattie Kirby. Hudson.

Treas.—Mrs. W. J LaFraugh Adrian.

Mrs. E. S. Furguson, who had been president for 11 years, resigned also Mrs. Myrtle Palmer who had served as Rec Sec. for the same number of years.

Children's hour was one of the pleasing features of the last day. Ten children gave "Ten great Men's Reasons for Abstinance" and a dialogue by two children followed Mrs. Whitney then gave a short talk to them. The meeting proved a great success both days and was well attended.

37TH ANNIVERTARY

Blissfield Advance

Thursday Oct. 5 1911 the Blissfield Advance came to us a 16 page paper in honor of its 37th anniversary.

The paper is finely illustrated with cuts of Blissfield as it was, and as it is and shows a decided growth in the business interests since the first issue of the Advance. The Advance has also taken a step in the right direction in this, that hereafter they will publish a strictly all home print weekly newspeper. We congratulate the Advance on its 37th birthday and wish many prosperous returns of the day.

Can't look well, eat well or feel well with impure blood feeding your body. Keep the blood pure with Burdock Blood Bitters. Eat simply, take exercise, keep clean and you will have long life.

REXALL CONVENTION

United Drug Company

One of the most forceful demonstrations of what co-operation can accomplish is shown this week in Boston at the ninth annual convention of the stockholders of the United Drug Company.

In many ways this convention is unique. I doubt if any other single organization has accomplished what the United Drug Company has succeeded in doing in such a short time. Stockholders with their families, numbering some 2000, are here from every section of the United States and Canada, while others came from distant places, such as England, Hawaii, and the West Indies. These are all representative business men, each the leading druggist in his respective town and no two men are from the same place.

Tuesday morning Mr. Louis K. Liggett, president of the company, called the meeting to order, and introduced his Honor Mayor John F. Fitzgerald. In his address of welcome the mayor assured the stockholders that Boston not only appreciated the coming of the visitors, but recognized that they represented one of the biggest commercial assets that Boston had, and told of the struggle that other cities had made to take the company away from Boston.

When the regular business of the session was resumed, President Ligget reviewed the work of the company for the past year, which showed the tremendous growth of the concern in that time. He then traced its progress from its organization nine years ago, His report showed that the company's laboratories now occupy nearly ten acres of floor space, employs about 1200 people with an annual pay-roll amounting to nearly a million dollars. Where the company a little more than eight years ago had but 32 stockholders, it today has close upon 5000. He told of the plans for the future, showing that it was necessary to immediately commence work upon new buildings to keep pace with the increased growth.

Mr Ligget explained the great work the company accomplished in producing pure drugs, products that the public and practioners could depend upon, and produced at the lowest possible prices consistent with quality. Moreover, he showed that drug-store service within the zone of the operations of the company had been greatly improved. He stated that it was gratifying to know that in the eyes of the public the druggist who could call his store "The Rexall Store," was considered the leading and most dependable druggist in his community. He complimented the stockholders on the splendid work they have done to deserve this high esteem.

The affair of the week was brought to a close in the evening by a banquet held in the great hall of the Arena. It proved to be one of the most brilliant affairs ever held here.

One of the most interesting events of the week was the inspection of the "Children's Playground," recently opened by the company on its property on Huntington Avenue, corner of Greenleaf Street.

The ladies of the party were royally entertained during the business meeting of the stockholders, the committee of ladies taking them to various points of interest, the museum of fine arts where a special lecture was given, and then to the Boston Public Library.

In the evening the entire company saw the "Red Widow" at the Colonial Theatre, the largest in the city, Raymond Hitchcock being the star with a fine support. Between acts the ladies were presented with Liggetts Chocolates in dainty boxes

Several trips were taken during Wednesday and Thursday an old fashioned circus was given, a New England Shore dinner followed by dancing and other entertainment.

Our friend John Orr was one of those in attendance and he claims that he has gained several pounds in weight from so many banquets and great dinners that were served to them.

Tecumseh Has to Bow to the Inevitable—Scores of Citizens Prove it

After reading the public statement of this representative citizen of Tecumseh given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to preform the same work in other cases. Read this.

W. C. Witherell, W. Pottawatomie St., Tecumseh, Mich., says: "I have had no occasion to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago and I willingly confirm all I have previously said in their praise. I had acute pains across the small of my back and in my hips and often after stooping; a sharp twinge darted through my loins, obliging me to lie down. I was laid up in bed for several days and I believe that my trouble was caused by excessive stooping. When I read of Doan's Kidney Pills, I obtained a supply at Wright & Son's Drug Store and the contents of a few boxes restored me to good health. Since then, whenever I have felt in need of a kidney medicine, I have taken this preparation and the results have been pleasing."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Rember the name—Doan's—and take no other.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results. Is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

TURKISH WAR PLAN

To Concentrate Forces at Djado and Start Serious Trouble from There

Paris, Oct. 9.—Fethi Bey, who left Paris to take command of the Turkish forces at Tripoli, informed the Temps correspondent on board the Tafna, while going to Tripoli, Oct. 2, that he would not attempt to defend that city. Fethi Bey is quoted as saying:

"Our plan is simple. Without coming to real fight or being caught napping we will delay the Italian landing as much as possible and then retreat to Djado, where there is as much water as the army will require. The troops along the Tunisian frontier and at Ghadames and Fezzan will also concentrate in the same district. Within a few weeks we will have a camp of 10,000 reuglars and twice as many if not three times as many Arabs, well armed and disciplined. Then serious trouble will commence."

MOB SEIZES A NEGRO

Girl Fails to Identify Black After Lynching Party Storms Jail.

Carbondale, Ill., Oct. 9.—Failure of a sixteen-year-old daughter of Conductor Wellman of the Illinois Central railroad to identify a negro prisoner as the man who attacked her saved him from lynching here after a mob of 700 persons had stormed the jail and taken the negro from his cell.

The prisoner was released. The girl is a normal school student.

Constitution to Supreme Court.

Indianapolis, Oct. 9. — After Judge Remster of the circuit court had filed his conclusions of law and special findings of facts in the constitution case, the necessary formalities for taking an appeal from Judge Remster's recent decision, that the act for the proposed new state constitution is unconstitutional, were disposed of and Judge Remster granted the petition of the attorneys for the defense for an appeal to the Indiana supreme court.

J. M. Studebaker Seriously Ill.

South, Bend, Ind., Oct. 9. — J. M Studebaker, Sr., multi-millionaire vehicle manufacturer and the surviving member of the original Studebaker family, is seriously ill at his home in this city. He has been confined to his home for several days.

Tampico, Mex., Oct. 9.—The Mexican gunboat Vera Cruz is patrolling the gulf coast to prevent the landing of arms and ammunition for the alleged revolution that is being formed.

TAFT ON MOUNT RANIER

Motors Eighty-Five Miles to the Snow Line.

Twelve Automobiles Carry President and His Party Through Cascade Mountain Scenery.

Mount Rainer, Wash., Oct. 9.—President Taft motored eighty-five miles through the Washington forest to the snow line on Mount Rainer. Heavy clouds overhung the sky and the view of the mountain was somewhat obscured, but the saddle peaks, snow capped, were visible through the rifts in the mist.

Some twelve automobiles carried the president and his party. At times the president's machine set the pace of forty miles an hour, which was rather too fast time for a presidential tour around the mountain curves.

The route carried the president through the Chop Valley, where at one place he looked over the steep mountain side to a mountain stream, 4,000 feet below. The wonderful natural beauty of the Cascade mountains was heightened by the touch of autumn, which gave a brilliant variation to the maples, to the dark green of the mammoth cedar and fire tree that rose for 100 feet straight into the air.

The president was taken to Reece's camp, which is about seven miles up the mountain road and at the beginning of the snow line. Every one got out there and a snow ball fight followed. Then the president was taken to Ashford, Wash., where his train was waiting.

TWO CHILDREN KILLED

Others Fatally Injured When Building Collapsed at Chicago.

Chicago, Oct. 9.—A four-story brick building in course of construction on the north side were overthrown by the wind. Six men were taken from the ruins. Two of them, Paul Laslo and Henry Greenwood, will die.

Firemen found the bodies of two children in the ruins. One was a girl about twelve, and the other a boy about six.

Dies of Fractured Skull.

Gary, Ind., Oct. 9.—David Alex Sholtis, a machinist helper, fell a few feet and suffered a fractured skull, while working in the machine shop of the Illinois Steel company's plant. He died soon afterward. Sholtis is the second workman to be killed in the Gary mills in a week.

Wall Paper Men Enter Pleas.

Cleveland, O., Oct. 9.—Pleas of not guilty were entered in the United States district court by the eight wall paper manufacturers and jobbers indicted by the federal grand jury on Thursday, charged with a conspiracy in restraint of trade.

DIGEST OF SUNDAY'S NEWS

Italian troops landed and occupy city of Derna.

Sir William Ramsay predicted partition of Turkish empire.

United States Circuit Court Judge Joseph Very Quarles died in Milwaukee.

NEW MEN IN BOMB PLOT

Editor of Anarchistic Paper Said to Be Implicated in Los Angeles Crime.

Tacoma, Wash., Oct. 9.—Closely following the charge by representatives of William J. Burns that members of Home Colony, an alleged anarchistic settlement on Lake Day, had been implicated in the explosion that wrecked the Los Angeles Times came an announcement by Deputy Prosecutor G. C. Nolte of Tacoma that he had evidence to connect Jay Fox of the settlement with the case.

Fox is the editor of a small paper printed at the Home Colony called the Agitator. He is now under $2,000 bond on a charge of sedition.

ARMY OFFICER RIDES

Echo of Roosevelt Days Heard in War Department.

Four Groups of Officers in the East Have Been Ordered to Take Horseback Tests.

Washington, Oct. 9.—Echoes of the Roosevelt administration were heard when orders were issued by the war department for the annual test rides of army officers. The first party of thirty-three, composed principally of officers assigned to the army war college, have started for a three-day horseback ride.

There will be four groups to take the rides. The second party will ride Oct. 16, 17 and 18. The detail of officers to this group, however, has not been announced.

The third group will be composed of officers on duty under the commanding general of the eastern division, and the fourth will be made up of such officers as may not have participated in the previous rides. The dates of the last two rides have not been determined.

MAN'S CAUTION IS FATAL

Tries to Enter Home by Fire Escape and Falls Six Stories.

New York, Oct. 9.—When P. A. Carvill reached his home on the top floor of an uptown apartment house late at night he found the door locked. Unwilling to disturb his sick wife and five days' old baby, Carvill tried to reach the fire escape and enter his flat by a window. Going to the roof, he started to lower himself over the cornice. He slipped and fell six stories, being instantly killed.

No one dared tell Mrs. Carvill, who is in a critical condition, but she was informed that her husband was in a hospital, hurt by a fall.

FROWN ON COLUMBUS DAY

New York Officials Object to Appropriating $10,000 for the Purpose.

New York, Oct. 9.—Christopher Columbus, who discovered this country some 419 years ago, is apparently not of revered memory—at least in New York. At any rate the city officials have frowned on a proposal for an appropriation of $10,000 for a celebration in honor of the anniversary of his landing, most of them expressing the opinion that if a celebration is wanted the persons who want it should foot the bills by private subscription.

As a result, Columbus day, launched last year as a public holiday for which the city was supposed to provide elaborate entertainment, is likely to become a dead letter.

CLOUDBURST HITS WEST

Many Settlers May Have Perished in the Flooded Districts.

Denver, Colo., Oct. 9.—Reports from various parts of the state regarding the extent of damage from the cloudburst which swept both sides of the range, carrying millions of tons of water into the lower valley, breaking reservoirs and drowning settlers, indicate much loss of property to ranchers.

The isolation of the flood swept district makes it impossible to get authentic news concerning the loss of life or extensive information as to the damage to property.

Telluride and Durango, it is believed will be cut off from railroad traffic for at least a month. At Del Norte one-half of the town is reported under water.

GOOD GOODS AT REASONABLE PRICES

One of the set principles of this store, when making mention of anything we have for sale, is to speak of it in a modest way. In other words, not allow our own enthusiasm to lead us beyond what the general acceptance might be. To underate rather overrate---if you please.

When we offer a suit or overcoat at $12 to $20, we know the customer who buys gets equal value in merchandise and the selling of good goods at reasonable prices is fast making for us customers and friends,

FATAL ACCIDENT

EUGENE EDISON STRUCK BY A RAILROAD TIE, WHILE UNLOADING A CAR ON THE D. T. & I. TRACK 3:30 P. M. WEDNESDAY COT. 11

Lived Only Two Hours

Mr. Edison has been an employe of the D. T. & I. for six years, living in Napoleon for 4 yrs, and in Wauseon for the last two years.

Wednesday morning he came down from Napoleon with a gang of 40 men with a load of ties, to lay a new track in the yard. While unloading the ties in the gravel pit by some unforseen accident one of them struck him on the head, and he fell to the ground in an unconscious condition, from which he never rallied, his death occurred at 5:40 p. m at the home of Mr. Wilcox.

Two sons came Thursday morning and took charge of the body which was conveyed to his home in Wauseon on the 10:40 a. m. train.

He was 51 years of age and leaves a wife and six children in Wauseon.

STRANGE COINCIDENCE

A singular coincidence with the fatal accident of Wednesday was that of an automobile accident in Wauseon, when two sons and two step-sons of Mr. Edison who were out in an auto which upset, were thrown out. No one was seriously hurt, though one of the sons who came on Thursday for the body of his father, was quite badly bruised on one leg and arm.

ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man and Woman

The newspapers and medical journals recently have had much to say relative to a famous millionaire,s offer of a millon dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable

His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juicies or by lack of tone in the walls of the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help to restore to the gastric juices their digestive power and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomach indigestion, and dyspepsia.

We want you to try them and will return money if you are not more than satisfied with the result.

Three sizes, 25cent, 50 cents, and $1.00. Remember, you can obtain Rexall Remedies in this this community only at ourstore—The Rexall Store B J. Pulver, Tecumseh, Mich.

O. E. S.

45th Annual Conclave of Grand Chapter Jackson, Mich.

The 45th annual meeting of the Grand Chapter O E S. being held in Jackson this week, has been of great interest to all who have been in attendance.

There are 366 Chapters of the O. E. S. in Michigan, 18 of these are in the northern peninsula, the combined membership being 4,7000.

The opening reception was given Tuesday night, with the officers of the Grand Chapter in line, assisted by the Past Grand Officers Light refreshments and music by Boos Orchestra, helped to make a most delightful evening.

The meeting opened Wednesday morning at 10 o'clock, with the general business of the order which was continued Thursday.

The closing exercises were held this morning, the attendance is estimated at about 1,200.

The O. E. S. is an American product and Michigan has the credit of its inception many years ago. In its early days it met with many discouragements, but its good qualities have prevailed, and it now stands forth on its merits as a noble organization.

Chapters have been installed in England, Scotland, Australia, New Zealand and the Haitian Islands. the general Grand Chapter of the United States being the recognized Chief body of the world, and its word is law.

Icelanders' Gloves.

In so cold a climate as Iceland the glove must be put off or on as rapidly and easily as possible; so it is made without fingers, and in order that no time may be wasted in distinguishing between right and left all gloves have two thumbs. You simply thrust your hand into the first glove that comes and your thumb immediately finds its way. There are, of course, drawbacks in the matter of appearance, for the dangling idle thumb looks untidy.—London Chronicle.

LOS ANGELES AND MICHIGAN PEOPLE

We have received several copies the Alhambra Advocate published at Alhambra, Calif., in which was given an account of a 'Gala Day at Long Beach", in which over one hundred Michigan people who belong to the Alhambra Michigan Society participated.

They went by Special Car and each wore a badge of blue and gold, the chosen colors of the U. of M, and the car also was decorated with two banners 12 x 3 with "Alhambra", in large letters. After reaching their destination and satisfying the longings of the inner man a program was given and Dr G. P. Waring so long a resident of Ridgeway, and well known to Tecumseh people, read an original poem, "Never go back East".

Judging from the tenor of his poem, Michigan has nothing to commend itself, but cyclones, blizzard, hail storms, thunder. lightening and turmoil generally. Yet in the last verse we notice just a slight vein of homesickness, for he does allow that the sparkling lakes and rivers might draw one to their home state. But joking aside, the poem was a good one, and we were much pleased to be remembered so kindly with the papers.

Washington as a Humorist.

While president Washington's humor seemed to find expression in the diplomacy of self protection. A French revolutionist came to him for a general testimonial, which Washington did not care to grant, yet he did not wish to give offense to the French by a curt refusal, so he wrote an evasive card worthy of Lincoln—"C. Volney needs no recommendation from G. Washington."

After Cornwallis' surrender at Yorktown Washington treated him with high consideration. At a dinner given in honor of the distinguished prisoner Rochambeau proposed "The United States" as his toast; Washington responded with "The king of France;" Cornwallis, perforce, faintly suggested "His majesty," when Washington startled them all by announcing, "The king of England—may he stay there!" with a ready wit that made even Cornwallis laugh.—Century.

AMUSEMENTS

MR. NORMAN HACKETT

Mr. Norman Hackett, the star of "Satan Sanderson" at the Bradley Opera House, the latter part of this month is a graduate of the University of Michigan aud a member of the Theta Delta Chi College Fraternity and one of the founders of the National High School Society, Lambda Sigma. Mr. Hackett made an enviable reputation for himself in Shakespearen roles as leading support to E. H. Southern, Julia Marlowe, Louis James and other great artists, with whom he has often appeared here. Three years ago he became a star in his own right in "Classmates," a West Point play which Robert Edison originally produced. Mr. Hackett's success in this play was sufficient to carry him through two seasons and to be honored by an invitation to present it at the famous Greek Theatre of the University of California. where Maud Adams and Sara Bernhart gave their memoral performances of "As you Like It" and "Phaedre" it being the first modern play ever given there.

In "Satan Sanderson" his new play he is said to have the best of his career. Mr. Hackett has also won destinction as a lecturer on the drama and Shakespeare. He has been honored by invitations to address almost every large college in the country, as well as hundreds of high schools and clubs, and is probably doing more than any young actor of the present time through his willingness to give others the benefit of his study and experience to bring about a closer affiliation between the school and theatres of our country for their mutual good. He is a credit to his profession and a young man in whom the future of the American stage may look to a leader for some time to come. It is hoped that he may be induced to give a lecture here during his forth coming engagement.

SCHOOL NOTES

Leon Orr has left school.

The report cards were given out Friday and many found that they had fallen by the wayside.

Harry Waldron returned to school last week, after being detained at home for a time by his recent accident.

Some of the more loyal members of the High School turn out for every foot ball practice, but the prospects for a game are poor.

The Senior German class is studying Immensee.

Agnes McIntyre was absent from school Monday morning on account of illness.

English IV is reading Chaucer.

The Physics Class is studying Gravitation.

A new basket ball ground has been laid out at the High School, this is a very good arrangement as it saves much time. The only contestants for the cup are Clinton and Tecumseh. A game will be played next week, probably the eighteenth.

Scene from the Physics class. Teacher:—"Define Cohesion, Willie." Willie:—"Cohesion is the intermingling of substances." Teacher:—"Give the law for parallel of forces." Petoskey—The Petoskey Record, for 33 years the leading Republican newspaper of Emmet county, has been purchased by C. E. Churchill, proprietor of the Petoskey Evening News and Petoskey Independent.

Battle Creek—Jacob Sosbine, an employe of the Grand Trunk locomotive shops, tried to take a short cut home by jumping on a Grand Trunk freight train and was fatally injured, both legs being cut off.

Quincy—This community was greatly shocked to learn of the death of Supervisor C. McKay at his home in this village. Mr. McKay has represented the township of Quincy as its supervisor for the last 12 consecutive years.

Mt. Clemens—With face badly discolored from the effects of carbolic acid, the lifeless body of David Meldrum, 45 years old, was found at 6 o'clock in the morning lying in the roadway, six miles east of this city.

Reed City—Owing to the excessive rains the last week, the pressure on the dam of th Osceola Light & Power plant became so great as to cause a serious break. The city is without light and probably will be for some time.

Port Huron—Sanilac county has lost one of its oldest and most highly respected residents in the death of Mrs. Jacob W. Buel, aged 90 years, who passed away suddenly at her home in Lexington ofter being a patient sufferer for the last four years.

Eagle—While Perry Dallus, a rural mail carrier of Eagle, was getting ready to start out on his route here a stranger entered a local livery barn and got away with the carrier's horse and carriage. Three men who got off a morning train are believed to have made away with the outfit.

Escanaba—Because they objected to the piece system in the local shops, all but three of the force of car repairers in the local yards of the Chicago & Northwestern railway walked out here. The system was introduced and tried but a few days, the men not being satisfied with their remunera-[illegible]

ACKNOWLEDGE IT

Tecumseh Has to Bow to the Inevitable—Scores of Citizens Prove it

After reading the public statement of this representative citizen of Tecumseh given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidney in good health since, can be relied upon to preform the same work in other cases. Read this.

W. C. Pitherell, W. Pottawatamie St., Tecumseh, Mich., says: "I have had no reason to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago and I willingly confirm all I have previously said in their praise. I had acute pains across the small of my back and in my hips and often after stooping a sharp twinge darted through my loins, obliging me to lie down. I was laid up in bed for several days and I believe that my trouble was caused by excessive stooping. When I Read of Doans Kidney Pills, I obtained a supply at Wright & Son's Drug Store and the contents of a few boxes restored me to good health. Since then, whenever I have felt in need of a kidney medicine, I have taken this preparation and the results have been pleasing."

For sale by all dealers. Price 50c. Foster Milburn Co., Buffalo, New York sole agents for the United States.

Rember the name—Doan's and take no other.

IT'S EQUAL DON'T EXIST

No one has ever made a salve, ointment or balm to compare with Bucklen's Arnica Salve. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores Scalds, Boils, Ulcers, Eczema, Salt Rheum. For Sore Eyes Cold Sores, Chapped Hands or Sprains its supreme. Unrivaled for Piles. Try it, Only 25c at C. A. Wright & Son's.

EARLY RISERS
The famous little pills.

TAKE YOUR COMMON COLD SERIOUSLY

Common colds, severe and frequent lay the foundation of chronic diseased conditions of the nose and throat, and may develop into bronchitis, pneumonia, and consumption. For all coughs and colds in children and in grown persons, take Foley's Honey and Tar Compound promptly. After exposure, and when you feel a cold coming on, take Foley's Honey and Tar Compound. It checks and relieves. Use no substitute. The genuine in a yellow package always. For sale by all dealers.

All things come to those who wait, but the trouble is most of us are such poor waiters.

GIVES AID TO STRIKERS

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to right. Then you need those pleasant little strike-breakers—Dr. King New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them 25c at C. A. Wright & Son's.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R.500 Caldwell building, Monticello, Ill.

Two Women.

In her book "Woman and Labor" Olive Schreiner gives an amusing illustration of the fact that it is not the amount of money a person has which makes him or her a parasite on society, but the way it is used.

"The wife of an American millionaire," says Mrs. Schreiner, "was visited by a woman, the daughter and widow of a small professional man. She stated that she was in need of both food and clothing. The millionaire's wife gave her a leg of mutton and two valuable dresses. The woman proceeded to whine, though in vigorous health, that she had no one to carry them home for her. The American, the descendant of generations of able, laboring, New England Puritan women, tucked the leg of mutton under one arm and the bundle of clothes under the other and walked off down the city street toward the woman's dwelling, followed by the astonished pauper parasite."

The Size of Some Stars.

M. Nordmann of the Paris observatory believes that he has devised a successful method of determining the diameters of stars by a comparison of their effective temperatures with their parallaxes. In the case of some of the brightest stars he has reached interesting results. Thus he finds that Aldebaran, the bright star in Taurus, is veritably a giant sun, the ratio of its diameter to that of our sun being greater than that of the sun to the planet Jupiter. This means that Aldebaran has a diameter probably not less than 8,000,000 miles, or more than thirty times the distance from the earth to the moon. On the other hand, Sirius, or the dog star, to our eyes the brightest of all the stars, is, according to M. Nordmann, but little larger than our sun.

THE FAVORITE LAXATIVE

One at Night Makes the Next Day Bright; No Charge if it Doesn't

Because of its extremely gentle and effective action, Rexall Orderlies have become the most popular Remedy for Constipation.

We are so positive that Rexall Orderlies will do all that is claimed for them that we positively guarantee to hand back the money you paid us for them upon your mere request, if you are not entirely satisfied.

Rexall Orderlies are eaten like candy, are very pleasant to the taste, do not gripe, cause nausea, or any other annoyance usually experienced when ordinary cathartics are used.

Rexall Orderlies have a positive regulative effect upon the bowels and tend to provide permanent relief from Constipation and the myriad of associate ailments. Besides, they help to overcome the necessity of the constant use of laxatives to keep the bowels in normal condition.

We honestly believe there is no similar medicine so good as Rexall Orderlies, especially for children, aged, or delicate people, They are prepared in convenient tablet form in three sizes of packages, Prices, 10c., 25c., 50c. Why not try them at our risk on our guarantee?

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store B. J, Pulver, Tecumseh, Mich.

COMPROMISE ACCEPTED

Sequel to Collapse of Hocking Coal and Iron Pool.

James R. Keene Offers $900,000 In Settlement of Suits for $1,500,000 Brought Against Him.

New York, Oct. 9.—It was news in Wall street that a $900,000 offer of compromise made by James R. Keene has been practically accepted in settlement of the suits for $1,500,000 brought against him as the result of the collapse of the Hocking Coal and Iron pool of January 19, 1910.

The cases were all on the court calendar for trial here in November and it is said that one of the reasons a compromise was offered in behalf of Mr. Keene was that the state of his health would not permit him to become involved in such trials at present. He was compelled recently to undergo an operation in London, from which he is recovering slowly.

The Hocking pool raised the price of Hocking Coal and Iron stock in a year from 20 to 88, the price on the day of the collapse.

Damascus Swords.

It is seldom that a really good specimen of a Damascus sword can be obtained, for the art of working and engraving the kind of steel of which they are made is lost. These famous swords were made of alternate layers of iron and steel so finely tempered that the blade would bend to the hilt without breaking.

The Orange in Spain.

It is considered a very healthful thing to eat an orange before breakfast. But who can eat an orange well? One must go to Spain to see that done. The senorita cuts off the rind with her silver knife, then, putting her fork into the peeled fruit, she detaches every morsel with her pearly teeth and continues to eat the orange without losing a drop of the juice and lays down the core with the fork still in it.

GERMAN LATCHKEYS.

Big Enough to Be Used as Weapons of Attack or Defense.

Locksmithing in Germany is today as important a trade as plumbing, blacksmithing or the vocation of the barber, says our consul at Hanover in a recent report. The first lock and key were introduced into Prussia in the fourteenth century and caused a considerable sensation at the palace of the elector of Brandenburg. He found that by these devices he could do away with the guard at his private doors and thus materially reduce his household expenses. Since that day the schlosser, or locksmith, has been an essential factor in German life.

The present German house key could be used as a weapon of attack and defense, besides serving its original purpose. It weighs on an average about one-eighth of a pound, and as each person entitled to carry a house and corridor key has nearly a quarter of a pound of soft iron in his pocket it is conservatively estimated that the amount of iron in circulation in Germany in the pockets of the men and in the hand bags of women amounts to 2,[illegible] tons, besides an additional 2,500 tons for the keys to the interior of German homes. Thus something over 5,000 tons of iron are put into keys of a size to be found nowhere in America. However large the house or numerous the apartments, the outer door is locked promptly at 10 o'clock, and as the German spends many of his evenings out every person carries at least one of these massive keys to effect an entrance.

ANSWERED THE SIGNAL.

The King Sent the Reply, and the Captain Kicked Himself.

Rear Admiral Sir Colin Keppel was given the command of the royal yacht Victoria and Albert by King Edward, and on one occasion when the late king was on board his majesty thought he would like to steer the yacht for a little way.

Admiral Keppel took him to the wheel, and, having ascertained the proper course to steer, his majesty tried to keep the yacht in it, with rather poor success.

The vessel was being escorted by a squadron of cruisers, and the captain of one of these vessels, noticing the wabbly course of the Victoria and Albert, thought he would "rag" Admiral Keppel on his bad steering.

He signaled a sarcastic inquiry as to the erratic course of the yacht, and King Edward, seeing the string of flags go up, inquired their meaning.

Admiral Keppel went all the colors of the rainbow and tried to escape the question, but the king insisted. When at last he understood the meaning of the signal his majesty went off into peals of laughter, and after he had recovered a little he ordered a reply to be signaled.

A few minutes later the captain of the cruiser read this message: "Pray accept apologies, but am a bit out of practice.—Edward."

Then the captain retired to his cabin and kicked himself.—Pearson's Weekly.

Canes and Swords In Porto Rico.

Of all people perhaps none are more fond of canes or more skilled in their use than our fellow citizens of Porto Rico. The walking stick in that island would seem to mark social distinctions among men as fans do among women. Every Spaniard has a cane, the well to do own several, and the gilded youth often have a small arsenal of walking sticks. The term "arsenal" is used advisedly, as the Porto Ricans, like the Spaniards, have quite a fondness for sword canes and dagger canes, and they make these with remarkable skill. The blades of the finer specimens come from famous smiths in Toledo and other Spanish cities and are forged from the finest steel. Some are damascened, and others are inlaid with silver and gold; some have worked upon them the name of the owner and others the name of a patron saint.—Philadelphia Record.

All In Good Time.

Champ Clark at a dinner in Washington pleaded indulgence for a somewhat rambling speaker.

"He'll arrive," he said, "if you'll give him time. He is like Dr. Thirdly.

"Dr. Thirdly was dividing up his sermon into appropriate heads one Sunday morning when a member of the congregation shouted irascibly:

"'Meat, man! Give us meat!'

"'Well,' said Dr. Thirdly promptly, 'hold on, then, till I'm done carving.'"—Pittsburg Gazette-Times.

Juggernaut.

Juggernaut—or "lord of the world"—was supposed to be one of the incarnations of Krishna. The idol is formed of an irregular pyramidal black stone, with two large diamonds to represent eyes. The nose and mouth are painted vermilion. An immense number of pilgrims visit the idol annually, reaching up into the millions. Juggernaut worship used to be a terrible thing, but it is not what it once was. The state allowance to the temple was suspended by the Indian government in 1851, and the festivals are growing less and less popular year by year. The growing intelligence of the people and the restraining influence of the government are doing their work, and Juggernaut is steadily losing ground.—New York American.

TIRED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic, Vinol, and I am so glad I did, for it gave me a hearty appetite, I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook.

What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

Our Inner Thoughts

Many of us can trace our abhorrence to earth burial back to our childhood days when the loss of a dear pet fills us with such sorrow that we simply could not bear to think of laying it away without some protection from the cold damp earth.

Now in after years when we have the advantage of housing our bones from the ravages of earth burial, are we going to sit calmly by and watch the opportunity pass on forever?

Or shall we, as a community, work on a co-operative plan and secure a building equal in reliability and elegance to the most expensive private Mausoleum.

Why not reserve your space today?.

GOOD GOODS AT REASONABLE PRICES

One of the set principles of this store, when making mention of anything we have for sale, is to speak of it in a modest way. In other words, not allow our own enthusiasm to lead us beyond what the general acceptance might be. To underate rather overrate---if you please.

When we offer a suit or overcoat at $12 to $20, we know the customer who buys gets equal value in merchandise and the selling of good goods at reasonable prices is fast making for us customers and friends,

THREATEN A MASSACRE

Fear Entertained For Safety of Italians in Turkey.

TOBRUK FORTRESS REDUCED

It Is Believed Italy Intends to Blockade the Dardanelles—Slavery Has Been Suppressed in Tripoli—Turks Sink Italian Sailing Vessel at Saint Jean de Medua.

London (Special).—The Chronicle's Constantinople correspondent has reported great activity on the part of the Italian warships throughout the Grecian archipelago and in the Ionian and Red seas. It it believed their intention is to blockade the Dardanelles.

Rome (Special).—Official dispatches received here state that the ships of the first Italian squadron have reduced the fort at Tobruk and captured many Turkish prisoners who refused to abandon the fort.

A dispatch from Tripoli says 40,000 men have been landed at that place and will begin operations against the Turks in the surrounding hills.

Constantinople (Special).—The cabinet has decided to close all Italian industrial, financial and scholastic establishments in the Ottoman empire. It also decided to issue orders for the seizure of all Italian steamships found in Turkish waters.

The government has received messages from interior towns saying that the people will take the saw into their own hands and drive out the Italians unless the government acts promptly. The committee of union and progress is said to have warned the government of the possibility of a massacre of Italians if they remain in Turkey.

The German ambassador, Baron Marschall von Bieberstein, had an interview with the grand vizier here, and protested against the threatened expulsion of Italians and the action of the government in treating cereals as [illegible] loaded with corn from south Russia are unable to pass through the straits as the captains are afraid that their vessels will be seized although they are neutral and destined to neutral ports.

Rome (Special).—The Italian authorities at Tripoli have issued a proclamation suppressing slavery. Tripoli was the only remaining port on the coast of Africa where slavery still prevailed, notwithstanding the efforts of Great Britain on the one side, and France, on the other, to prevent the traffic.

Rear Admiral Borea d'Olmo has issued a proclamation declaring the town of Tripoli in a state of siege. The smaller Italian warships are engaged in searching for and removing mines that were laid by the Turks in Tripolitan harbors.

Peace if Turks Admit Defeat.

Washington (Special).—Advices received by the state department from the embassy at Rome express the belief that if the Ottoman government accepts the occupation of Tripoli and restores the status previously existing in Turkey the Italian government will be desirous of bringing about peace at the earliest possible moment

Turks Sink Italian Sailboat.

Fiume, Hungary (Special).—An Italian sailing vessel having been sunk by the Turkish guns at Saint Jean de Medua, two Italian cruisers shelled the town and then proceeded to sea.

MICHIGAN HAPPENINGS

Murderer of Two at Large in Wayne County.

IRON VALUATION IS RAISED

Finley's Figures Partially Sustained After Week's Hearing—Slow Watch Cause of Bad Wreck Near Rochester—Judge Session Refuses Railroad More Time in Damage Case.

Detroit, Mich., Oct. 10.—A man is being hunted in the highways and byways of Wayne county by posses of officers and citizens. He is wanted for the murder of Mr. and Mrs. Jacob Kraft, whom he coolly and deliberately shot and killed in their road house at the Seven-Mile road and Woodward avenue, two miles beyond the city limits The murderer, a former bartender at the saloon, is Charles Fuller, and was last seen as he backed out of the Kraft saloon, a revolver in each hand, threatening to kill anyone who tried to stop him.

Infatuation for Mrs. Kraft and anger because she refused to have anything further to do with him caused Fuller to deliberately plan and execute the murder of both Kraft and his wife.

Big Addition to Iron Values.

Marquette, Mich., Oct. 10.—After a week's hearing in Marquette, Cogebic, Dickinson and Iron counties, the state tax commission has announced the valuation of all the iron mines on the Michigan ranges at $85,937,700. This is a reduction of $33,512,500 from Professor Finley's valuation of $119,150,000, but a heavy increase over the figures of the local assessors.

Authorities Will Investigate Wreck.

Detroit, Mich., Oct. 10.—Oakland authorities will investigate a wreck which occurred on the Flint division of the D. U. R. Saturday evening in which two men were killed and 12 persons injured. The wreck was due to the watch of Harry Huber, motorman of the work train, being 22 minutes slow. The state laws require watch inspection so that all watches on a railroad system will keep the same time, and it is probable that the state railroad commission will take a hand in the affair. The wreck occurred one and a half miles north of Rochester, a limited car hitting a work train.

Shot in Fight; May Die.

Kalamazoo, Mich., Oct. 10.—As the result of a shooting scrape here, a Hungarian, said to be Steve Sapes, was probably fatally wounded. Four Hungarians who were with the man at the time of the shooting are being hunted by the officers.

Germans Win Cup.

Kansas City, Mo. (Specia).—The balloon Berlin II., carrying the flag of Germany, has won the international balloon race for the James Gordon Bennett cup. The Berlin II. landed in the wilderness near Holcomb, Wis., thereby traveling about 75 miles further than its nearest competitor in the race. The Berlin landed about 440 miles from Kansas City

DUKE OF CONNAUGHT.

Who Succeeds Earl Grey as Governor General of Canada.

BORDEN CABINET CONFIRMED

Duke of Connaught Comes to Replace Earl Grey as Governor General.

Ottawa, Ont. (Special).—The Borden government was sworn in here Wednesday. Conflicting interests, chiefly the French nationalists of Quebec, made preparation of a slate difficult. The following compromise government was decided upon:

Nova Scotia, R. L. Borden, premier.
New Brunswick, D. J. Hazen.
Quebec, D. P. Pelletier, F. B. Monk, George Perley, C. J. Doherty.
Ontario, Frank Cochrone, W. T. White, George Foster, John Reid, Samuel Hughes.
Manitoba, W. J. Roche.
Saskatchewan, Robert Rogers.
Alberta, John Lougheed.
British Columbia, Martin Burrell.

After swearing in the new government, Earl Grey, the governor general, left for Quebec. He sails for England Thursday, when the Duke of Connaught will arrive to take his place.

A royal reception is planned on all sides for the Duke of Connaught.

State Discovers Book "Trust."

Lansing, Mich., Oct. 11.—Information secured at the state department of public instruction reveals an alleged attempt to exploit the school children of Michigan for the benefit of a group of men who sought to monopolize the sale of certain school books.

According to the department version of the scheme, a member of the board of directors of the Michigan Young People's Reading Circle, an adjunct of the state teachers' association, after assisting in picking certain publications for the circle then organized a company which secured the exclusive contract for the sale of one of these publications in Michigan.

Death Follows Antitoxin Dose.

Battle Creek, Mich., Oct. 10.—In order to run no risk of her daughter Felicia, 10 years old, catching diphtheria, Mrs. Harriet M. Stafford had antitoxin administered to her. In less than an hour afterward the child was dead. Coroner Bidwell has empaneled a jury to determine whether a weak heart or the antitoxin caused death.

CANADIANS WILL RUE PACT DEFEAT

Taft Spoke on Reciprocity at Bellingnam, Wash.

Everett, Wash. (Special).—President Taft's visit to Bellingham, Wash., extended his travels to the fourth corner of the country. He has now visited San Diego on the extreme southwest, Florida on the southeast, Eastport, Me., in the northeast, and his trip here carried him within 30 miles of British Columbia in the northwest.

He spoke to the crowd that gathered to welcome him of his intention to make the administration of the interior department more business-like and told them of the Panama canal, in which the people are vitally interested, as they look to the cheaper water route through the isthmus as a great aid to their business. The president had originally in mind an address on reciprocity for Bellingham, it being his intention to come close to the Canadian border to speak on that topic. He admitted in his speech that he had though of speaking on reciprocity under very different circumstanes. He said:

"There is one topic that I had intended to discuss with you, but our near neighbor across the border settled thot a week or more ago and seemed to make it past history. But I think you will agree with me that in so doing they made a mistake, and had the treaty gone through it would have been greatly beneficial to both countries.

"Now, I think we know a little more on this side than they do on theirs because we are an older country, and after some years of experience it is possible that they will come to take the right view, but whether that be so or not, if they don't grow so rapidly as weeds and as rapidly as they might have grown, they cannot say it is our fault."

Rodgers Beats Atwood's Record.

Marshall, Mo. (Special).—Exceeding the world's record for a cross-country aeroplane flight by 133 miles and speeding at times at the rate of 70 miles an hour, C. P. Rodgers landed here on his air voyage from New York to San Francisco. The former world's record, 1,265 miles, was made by Harry Atwood in a recent flight from St. Louis to New York.

Rodgers has flown 1,398 miles, according to railroad mileage

Recall Wins in California.

San Francisco (Special).—With returns from little more than one-tenth of the state at hand the indications are that California has refused to grant equal suffrage to women, but has by an emphatic vote made the initiative and referendum and the recall, the latter including the judiciary, part of its organic law.

"Kimmel" Still Hopeful.

Niles, Mich., Oct. 9.—In spite of the final assertion of Mrs. Estella Kimmel that the man who came here from the Auburn, N. Y., penitentiary is not George A. Kimmel, her son, who disappeared 13 years ago, the so-called Kimmel has not yet given up hope of establishing himself as her son.

Chicago—Two children were killed and eight men seriously hurt when the front wall of a new three-story brick building on the north side collapsed. Five of those injured were workmen, the other three being passe-

CONFIDENCE

We Back up Our Statements with Our Personal Reputation and Money.

We are so positive that we can relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a reaction, irritate and weaken the bowels, and make constipation more chronic.

Constipation is often accompanied and may be caused by weakness of the nerves and muscles of the large intestine or colon. To expect a cure you must therefore tone up and strengthen those parts and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of skilful research chemists. This remedy produces results such as are expected from the best of the best-known intestinal tonics, and it is particularly prompt in its results.

We want you to try Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They apparently act directly on the nerves and muscles of the bowels, having, it would seem a neutral action on other organs or glands They do not purge or cause inconvenience. If they do not positively cure chronic or habitual constipation and thus relieve the myriads of associate or dependent chronic ailments, your money will be refunded. Try Rexall Orderlies at our risk. Three sizes of packages, 10c., 25c., and 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. B. J. Pulver,

AMUSMENETS

WHAT YOUNGSTOWN SAYS:

Norman Hackett in "Satan Sanderson"

Norman Hackett and "Satan Sanderson" make a decidedly interesting combination. Hackett is a splendid actor "Satan Sanderson" is an unusal play and together they form an attraction which will likely bring big crowds to the Grand, where Hackett opened a three-days' engagement in his new play Thursday to large and appreciative audiences. Few actors have received such an enthusiastic reception here as Mr. Hackett was tendered Thursday night. Curtain calls were numerous and deserved. Star, play, company and production received the heartiest endorsement, a Youngstown audience can give.

"Satan Sanderson" is a dramatization of Hallie Ermine Rives' novel of the same name. It tells the story of a young minister who has brought home to him the fact that he is his brother's keeper.

"I am my brother's keeper," is the principal theme of the drama which is virile and worthy despite a melodramatic theme in some of the scenes. Mr. Hackett looks and acts the part of Sanderson to perfection. His reading is one of the treats of the theatrical season. His expression is delightful. The company is exceptionally good. William H, Sams makes an interesting character study of Hugh Stires and Miss Florence Rittenhouse is pretty and sympathetic as Jessica The cast is large. Others deserving especial mention for clever portrayals are Burr Caruth, William H, Pringle, Stewart Robbins, C. W. Travis. John Lyons, Welba Lestina and Edna Craig Randall.

The scenery is as fine as seen here in a long time, some of the effects being especially striking.

Mr. Hackett played the leading role in classmates when it was presented here two years ago. Mr. Hackett and his excellent company will be at the Bradley Opera House, Wed. Oct 25th.

"Be Prepared,"—the Boy Scouts' Motto

While a boy is having fun engaging in Scouting, he must keep in mind the Scout motto, vow, and law. These three things indicate clearly the ideals of the organizations.

The motto is "Be Prepared." It was originated by Lieutenant-General Sir Robert S. S. Baden-Powell, K. C. B., and adopted by the Boy Scouts of America. It has become International; being used by the Scouts of all other nations. The Scout "Oath" or promise says: "On my honor I will do my best—1. To do my duty to God and my country, and to obey the Scout Law; 2. To help other people at all times; 3. To keep myself physically strong. mentally awake, and morally straight."

The Scout Law has twelve planks, and if a boy obeys them he will be an excellent Scout. The points are—1 A Scout is trustworthy. 2. A Scout is loyal. 3. A Scout is helpful. 4. A Scout is friendly. 5. A Scout is courteous, 6, A Scout is kind. 7. A Scout is obedient. 8. A Scout is cheerful. 9. A Scout is thrifty. 10. A Scout is brave. 11. A Scout is clean. 12. A Scout is reverent.—From "The Boy Scouts of America," by Dan Beard, in the American Review of Reviews for October.

LENAWEE CO. FEDERATION OF CLUBS OBJECT TO WHITE OIL CLOTH ON TABLE

At a short session of the Supervisors held in Adrian on Tuesday, the following communication was read which will explain itself:

"To the honorable board of supervisors: The committee of correction and charities representing the Lenawee County Federation of Women's clubs, having recently visited the county infirmary, desire to say that we find the inmates as far as we could see comfortably housed and well cared for but would suggest since these old and unfortunate people are there perhaps through no fault of their own, they be provided each with a comfortable chair, rocking chair for each woman and arm chair for each man. We would be pleased to see the white oil cloth on the dining table removed more frequently, Signed, Caroline R. Humphrey, Katherine Karr and Clausir B. Hart."

MERRY-GO-ROUND

The Merry go-round club held its first meeting of the season Monday evening at the home of Mr. and Mrs. J. J. Belcher.

The subject of discussion was the game of the season while the ladies decided in favor of 500, the men favored 63 which was finally decided upon.

8 tables were played Jas. McCann winning first prize for the gentlemen and Mrs Ella Moore for the ladies. A seven o'clock dinner was a fine feature of the evening.

The next meeting will be held at the home of Jas. McCann and wife in two weeks.

NOTABLE WEDDING

Quite a notable wedding was that of Miss Fannie Chaffee Grant, daughter of U. S. Grant Jr., and granddaughter of the late President U. S. Grant, and Isaac Hart Purdy of Purdys N. Y., at the home of Mr. and Mrs. A. H. Wood of Adrian.

The company was a small one, only immediate friends being present. Mr. and Mrs. Purdy left for a wedding trip through the Thousand Islands, taking in Montreal and Quebec. Their home will be in Purdys, N. Y., where Mr. Purdy will manage his father's estate.

Good Market for Pianos.

There is probably no country in the world where pianos are more used in proportion to population, and considered more necessary as features of home life, than in Australia. No matter how humble the home or how remote it may be from large cities, a piano is usually a leading feature of it. About 15,000 pianos are sold every year in the country.

KNOWLEDGE IT

Tecumseh Has to Bow to the Inevitable—Scores of Citizens Prove it

After reading the public statement of this representative citizen of Tecumseh given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidney in good health since, can be relied upon to preform the same work in other cases. Read this.

W. C. Witherell, W. Potawatamie St. Tecumseh, Mich., says: "I have had no reason to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago and I willingly confirm all I have previously said in their praise. I had acute pains across the small of my back and in my hips and often after stooping; a sharp twinge darted through my loins, obliging me to lie down. I was laid up in bed for several days and I believe that my trouble was caused by excessive stooping. When I Read of Doans Kidney Pills, I obtained a supply at Wright & Son's Drug Store and the contents of a few boxes restored me to good health. Since then, whenever I have felt in need of a kidney medicine, I have taken this preparation and the results have been pleasing."

For sale by all dealers. Price 50c. Foster Milburn Co., Buffalo, New York sole agents for the United States.

Rember the nama Doan's and take no other.

One of the most curious contracts entered into by an operatic artist was that agreed to by Farinelli. When he visited Spain, Philip V. was suffering from mental depression, from which nothing aroused him until the arrival of Farinelli. The queen was so delighted to see her royal spouse once more interested that she engaged Farinelli at a salary of $10,000 to remain in Madrid. This he did, singing the same four songs to the king every night for ten years.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a sample. If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or money will be refunded. Having tried it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results, is pleasant to take and does not gripe. It is especially good for all those who cannot stand a violent purgative.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R 500 Caldwell building, Monticello, Ill.

And that six months from the 9th day of October, 1911, are allowed by said Probate Court for the creditors of said estate to present their claims to us for examination and allowance.

Dated October 9th, 1911.
Sylvester P. Hosmer.
JOHN F. SCHREDER
Commissioners.

[illegible] for divorce by his wife and enjoined from entering her farm home in this village, Lafayette Coon locked himself in the barn and in a fit of despondency ended his life by cutting his throat with a razor. His lifeless body was found upon the barn floor by Alfred Wall, who keeps his horse in the Coon barn. A bloody razor lay beside the body. Excessive use of liquor by Coon is said to have been the cause of the trouble in the family.

Benton Harbor—"Gave baby medy, gave baby medy," lisped three-year-old Thelma Davis to her mother when the latter returned to her home after having left her three children alone for a short time. Hurrying to the crib of her seven-months'-old boy, the mother was horrified to find the child in convulsions. Nearby lay an empty package that once contained corrosive sublimate tablets. The babe's older sister had fed the child the deadly drug. The boy lived but a few minutes.

Lansing—The prosperous condition of the financial and business institutions of Michigan is plainly shown by a bulletin based on the report of condition of state banks at the close of business Sept. 1, made to the state banking department, which is made public by Banking Commissioner E. H. Doyle. The total resources of the 413 state banks and five trust companies, according to the report on Sept. 1, were $334,228,527.46 against $326,411,801.74; a gain of $7,816,572.46 over the report of June 7.

Our First Steam Warship.

The Fulton, which at the time of her construction in the early thirties was classed as a "steam battery," was the first United States warship that was propelled by steam. She was built under the superintendence of Commodore Matthew Galbraith Perry and at the time of her completion in 1837 was regarded as one of the world's wonders by way of naval architecture and power at sea. The Fulton was the cause of no little speculation on the part of European powers, for at that time she was looked upon by other nations as all but invincible. When this wonder of the sea was put in commission Commodore Perry, then holding the rank of commander, was put in command of her, and he presently came to be called the "father of the steam navy." The Fulton was built primarily for defense of New York harbor, but she served as well to demonstrate the practical utility of steam power for warships.—New York Times.

Silent Lawyers.

It is almost a maxim nowadays that a lawyer's real importance at the bar is in inverse ratio to his prominence in the papers. The truth is that lawyers of great importance seldom nowadays appear in court. In the old days the great lawyer was the eloquent lawyer; today the great lawer is the silent one. Then bar reputations were made literally at the bar. Today they are made in the offices of the skyscrapers neighboring on Wall street. In England a visit any day to the law courts will be repaid by the sight of some famous K. C. assisting the court in a dramatization of the trial chapter from "Alice In Wonderland." But you might prowl for a month within the precincts of the New York courthouse without encountering a lawyer whose name would signify anything remarkable to the historian of the New York bar.—American Magazine.

FOLEY KIDNEY PILLS
FOR BACKACHE KIDNEYS AND BLADDER

Lansing—It is given out by the state railroad commission that William D. Watson, aged 24, was the name of the inmate who wandered away from the Home for Feeble Minded at Lapeer, and was killed by a train at Millville. His name was withheld at Lapeer, and it is not known where his home is located, as the commission did not receive it.

Battle Creek—Fred Busch, a molder's apprentice at the American Steam Pump factory, sat on the banks of the Battle creek for hours watching the police and firemen drag for his body. Finally he grew cold and went home and apologized to his wife for having thrown a lighted lamp at her and explained that he really did not intend to end his life as he had informed her.

MRS. JONES' HEARING.

Accused of Giving Husband Poison in a Piece of Pie.

Ionia, Mich., Oct. 10.—The examination of Mrs. Amelia Jones, charged with feeding her husband poisoned pie, is in progress here. Among the witnesses were the husband, who swore that his wife, who is suing for divorce, asked him several times to return to her and when he said he would not take her back threatened to "get even with him." The woman is 20 years his senior. A number of witnesses testified to Jones' condition at the time he ate the pie, and Dr. Marsh testified that he examined the pie and found poison in it.

Detroit—May Duke, aged 20, who with her mother was burned in a fire at their home, 22 Beech street, died in St. Mary's hospital, a few hours after the older woman had passed away. The mother, who was 65, attempted to drag her crippled daughter to safety when a gasoline stove exploded.

Detroit—All the cunning and more of the viciousness exhibited by the mysterious prowler who several weeks ago terrorized the city was shown by an unidentified man who entered the home of Herman J. Krebs, Monday, and assaulted Mrs. Krebs. The woman was alone in the house at the time, and she is now in the hospital in a serious condition as a result of her struggle with the brutal assaulter.

Cards and Card Playing.

In a paper in the Journal of the Royal Society of Arts Professor H. Cheney, discussing the part played by gambling in magic, observes: "The use of cards is said to be derived from the Tarot cards, which were originally employed for occult purposes. The legend which ascribes the invention of cards to the purpose of amusing a mad king does not seem at all a sufficient explanation, and there is in addition the fact that cards of a kind existed before the said king. In further support of this idea the well known practice of telling fortunes by cards may probably be regarded as a survival of a regular form of divination by such means. It seems, in fact, that card playing for stakes is a mere development of a ceremony in which individuals consulting the oracle decided to abide by its pronouncements as to the holding of disputed property.

Meteors and the Atmosphere.

One of the most useful results arising from the study of sporadic meteors is the light thrown upon the question of the height of the atmosphere, since it is the friction of the air that sets them on fire, and if their elevation is known at the moment of their first appearance the probable height of the atmosphere can be calculated. On Aug. 11, 1909, a brilliant meteor happened to impress its picture simultaneously on three photographic plates, at Tashkend, Iskander and Tschimgan, in Russian Turkestan. The distances between these places furnished base lines from which the height could be deduced. The calculation shows that the meteor first appeared at a height of 69.45 miles above the earth and disappeared at fifty miles

General Bate's Unlighted Cigars.

General William B. Bate of Tennessee after distinguished service in behalf of the south was governor and then United States senator. His bravery in battle was attested by a dozen wounds, and in a single engagement three horses were shot from under him.

"It was a habit of the old warrior," said a man who knew him well, "to continually carry an unlighted cigar in his mouth, but few of those who noticed it ever knew the reason of his failure to smoke the weed. At the battle of Shiloh he and a brother were standing side by side when the brother asked General Bate for a light, as he had a cigar, but no match. The general lit a match and handed it to his kinsman, who had scarcely applied it to the tobacco ere a cannon ball came hurtling through the air and severed the smoker's head from his body. The terrible tragedy of Shiloh's bloody field was why in all the years that followed the surviving brother was never known to light a cigar."

MICHIGAN NEWS NOTES.

State Matters of Interest Condensed For the Busiest Readers.

New York—The Knights of Columbus have dedicated at St. Peter's church on Barclay street a bronze tablet set up in memory of Thomas Dongan, who as governor of the province of New York from 1683 to 1688, granted the first charter that gave the people civil and religious liberty.

LaCrosse, Wis.—Fifteen families are homeless, property loss of $1,200,000 has been wrought and the city of Black River Falls is laboring under the distressing handicap of the loss of its business district as the result of a flood. Only one grocery remains in the city. No loss of life is reported.

Altoona, Pa.—John Plowden, a negro, aged 23 years, was rushed to the Hollidaysburg jail to prevent a possible lynching. It is charged Plowden entered the home of John Perkins near this city and, after binding and gagging Mrs. Perkins, assaulted her. A lynching is feared by the authorities.

Coatesville, Pa.—Another lynching is threatened in this county as the result of a brutal attack made upon Annie McElhaney, a student at the Coatesville high school, by a negro. The populace has not been wrought to such a fever of excitement here since the lynching of Zack Walker here on Sunday, Aug. 13.

Washington — Attorney General Wickersham says there is absolutely no truth whatever in the statement published in New York that a bill of equity had been prepared, the purpose of which was to initiate a civil proceeding against the United States Steel corporation to dissolve it as a combination in restraint of trade in violation of the Sherman law.

Chicago—Charles Bishop, a farmer of Castle Rock, has volunteered to furnish an affidavit that he interfered in a quarrel between Bessie Kent-Webster and a man with a "black mustache and long black hair," a description which under no circumstances could be fitted on Dr. Harry Elgin Webster, who is charged with killing his wife.

Milwaukee, Wis.—Out of the testimony given before the United States senate committee which is investigating charges that bribery contributed to the election of Senator Isaac Stephenson, was developed evidence that the Stephenson compaign managers regarded the $107,793 admittedly expended as small compared to the $150,000 or $200,000 which might have been spent on a more systematic campaign.

Chicago—The United States government, foreign governments and many individual states will figure in the greatest exposition of the brewing industry ever held, when from Oct. 12 to 22 the International Brewers' congress, the International Hop and Cereal show and the Brewers' exposition will be held in the Coliseum in this city. The exposition will be a complete taking of the public into all the details of the brewing industry, from the farm to the model saloon.

FOREIGN.

Chentu—It is esimated that 10,000 persons were killed in the recent disturbances in the province of Sze-Chuan, which were caused by the rebellion of a part of the people against the government's railroad plans.

Port au Prince, Haiti—A heavy earthquake occurred here at 5:30 o'clock in the morning. The movement was from east to west and continued for 30 seconds. The shock was accompanied by subterranean rumblings. No damage was done.

Port Huron—Leonard Gibson, 40, of this city, was thrown from a hand car which he was pumping and dragged over 45 feet, sustaining what will probably be fatal injuries.

Battle Creek—A Grand Trunk train ran into the rear end of an extra train west of the city, demolishing the caboose and derailing six cars. One man was probably fatally injured.

Calumet—Edward Moss, aged 65, Calumet's only negro resident, was found dead in an abandoned house in Red Jacket. He came here from Georgia 15 years ago.

Kalamazoo—George E. Phillips, of Mento, Kas., who was attending a family reunion at the old home in Alamo township, dropped dead of heart trouble, as he was about to leave for his home.

Grand Rapids—The grand lodge of the Knights of Pythias of Michigan opened a three days' session here Tuesday. It is expected that 20,000 people will be present before the convention comes to an end.

Wayne—Ben Stevens was working on a machine in the carriage factory here when a knife came loose and flew out of, striking him in the throat. The prompt arrival of a physician saved his life.

Ludington—Seventeen young men from Ludington and Hamlin lake submitted to contribute a large portion of cuticle to be used in saving the life of Bessie Campau, who is near death from burns she received a few days ago.

Grand Rapids—George Clapperton, local attorney, has succeeded Samuel M. Lemon as collector of internal revenue. Andrew Fyfe, former state senator and lawyer, at the same time succeeded Sheridan as surveyor of customs.

TIRED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic, Vinol, and I am so glad I did, for it gave me a hearty appetite, I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook.

What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

Our Inner Thoughts

Many of us can trace our abhorrence to earth burial back to our childhood days when the loss of a dear pet fills us with such sorrow that we simply could not bear to think of laying it away without some protection from the cold damp earth.

Now in after years when we have the advantage of housing our loved ones from the ravages of earth burial, are we going to sit calmly by and watch the opportunity pass on forever?

Or shall we, as a community, work on a co-operative plan and secure a building equal in durability and elegance to the most expensive private Mausoleum.

Why not reserve your space today?

GOOD GOODS AT REASONABLE PRICES

One of the set principles of this store, when making mention of anything we have for sale, is to speak of it in a modest way. In other words, not allow our own enthusiasm to lead us beyond what the general acceptance might be. To underate rather overrate---if you please.

When we offer a suit or overcoat at $12 to $20, we know the customer who buys gets equal value in merchandise and the selling of good goods at reasonable prices is fast making for us customers and friends.

LOVED PRELATE'S GOLDEN JUBILEE

Elaborate Pontifical Mass at Baltimore Cathedral.

HONORS FOR CARDINAL GIBBONS

Catholic Clergy and Laity from all Over Country Unite in Homage to Popular Churchman — Great Convention This Week.

Baltimore, Oct. 16. — The pontifical mass at the cathedral in celebration of the golden jubilee of Cardinal Gibbons was one of the most elaborate ecclesiastical pageants ever witnessed in that historic edifice.

In spectacular splendor, impressiveness of ritual and hieratic distinction it has probably never been surpassed in the United States. To do honor to the primate of the American church illustrious prelates, purpled monsignori, priests of piety, learning and renown, and eminent persons among the laity came from far and near. The church was crowded.

In the ecclesiastical procession to the altar were men notable in the Catholic church and in general public affairs. There were the archbishops in violet, with the golden pectoral cross—such men as John Ireland, with his strong intellectual features and his sturdy figure, now becoming a little bowed; the imposing Farley of New York; the pious Blenk of New Orleans and the energetic Glennon of St. Louis, and many more, each attended by his chaplain.

And there were the many bishops, the mitred abbots, venerable heads of monasteries, an extended line of priests, among them members oft he various religious communities.

The cardinal, vested under the red canopy of the gospel side, a subdued and exquisite melody winding in and out from the strings of a harp, and when all was ready he moved with his throng of attendants to the foot of the great marble altar and the mass began. The picture was of superb dramatic effect.

The mass ended, the attention of the gathering was now turned from the liturgical splendor of the scene to the delivery of the sermon by Most Rev. John J. Glennon of St. Louis.

CARDINAL GIBBONS.

After the mass there was a dinner at St. Mary's seminary which was attended by the cardinal and about 300 or more prelates.

After the pontifical vesper services at the cathedral in the evening, the cardinal and the visiting dignitaries and clergy of the church rested for the further strenuous exercises attending the opening of the convention of the Holy Name society today.

This will be one of the greatest gatherings of Catholics ever assembled in America and will be a glowing tribute to the esteem in which Cardinal Gibbons is held by members of the church throughout the land.

In addition to the high officers of the church gathered here for the jubilee services at the cathedral Sunday, there will be in attendance members of the Holy Name society from all over the land. A conservative estimate places the number at $5,000.

STOPS DOOR COLLECTION

Radical Church Innovation Introduced by Mgr. Diomede Falconio.

Chicago, Oct. 16.—Catholic churches of America in the near future may find themselves divested of one of their oldest institutions and principal sources of revenue. Dispatches from St. Louis announced Mgr. Diomede Falconio, the apostolic delegate at Washington, had sent a letter to the Catholic clergy in that city forbidding the asking of contributions at the doors of churches or charging a fee for seats.

The letter is said to have been inspired by Pope Pius. Similar letters, it was asserted are on the way to diocesan heads in Chicago and other Catholic centers in America.

CLARENCE FUNK SUED

Alienation of a Wife's Affection Is the Charge.

Twenty-five Thousand Dollars Is Demanded by Husband—"Frame Up," Says Funk.

Chicago, Oct. 16.—Suit for $25,000 was filed in the circuit court against Clarence S. Funk, manager of the International Harvester company. It was charged that Funk had alienated the affections of John Henning's wife. Mr. Funk said he did not know the person named in the bill and denounced the suit as a "frame up."

"The senatorial committee on the Lorimer case now sitting in Chicago is fully acquainted with earlier attempts of this sort. This suit will never be brought to trial. It is not brought with that expectation," said Mr. Funk in an interview.

Recently Mr. Funk became prominent in the Lorimer senatorial investigation by charging that Edward Hines had asked him to contribute $10,000 in behalf of his company to reimburse the underwriters of a $100,000 fund to "put Lorimer over." His story was responsible largely for the reopening of the Lorimer investigation. Mr. Hines denied Mr. Funk's story.

DYNAMITER SUED BY WIFE

McManigal's Spouse May Then Testify Against Him.

Chicago, Oct. 16.—Ortie E. McManigal's confession of the dynamiting of the Times building in Los Angeles, Cal., may lost him his wife. With the intention, it is believed, of placing herself in a position where she could testify against her husband, Mrs. McManigal applied in the circuit court for a full divorce. Under the law, a wife cannot testify in a case which concerns her husband, but when divorced she can.

Mrs. McManigal in her bill makes plain her position toward her husband. She denounces him as a conspirator with the rest of the McNamara prosecution, and declares he has been guilty of treachery. Her technical allegations are cruelty and infidelity.

KATE CLAXTON WINS SUIT

Decree Obtained by Charles Stevenson in 1901 Annulled.

St. Louis, Mo., Oct. 16.—Kate Claxton, the veteran actress, won her fight in the East St. Louis city court when Judge Vandeventer annulled the divorce decree granted in 1901 to her husband, Charles A. Stevenson, who, after getting the divorce, married Miss Francis Riley, an actress.

In giving his decision, Judge Vandeventer scathingly arraigned Stevenson, witnesses who testified for him, and attorneys who represented him in his action for divorce.

BOY BANKER IS CONVICTED

E. W. Butler of Chicago Found Guilty of Wrecking Illinois Institutions.

Lewiston, Ill., Oct. 16.—The trial of Earl W. Butler of Chicago, known as the "boy banker," ended in his conviction here. Butler was charged with having wrecked banks which he owned at Ellisville and St. David, in this county.

Under this verdict Butler gets the maximum sentence, a fine of $2,800, and from one to three years in prison.

BLAIR AND HIS 11 $100 BILLS

They Are Again Prominent in Lorimer Hearing.

HATED TO MISS "EASY MONEY"

Quoted as Having Said "I Would Be a Fool to Let that Lorimer Money Go by"—More About Bathroom Incident.

Chicago, Oct. 16.—Evidence pointing to the guilt of William C. Blair of Mount Vernon, former Democratic state representative, charged with having received money for his vote for Senator Lorimer, was piled up before the special investigating committee of the United States senate.

B. F. Moore of Mount Carmel, formerly sheriff of Wabash county, a new witness found recently by attorneys for the investigators, testified that Blair told him shortly after Senator Lorimer's election that "he would have been a fool to vote for Stringer and let all the Lorimer money go by and not get his share." Mr. Moore said Mr. Blair was intoxicated at the time.

A. C. Tanner of Mount Vernon told of the large roll of bills which Blair, a poor man burdened by a mortgage and heavy additional debts, displayed at a baseball game in Centralia in the summer of 1909. Mr. Tanner said he counted eleven $100 bills which were separate from a roll of greenbacks "an inch and a half or two inches in diameter."

A part of Mr. Tanner's testimony held significant was a statement that Blair told him he had just come from Olney, where he got the money from a client. Representative Thomas Tippitt, leader of the Tippitt faction of house Democrats who voted for Lorimer in a body, resides at Olney. In his testimony Friday Mr. Blair advanced several explanations of the source of the money, but said nothing about an Olney client.

J. W. Gibson, formerly cashier of the Jefferson State Bank at Mount Vernon, testified that he had changed as many as four $100 bills for Mr. Blair some time during the spring or early summer of 1909. V. E. Richardson, assistant cashier of the same bank, said he had changed four $100 bills for Blair.

George L. Ore of Mount Vernon, state's attorney of Jefferson county, related a conversation on March 10, 1909, with Charles S. Luke of Nashville, a Democratic representative at the 1909 session, who is dead. He said Mr. Luke remarked that Former Senator Hopkins was "a short horse" and that he would vote for somebody who would pay him for it. The remark was made in the St. Nicholas hotel at Springfield, the witness said, in the presence of several persons in addition to Mr. Ore.

Mr. Luke, according to Mr. Ore, had been drinking heavily. Luke was one of the Democrats named as having been in the plot to deliver Democratic votes to Hopkins. He voted for Senator Lorimer and was seen by Charles A. White at the famous "bathroom" conference in St. Louis when the spoils of the 1909 session were distributed.

FIRE DRILLS IN SCHOOL

Law Passed by Legislature For Drill Once a Month

At the spring session of the legislature, a law was passed which requires the state fire marshall to compel teachers in public schools and all educational institutions to have one fire drill each month, and to see that all doors and exits are kept unlocked during school hours. Any one who violates this law is subject to a fine of not to exceed $100, or a sentence of 80 days in the county jail.

Usually teachers are very willing to comply with this law, and the children are quick to respond.

The state insurance commissioner is sending out communications to the school boards calling attention to this new law and urging a prompt compliance with the same

To many of our loved ones are endangered by a sudden cry of fire, not to make this requirement a great necessity.

A PROTEST AGAINST FREIGHT CHARGES ON THE RAILROADS BY THE ADRIAN FENCE CO'S.

The case of the Adrian wire Fence Companies against the L. S. & M. S. and nine other railroads involving the rates on wire fencing in Adrian was being argued Monday before the interstate commerce commission.

There were seven judges on the case and the arguments were lengthy and vigorously contested.

The record shows that Adrian is seriously affected and unless an adjustments of rates is made the various fence companies will have to seek a more favorable location. It is thought a decesion will be rendered in a short time by the court.

MRS. C. R. MILLER OF ADRIAN

Sympathies Worked Upon by a Minister to the Tune of $10,000. Sues for Return of 500 Shares in the General Founders Co.

Mrs. C. R. Miller though her lawyer H. C. Smith is suing one Isaac N. Aldrich a former minister of Detroit, charging him with misrepresentation as to the value of stock According to her statement she owned $10,000 worth of General Founders Stock which she claims was paying her 12 per cent dividend which in August 1910. She traded with the said Aldrich for $15,000 worth of Marengo cement, He represented the stock as being valued at par; but her stock being better known he could more quickly realize on it and he was in great need of ready money to save other property.

Shortly after the exchange she was notified of a mortgage foreclosure. The Cement plant closed down and investigation proved her stock worth 18c on the dollar instead of $1 and later it became valueless.

She claims his being a minister in need worked upon her sympathies. Mr. Aldrich makes a complete denial of misrepresenting the value of the stock.

CONFIDENCE

We Back up Our Statements with Our Personal Reputation and Money.

We are so positive that we can relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a reaction, irritate and weaken the bowels, and make constipation more chronic.

Constipation is often accompanied and may be caused by weakness of the nerves and muscles of the large intestine or colon. To expect a cure you must therefore tone up and strengthen those parts and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of skilful research chemists. This remedy produces results such as are expected from the best of the best-known intestinal tonics, and it is particularly prompt in its results.

We want you to try Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They apparently act directly on the nerves and muscles of the bowels, having, it would seem a neutral action on other organs or glands They do not purge or cause inconvenience. If they do not positively cure chronic or habitual constipation and thus relieve the myriads of associate or dependent chronic ailments, your money will be refunded. Try Rexall Orderlies at our risk. Three sizes of packages, 10c, 25c., and 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. B. J. Pulver,

We Guarantee to Relieve Dyspepsia If We Fail the Medicine Costs Nothing.

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to any using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, Without it the digestion and assimilation of food are impossible.

The Carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25 cents, 50 cents, and $1.00 Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, B. J. Pulver.
